AMENDMENTS TO THE RISKS SECTION

The "**RISKS**" section on pages 16 to 56 of the Base Prospectus is amended as follows:

- (a) the paragraph under the heading "**Risks Relating to BNPP and its Industry**" on page 16 of the Base Prospectus (which was amended by virtue of the Previous Supplements) is entirely deleted and replaced with the following:

"Risk factors relating to BNPP are set out in "Risk Factors" under Chapter 5 on pages 315 to 330 of the BNPP 2022 Universal Registration Document (in English), which is incorporated by reference in this document. See section entitled "Documents Incorporated by Reference" of this Base Prospectus.

The following risk factors are identified as the main risk factors specific to BNPP:

1. A substantial increase in new provisions or a shortfall in the level of previously recorded provisions exposed to credit risk and counterparty risk could adversely affect the Group's results of operations and financial condition.
2. An interruption in or a breach of the Group's information systems may cause substantial losses of client or customer information, damage to the Group's reputation and result in financial losses.
3. The Group may incur significant losses on its trading and investment activities due to market fluctuations and volatility.
4. Adjustments to the carrying value of the Group's securities and derivatives portfolios and the Group's own debt could have an adverse effect on its net income and shareholders' equity.
5. The Group's access to and cost of funding could be adversely affected by a resurgence of financial crises, worsening economic conditions, rating downgrades, increases in sovereign credit spreads or other factors.
6. Adverse economic and financial conditions have in the past had and may in the future have an impact on the Group and the markets in which it operates.
7. Laws and regulations adopted in recent years, particularly in response to the global financial crisis, as well as new legislative proposals, may materially impact the Group and the financial and economic environment in which it operates.
8. The Group may incur substantial fines and other administrative and criminal penalties for non-compliance with applicable laws and regulations, and may also incur losses in related (or unrelated) litigation with private parties."

- (b) the main heading "**Risk Factors**" of the heading "**Risks Relating to the BNPP and its Industry**" and the paragraphs below on pages 16 to 36 of the Base Prospectus (which were amended by virtue of the Third Supplement) are entirely deleted.

IFRS differs in certain significant respects from generally accepted accounting principles in the United States ("**U.S. GAAP**"). The Group has made no attempt to quantify the impact of those differences. In making an investment decision, investors must rely upon their own examination of the Group, the terms of an offering and the financial information. Potential investors should consult their own professional advisors for an understanding of the differences between IFRS and U.S. GAAP, and how those differences might affect the information herein. The Group's fiscal year ends on 31 December and references in the BNPP 2021 Universal Registration Document (in English) and the BNPP 2022 Universal Registration Document (in English) and any amendment to the BNPP 2022 Universal Registration Document (in English) (in each case, as defined in "*Documents Incorporated by Reference*" below and incorporated by reference herein) to any specific fiscal year are to the 12-month period ended 31 December of such year."
