AMENDMENTS TO THE SUMMARY

The Summary section set out on page 9 of the Base Prospectus shall be amended as follows:

- (1) The paragraph entitled "**Risk Factors (Securities)**" set out on page 12 of the Base Prospectus is amended as follows:
 - at line 5, ", futures contract" is added after "inflation index";
 - at line 13, ", Futures Securities" is added after" (including Fund Securities linked to an Exchange Traded Fund)"; and

These are set out under "Risk Factors" below and include exposure to one or more index, share, GDR and/or ADR, debt security, commodity and/or commodity index, inflation index, futures contract, and/or the credit of one or more reference entity (each an "**Underlying Reference**"), leverage, interest, factors affecting the value and trading price of Securities, certain considerations regarding hedging, specific risks in relation to Index Securities (including Index Securities linked to a property index or a custom index), Share Securities, GDR/ADR Securities, Debt Securities, Currency Securities, Commodity Securities, Inflation Index Securities, Fund Securities (including Fund Securities linked to an Exchange Traded Fund), Futures Securities, Credit Certificates and Hybrid Securities (each as defined below), specific risks in relation to Securities linked to an Underlying Reference from an emerging or developing market, specific risks in relation to Dynamic Securities, limitations on the minimum trading size of Securities, limitations on the exercise of and time lag after exercise of Warrants, option to vary settlement, absence of pre-determined maturity for Open End Certificates and OET Certificates, market disruption or failure to open of an exchange, settlement disruption, additional disruption events, potential adjustment events or extraordinary events affecting shares or fund shares, extraordinary fund events, expenses and taxation, illegality, meetings of holders, post-issuance information, change of law, effect of credit rating reduction, potential conflicts of interest and possible illiquidity of Securities in the secondary market. "

- (2) The paragraph entitled "**Securities**" is amended as follows:
 - at line 6, ", securities linked to one or more futures contracts ("**Futures Securities**")" is added after ("**Fund Securities**")";
 - at line 7, ", open end turbo Certificates ("**OET Certificates**") which will be redeemed on a date determined by the Issuer, in its sole and absolute discretion, subject as provided herein" is added after "**Credit Certificates**";

- the following is added as a second paragraph, "OET Certificates are issued pursuant to a separate set of terms and conditions as set out under the *"Terms and Conditions of the Open End Turbo Certificates"*, as amended and/or supplemented by the applicable Final Terms, a form of which is set out below under *"Final Terms for Open End Turbo Certificates"*".

Accordingly this paragraph now reads as follows:

"Securities

Securities may be issued as index Securities ("**Index Securities**"), share Securities ("**Share Securities**"), GDR/ADR Securities ("**GDR/ADR Securities**"), debt Securities ("**Debt Securities**"), currency Securities ("**Currency Securities**"), commodity Securities ("**Commodity Securities**"), inflation index Securities ("**Inflation Index Securities**"), fund Securities ("**Fund Securities**"), securities linked to one or more futures contracts ("**Futures Securities**"), credit Certificates ("**Credit Certificates**"), open end turbo Certificates ("**OET Certificates**") which will be redeemed on a date determined by the Issuer, in its sole and absolute discretion, subject as provided herein, or any other or further type of warrants or certificates including as hybrid Securities ("**Hybrid Securities**") whereby the Underlying Reference may be any combination of such indices, shares, debt, currency, commodities, inflation indices, fund shares or units, futures contracts, the credit of specified reference entities or other asset classes or types.

OET Certificates are issued pursuant to a separate set of terms and conditions as set out under the *"Terms and Conditions of the Open End Turbo Certificates"*, as amended and/or supplemented by the applicable Final Terms, a form of which is set out below under *"Final Terms for Open End Turbo Certificates"*."

- (3) A new paragraph entitled "**Futures Securities**" is inserted between the paragraph entitled "**Fund Securities**" and the paragraph entitled "**Credit Certificates**", as follows:

"Futures Securities

Payments in respect of Futures Securities will be calculated by reference to one or more futures contracts as set out in the applicable Final Terms. Futures Securities may also provide for settlement by physical delivery of the Entitlement.

Futures Securities may be subject to cancellation or early redemption or adjustment if certain events (such as a change in the futures contract, the replacement of a futures contract by a new futures contract or the de-listing of a futures contract) occur with respect to one or more futures contracts.

Futures Securities may only be governed by French law."

- (4) A new paragraph entitled "**OET Certificates**" is inserted between the paragraph entitled "**Credit Certificates**" and the paragraph entitled "**Hybrid Securities**", as follows:

"OET Certificates

OET Certificates will be redeemed on a date determined by the Issuer, in its sole and absolute discretion, subject to and in accordance with the

Conditions set out below under the "*Terms and Conditions of the Open End Turbo Certificates*" and the applicable Final Terms, a form of which is set out below under "Final Terms for Open End Turbo Certificates".

Payment in respect of OET Certificates will be calculated by reference to a share, fund unit, index, currency, futures contract or commodity, as set out in the applicable Final Terms.

OET Certificates may be subject to early redemption or adjustment if certain events (such as events affecting the relevant shares, fund unit, index, currency, futures contract or commodity) occur with respect to the underlying asset.

OET Certificates may only be governed by French law."

(5) The paragraph entitled "**Listing and admission to trading**" is amended as follows:

At line 2, ", NYSE Euronext Paris, Euronext Brussels" is added after "the EuroMTF Market".

Accordingly this paragraph now reads as follows:

"Listing and admission to trading

Securities of a particular Series may be listed and admitted to trading on AEX, the Italian Stock Exchange, the EuroMTF Market, NYSE Euronext Paris, Euronext Brussels, or on such other or additional stock exchanges as may be specified in the applicable Final Terms, and references to listing shall be construed accordingly. The applicable Final Terms will, if relevant, include information on the relevant market segment of the stock exchange on which the securities are to be listed."

(6) The paragraph entitled "**Governing Law**" is amended as follows:

At line 2, "except for the Futures Warrants, the Futures Certificates, the Open End Certificates, and the OET Certificates which will be governed by French law only. " is added after "in the applicable Final Terms".

Accordingly this paragraph now reads as follows:

"Governing Law

The Securities and any related Guarantee will be governed by English or French Law, as specified in the applicable Final Terms except for the Futures Warrants, the Futures Certificates, the Open End Certificates, and the OET Certificates which will be governed by French law only."

AMENDMENTS TO RISK FACTORS

The Risk Factors section set out on page 17 of the Base Prospectus shall be amended as follows:

- (1) The preamble of the paragraph entitled "**RISK FACTORS RELATING TO SECURITIES-General**" on page 17 of the Base Prospectus is amended as follows:
 - at line 12 of the first subparagraph, "futures contracts (or basket of futures contracts)," is added after "fund share or unit (or basket of fund shares or units),"; and
 - at line 8 of the third subparagraph, "Fluctuations in the value of the relevant futures contracts or basket of futures contracts will affect the value of the Futures Securities." is added after "Fluctuations in the value of the relevant fund share or units or basket of fund shares or units will affect the value of the Fund Securities."

Accordingly, this preamble now reads:

"General

The Securities involve a high degree of risk, which may include price risks associated with the Underlying Reference (as defined below), among others, interest rate, foreign exchange, inflation, time value and political risks. Prospective purchasers of Securities should recognise that their Securities may expire worthless or be redeemed for no value. Purchasers should be prepared to sustain a total loss of the purchase price of their Securities. See "*Certain Factors Affecting the Value and Trading Price of Securities*" below. Prospective purchasers of Securities should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Securities and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Securities in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Securities and the particular underlying index (or basket of indices), share (or basket of shares), GDR or ADR (or basket of GDRs and/or ADRs), debt instrument (or basket of debt instruments), currency (or basket of currencies), commodity (or basket of commodities), inflation index (or basket of inflation indices), fund share or unit (or basket of fund shares or units), futures contracts (or basket of futures contracts), or other basis of reference to which the value of the relevant Securities may relate, as specified in the applicable Final Terms (such reference being the "**Underlying Reference**"). The Issuer may also issue Securities linked to the credit of a specified entity (or entities) (each such entity a "**Reference Entity**" and, where the context admits, each an "**Underlying Reference**").

The risk of the loss of some or all of the purchase price of a Security upon expiration or redemption means that, in order to recover and realise a return upon his or her investment, a purchaser of a Security must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the Underlying Reference or Credit Risk of the Reference Entity ("**Entities**") which may be specified in the applicable Final Terms. Assuming all other factors are held constant, the lower the value of a Security and the shorter the remaining term of a Warrant to expiration or a Certificate to redemption, the greater the risk that purchasers of such Securities will lose all or part of their investment. With respect to Certificates and European-style Warrants, the only means through which a Holder can realise value from the Warrant or Certificate, as the case may be, prior to its Exercise Date or Redemption Date in relation to such Warrant or Certificate, as the case may be, is to sell it at its then market price in an available secondary market. See "*Possible Illiquidity of the Securities in the Secondary Market*" below.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Securities or Inflation Index Securities. Fluctuations in the price of the relevant share or value of the basket of shares will affect the value of Share Securities. Fluctuations in the price of the relevant GDR and/or ADR or value of the basket of GDRs and/or ADRs will affect the value of GDR/ADR Securities. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Securities. Fluctuations in the rates of exchange between the relevant currencies will affect the value of Currency Securities. Fluctuations in the value of the relevant

inflation index or basket of inflation indices will affect the value of Inflation Securities. Fluctuations in the value of the relevant fund share or units or basket of fund shares or units will affect the value of the Fund Securities. Fluctuations in the value of the relevant futures contracts or basket of futures contracts will affect the value of the Futures Securities. Fluctuations in the creditworthiness of the relevant Reference Entity or Reference Entities will affect the value of the Credit Linked Securities. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Securities. In the case of Hybrid Securities the Underlying Reference in respect of which is any combination of such indices, shares, debt, currencies, commodities, inflation indices or any other asset class or type, fluctuations in the value of any one or more of such Underlying References will correspondingly affect the value of Hybrid Securities. Purchasers of Securities risk losing their entire investment if the value of the relevant Underlying Basis of Reference does not move in the anticipated direction.

Each Issuer may issue several issues of Securities relating to various Underlying References. However, no assurance can be given that the relevant Issuer will issue any Securities other than the Securities to which a particular Final Terms relates. At any given time, the number of Securities outstanding may be substantial. Securities provide opportunities for investment and pose risks to investors as a result of fluctuations in the value of the underlying investment. In general, certain of the risks associated with Warrants are similar to those generally applicable to other options or warrants of private corporate issuers. Warrants or certificates on shares, debt instruments or fund shares or units are priced primarily on the basis of the value of underlying securities, whilst Currency and Commodity Securities are priced primarily on the basis of present and expected values of the reference currency (or basket of currencies) or commodity (or basket of commodities) specified in the applicable Final Terms."

(2) The subparagraph entitled "*Risk of Leveraged Exposure*" on page 21 of the Base Prospectus is amended as follows:

At line 5, "(such as OET Certificates)" is added after "If the relevant Securities include leverage".

Accordingly, this subparagraph now reads as follows:

"Risk of Leveraged Exposure

Leverage involves the use of a number of financial techniques to increase the exposure to an Underlying Reference, and can therefore magnify both returns and losses. While the use of leverage allows for potential multiples of a return (assuming a return is achieved) when the Underlying Reference moves in the anticipated direction, it will conversely magnify losses when the Underlying Reference moves against expectations. If the relevant Securities include leverage (such as OET Certificates), potential holders of such Securities should note that these Securities will involve a higher level of risk, and that whenever there are losses such losses may be higher than those of a similar security which is not leveraged. Investors should therefore only invest in leveraged Securities if they fully understand the effects of leverage."

(3) The subparagraph "*Change of Law*" on page 21 of the Base Prospectus is amended as follows:

At line 2, "(including the OET Certificates)" is added after "The Conditions of the French Law Securities".

Accordingly, this subparagraph now reads as follows:

"Change of Law

The Conditions of the English Law Securities are based on English law in effect as at the date of this Base Prospectus. The Conditions of the French Law Securities (including the OET Certificates) are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change

to an administrative practice or change to English law or French law, as applicable, after the date of this Base Prospectus."

- (4) A subparagraph entitled "*Certain Considerations Associated with Futures Securities*" is added between the subparagraph entitled "*Certain Considerations Associated with Fund Securities*" on page 23 of the Base Prospectus and the subparagraph entitled "*Certain Considerations Associated with Credit Certificates*", as follows:

"Certain Considerations Associated with Futures Securities

An investment in Futures Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Futures Securities, Holders will receive an amount (if any) determined by reference to the value of the futures contract(s) and/or the physical delivery of a given number of futures contract(s). Accordingly, an investment in Futures Securities may bear similar market risks to a direct futures contract investment and investors should take advice accordingly. Futures Linked Interest Certificates pay interest calculated by reference to the value of the underlying futures contract(s)."

- (5) Two subparagraphs entitled "*Certain Considerations Associated with Open End Certificates and OET Certificates*" and "*Certain Considerations Associated with Knock-in Event and Knock-out Event Securities and OET Certificates listed on NYSE Euronext Paris*" are added between the subparagraph entitled "*Certain Considerations Associated with Hybrid Securities*" on page 24 of the Base Prospectus and the paragraph entitled "**Additional Factors relating to certain Underlying References**", as follows:

"Certain Considerations Associated with Open End Certificates and OET Certificates

Open End Certificates and OET Certificates do not have any pre-determined maturity and may be redeemed on any date determined by the Issuer, in its sole and absolute discretion, subject to compliance with the provisions of the Terms and Conditions of the Certificates. Investment in Open End Certificates and OET Certificates will entail additional risks compared with other Certificates, due to the fact that the redemption date for such Open End and OET Certificates cannot be determined by the investor.

Open End Certificates and OET Certificates may only be governed by French law.

Certain Considerations Associated with Knock-in Event and Knock-out Event Securities and OET Certificates listed on NYSE Euronext Paris

Securities in respect of which "Knock-in Event" or "Knock-out Event" is specified as applicable in the relevant Final Terms and OET Certificates, in each case listed on NYSE Euronext Paris constitute "leverage products" (*produits à levier*) within the meaning of the classification of warrants and certificates published by Euronext Paris (now NYSE Euronext Paris) in a notice dated 7 November 2007. The use of such classification is recommended by the French *Autorité des Marchés Financiers* in accordance with its press release of 28 November 2007. However, all the characteristics and risks of the above mentioned Securities and OET Certificates may not be totally reflected by this classification. In addition, this classification may be amended at any time by NYSE Euronext Paris."

- (6) The subparagraph entitled "*Adjustment Events relating to Index Securities*" on page 26 of the Base Prospectus is amended as follows:

After (iii), "Index OET Certificates shall also be subject to specific adjustments, as described in "*Terms and Conditions of Open End Turbo Certificates*" if certain events occur with respect to an underlying Index." is added.

- (7) The subparagraph entitled "*Other Events relating to Share Securities or ETF Linked Securities*" on page 27 of the Base Prospectus is amended as follows:

- in its preamble, "Listing Change, Listing Suspension, Illiquidity," is added after "In the case of Share Securities or ETF Linked Securities, if a Merger Event, Tender Offer, De-Listing, ";

- in subparagraph (i), at line 4, "Listing Change, Listing Suspension, Illiquidity," is added after "Merger Event, Tender Offer, De-Listing,";
- in subparagraph (iii), at line 3, "Listing Change, Listing Suspension, Illiquidity," is added after "Merger Event, Tender Offer, De-Listing,";
- in the paragraph which follows subparagraph (iii), at line 1, "Listing Change, Listing Suspension, Illiquidity," is added after "Merger Event, Tender Offer, De-Listing,"; and
- "Share OET Certificates shall also be subject to specific adjustments, as described in *Terms and Conditions of Open End Turbo Certificates* if certain events occur with respect to an underlying Share." is added at the end of the subparagraph entitled "*Other Events relating to Share Securities or ETF Linked Securities*".

Accordingly, the subparagraph entitled "*Other Events relating to Share Securities or ETF Linked Securities*" now reads as follows:

"Other Events relating to Share Securities or ETF Linked Securities

In the case of Share Securities or ETF Linked Securities, if a Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency occurs in relation to a Share or Fund Share, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below (except as may be limited in the case of U.S. Securities):

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment, in which case such adjustment may have an adverse effect on the value and liquidity of the affected Share Securities or ETF Linked Securities; or
- (ii) in the case of Warrants unless otherwise specified in the applicable Final Terms or in the case of Certificates, unless Delayed Redemption on Occurrence of Extraordinary Event is specified as applicable in the applicable Final Terms, cancel or redeem, as the case may be, part (in the case of Share Securities or ETF Linked Securities relating to a basket of Shares or Fund Shares) or all (in any other case) of the Securities, in which case, following such cancellation, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the relevant Securities being redeemed and may only be able to do so at a significantly lower rate, and potential investors should consider reinvestment risk in light of other investments available at that time; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Extraordinary Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate, taking into account the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the relevant event (the "**Calculated Additional Disruption Amount Determination Date**") and, on the Redemption Date, shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to the Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Consequently the occurrence of a Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency in relation to a Share or Fund Share may have an adverse effect on the value or liquidity of the Securities.

Share OET Certificates shall also be subject to specific adjustments, as described in "*Terms and Conditions of Open End Turbo Certificates*" if certain events occur with respect to an underlying Share."

(8) The subparagraph entitled "*Market Disruption Events relating to Commodity Securities*" on page 28 of the Base Prospectus is amended as follows:

- in its preamble, "(other than in respect of Commodity OET Certificates) " is added after "Market Disruption Event"; and
- "Commodity OET Certificates shall also be subject to specific adjustments, as described in "*Terms and Conditions of Open End Turbo Certificates*" if certain events occur with respect to an underlying Commodity." is added at the end of the subparagraph "*Market Disruption Events relating to Commodity Securities*".

Accordingly, this subparagraph now reads as follows:

"Market Disruption Events relating to Commodity Securities

If a Market Disruption Event (other than in respect of Commodity OET Certificates) occurs then:

- (i) the Calculation Agent will determine if such event has a material effect on the Securities and, if so, will calculate the relevant Interest Amount and/or Cash Settlement Amount and/or make another relevant calculation using, in lieu of a published price for the relevant Commodity, the price for that Commodity as at the time specified on the relevant Pricing Date, as determined by the Calculation Agent taking into consideration the latest available quotation for such Commodity and any other information that in good faith it deems relevant; or
- (ii) in the case of Warrants unless otherwise specified in the applicable Final Terms or in the case of Certificates unless Delayed Redemption on Occurrence of Market Disruption Event is specified as being applicable in the applicable Final Terms, on giving notice to Holders, the Issuer will cancel or redeem, as applicable, the Securities, and pay in respect of each Security an amount equal to the fair market value of such Securities less the cost to the Issuer of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Market Disruption Event is specified as being applicable in the applicable Final Terms, the Calculation Agent will calculate the fair market value of each Certificate, taking into account the Market Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Market Disruption Amount**") as soon as practicable following the occurrence of the Market Disruption Event (the "**Calculated Market Disruption Amount Determination Date**") and, on the Redemption Date, shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Market Disruption Amount plus interest accrued from and including the Calculated Additional Market Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Consequently the occurrence of a Market Disruption Event in relation to a Commodity may have an adverse effect on the value or liquidity of the Securities.

Commodity OET Certificates shall also be subject to specific adjustments, as described in "*Terms and Conditions of Open End Turbo Certificates*" if certain events occur with respect to an underlying Commodity."

- (9) A subparagraph entitled "*Market Disruption Event relating to Futures Securities*" is added between the subparagraphs "*Market Disruption Events relating to Commodity Securities*" on page 28 of the Base Prospectus and "*Additional Disruption Events*", as follows:

"Market Disruption Event relating to Futures Securities

In the case of Futures Securities, if, on or prior to the last Valuation Date, the last Observation Date or the last Averaging Date, (i) the relevant Exchange makes or announces that it will make a material change in the conditions of the Futures (a "**Futures Modification**"), (ii) the relevant Exchange replaces the Futures by a new futures contract to be substituted to the Futures (a "**Futures Replacement**") or (iii) the relevant Exchange announces that the Futures cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason and is not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union) (a "**Futures De-Listing**" and, together with a Futures Modification and a Futures replacement, each a "**Futures Adjustment Event**"), then:

- (i) following the occurrence of a Futures Modification or a Futures Replacement, the Calculation Agent shall determine if such Futures Modification or Futures Replacement has a material effect on the Securities and, if so, shall use the Futures so modified or replaced in lieu of the initial Futures with respect to the relevant Securities; or
- (ii) in the case of Warrants, unless cancellation on Occurrence of Futures Adjustment Event is specified as being not applicable in the applicable Final Terms as in the case of Certificates unless Delayed Redemption on Occurrence of Futures Adjustment Event is specified as being applicable in the applicable Final Terms, the Issuer may cancel or redeem the Securities by giving notice to Holders and pay in respect of each Security an amount equal to the fair market value of a Security less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; or
- (iii) in the case of Certificates, if Delayed Redemption on Occurrence of Futures Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate taking into account the Futures Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the Futures Adjustment Event (the "**Calculated Additional Disruption Amount Determination Date**") and on the Redemption Date shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Consequently the occurrence of a Market Disruption Event in relation to a Futures may have an adverse effect on the value or liquidity of the Securities."

AMENDMENTS TO THE GENERAL DESCRIPTION OF THE PROGRAMME FOR WARRANTS AND CERTIFICATES

The General Description of the Programme section on page 38 of the Base Prospectus shall be amended as follows:

The paragraph entitled "**Securities**" shall be amended as follows:

- At line 3, "Futures Securities, open end turbo Certificates which will be redeemed on a date determined by the Issuer, in its sole and absolute discretion, subject as provided herein ("**OET Certificates**")," after "Credit Certificates,";
- at line 7, "futures contracts" is added after "funds,"; and
- the following paragraph is added as a second subparagraph: "OET Certificates are issued pursuant to a separate set of terms and conditions as set out under the "*Terms and Conditions of the Open End Turbo Certificates*", as amended and/or supplemented by the applicable Final Terms, a form of which is set out below under "*Final Terms for Open End Turbo Certificates*"."

Accordingly, this paragraph now reads as follows:

"Securities

("**Euroclear**") and/or any other relevant Clearing System (as defined below) or (in the case of English Law Warrants held through Euroclear France) with Euroclear France, in each case in accordance with the rules and regulations of the relevant clearing system(s). If the Clearing System specified in the Final Terms is Iberclear, the term Common Depository and/or Custodian shall be deemed to refer to the foreign custodian (*Entidad Custodia*) or Iberclear Participant (*Entidad Miembro de Iberclear*), as the case may be, appointed in accordance with the rules and regulations of Iberclear. Warrants represented by a Rule 144A Global Warrant will be either (i) deposited with a custodian (a "**Custodian**") for, and registered in the name of a nominee of, The Depository Trust Company ("**DTC**"), or (ii) issued and deposited with the Common Depository on behalf of Clearstream, Luxembourg and Euroclear and/or any other relevant Clearing System.

In the event that the Warrants are constituted by a Registered Global Warrant (such Warrants being hereafter referred to as "**Registered Warrants**"), the Registered Global Warrant will be held by the Registrar on behalf of the holders.

Interests in a Rule 144A Global Warrant and a Regulation S Global Warrant may be exchanged for interests in the other Clearing System Global Warrant and for Private Placement Definitive Warrants and Private Placement Definitive Warrants may be exchanged for an interest in a Rule 144A Global Warrant or Regulation S Global Warrant only as described herein. Interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant may not be exchanged for interests in a Registered Global Warrant and interests in a Registered Global Warrant may not be exchanged for interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant.

Each of the Clearing System Global Warrant and the Registered Global Warrant is referred to in these Terms and Conditions as a "**Global Warrant**". The applicable Final Terms (or the relevant provisions thereof) will be attached to such Global Warrant.

In the case of Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, if DTC notifies BNPP that it is unwilling or unable to continue as a depository for that Global Warrant or if at any time DTC ceases to be a "clearing agency" registered under the Exchange Act, and a successor depository is not appointed by BNPP within 90 days of such notice, BNPP will deliver Warrants in definitive registered form (bearing such legends as may be required by BNPP) in exchange for that Rule 144A Global Warrant. Except in these circumstances, owners of beneficial interests in a Rule 144A Global Warrant held by a Custodian on behalf of DTC will not be entitled to have any portion of such Warrants registered in their name and will not receive or be entitled to receive physical delivery of registered Warrants in definitive form in exchange for their interests in that Rule 144A Global Warrant. Transfer, exercise, settlement and other mechanics related to any Warrants issued in definitive form in exchange for Warrants represented by such Rule 144A Global Warrant shall be as agreed between BNPP and the New York Warrant Agent.

French Law Warrants (as defined in Condition 4 below) are issued in dematerialised form (*au porteur*) (such Warrants hereinafter also referred to as "**Clearing System Warrants**"). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code Monétaire et Financier*) will be issued in respect of French Law Warrants.

The applicable Final Terms for the Warrants supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of the Warrants.

References herein to the "applicable Final Terms" are to the Final Terms or two or more sets of Final Terms (in the case of any further warrants issued pursuant to Condition 13 and forming a single series with the Warrants) (which, for the avoidance of doubt, may be issued in respect of more than one series of Warrants) insofar as they relate to the Warrants.

Subject as provided in Condition 3 and in the relevant Guarantee (as defined below), where the Issuer is BNPP B.V., the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP (in such capacity, the "**Guarantor**") pursuant to the Guarantee. The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

Copies of the Agency Agreement, the Guarantees and the applicable Final Terms may be obtained from the specified office of the relevant Warrant Agent and the Registrar (in the case of Registered Warrants), save that if the Warrants are unlisted, the applicable Final Terms will only be obtainable by a Holder and such Holder must produce evidence satisfactory to the relevant Warrant Agent as to identity. Copies of the VPC Agency Agreement and the English Law Guarantee will be available for inspection at the office of the VPC Warrant Agent specified in the applicable Final Terms.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

The Holders (as defined in Condition 1(B)) are entitled to the benefit of and are deemed to have notice of and are bound by all the provisions of the Agency Agreement (insofar as they relate to the Warrants) and the applicable Final Terms, which are binding on them.

1. Type, Title and Transfer

(A) Type

The Warrants relate to a specified Index or basket of Indices ("**Index Warrants**"), a specified Share or basket of Shares ("**Share Warrants**"), a specified depositary receipt (a "**GDR/ADR**") referencing a share (an "**Underlying Share**") or basket of GDRs and/or ADRs ("**GDR/ADR Warrants**"), a specified debt instrument ("**Debt Security**") or basket of Debt Securities ("**Debt Warrants**"), a specified currency ("**Currency**") or basket of Currencies ("**Currency Warrants**"), a specified commodity ("**Commodity**") or basket of Commodities ("**Commodity Warrants**"), a specified inflation Index or basket of inflation Indices ("**Inflation Index Warrants**"), a specified fund share or unit or basket of fund shares or Units ("**Fund Warrants**"), the credit of a specified reference entity or entities ("**Credit Linked Warrants**"), a specified futures contract or basket of futures contract(s) ("**Futures Warrants**") or any other or further type of warrants as is specified in the applicable Final Terms including Warrants which relate to any combination of such indices, shares, debt securities, currencies, fund shares or units, commodities, futures contract(s) and other asset classes or types ("**Hybrid Warrants**"). Warrants related to a specified currency or basket of currencies, a specified commodity or basket of commodities, a specified interest rate or basket of interest rates or a specified inflation index or basket of inflation indices, a specified fund share or unit or basket of fund shares or units, the credit of a specified reference entity or reference entities, a specified futures contract or basket of futures contracts or Hybrid Warrants related to any of these asset classes, may not at any time be offered, sold, resold, held, traded, pledged, exercised, settled, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended.

The applicable Final Terms will indicate whether the Warrants are American style Warrants ("**American Style Warrants**") or European style Warrants ("**European Style Warrants**"), Registered Warrants or such other type as may be specified in the applicable Final Terms, in the case of Cash Settled Warrants whether automatic exercise ("**Automatic Exercise**") applies to the Warrants, whether settlement shall be by way of cash payment ("**Cash Settled Warrants**") or physical delivery ("**Physical Delivery Warrants**"), whether the Warrants are call Warrants ("**Call Warrants**") or put Warrants ("**Put Warrants**"), or such other type as may be specified in the applicable Final Terms, whether the Warrants may only be exercised in units ("**Units**") and whether Averaging ("**Averaging**") will apply to the Warrants. If Units are specified in the applicable Final Terms, Warrants must be exercised in Units and any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect. If Averaging is specified as applying in the applicable Final Terms the applicable Final Terms will state the relevant Averaging Dates and, if an Averaging Date is a Disrupted Day, whether Omission, Postponement or Modified Postponement (each as defined in Condition 4 below) applies. If the Warrants are VPC Warrants they will be European Style Warrants and Cash Settlement and Automatic Exercise will apply. If the Warrants are Italian Dematerialised Warrants they will be European Style Warrants or American Style Warrants and Cash Settlement and Automatic Exercise will apply.

References in these Terms and Conditions, unless the context otherwise requires, to Cash Settled Warrants shall be deemed to include references to (a) Physical Delivery Warrants, which include an option (as set out in the applicable Final Terms) at the Issuer's election to request cash settlement of such Warrant pursuant to Condition 5(D)(i) and where settlement is to be by way of cash payment, and (b) Physical Delivery Warrants where settlement is to be automatically varied to be by way of a cash payment pursuant to Condition 5(D)(i). Unless otherwise specified in the applicable Final Terms, BNPP does not have the option to vary settlement in respect of the U.S. Warrants pursuant to Condition 5(D)(i).

Warrants may, if specified in the applicable Final Terms, allow Holders to elect for settlement by way of cash payment or by way of physical delivery or by such other method of settlement as is specified in the applicable Final Terms. Those Warrants where the Holder has elected for cash payment will be Cash Settled Warrants and those Warrants where the Holder has elected for physical delivery will be Physical Delivery Warrants. The rights of a Holder as described in this paragraph may be subject to the Issuer's right to vary settlement as indicated in the applicable Final Terms and will be subject to the Issuer's right to substitute assets or pay the Alternate Cash Amount (as defined below) in lieu of physical delivery in accordance with Condition 5(E).

The Warrants will, upon issue, be inscribed in the books of Euroclear France which will credit the accounts of the relevant Account Holders.

For the purpose of these Conditions, "**Account Holder**" means any authorised financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes the depository bank for Clearstream Luxembourg and Euroclear and any other relevant Clearing System.

In the case of Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, the Rule 144A Global Warrant will be registered in the name of Cede & Co., as nominee of DTC, but this does not confer any

rights or benefits on Cede & Co. or any other nominee of DTC in whose name a Rule 144A Global Warrant may be registered. Transfers of such Rule 144A Global Warrant by such nominee of DTC shall be limited to transfers of such Rule 144A Global Warrant, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee. If such Renouncement Notice is subsequently corrected to the satisfaction of the Italian Warrant Agent, it shall be deemed to be a new Renouncement Notice submitted at the time such correction was delivered to the Italian Warrant Agent.

(B) Cash Settlement

If the Warrants are Cash Settled Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit entitles its Holder, upon due exercise and subject, in the case of Warrants represented by a Clearing System

Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by Rule 144A Global Warrants and Private Placement Definitive Warrants, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date a Cash Settlement Amount calculated by the Calculation Agent (which shall not be less than zero) equal unless otherwise specified in the applicable Final Terms to:

(i) where Averaging is not specified in the applicable Final Terms:

(a) if such Warrants are Call Warrants,

(Settlement Price less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount and divided by, in the case of Warrants in respect of which a Parity is specified in the applicable Final Terms, such Parity;

(b) if such Warrants are Put Warrants,

(Exercise Price less Settlement Price) multiplied by, in the case of Debt Warrants only, the nominal amount and divided by, in the case of Warrants in respect of which a Parity is specified in the applicable Final Terms, such Parity; and

(c) if such Warrants are not Call Warrants or Put Warrants, settlement will be as specified in the applicable Final Terms;

(ii) where Averaging is specified in the applicable Final Terms:

(a) if such Warrants are Call Warrants,

(the arithmetic mean of the Settlement Prices for all the Averaging Dates less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount and divided by, in the case of Warrants in respect of which a Parity is specified in the applicable Final Terms, such Parity;

(b) if such Warrants are Put Warrants,

(Exercise Price less the arithmetic mean of the Settlement Prices for all the Averaging Dates) multiplied by, in the case of Debt Warrants only, the nominal amount and divided by, in the case of Warrants in respect of which a Parity is specified in the applicable Final Terms, such Parity; and

(c) if such Warrants are not Call Warrants nor Put Warrants, settlement will be as specified in the applicable Final Terms.

Any amount determined pursuant to the above, if not an amount in the Settlement Currency, will be converted into the Settlement Currency at the Exchange Rate specified in the applicable Final Terms for the purposes of determining the Cash Settlement Amount. The Cash Settlement Amount will be rounded to the nearest two decimal places in the relevant Settlement Currency, 0.005 being rounded upwards, with Warrants exercised at the same time by the same Holder being aggregated for the purpose of determining the aggregate Cash Settlement Amounts payable in respect of such Warrants or Units, as the case may be. In such cases, the formula for determining the Cash Settlement Amount may include a deduction for sales tax in the manner specified in the applicable Final Terms.

(C) Physical Settlement

(1) Exercise Rights in relation to Physical Delivery Warrants

If the Warrants are Physical Delivery Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, entitles its Holder, upon due exercise and subject, in the case of Warrants, represented by a Clearing System Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by a Rule 144A Global

Warrant or a Private Placement Definitive Warrant, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date the Entitlement subject to payment of the relevant Exercise Price and any other sums payable. The method of delivery of the Entitlement is set out in the applicable Final Terms.

Warrants or Units, as the case may be, exercised at the same time by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Warrants or Units, as the case may be, provided that the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

Following exercise of a Share Warrant which is a Physical Delivery Warrant, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the relevant Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Exercise Notice as referred to in Condition 6.

(2) Settlement Disruption

If, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such Warrants shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. In the event that a Settlement Disruption Event will result in the delivery on a Settlement Date of some but not all of the Relevant Assets comprising the Entitlement, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Warrants (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Warrant or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor (if any).

For the purposes hereof:

"Disruption Cash Settlement Price" in respect of any relevant Warrant or Unit, as the case may be, shall be the fair market value of such Warrant or Unit, as the case may be (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its

Affiliates of unwinding any underlying related hedging arrangements (unless otherwise provided in the applicable Final Terms), all as determined by the Issuer in its sole and absolute discretion, plus, if applicable and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion);

"**Settlement Business Day**" in respect of each Warrant, has the meaning specified in the applicable Final Terms relating to such Warrant; and

"**Settlement Disruption Event**" means, in the opinion of the Calculation Agent or, if the proviso to Condition 3 applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3 applies, BNPP as a result of which the Issuer or BNPP, as the case may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(3) Failure to Deliver due to Illiquidity

"**Failure to Deliver due to Illiquidity**" if specified as applying in the applicable Final Terms, will be an Additional Disruption Event, as described in Condition 16(A) below.

(D) Variation of Settlement

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Warrants (which, unless otherwise specified, will not apply to U.S. Warrants), upon a valid exercise of Warrants in accordance with these Terms and Conditions, the Issuer may at its sole and unfettered discretion in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, following a valid exercise of Warrants in accordance with these Conditions, the Issuer shall, in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders.

(E) Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount

Following a valid exercise of Warrants in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Warrants, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprise(s) shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Amount**"). Notification of any such election will be given to Holders in accordance with Condition 11.

For purposes hereof, a "**freely tradable**" share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(F) General

In relation to any Cash Settled Warrants where Automatic Exercise is specified as applying in the applicable Final Terms, the expressions "**exercise**", "**due exercise**" and related expressions shall be construed to apply to any such Cash Settled Warrants which are automatically exercised in accordance with the above provisions.

None of the Issuers, the Guarantor, the Calculation Agent and any Warrant Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Warrants does not confer on any Holder of such Warrants any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

All references in this Condition to "**Luxembourg or Brussels time**" or "**New York time**" shall, where Warrants are cleared through an additional or alternative clearing system, be deemed to refer as appropriate to the time in the city where the relevant clearing system is located.

7. Minimum and Maximum Number of Warrants Exercisable

(A) American Style Warrants

This Condition 7(A) applies only to American Style Warrants.

- (1) The number of Warrants exercisable by any Holder on any Actual Exercise Date or, in the case of Automatic Exercise, the number of Warrants held by any Holder on any Actual Exercise Date, in each case as determined by the Issuer, must not be less than the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.

- (2) If the Issuer determines that the number of Warrants being exercised on any Actual Exercise Date by any Holder or a group of Holders (whether or not acting in concert) exceeds the Maximum Exercise Number (a number equal to the Maximum Exercise Number being the "Quota"), the Issuer may deem the Actual Exercise Date for the first Quota of such Warrants, selected at the discretion of the Issuer, to be such day and the Actual Exercise Date for each additional Quota of such Warrants (and any remaining number thereof) to be each of the succeeding Exercise Business Days until all such Warrants have been attributed with an Actual Exercise Date, provided, however, that the deemed Actual Exercise Date for any such Warrants which would thereby fall after the Expiration Date shall fall on the Expiration Date. In any case where more than the Quota of Warrants are exercised on the same day by Holder(s), the order of settlement in respect of such Warrants shall be at the sole discretion of the Issuer.

(B) European Style Warrants

This Condition 7(B) applies only to European Style Warrants.

The number of Warrants exercisable by any Holder on the Exercise Date, as determined by the Issuer, must be equal to the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.

8. Illegality and Force Majeure

(A) Illegality

If the Issuer determines that the performance of its obligations under the Warrants has become illegal in whole or in part for any reason, the Issuer may cancel the Warrants by giving notice to Holders in accordance with Condition 11.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

If the Issuer cancels the Warrants then the Issuer will, if and to the extent permitted by applicable law, and except as may be limited in the case of U.S. Warrants, pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by such Holder, which amount shall be the fair market value of a Warrant or Unit, as the case may be, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if applicable and if already paid by or on behalf of the Holder, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

(B) Force Majeure

If the Issuer determines that by reason of force majeure or act of state occurring after the Trade Date it becomes impossible or impracticable to perform in whole or in part its obligations under the Warrants and/or any related hedging arrangements, the Issuer may cancel the Warrants by giving notice to Holders in accordance with Condition 11.

If the Issuer cancels the Warrants then the Issuer will, if and to the extent possible or practicable, pay an amount (if any) to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by such Holder, which amount shall be the fair market value (if any) of a Warrant or Unit, as the case may be, taking into account such force majeure or act of state less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if applicable and if already paid by or on behalf of the Holder, the

Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Any payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

9. Purchases

The Issuer may, but is not obliged to, at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased may be held or resold or surrendered for cancellation; provided, however, that Warrants so purchased may only be resold pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 144A, Regulation S, or otherwise thereunder.

10. Warrant Agents, Registrar, Determinations, Meetings Provisions and Modifications

(A) Warrant Agents and Registrar

The specified offices of each of the Warrant Agents and the Registrar are as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of any Warrant Agent or the Registrar and to appoint further or additional Warrant Agents or a further or additional Registrar, provided that no termination of appointment of the Warrant Agent or the Registrar, as the case may be, shall become effective until a replacement Warrant Agent or a replacement Registrar, as the case may be, shall have been appointed and provided that, so long as any of the Warrants are listed on a stock exchange, there shall be a Warrant Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange and, if the Warrants are Registered Warrants, there shall be a Registrar. So long as any of the Warrants are Private Placement Definitive Warrants, there shall be a Definitive Warrant Agent, and so long as any of the Warrants are represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, there shall be a New York Warrant Agent. Notice of any termination of appointment and of any changes in the specified office of any of the Warrant Agents or the Registrar will be given to Holders in accordance with Condition 11. In acting under the Agency Agreement, the Warrant Agent and the Registrar act solely as agents of the Issuer and the Guarantor, if any, and do not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Warrants by the Warrant Agent or the Registrar shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the respective Holders.

In the case of VPC Warrants the relevant Issuer is entitled to vary or terminate the appointment of the VPC Warrant Agent, provided that it appoints another VPC Warrant Agent that is duly authorised under the SFIA Act as an account operator.

(B) Calculation Agent

In relation to each issue of Warrants, the Calculation Agent (whether it be BNP Paribas, BNP Paribas Arbitrage SNC or another entity) acts solely as agent of the Issuer and the Guarantor, if any, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the Warrants by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

(C) Determinations by the Issuer and the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

(D) Meetings of Holders

(i) English Law Warrants

The Agency Agreement contains provisions for convening meetings of the Holders of English Law Warrants of a series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of the Terms and Conditions or the Agency Agreement. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the date, time and place of the meeting shall be given to Holders. Such a meeting may be convened by the Issuer, the Guarantor or Holders holding not less than 5 per cent. (by number) of the Warrants for the time being remaining unexercised. (ii) French Law Warrants

(a) Representation

In respect of any series of French Law Warrants, Holders shall not be grouped automatically for the defence of their common interests in a *masse* constituting a separate legal body and governed by the provisions of Articles L.228-46 *et seq* of the French *Code de commerce*. Consequently the Holders shall not be represented by any representative of such body.

However, general meetings of Holders (a "**General Meeting**") may be convened to consider some matters relating to any series of French Law Warrants as provided hereunder.

(b) Powers of the General Meetings

The General Meeting is empowered to deliberate on any proposal relating to any matter affecting the interests of the Holders of the French Law Warrants and their rights, actions and benefits which now or in the future may accrue with respect to the Warrants, including the:

- (A) power to agree to any modification of the Warrants including but not limited to, a modification of the Exercise Price, Exercise Period, Cash Settlement Amount, Entitlement, Expiration Date, Settlement Date or more generally the modification of any term which can affect the amount to be paid under a Warrant or the scheduled payment date, which is proposed by the Issuer;

- (B) power to give any authority or approval which under the provisions of this Condition 10(D)(ii) is required to be given by a resolution of the General Meeting;
- (C) power to appoint any persons (whether Holders or not) as a committee or committees to confer upon any such committee or committees any powers or discretions which the Holders could themselves exercise by a resolution of the General Meeting; and
- (D) power to approve any contractual compromise or arrangement proposed to be made between the Issuer and the relevant Holders in respect of the rights of the Holders against the Issuer or against any of its property.

It is specified, however, that a General Meeting may not:

- (E) appoint any person as the representative of the Holders of any series for all actions intended to defend the common interests of the Holders, and particularly to bring any court or arbitration action or proceedings, against the Issuer or any Agent; and
- (F) agree on (1) any modification of the majority required to pass a resolution of the General Meeting, (2) any proposal relating to a change in the Issuer's corporate purpose or status, (3) any proposal for a settlement or a transaction concerning disputed rights or rights in respect of which court decisions have been handed down, or (4) proposals to merge or demerge the Issuer.

Any resolution passed at a General Meeting of the Holders of a given series of French Law Warrants, duly convened and held in accordance with the provisions of this Condition, shall be binding upon all the Holders of such series of French Law Warrants whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing.

General Meetings may deliberate validly on first convocation only if Holders present or represented hold at least a fifth of the Warrants then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Holders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 11 by the Issuer within 14 calendar days of the result being known provided that non-publication shall not invalidate the resolution.

(c) Convening and holding of the General Meeting

The General Meeting shall be convened by an authorised representative of the Issuer or by the liquidators or natural or physical persons performing equivalent functions during any possible winding-up or equivalent insolvency period and held, all with the same formal and deadline conditions as the shareholders' meetings of the Issuer including the provisions of Articles R. 225-66, R. 225-95, R. 225-101, R. 225-106 and R. 225-107 but excluding the provisions of Articles R. 225-72 to R. 225-74 of the French *Code de commerce*.

Any meeting unduly convened may be cancelled. However, the action to cancel this shall not be admissible when all the Holders of the relevant series are present or represented.

The day, time and place of the meeting and agenda of a meeting are determined at its discretion by the person convening it. However, one or more Holders holding at least one thirtieth of the relevant series of Warrants then

outstanding are entitled to require that draft resolutions be placed on the agenda. Such resolutions are placed on the agenda and put to the vote by the chairman of the meeting. The meeting shall not deliberate on an item which is not placed on the agenda. The agenda for the meeting may be amended on a second convening.

The meeting shall be chaired by a representative of the Issuer.

An attendance sheet is kept for each meeting. The decisions taken at each meeting are recorded in minutes signed by the members of the committee which are entered in a special register kept at the registered office of the Issuer. The elements that must be included in the attendance sheet and the minutes are the same as with respect to the shareholders' meetings of the Issuer.

All Holders of the relevant series of French Law Warrants are entitled to participate in the meeting or to be represented at it by the representative of their choice. Any Holder may vote by correspondence with the same formal and deadline conditions as the shareholders' meetings of the Issuer. Any contrary provision in the articles of association is deemed not to exist. When the quorum is calculated, only voting forms received by the Issuer before the date of the meeting in the manner and within the time limits being the same as for the shareholders' meetings of the Issuer shall be included in such calculation. Forms which do not indicate a voting intention or which express an abstention are treated as negative votes. If the articles of association of the Issuer so provide, Holders who participate in the meeting via videoconferencing or via a telecommunications medium which permits their identification are deemed to be present for calculation of the quorum and the majority.

The rights of each Holder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Holder on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting at 00:00, Paris time. The voting right in General Meetings shall belong to the bare owner (*nu-proprétaire*) of the relevant Warrants. Each Warrant shall confer the right to one vote.

Holders shall not be allowed individually to exercise control over the operations of the Issuer or to request notification of Issuer documents.

For the purposes of determining whether a Market Disruption Event exists in respect of a Component at any time, if a Market Disruption Event occurs in respect of such Component at that time, then the relevant percentage contribution of that Component to the level of such Index shall be based on a comparison of (x) the portion of the level of such Index attributable to that Component to (y) the overall level of such Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data"; and

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date, an Observation Date or a Valuation Date.

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") will be deemed to be the Index.

(B) Modification and Cessation of Calculation of an Index

If (i) on or prior to the last Valuation Date, the last Observation Date or the last Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an "**Index Disruption**" and, together with an Index Modification and an Index Calculation, each an "**Index Adjustment Event**"), then, except as may be limited in the case of U.S. Warrants:

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Warrants and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, that Observation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) unless Cancellation on Occurrence of Index Adjustment Event is specified as being not applicable in the applicable Final Terms, the Issuer may cancel the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11.

(C) Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Warrant Agent or the Registrar, as the case may be, of any determination made by it pursuant to paragraph (B) above and the action proposed to be taken in relation thereto and such Warrant Agent or the Registrar, as the case may be, shall make available for inspection by Holders copies of any such determinations.

4. Correction of Index

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount, if the Index published on a given day and used or to be used by the

Calculation Agent to make any determination under the Warrants, is subsequently corrected and the correction published by the relevant Index Sponsor within the number of days equal to the Index Correction Period of the original publication, the level to be used shall be the level of the Index as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Settlement Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount.

- (a) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Warrants. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange.

In addition such adjustment may be made in accordance with the provisions of sub-paragraph (e) below;

- (b) in the case of Share Warrants relating to a basket of Shares cancel part of the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled in part the portion (the "**Cancelled Amount**") of each Warrant or if Units are specified in the applicable Final Terms each Unit representing the affected Share(s) shall be cancelled and the Issuer will (i) pay to each Holder in respect of each Warrant or Units, as the case may be, held by him an amount equal to the fair market value of the Cancelled Amount, taking into account the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for such cancellation in part. For the avoidance of doubt the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11;
- (c) unless Cancellation on Occurrence of Extraordinary Event is specified as being not applicable in the applicable Final Terms, cancel the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11; or
- (d) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded; or
- (e) on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or De-Listing (as the case may be), the Calculation Agent may adjust the basket to include a share selected by it in accordance with the criteria for share selection set out below (each, a "**Substitute**

Share") for each Share (each, an "**Affected Share**") which is affected by such Merger Event, Tender Offer, Listing Change, Listing Suspension, Illiquidity, Nationalisation, Insolvency or De-Listing and the Substitute Share will be deemed to be a "**Share**" and the relevant issuer of such shares "**Basket Company**" for the purposes of the Warrants, and the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that (for the avoidance of doubt) the Exercise Price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$\text{Exercise Price} = A \times (B/C)$$

where:

"A" is the official closing price of the relevant Substitute Share on the relevant Exchange on the Substitution Date;

"B" is the Exercise Price of the relevant Affected Share; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the Substitution Date.

Such substitution and the relevant adjustment to the basket will be deemed to be effective as of the date selected by the Calculation Agent (the "**Substitution Date**") in its absolute discretion and specified in the notice referred to below which may, but need not, be the Merger Date or Tender Offer Date or the date of the Nationalisation, Insolvency, Listing Change, Listing Suspension, Illiquidity or De-Listing (as the case may be).

The Weighting of each Substitute Share in the basket will be equal to the Weighting of the relevant Affected Share.

In order to be selected as a Substitute Share, the relevant share must be a share which, in the sole and absolute discretion of the Calculation Agent:

1. is not already included in the basket;
2. the relevant issuer of such share belongs to a similar economic sector as the Basket Company in respect of the Affected Share; and
3. the relevant issuer of such share has a comparable market capitalisation, international standing and exposure as the Basket Company in respect of the Affected Share.

Upon the occurrence of a Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Holders in accordance with General Condition 11 stating the occurrence of the Merger Event, Tender Offer, De-Listing, Listing Change, Listing Suspension, Illiquidity, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto including, in the case of a Share Substitution, the identity of the Substitute Shares and the Substitution Date.

The Substitute Inflation Index Level so determined pursuant to this Inflation Index Warrant Condition 2 will be the definitive level for that Reference Month.

3. Successor Inflation Index

If the Calculation Agent determines that the level of an Inflation Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index and/or the Index Sponsor cancels the Inflation Index, then the Calculation Agent shall determine a successor index (a **"Successor Inflation Index"**) (in lieu of any previously applicable Index) for the purposes of the Warrants as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine a "Successor Inflation Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;
- (b) if (i) Related Bond is specified as not applicable in the applicable Final Terms or (ii) a Related Bond Redemption Event has occurred and Fallback Bond is specified as not applicable in the applicable Final Terms, the Index Sponsor announces that it will no longer publish or announce the Inflation Index but that it will be superseded by a replacement Inflation Index specified by the Index Sponsor, and the Calculation Agent determines that such replacement Inflation Index is calculated using the same or a substantially similar formula or method of calculation as used in the calculation of the Inflation Index, such replacement index shall be designated a "Successor Inflation Index";
- (c) if no Successor Inflation Index has been deemed under (a) or (b) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if fewer than three responses are received by the Cut-Off Date the Calculation Agent will determine an appropriate alternative index for such Affected Payment Date, and such index will be deemed a "Successor Inflation Index"; or
- (d) if the Calculation Agent determines that there is no appropriate alternative index there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Inflation Index shall be deemed to replace the Index for the purposes of the Inflation Index Warrants. Notice of the determination of a

Successor Inflation Index, the effective date of the Successor Inflation Index or the occurrence of an Index Cancellation will be given to holders of the Inflation Index Warrants by the Issuer in accordance with General Condition 11.

4. Adjustments

(A) Successor Inflation Index

If a Successor Inflation Index is determined in accordance with Inflation Index Warrant Condition 3 (Successor Inflation Index) above, the Calculation Agent may make any adjustment or adjustments (without limitation) to the final Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(B) Substitute Inflation Index Level

If the Calculation Agent determines a Substitute Inflation Index Level in accordance with Inflation Index Warrant Condition 2 (Delay in Publication) above, the Calculation Agent may make any adjustment or adjustments (without limitation) to (i) the Substitute Inflation Index Level determined in accordance with Inflation Index Warrant Condition 2 (Delay in Publication) above and/or (ii) the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants, in each case, as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(C) Index Level Adjustment Correction

- (i) The first publication or announcement of the Relevant Level (disregarding estimates) by the Index Sponsor for any Reference Month shall be final and conclusive and, subject to Inflation Index Warrant Condition 4(F) (*Index Modification*) below, later revisions to the level for such Reference Month will not be used in any calculations, save that in respect of the EUR-All Items-Revised Consumer Price Index, the ESP National-Revised Consumer Price Index (CPI) and the ESP-Harmonised-Revised Consumer Price Index HCPI, revisions to the Relevant Level which are published or announced up to and including the day that is two Business Days prior to any relevant Valuation Date will be valid and the revised Relevant Level for the relevant Reference Month will be deemed to be the final and conclusive Relevant Level for such Reference Month. The Issuer shall give notice to the Holders of any valid revision in accordance with General Condition 11.
- (ii) If, within 30 days of publication or at any time prior to a Valuation Date in respect of which a Relevant Level will be used in any calculation or determination in respect of such Valuation Date, the Calculation Agent determines that the Index Sponsor has corrected the Relevant Level to correct a manifest error, the Calculation Agent may make any adjustment to the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants as the Calculation Agent deems appropriate as a result of such correction and/or determine the amount (if any) that is payable as a result of that correction. The Issuer shall give notice to the Holders of any such adjustment and/or amount in accordance with General Condition 11.
- (iii) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of a Valuation Date in respect of which a Substitute Inflation Index Level was determined, the Calculation Agent may either (a) determine that such Relevant Level shall not be used in any calculation or determination under the Inflation Index Warrants and that the Substitute Inflation Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (b) to make any adjustment to the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants as it deems

appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the Holders of any determination in respect of (a) or (b), together with any adjustment or amount in respect thereof, in accordance with General Condition 11.

(D) Currency

If the Calculation Agent determines that any event occurs affecting the Specified Currency (whether relating to its convertibility into other currencies or otherwise) which the Calculation Agent determines necessitates an adjustment or adjustments to the Cash Settlement Amount, Exercise Price and/or any other relevant term of the Warrants (including the date on which any amount is payable by the Issuer), the Calculation Agent may make such adjustment or adjustments to the Cash Settlement Amount, Exercise Price and/or any other relevant term of the Warrants as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(E) Rebasing

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the Relevant Level from the date of such rebasing; provided, however, that the Calculation Agent may make (i) if Related Bond is specified as applicable in the relevant Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (ii) if Related Bond is specified as not applicable in the relevant Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, and in each case the Calculation Agent may make any adjustment(s) to the Cash Settlement Amount payable under the Warrants (if any) and/or any other term of the Warrants as the Calculation Agent may deem necessary. If the Calculation Agent determines that neither (i) nor (ii) above would produce a commercially reasonable result, the Issuer may cancel each Warrant on a date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of each such Warrant or, if Units are specified in the relevant Final Terms, each Unit, as the case may be, held by him an amount equal to the fair market value of a Warrant or a Unit, as the case may be, as determined by the Calculation Agent as at the date of cancellation taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any adjustment, cancellation of the Warrants or determination pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

(F) Index Modification

- (i) If on or prior to the Cut-Off Date in respect of any Valuation Date, the Calculation Agent determines that an Index Modification has occurred, the Calculation Agent may (a) if Related Bond is specified as applicable in the relevant Final Terms, make any adjustments to the relevant Inflation Index, any Relevant Level and/or any other relevant term of the Warrants (including, without limitation, the Cash Settlement Amount payable under the Warrants), consistent with any adjustments made to the Related Bond as the Calculation Agent deems necessary, or (b) if Related Bond is specified as not applicable in the Final Terms or a Related Bond Redemption Event has occurred, make only those adjustments to the relevant Inflation Index, any Relevant Level and/or any other term of the Inflation Index Warrants (including, without limitation, the Cash Settlement Amount payable under the Warrants), as the Calculation Agent deems necessary for the modified Index to continue as the relevant Inflation Index and to account for the economic effect of the Index Modification.

- (ii) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Valuation Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Valuation Date, in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Settlement Date such that the provisions of sub-paragraph (i) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with sub-paragraph (i) above.

(G) Index Cancellation

If the Calculation Agent determines that an Index Cancellation has occurred, the Issuer may:

- (i) elect for the Calculation Agent to calculate the relevant Settlement Price using, in lieu of a published level for that Inflation Index, the level for that Inflation Index, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Inflation Index last in effect prior to cancellation;
- (ii) cancel each Warrant on the date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of such Warrant, or if Units are specified in the relevant Final Terms, each Unit, as the case may be, held by him an amount equal to fair market value of a Warrant or a Unit, as the case may be, as determined by the Calculation Agent as at the date of cancellation taking into account the Index Cancellation, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any cancellation of the Warrants pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

The Calculation Agent shall act in good faith in making such determination.

If the Issuer decides to give notice to holders of Warrants of the occurrence of an Additional Disruption Event, it shall state in such notice whether the Warrants will be terminated (in whole or in part) pursuant to Market Access Warrant Condition 4(b) below or whether the Issuer's obligations under the Warrants will be suspended pursuant to Market Access Warrant Condition 4(c) below. If the Issuer elects to give notice to holders of Warrants of a suspension of its obligations under the Warrants pursuant to Market Access Warrant Condition 4(c) below, the Issuer shall nevertheless retain the right at all times to terminate the Warrants pursuant to Market Access Warrant Condition 4(b) below by giving notice to Holders in accordance with General Condition 11.

- (b) Termination

Upon the Issuer's election to terminate the Warrants as aforesaid (or upon expiry of the 30 day period referred to in Market Access Warrant Condition 4(c) below), the Issuer will, in respect of each and every Warrant terminated (the "**Terminated Warrant**") cause to be paid to the holders of Warrants an amount determined to be the fair market value of the Terminated Warrant as at termination (which may be nil) taking into consideration all information which the Calculation Agent deems relevant (including the circumstances that resulted in the occurrence of the Additional Disruption Event) less the cost to the Issuer and/or its affiliates of unwinding any related hedging arrangements (including but not limited to selling or otherwise realising the Shares or the Debt Securities or any options or futures contracts in relation to the Shares or the Debt Securities), all as determined by the Calculation Agent in its discretion acting in good faith and in a commercially reasonable manner. At the election of the Issuer such payment may be made in the Local Currency in the Relevant Jurisdiction, in which case the holders of Warrants will have responsibility for establishing an account in the Relevant Jurisdiction in order to receive such payments; provided that if it is impracticable or unlawful for the Issuer to pay such amount in the Relevant Jurisdiction, or the relevant holders of Warrants do not establish the necessary account in the Relevant Jurisdiction, to receive payment(s) in the currency the Issuer elects, the Issuer shall not be obliged to make payment of any such amounts so affected, as applicable. Payment will be made, as the case may be, in such manner as shall be notified to the holders of Warrants in accordance with General Condition 11.

- (c) Suspension

Upon the Issuer's election to suspend the Warrants, the Issuer's obligations in respect of the Warrants may be suspended up until the tenth day after such Additional Disruption Event shall cease to exist. In the event that such date shall not

have arisen before the date which falls 30 days after the Expiration Date, the Warrants shall be terminated pursuant to paragraph (b) above.

(d) Conclusive Determination

All determinations made by the Issuer and/or Calculation Agent pursuant to this Market Access Warrant Condition 4 shall be conclusive and binding on the Holders and the Issuer. Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11, stating the adjustment to any Exercise Price and/or Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms and giving brief details of the Regulatory Change Event.

 - (i) cancel the Warrants by giving notice to the Holders in accordance with General Condition 11 and pay the Early Termination Amount to each Holder in respect of each Warrant held by him on the Early Termination Date; or

- (ii) in relation to a redemption and/or conversion in part of the Debt Securities (a "**Partial Early Termination**"), require the Calculation Agent to determine whether such partial redemption and/or conversion affects the Debt Securities held by the Issuer and/or its affiliates in order to hedge the Issuer's obligations in respect of the Warrants (the "**Aggregate Hedge Position**") or otherwise makes it impossible, impracticable or unduly onerous for the Issuer and/or its affiliates to hedge the Issuer's obligations in respect of the Warrants and, if so, gives notice to the Warrantholders in accordance with General Condition 11,

and:

- (x) pay the Early Termination Amount to each Warrantholder in respect of each Warrant held by him on the Early Termination Date; and/or

Payments will be made in such manner as shall be notified to the Warrantholders in accordance with General Condition 11.

- (a) if Market Access Warrant Condition 6(a)(y) applies in respect of the Warrants, the Issuer may elect to pay, in lieu of the Sale Proceeds, the amount of principal which a Qualified Investor would have received pursuant to the terms of the Debt Securities as a result of the Early Termination Event if it held the Early Termination Securities Amount (net of any costs, including those that would have been withheld in relation to payment of such cash amount to a Qualified Investor); or
- (b) if Market Access Warrant Condition 6(a)(z) applies in respect of the Warrants, the Issuer may elect to pay, in lieu of the Sale Proceeds, the arithmetic average price per Early Termination Securities Amount (net of any costs) which the Issuer or its affiliate obtains in selling or otherwise realising the underlying shares or stock after conversion (the "**Shares**"),

such resulting amount to be converted into the Settlement Currency at the Exchange Rate;

"Early Termination Date" means the date falling four Business Days after the date on which the Early Termination Amount is determined; and

7. Additional Condition

If so specified in the applicable Final Terms, the following provisions shall apply:

The Issuer may modify or amend these Terms and Conditions of the Warrants or the applicable Final Terms without the consent of the Holders in any manner which the Issuer may deem necessary or desirable for the purpose of obtaining listing of the Warrants on the Official List of AEX and admission to trading on the regulated market of AEX as promptly as practicable provided that any such modification or amendment is not materially prejudicial to the Holders.

8. Early Exercise Event

In the event that the Issuer decides to exercise its right to accelerate the Exercise Date or Expiration Date, as applicable, of some only of the outstanding Warrants, the Issuer may, subject to the standard procedures of Euroclear and/or Clearstream, Luxembourg, arrange for the Early Terminated Warrants to be selected individually by lot to determine which interests in the Clearing System Global Warrant are to be subject to the exercise of such right.

For the avoidance of doubt, in such case, the Issuer will, in respect of each and every Warrant, cause to be paid to the holder of each such Warrant the Cash Settlement Amount specified in the Final Terms.

In the event that the Final Terms does not specify that Certificates are eligible for sale in the United States or to U.S. persons, the Certificates offered and sold outside the United States to non-U.S. persons under the exemption contained in Regulation S will be represented by a Global Certificate.

In the event that the Certificates are constituted by a Global Certificate, the Global Certificate will be issued and deposited with (i) a common depositary (the "**Common Depositary**") on behalf of Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") and Euroclear Bank S.A./N.V. ("**Euroclear**") and/or any other relevant Clearing System (as defined below), (ii) in the case of English Law Certificates held through Euroclear France, Euroclear France or (iii), in the case of Certificates to be issued and cleared through Monte Titoli, other than Italian Dematerialised Certificates, Monte Titoli. In the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, if DTC notifies BNPP that it is unwilling or unable to continue as a depository for that Global Certificate, or if at any time DTC ceases to be a "clearing agency" registered under the Exchange Act, as amended, and a successor depository is not appointed by BNPP within 90 days of such notice, BNPP will deliver Certificates in definitive registered form (bearing such legends as may be required by BNPP) in exchange for that Rule 144A Global Certificate. Except in these circumstances, owners of beneficial interests in a Rule 144A Global Certificate held by a Custodian on behalf of DTC will not be entitled to have any portion of such Certificates registered in their name and will not receive or be entitled to receive physical delivery of registered Certificates in definitive form in exchange for their interests in that Rule 144A Global Certificate. Transfer, exercise, settlement and other mechanics related to any Certificates issued in definitive form in exchange for Certificates represented by such Rule 144A Global Certificate shall be as agreed between BNPP and the New York Certificate Agent.

French Law Certificates (as defined in Condition 4 below) are issued in dematerialised form (*au porteur*). References herein to the "applicable Final Terms" are to the Final Terms or two or more sets of Final Terms (in the case of any further certificates issued pursuant to Condition 13 and forming a single series with the Certificates) (which, for the avoidance of doubt, may be issued in respect of more than one series of Certificates) insofar as they relate to the Certificates.

Subject as provided in Condition 3 and in the relevant Guarantee (as defined below), where the Issuer is BNPP B.V., the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP pursuant to the Guarantee (as defined in Condition 4). The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

5. Interest

If so specified in the applicable Final Terms the Certificates will pay interest, such interest to be calculated on the basis of a fixed rate of interest ("**Fixed Rate Certificates**"), a floating rate of interest ("**Floating Rate Certificates**") or by reference to the performance of one or more Index, Share, GDR and/or ADR, Debt Security, Currency, Commodity, Inflation Index, Fund Share, Futures or any other underlying security or any combination thereof in the manner specified in the applicable Final Terms (such Certificates "**Linked Interest Certificates**"):

(A) Interest on Fixed Rate Certificates

Each Fixed Rate Certificate pays interest calculated from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will accrue in respect of each Interest Period (which expressions shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Period End Date (each such latter date the "**Interest Period End Final Date**" for the relevant Interest Period)). Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Redemption Date. If an Interest Payment date falls after the Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date. If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

If no Business Day Convention is specified as applicable to an Interest Period End Date in the applicable Final Terms except as provided in the applicable Final Terms the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) the Interest Period End Final Date in respect of such Interest Period, will amount to the Fixed Coupon Amount.

Interest shall be calculated by applying the Rate of Interest to the Notional Amount of each Certificate and multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant

Settlement Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**sub-unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(B) Interest on Floating Rate Certificates and Linked Interest Certificates

(i) Interest, Interest Periods and Business Day Convention

Each Floating Rate Certificate and, subject to the provisions of Condition 5(C) below and unless otherwise specified in the applicable Final Terms, each Linked Interest Certificate pays interest (or, if it is a Partly Paid Certificate, in accordance with Condition 5(E) in respect of each Interest Period (which expression shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Interest Period End Date (each such latter date the "**Interest Period End Final Date**" for the relevant Interest Period)). For the purposes of this Condition 5(B) "**Interest Period End Date**" shall mean either: (i) the Interest Period End Date(s) in each year specified in the applicable Final Terms or (ii) if no Interest Period End Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Period End Date or, in the case of the first Interest Period End Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Redemption Date. If an Interest Payment Date falls after an Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(B)(ii) below, the Floating Rate Convention, such Interest Period End Date or Interest Payment Date, as the case may be, (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (iv) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Period End Date or Interest Payment Date, as the case may be, shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Period End Date or Interest Payment Date, as the case may be, occurred; or
- (2) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or

- (4) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

- (ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Certificates and Linked Interest Certificates will be determined in the manner specified in the applicable Final Terms.

- (iii) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (iii), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the Certificates (the "**ISDA Definitions**") and under which:

- (a) the Floating Rate Option is as specified in the applicable Final Terms;
- (b) the Designated Maturity is a period specified in the applicable Final Terms; and
- (c) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone inter-bank offered rate ("**EURIBOR**") for a currency, the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (iii), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

- (iv) AFB Determination

Where so specified in the applicable Final Terms, interest will be payable on such dates, at such a rate (the "**AFB Rate**") and in such amounts, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), as would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to foreign exchange and derivatives transactions (an "**AFB Agreement**"), as in effect on the date of issue of the Certificates, published by the *Association Française des Banques/Fédération Bancaire Française* and evidenced by a Confirmation (as defined in the AFB Agreement) with the holder of the relevant Certificate under which:

- (a) the Issuer was the Floating Amount Payer;
- (b) the Principal Certificate Agent (as defined herein) was the Agent (as defined in the AFB Agreement) or as otherwise specified in the applicable Final Terms;
- (c) the Interest Commencement Date was the Transaction Date;
- (d) the Notional Amount in respect of a Certificate was the Notional Amount;
- (e) the Interest Payment Dates were the Floating Amount Payment Dates; and
- (f) all other terms were as specified in the applicable Final Terms.

When the preceding sentence applies, in respect of each relevant Interest Payment Date:

- (a) the amount of interest determined for such Interest Payment Date will be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though determined under sub-paragraph (vi) below;
 - (b) the Rate of Interest for such Interest Period will be the Floating Rate (as defined in the AFB Agreement) determined by the Principal Certificate Agent in accordance with the preceding sentence; and
 - (c) the Principal Certificate Agent will be deemed to have discharged its obligations under sub-paragraph (vi) below if it has determined the Rate of Interest and the Interest Amount payable on such Interest Payment Date in the manner provided in the preceding sentence.
- (v) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (a) the offered quotation; or
- (b) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of sub-paragraph a, no offered quotation appears or, in the case of sub-paragraph b, fewer than three offered quotations appear, in each case as at the Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Settlement Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter-bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits

in the Settlement Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Settlement Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter-bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Certificates is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Certificates will be determined as provided in the applicable Final Terms.

(vi) Determination of Rate of Interest and Calculation of Interest Amount

In the case of Floating Rate Certificates and Linked Interest Certificates the Calculation Agent will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "**Interest Determination Date**"), determine the Rate of Interest (subject to any Minimum Interest Rate or Maximum Interest Rate specified in the applicable Final Terms) for the relevant Interest Period. In the case of Floating Rate Certificates and Linked Interest Certificates, the Calculation Agent will notify the Principal Certificate Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent will calculate the amount of interest (the "**Interest Amount**") payable on each Certificate for the relevant Interest Period by applying the Rate of Interest to the Notional Amount of such Certificate and multiplying such sum by the Day Count Fraction specified in the applicable Final Terms and rounding the resultant figure to the nearest sub-unit (defined above) of the relevant Specified Currency, one half of such a sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(vii) Minimum and/or Maximum Interest Rate

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii), (iii), (iv) or (v) above (as appropriate) is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii), (iii), (iv) or (v) above (as appropriate) is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(viii) Notification of Rate of Interest and Interest Amount

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Principal Certificate Agent, the Issuer and the Guarantor (such notifications to occur no later than the Business Day following such determination), (in the case of Certificates which are listed on Euronext Amsterdam and the rules of such stock exchange so require) Euronext Amsterdam and, if applicable, to any other stock exchange on which the relevant Certificates are for the time being listed. In addition, the Calculation Agent shall publish or cause to be published such Rate of Interest, Interest Amount and Interest Payment Date in accordance with Condition 11 as soon as possible after their determination but in no event later than the fourth Amsterdam

Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Certificates are for the time being listed and to the Noteholders in accordance with Condition 11. For the purposes of the Terms and Conditions, the expression "**Amsterdam Business Day**" means a day (other than a Saturday or a Sunday) on which commercial banks are open for business in Amsterdam. The determination of each Interest Rate and Interest Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(C) Day Count Fractions

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest for any Interest Period:

- (a) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (i) in the case of Certificates where the number of days in the relevant period from (and including) the most recent Interest Period End Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the "**Accrual Period**") is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Certificates where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

(x) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and

(y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year;

"**Determination Date(s)**" means the date(s) specified in the applicable Final Terms;

"**Determination Period**" means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the Interest Period End Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

- (b) if "**Actual/Actual (ISDA)**" or "**Actual/Actual**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (c) if "**Actual/365 (Fixed)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (d) if "**Actual/365 (sterling)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;

- (e) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (f) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

- (g) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (h) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

Notwithstanding the foregoing, where the applicable Final Terms specifies that the relevant Day Count Fraction is "unadjusted", the Interest Period and the Interest Amount payable on any date shall not, unless otherwise provided in the application Final Terms, be affected by the application of any Business Day Convention.

(D) Interest on Linked Interest Certificates

In the case of Linked Interest Certificates the Rate of Interest and/or the Interest Amount shall be determined in the manner specified in the applicable Final Terms.

(E) Interest on Partly Paid Certificates

In the case of Partly Paid Certificates interest will accrue as aforesaid on the paid-up amount of such Certificates and otherwise as specified in the applicable Final Terms.

(F) Accrual of Interest

Each Certificate (or in the case of the redemption of part only of a Certificate, that part only of such Certificate) will cease to bear interest (if any) from the date for its redemption or exercise, as the case may be, unless payment of principal and/or delivery of all assets deliverable is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Certificate have been paid and/or all assets deliverable in respect of such Certificate have been delivered; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Certificate has been received by the Principal Certificate Agent and/or all assets in respect of such Certificate have been received by any agent appointed by the Issuer to deliver such assets to Holders and notice to that effect has been given to the Holders in accordance with Condition 11,

provided that if Credit Certificate Condition 1(B) or Credit Certificate Condition 2 applies in respect of the Certificates; and

- (A) "Accrual of Interest upon Credit Event" is specified as Not Applicable in the applicable Final Terms, each Certificate shall cease to bear interest from the Interest Period End Date immediately preceding the Credit Event Determination Date, or if the Credit Event Determination Date is an

Interest Period End Date such Interest Period End Date or, if the Credit Event Determination Date falls prior to the first Interest Period End Date, no interest shall accrue on the Certificates; or

- (B) "Accrual of Interest upon Credit Event" is specified as being Applicable in the applicable Final Terms, each Certificate shall cease to bear interest from the Credit Event Determination Date; and

provided further that, if:

- (x) Credit Certificate Condition 4 or Credit Certificate Condition 5 applies in respect of the Certificates and, in the case of Credit Certificate Condition 4, a Repudiation/Moratorium has not occurred on or prior to the Repudiation/Moratorium Evaluation Date or, in the case of Credit Certificate Condition 5 a Failure to Pay has not occurred on or prior to the Grace Period Extension Date, as the case may be; and/or
- (y) Credit Certificate Condition 6 applies in respect of the Certificates and the Scheduled Redemption Date, the Grace Period Extension Date or the Repudiation/Moratorium Evaluation Date, as the case may be, is postponed as provided therein,

then interest will accrue as provided in Credit Certificate Condition 4, Credit Certificate Condition 5 or Credit Certificate Condition 6, as the case may be.

6. Redemption of Certificates

(A) General

Unless the Certificates are Exercisable Certificates, subject as provided in these Terms and Conditions and as specified in the applicable Final Terms, each Certificate (other than a Credit Certificate) will be redeemed by the Issuer:

- (i) in the case of a Cash Settled Certificate, by payment of the Cash Settlement Amount; or
- (ii) in the case of a Physical Delivery Certificate, subject as provided in Condition 7 below, by delivery of the Entitlement,

such redemption to occur in either case, subject as provided below, on the date specified in the applicable Final Terms relating to such Certificate (the "**Redemption Date**"). If (i) the date for payment of any amount in respect of the Certificates is not a Business Day, the holder thereof shall not be entitled to payment until the next following Business Day and shall not be entitled to any further payment in respect of such delay or (ii) the date for delivery of any Entitlement in respect of the Certificates is not a Settlement Business Day (as defined in Condition 7(B)(5) below), the Holder thereof shall not be entitled to delivery of the Entitlement until the next following Settlement Business Day.

The Certificates may also be subject to automatic early redemption upon the occurrence of an Automatic Early Redemption Event, as defined in and in accordance with the provisions of Annex 1 (Additional Terms and Conditions for Index Certificates), Annex 2 (Additional Terms and Conditions for Share Certificates) and Annex 5 (Additional Terms and Conditions for Commodity) as specified in the applicable Final Terms.

If the date for payment of any amount in respect of the Certificates is not a Business

Day, the holder thereof shall not be entitled to payment until the next following Business Day and shall not be entitled to any payment in respect of such delay.

(C) Issuer Call Option

If Issuer Call Option is specified in the applicable Final Terms, the Issuer may, having given:

- (i) except in the case of Certificates represented by Private Placement Definitive Certificates and Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, not less than 15 nor more than 30 days' (or such other period specified in the applicable Final Terms) notice to the Holders in accordance with Condition 11 and, in the case of Certificates represented by Private Placement Definitive Certificates and Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, not less than 30 nor more than 45 days' notice to the Holders in accordance with Condition 11; and
- (ii) not less than 15 days (or such other number of days specified in the applicable Final Terms) before the giving of the notice referred to in (i), notice to the relevant Certificate Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Certificates then outstanding on any date fixed for redemption as specified in the applicable Final Terms (an "**Optional Redemption Date**") and at an amount specified in, or determined in the manner specified in, the applicable Final Terms (the "**Optional Redemption Amount**") together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

With respect to Certificates represented by Private Placement Definitive Certificates, the Definitive Certificate Agent will select the Certificates to be redeemed individually by lot, not more than 45 days prior to the date fixed for redemption, and give notice to Holders, in accordance with Condition 11, of the serial numbers of the Certificates to be redeemed not less than 15 days prior to the date fixed for redemption. Private Placement Definitive Certificates may only be redeemed in minimum amounts of U.S.\$250,000 or more, and the remaining unredeemed portion thereof must be at least U.S.\$250,000. So long as the Certificates are listed on the official list of Euronext Amsterdam ("**AEX**") and admitted to trading on the regulated market of AEX and the rules of that stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Certificates, cause to be published on the website of AEX ("www.euronext.com") a notice specifying the aggregate nominal amount of Certificates outstanding.

(D) Holder Put Option

If Holder Put Option is specified in the applicable Final Terms, upon the Holder of any Certificate giving to the Issuer not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Certificate on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date (each date and amount as defined in the applicable Final Terms).

If the Certificate is held outside DTC, Euroclear and Clearstream, Luxembourg, Euroclear France and/or any other relevant Clearing System, to exercise the right to require redemption of the Certificate the Holder of the Certificate must deliver at the specified office of any Certificate Agent at any time during normal business hours of such Registrar or Certificate Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Certificate Agent (a "**Put Notice**") and in which the Holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is

to be made under this Condition 6(D), accompanied by the Certificate or evidence satisfactory to the Certificate Agent concerned that the Certificate will, following delivery of the Put Notice, be held to its order or under its control in a manner reasonably satisfactory to the Certificate Agent concerned. If the Certificate is held through DTC, Euroclear or Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System, to exercise the right to require redemption of the Certificate the Holder of the Certificate must, within the notice period, give notice to the Certificate Agent concerned of such exercise in accordance with the standard procedures of DTC, Euroclear and Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System (which may include notice being given on his instruction by DTC, Euroclear or Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System or any common depository for them to the Certificate Agent by electronic means) in a form acceptable to DTC, Euroclear and Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System from time to time and, if the Certificate is represented by a Global Certificate, at the same time present or procure the presentation of the relevant Global Certificate to the relevant Certificate Agent for notation accordingly. (E) Redemption in Instalments

If the applicable Final Terms specify that the Certificates are Instalment Certificates, each Certificate will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms.

(F) Redemption of Partly Paid Certificates

Partly Paid Certificates will be redeemed in accordance with the provisions set out in the applicable Final Terms.

(G) Exercise of Certificates

If the Certificates are Cash Settled Certificates and Exercise of Certificates is specified as applying in the applicable Final Terms, the Certificates (such Certificates "**Exercisable Certificates**") will be automatically exercised on the Exercise Date, subject as provided in the following paragraph and, in the case of Credit Certificates, to the provisions of Annex 10 (*Additional Terms and Conditions for Credit Certificates*). Upon automatic exercise each Certificate entitles its Holder to receive from the Issuer the Cash Settlement Amount on the Redemption Date.

If the Certificates are Italian Listed Certificates, prior to the Renouncement Notice Cut-off Time, as specified in the applicable Final Terms, on the Exercise Date, the Holder of a Certificate may renounce automatic exercise of such Certificate by the delivery or sending by fax of a duly completed Renouncement Notice (a "**Renouncement Notice**") in the form set out in the applicable Final Terms to the Italian Certificate Agent. Once delivered a Renouncement Notice shall be irrevocable. Any determination as to whether a Renouncement Notice is duly completed and in proper form shall be made by the Italian Certificate Agent (in consultation with Monte Titoli) and shall be conclusive and binding on the Issuer, the Guarantor, if applicable, the Warrant Agents and the relevant Holder. Subject as set out below, any Renouncement Notice so determined to be incomplete or not in proper form shall be null and void. If such Renouncement Notice is subsequently corrected to the satisfaction of the Italian Certificate Agent, it shall be deemed to be a new Renouncement Notice submitted at the time such correction was delivered to the Italian Certificate Agent.

(H) Open End Certificates

"Open End" may be specified as applicable in the relevant Final Terms, in respect of French Law Certificates only. If "Open End" is specified as applicable in the relevant Final Terms, the Redemption Date of such Open End Certificates will, notwithstanding any provision to the contrary, be the date falling (5) five Business Days after the relevant Averaging Date, Observation Date, Strike Date or, as applicable, Valuation Date determined by the Issuer in its sole discretion, provided that the relevant Averaging Date, Observation Date, Strike Date or Valuation Date so-determined by the Issuer is notified to the Holders at the latest ten (10) Business Days prior to the contemplated date in accordance with Condition 11.

In the case of Private Placement Definitive Certificates only, if a Holder has given wire transfer instructions to the Issuer and Definitive Certificate Agent, the Company will make all payments in accordance with those instructions.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment.

In the case of VPC Certificates, payment of the Cash Settlement Amount (if any) (or in the case of Instalment Certificates, each Instalment Amount) or Credit Event Redemption Amount (if any) and Interest Amount (if any) will be made to persons registered as Holders in the register maintained by VPC on the fifth Business Day immediately prior to the Redemption Date (or in the case of Instalment Certificates, Instalment Date) or Interest Payment Date, as the case may be (the "**Payment Date**") (the "**Record Date**"). (2) Verification of the Holder

Upon receipt of an Asset Transfer Notice, the relevant Clearing System or, as the case may be, the relevant Account Holder shall verify that the person delivering the Asset Transfer Notice is the holder of the Certificates described therein according to its records. Subject thereto, the relevant Clearing System or, as the case may be, the relevant Account Holder will confirm to the Principal Certificate Agent the series number and number of Certificates the subject of such notice, the relevant account details and the details for the delivery of the Entitlement of each Certificate. Upon receipt of such confirmation, the Principal Certificate Agent will inform the Issuer thereof. The relevant Clearing System or, as the case may be, the relevant Account Holder will on or before the Delivery Date or (in the case of Credit Certificates) the Settlement Date debit the securities account of the relevant Holder with the relevant Certificates.

In the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, upon receipt of an Asset Transfer Notice, the New York Certificate Agent shall verify that the person delivering the Asset Transfer Notice is the Holder according to the records of DTC. Upon receipt of such confirmation, the Definitive Certificate Agent will inform BNPP thereof. The Definitive Certificate Agent will, on or before the Delivery Date or (in the case of Credit Certificates) the Settlement Date, update the Private Placement Register.

(3) Determinations and Delivery

Any determination as to whether an Asset Transfer Notice is duly completed and in proper form shall be made by (i) in the case of Global Certificates (other than Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC), the relevant Clearing System or, as the case may be, the relevant Account Holder, (ii) in the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, the New York Certificate Agent, or (iii) in the case of Private Placement Definitive Certificates, the Definitive Certificate Agent, in each case, in consultation with the Principal Certificate Agent, and shall be conclusive and binding on the Issuer, the Guarantor, if any, the Certificate Agents and the relevant Holder. Subject as set out below, any Asset Transfer Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Certificate Agent immediately after being delivered or sent to the relevant Clearing System or, as the case may be, the relevant Account

Holder, the New York Certificate Agent or the Definitive Certificate Agent, as provided in paragraph (1) above, shall be null and void.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of the relevant Clearing System, the New York Certificate Agent or the Definitive Certificate Agent or, as the case may be, the relevant Account Holder in consultation with the Principal Certificate Agent, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered to the relevant Clearing System or, as the case may be, the relevant Account Holder and the Principal Certificate Agent.

The relevant Clearing System, the New York Certificate Agent or the Definitive Certificate Agent, as the case may be, or, as the case may be, the relevant Account Holder shall use its best efforts promptly to notify the Holder submitting an Asset Transfer Notice if, in consultation with the Principal Certificate Agent, it has determined that such Asset Transfer Notice is incomplete or not in proper form. In the absence of negligence or wilful misconduct on its part, none of the Issuer, the Guarantor, if any, the Certificate Agents or the relevant Clearing System or, as the case may be, the relevant Account Holder shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System, the relevant Account Holder or the relevant Certificate Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Holder may not transfer the Certificates which are the subject of such notice.

The Entitlement will be delivered at the risk of the relevant Holder, in the manner provided below on the Redemption Date (such date, subject to adjustment in accordance with this Condition, the "**Delivery Date**") or (in the case of Credit Certificates) the Settlement Date, provided that the Asset Transfer Notice is duly delivered to the relevant Clearing System or the relevant Certificate Agent or, as the case may be, the relevant Account Holder with a copy to the Principal Certificate Agent, as provided above on or prior to the Cut-Off Date.

If a Holder fails to give an Asset Transfer Notice as provided herein with a copy to the Principal Certificate Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered or, as the case may be, Delivered as soon as practicable after the Redemption Date (in which case, such date of delivery shall be the Delivery Date) or (in the case of Credit Certificates) the Settlement Date, at the risk of such Holder in the manner provided herein. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of the Delivery Date or the Settlement Date, as the case may be, falling after the Redemption Date or the originally designated Settlement Date, as applicable, and no liability in respect thereof shall attach to the Issuer or the Guarantor, if any.

The Issuer shall at the risk of the relevant Holder, deliver or procure the delivery of the Entitlement or (in the case of Credit Certificates) Deliver the Deliverable Obligations comprising the Entitlement for each Certificate, pursuant to the details specified in the Asset Transfer Notice or in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Holder in the relevant Asset Transfer Notice. All Expenses arising from the delivery of the Entitlement or Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, in respect of such Certificates shall be for the account of the relevant Holder and no delivery of the Entitlement or Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

(4) General

Certificates held by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Certificates, provided that, the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset, each of the Relevant Assets, the Deliverable Obligation or the Deliverable Obligations, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset, of each of the Relevant Assets, the Deliverable Obligation or the Deliverable

Obligations, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Holder.

Following the Delivery Date of a Share Certificate all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the Delivery Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Asset Transfer Notice as referred to in Condition 7(B)(1).

For such period of time after delivery or Delivery of the Entitlement as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, the Guarantor, if any, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Holder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities, obligations or Deliverable Obligations or (iii) be under any liability to a Holder in respect of any loss or damage which such Holder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities, obligations or Deliverable Obligations.

(5) Settlement Disruption

The provisions of this Condition 7(B)(5) apply to Physical Delivery Certificates other than Credit Certificates.

If, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on the Delivery Date, then the Delivery Date shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Delivery Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Certificates (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Certificate in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For the purposes hereof:

"Disruption Cash Settlement Price", in respect of any relevant Certificate, shall be the fair market value of such Certificate (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related

hedging arrangements (unless provided in the applicable Final Terms), all as determined by the Issuer in its sole and absolute discretion;

"**Settlement Business Day**", in respect of each Certificate, has the meaning specified in the applicable Final Terms relating to such Certificate; and

"**Settlement Disruption Event**" means, in the opinion of the Calculation Agent or, if the proviso to Condition 3 applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3 applies, BNPP as a result of which the Issuer or BNPP, as the case may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(6) Failure to Deliver due to Illiquidity

"**Failure to Deliver due to Illiquidity**" if specified as applying in the applicable Final Terms, will be an Additional Disruption Event, as described in Condition 16(A).

(C) Variation of Settlement

The provisions of this Condition 7(C) apply to Physical Delivery Certificates other than Credit Certificates.

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Certificates (which, unless otherwise specified, will not apply to U.S. Certificates), the Issuer may at its sole and unfettered discretion in respect of each such Certificate, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, the Issuer shall, in respect of each Certificate, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders.

(D) Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount

The provisions of this Condition 7(D) apply to Physical Delivery Certificates other than Credit Certificates.

Following a valid redemption of Certificates in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Certificates, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprises shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Amount**"). Notification of any such election will be given to Holders in accordance with Condition 11.

For the purposes hereof, a "**freely tradable**" share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its

sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(E) Rights of Holders and Calculations

None of the Issuers, the Guarantor, the Calculation Agent and the Certificate Agents shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Certificates does not confer on any Holder of such Certificates any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

(F) Prescription

Claims against the Issuer or the Guarantor, if any, for payment of principal or interest in respect of the Certificates shall become void unless made within 60 months from the Redemption Date and no claims shall be made after such date.

8. Illegality and Force Majeure

(A) Illegality

If the Issuer determines that the performance of its obligations under the Certificates has become illegal in whole or in part for any reason, the Issuer may, on giving notice to Holders in accordance with Condition 11, redeem all but not some only of the Certificates.

If the Issuer redeems the Certificates early then the Issuer will, if and to the extent permitted by applicable law, and except as may be limited in the case of U.S. Certificates, pay to each Holder in respect of each Certificate held by such Holder an amount equal to the fair market value of a Certificate, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless otherwise provided in the relevant Final Terms) as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

(B) Force Majeure

If the Issuer determines that by reason of force majeure or act of state occurring after the Trade Date it becomes impossible or impracticable to perform in whole or in part its obligations under the Certificates and/or any related hedging arrangements, the Issuer may redeem the Certificates by giving notice to Holders in accordance with Condition 11.

If the Issuer redeems the Certificates then the Issuer will, if and to the extent possible or practicable, pay an amount (if any) to each Holder in respect of each Certificate held by such Holder, which amount shall be the fair market value (if any) of a Certificate taking into account such force majeure or act of state less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Any payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

9. Purchases

The Issuer may, but is not obliged to, at any time purchase Certificates at any price in the open market or by tender or private treaty. In the case of BNPP B.V., any Certificates so purchased may be held or resold or surrendered for cancellation; provided, however, that Certificates so purchased may only be resold pursuant to an exemption from the

registration requirements of the Securities Act provided by Rule 144A, Regulation S or otherwise thereunder. In the case of BNPP, any Certificates so purchased will forthwith be cancelled and accordingly may not be re-issued or resold.

10. Certificate Agents, Determinations, Meetings Provisions and Modifications

(A) Certificate Agents

The specified offices of each Certificate Agent are as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of any Certificate Agent and to appoint further or additional Certificate Agents, provided that no termination of appointment of the Agent shall become effective until a replacement Certificate Agent shall have been appointed and provided that, so long as any of the Certificates are listed on a stock exchange or are admitted to trading by another relevant authority, there shall be an Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange or other relevant authority. So long as any of the Certificates are Private Placement Definitive Certificates, there shall be a Definitive Certificate Agent, and so long as any of the Certificates are represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, there shall be a New York Certificate Agent. Notice of any termination of appointment and of any changes in the specified office of the Certificate Agent will be given to Holders in accordance with Condition 11. In acting under the Agency Agreement, the Certificate Agent acts solely as agent of the Issuer and the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Certificates by the Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the respective Holders.

In the case of VPC Certificates the relevant Issuer is entitled to vary or terminate the appointments of the VPC Certificate Agent, provided that it appoints another VPC Certificate Agent that is duly authorised under the SFIA Act as an account operator.

(B) Calculation Agent

In relation to each issue of Certificates, the Calculation Agent (whether it be BNP Paribas, BNP Paribas Arbitrage SNC or another entity) acts solely as agent of the Issuer and the Guarantor, if any, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the Certificates by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party, as it deems appropriate.

(C) Determinations by the Issuer and the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

(D) Meetings of Holders

(i) English Law Certificates

The Agency Agreement contains provisions for convening meetings of the Holders of English Law Certificates to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of the Terms and Conditions or the Agency Agreement. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the date, time

and place of the meeting shall be given to Holders. Such a meeting may be convened by the Issuer, the Guarantor or Holders holding not less than 5 per cent. (by number) of the Certificates for the time being outstanding. The quorum at a meeting of the Holders (except for the purpose of passing an Extraordinary Resolution) will be two or more persons holding or representing not less than 20 per cent. (by number) of the Certificates outstanding, or at any adjourned meeting two or more persons being or representing Holders whatever the number of English Law Certificates so held or represented. The quorum at a meeting of Holders for the purpose of passing an Extraordinary Resolution will be two or more persons holding or representing not less than 50 per cent. (by number) of the Certificates outstanding or at any adjourned meeting two or more persons being, holding or representing not less than 10 per cent. (by number) of the Certificates outstanding. A resolution will be an Extraordinary Resolution when it has been passed at a duly convened meeting by not less than three-fourths of the votes cast by Holders at such meeting as, being entitled to do so, vote in person or by proxy. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting. Resolutions can be passed in writing if passed unanimously.

(ii) French Law Certificates

(a) Representation

In respect of any series of French Law Certificates, Holders shall not be grouped automatically for the defence of their common interests in a *masse* constituting a separate legal body and governed by the provisions of Articles L.228-46 *et seq* of the French *Code de commerce*. Consequently, the Holders shall not be represented by any representative of such body.

However, general meetings of Holders (a "**General Meeting**") may be convened to consider some matters relating to any series of Certificates as provided hereunder.

(b) Powers of the General Meetings

The General Meeting is empowered to deliberate on any proposal relating to any matter affecting the interests of the Holders of the Certificates and their rights, actions and benefits which now or in the future may accrue with respect to the Certificates, including the:

- (A) power to agree to any modification of the Certificates, including but not limited to, a modification of the Cash Settlement Amount, Entitlement, Redemption Date, Settlement Date or more generally the modification of any term which can affect the amount to be paid under a Certificate or the scheduled payment date, which is proposed by the Issuer;
- (B) power to give any authority or approval which under the provisions of this Condition 10(D)(ii) is required to be given by a resolution of the General Meeting;
- (C) power to appoint any persons (whether Holders or not) on a committee or committees to confer upon any such committee or committees any powers or discretions which the Holders could themselves exercise by a resolution of the General Meeting; and
- (D) power to approve any contractual compromise or arrangement proposed to be made between the Issuer and the relevant Holders in respect of the rights of the Holders against the Issuer or against any of its property.

It is specified, however, that a General Meeting may not:

- (i) appoint any person as the representative of the Holders of any series for all actions intended to defend the common interests of the Holders, and

particularly to bring any court or arbitration action or proceedings, against the Issuer or any Agent; and

- (ii) agree on (1) any modification of the majority required to pass a resolution of the General Meeting, (2) any proposal relating to a change in the Issuer's corporate purpose or status, (3) any proposal for a settlement or a transaction concerning disputed rights or rights in respect of which court decisions have been handed down, or (4) proposals to merge or demerge the Issuer.

Any resolution passed at a General Meeting of the Holders of a series of Certificates, duly convened and held in accordance with the provisions of this Condition, shall be binding upon all the Holders of such series of Certificates whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing.

General Meetings may deliberate validly on first convocation only if Holders present or represented hold at least a fifth of the Certificates then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-thirds majority of votes cast by Holders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 11 by the Issuer within 14 calendar days of the result being known provided that non-publication shall not invalidate the resolution.

(c) Convening and holding of the General Meeting

The General Meeting shall be convened by an authorised representative of the Issuer or by the liquidators or natural or physical persons performing equivalent functions during any possible winding-up or equivalent insolvency period and held, all with the same formal and deadline conditions as the shareholders' meetings of the Issuer including the provisions of Articles R. 225-66, R. 225-95, R. 225-101, R. 225-106 and R. 225-107 but excluding the provisions of Articles R. 225-72 to R. 225-74 of the French *Code de commerce*.

Any meeting unduly convened may be cancelled. However, the action to cancel this shall not be admissible when all the Holders of the relevant series are present or represented.

The day, time and place of the meeting and agenda of a meeting are determined at its discretion by the person convening it. However, one or more Holders holding at least one-thirtieth of the relevant series of Certificates then outstanding are entitled to require that draft resolutions be placed on the agenda. Such resolutions are placed on the agenda and put to the vote by the chairman of the meeting. The meeting shall not deliberate on an item which is not placed on the agenda. The agenda for the meeting may be amended on a second convening.

The meeting shall be chaired by a representative of the Issuer.

An attendance sheet is kept for each meeting. The decisions taken at each meeting are recorded in minutes signed by the members of the committee which are entered in a special register kept at the registered office of the Issuer. The elements that must be included in the attendance sheet and the minutes are the same as with respect to the shareholders' meetings of the Issuer.

All Holders of the relevant series of Certificates are entitled to participate in the meeting or to be represented at it by the representative of their choice. Any Holder may vote by correspondence with the same formal and deadline conditions as the shareholders' meetings of the Issuer. Any contrary provision in the articles of association is deemed not to exist. When the quorum is calculated, only voting forms received by the Issuer before the date of the meeting in the manner and within the time limits being the same as for the shareholders' meetings of the Issuer shall be included in such

calculation. Forms which do not indicate a voting intention or which express an abstention are treated as negative votes. If the articles of association of the Issuer so provide, Holders who participate in the meeting via videoconferencing or via a telecommunications medium which permits their identification are deemed to be present for calculation of the quorum and the majority.

The rights of each Holder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Holder on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting at 0:00, Paris time. The voting right in General Meetings shall belong to the bare owner (*nu-proprétaire*) of the relevant Certificates. Each Certificate shall confer the right to one vote.

Holders shall not be allowed individually to exercise control over the operations of the Issuer or to request notification of Issuer documents.

(d) Information to Holders

Each Holder thereof will have the right, during the 15-day period preceding the holding of the relevant General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Holders at the registered office of the Issuer, at the specified offices of any of the Certificate Agents during usual business hours and at any other place specified in the notice of the General Meeting. The relevant Holders shall at all times have the same right with regard to the minutes and attendance sheets of the said General Meeting.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date, an Observation Date or a Valuation Date.

- (B)** Modification and Cessation of Calculation of an Index

If (i) on or prior to the last Valuation Date, the last Observation Date or the last Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an "**Index Disruption**" and, together with an Index Modification and an Index Calculation, each an "**Index Adjustment Event**"), then, except as may be limited in the case of U.S. Certificates:

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Certificates and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, that Observation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) unless Delayed Redemption on Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Issuer may redeem the Certificates by giving notice to Holders in accordance with General Condition 11. If the Certificates are so redeemed, the Issuer will pay an amount to each Holder in respect of each redeemed Certificate being redeemed at an amount equal to the fair market value of a Certificate, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11; or
- (iii) if Delayed Redemption on Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the Index Adjustment Event (the "**Calculated Additional Disruption Amount Determination Date**") and on the Redemption Date shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

(C) Notice

In each case, the Calculation Agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. - (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine the Substitute Inflation Index Level by reference to the corresponding index level determined under the terms and conditions of the Related Bond; or
- (b) if (i) Related Bond is specified as not applicable in the relevant Final Terms, or (ii) the Calculation Agent is not able to determine a Substitute Inflation Index Level under (a) above, the Calculation Agent shall determine the Substitute Inflation Index Level by reference to the following formula:

The Substitute Inflation Index Level so determined pursuant to this Inflation Index Certificate Condition 2 will be the definitive level for that Reference Month.

3. **Successor Inflation Index**

If the Calculation Agent determines that the level of an Inflation Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index and/or the Index Sponsor cancels the Inflation Index, then the Calculation Agent shall determine a successor index (a **"Successor Inflation Index"**) (in lieu of any previously applicable Index) for the purposes of the Certificates as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine a "Successor Inflation Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;
- (b) if (i) Related Bond is specified as not applicable in the applicable Final Terms or (ii) a Related Bond Redemption Event has occurred and Fallback Bond is specified as not applicable in the applicable Final Terms, the Index Sponsor announces that it will no longer publish or announce the Inflation Index but that it will be superseded by a replacement Inflation Index specified by the Index Sponsor, and the Calculation Agent determines that such replacement Inflation Index is calculated using the same or a substantially similar formula or method of calculation as used in the calculation of the Inflation Index, such replacement index shall be designated a "Successor Inflation Index";
- (c) if no Successor Inflation Index has been deemed under (a) or (b) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if fewer than three responses are received by the Cut-Off Date the Calculation Agent will determine an appropriate alternative index for such Affected Payment Date, and such index will be deemed a "Successor Inflation Index"; or
- (d) if the Calculation Agent determines that there is no appropriate alternative index there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Inflation Index shall be deemed to replace the Index for the purposes of the Inflation Index Certificates. Notice of the determination of a

Successor Inflation Index, the effective date of the Successor Inflation Index or the occurrence of an Index Cancellation will be given to holders of the Inflation Index Certificates by the Issuer in accordance with General Condition 11.

4. Adjustments

(A) Successor Inflation Index

If a Successor Inflation Index is determined in accordance with Inflation Index Certificate Condition 3 (Successor Inflation Index) above, the Calculation Agent may make any adjustment or adjustments (without limitation) to the final Cash Settlement Amount payable under the Certificates (if any) and/or any other relevant term of the Certificates as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

- (i) The first publication or announcement of the Relevant Level (disregarding estimates) by the Index Sponsor for any Reference Month shall be final and conclusive and, subject to Inflation Index Certificate Condition 4(F) (*Index Modification*) below, later revisions to the level for such Reference Month will not be used in any calculations, save that in respect of the EUR-All Items-Revised Consumer Price Index, the ESP National-Revised Consumer Price Index (CPI) and the ESP-Harmonised-Revised Consumer Price Index HCPI, revisions to the Relevant Level which are published or announced up to and including the day that is two Business Days prior to any relevant Valuation Date will be valid and the revised Relevant Level for the relevant Reference Month will be deemed to be the final and conclusive Relevant Level for such Reference Month. The Issuer shall give notice to the Holders of any valid revision in accordance with General Condition 11.
- (ii) If, within 30 days of publication or at any time prior to a Valuation Date in respect of which a Relevant Level will be used in any calculation or determination in respect of such Valuation Date, the Calculation Agent determines that the Index Sponsor has corrected the Relevant Level to correct a manifest error, the Calculation Agent may make any adjustment to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other relevant term of the Certificates as the Calculation Agent deems appropriate as a result of such correction and/or determine the amount (if any) that is payable as a result of that correction. The Issuer shall give notice to the Holders of any such adjustment and/or amount in accordance with General Condition 11.
- (iii) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of a Valuation Date in respect of which a Substitute Inflation Index Level was determined, the Calculation Agent may either (a) determine that such Relevant Level shall not be used in any calculation or determination under the Inflation Index Certificates and that the Substitute Inflation Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (b) to make any adjustment to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other relevant

term of the Certificates as it deems appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(E) Rebasing

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the Relevant Level from the date of such rebasing; provided, however, that the Calculation Agent may make (i) if Related Bond is specified as applicable in the relevant Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (ii) if Related Bond is specified as not applicable in the relevant Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, and in each case the Calculation Agent may make any adjustment(s) to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other term of the Certificates as the Calculation Agent may deem necessary. If the Calculation Agent determines that neither (i) nor (ii) above would produce a commercially reasonable result, the Issuer may redeem each Certificate on a date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of each such Certificate, held by him an amount equal to the fair market value of a Certificate, as determined by the Calculation Agent as at the date of cancellation taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any adjustment, cancellation of the Certificates or determination pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

(F) Index Modification

- (i) If on or prior to the Cut-Off Date in respect of any Valuation Date, the Calculation Agent determines that an Index Modification has occurred, the Calculation Agent may (a) if Related Bond is specified as applicable in the relevant Final Terms, make any adjustments to the relevant Inflation Index, any Relevant Level and/or any other relevant term of the Certificates (including, without limitation, the Cash Settlement Amount payable under the Certificates), consistent with any adjustments made to the Related Bond as the Calculation Agent deems necessary, or (b) if Related Bond is specified as not applicable in the Final Terms or a Related Bond Redemption Event has occurred, make only those adjustments to the relevant Inflation Index, any Relevant Level and/or any other term of the Inflation Index Certificates (including, without limitation, any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates), as the Calculation Agent deems necessary for the modified Index to continue as the relevant Inflation Index and to account for the economic effect of the Index Modification.

- (ii) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Valuation Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Valuation Date, in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Interest Payment Date and/or Redemption Date, as the case may be, such that the provisions of sub-paragraph (i) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with sub-paragraph (i) above.

(G) Index Cancellation

If the Calculation Agent determines that an Index Cancellation has occurred, the Issuer may:

- (i) elect for the Calculation Agent to calculate the relevant Interest Amount and/or Settlement Price using, in lieu of a published level for that Inflation Index, the level for that Inflation Index, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Inflation Index last in effect prior to cancellation;
- (ii) redeem all but not some only of the Certificates on the date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of such Certificate held by him an amount equal to fair market value of a Certificate, as determined by the Calculation Agent as at the date of cancellation taking into account the Index Cancellation, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any cancellation of the Certificates pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

At the election of the Issuer such payment may be made in the Local Currency in the Relevant Jurisdiction, in which case the holders of Certificates will have responsibility for establishing an account in the Relevant Jurisdiction in order to receive such payments; provided that if it is impracticable or unlawful for the Issuer to

pay such amount in the Relevant Jurisdiction, or the relevant holders of Certificates do not establish the necessary account in the Relevant Jurisdiction, to receive payment(s) in the currency the Issuer elects, the Issuer shall not be obliged to make payment of any such amounts so affected, as applicable. Payment will be made, as the case may be, in such manner as shall be notified to the holders of Certificates in accordance with General Condition 11.

(c) Suspension

Upon the Issuer's election to suspend the Certificates, the Issuer's obligations in respect of the Certificates may be suspended up until the tenth day after such Additional Disruption Event shall cease to exist. 5. Regulatory Change Event

If so specified in the applicable Final Terms, the following provisions shall apply:

Upon the occurrence of a Regulatory Change Event, the Calculation Agent will (a) make the corresponding adjustment, if any, to any one or more of any Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for the effect of such Regulatory Change Event and (b) determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11, stating the adjustment to any Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms and giving brief details of the Regulatory Change Event.

"Regulatory Change Event" means any event which, in the determination of the Calculation Agent acting in good faith and in a commercially reasonable manner, constitutes:

- (1) the adoption of, change in or change in the interpretation or administration of, any law, rule or regulation by any governmental authority, central bank or comparable agency ("**governmental authority**"); and/or
- (2) the compliance by the Issuer and/or any of its affiliates with any request or directive of any governmental authority (whether or not having the force of law),

- (i) redeem the Certificates by giving notice to the Holders in accordance with General Condition 11 and pay the Debt Securities Early Redemption Amount to each Holder in respect of each Certificate on the Early Termination Date; or
 - (ii) in relation to a redemption and/or conversion in part of the Debt Securities (a "**Partial Early Redemption**"), require the Calculation Agent to determine whether such partial redemption and/or conversion affects the Debt Securities held by the Issuer and/or its affiliates in order to hedge the Issuer's obligations in respect of the Certificates (the "**Aggregate Hedge Position**") or otherwise makes it impossible, impracticable or unduly onerous for the Issuer and/or its affiliates to hedge the Issuer's obligations in respect of the Certificates and, if so, gives notice to the Holders in accordance with General Condition 11,

and:

- (x) pay the Debt Securities Early Redemption Amount to each Holder in respect of each Certificate held by him on the Early Termination Date; and/or

Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11.

"Early Termination Amount" means, in respect of each Certificate, an amount calculated by the Calculation Agent equal to the arithmetic average price per Debt Securities Early Redemption Securities Amount (net of any costs) which the Issuer or its affiliate obtains in selling or otherwise realising the Debt Securities (the "**Sale Proceeds**"), provided however that:

- (i) if Market Access Certificate Condition 6(a)(i) applies in respect of the Certificates, the Issuer may elect to pay, in lieu of the Sale Proceeds, the amount of principal which a Qualified Investor would have received pursuant to the terms of the Debt Securities as a result of the Debt Securities Early Redemption Event if it held the Debt Securities Early Redemption

Securities Amount (net of any costs, including those that would have been withheld in relation to payment of such cash amount to a Qualified Investor); or

- (ii) if Market Access Certificate Condition 6(a)(ii) applies in respect of the Certificates, the Issuer may elect to pay, in lieu of the Sale Proceeds, the arithmetic average price per Debt Securities Early Redemption.

7. Additional Condition

If so specified in the applicable Final Terms, the following provisions shall apply:

The Issuer may modify or amend these Terms and Conditions of the Certificates or the applicable Final Terms without the consent of the Holders in any manner which the Issuer may deem necessary or desirable for the purpose of obtaining listing of the Certificates on the Official List of AEX and admission to trading on the regulated market of the AEX as promptly as practicable provided that any such modification or amendment is not materially prejudicial to the Holders.

8. Certificates linked to underlying shares that are yet to be listed

If so specified in the applicable Final Terms, the following provisions shall apply:

The Issuer will, in respect of each and every Certificate, cause to be paid to the holder of each such Certificate the Cash Settlement Amount specified in the applicable Final Terms.
- (b) All determinations made by the Issuer and/or Calculation Agent pursuant to the foregoing paragraph shall be conclusive and binding on the Holders and the Issuer. No Holder will be entitled to any compensation from the Issuer for any loss suffered as a result of the Shares not becoming listed on the Exchange at the Scheduled Closing Time on or before the expiration of three months after the Expected Listing Date.

1. Definitions

"**Accreted Amount**" means, with respect to an Accreting Obligation, an amount equal to (a) the sum of (i) the original issue price of such obligation and (ii) the portion of the amount payable at maturity that has accreted in accordance with the terms of the obligation (or as otherwise described below), less (b) any cash payments made by the obligor thereunder that, under the terms of such obligation, reduce the amount payable at maturity (unless such cash payments have been accounted for in (a)(ii) above), in each case calculated as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent in its sole and absolute discretion) only if "Include Accrued Interest" is specified as applicable in the applicable Final Terms. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. "Restructured Bond or Loan" means an Obligation which is a Bond or Loan and in respect of which the Restructuring that is the subject of a Credit Event Notice has occurred;

For the purposes of the definition of Restructuring and Credit Certificate Condition 11, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in the initial paragraph and sub-paragraphs (i) to (v) above of the definition of Restructuring shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in the second paragraph of this definition of Restructuring shall continue to refer to the Reference Entity;

- (a) In the event that:
 - (i) a Reference Obligation is redeemed in whole; or
 - (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation.
- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (1) ranks *pari passu* (or, if no such Obligation exists, then, at the Issuer's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Trade Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.
- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to one or more but not all of the Reference Obligations, and the Calculation Agent determines that no Substitute

Reference Obligation is available for one or more of such Reference Obligations, each Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.

- (d) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.
- (e) If:
 - (i) more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all of the Reference Obligations and the Calculation Agent determines that no Substitute Reference Obligation is available for any of the Reference Obligations; or
 - (ii) only one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to such Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for that Reference Obligation,

then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date (if any) and (C) the Repudiation/Moratorium Evaluation Date (if any). If (i) either Cash Settlement is specified in the applicable Final Terms and the Credit Event Redemption Amount is determined by reference to a Reference Obligation or Physical Delivery is specified in the applicable Final Terms and the Reference Obligation is the only Deliverable Obligation and (ii) on or prior to the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date, a Substitute Reference Obligation has not been identified, the Issuer's obligations under the Certificates shall cease as of the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date.

"Successor" means:

- (a) in relation to a Reference Entity that is not a Sovereign, the entity or entities, if any, determined as set forth below:
 - (i) if one entity directly or indirectly succeeds to seventy-five per cent. or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;

- (ii) if only one entity directly or indirectly succeeds to more than twenty-five per cent. (but less than seventy-five per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor;
 - (iii) if more than one entity each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
 - (iv) if one or more entity each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
 - (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and
 - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor; and
- (b) in relation to a Sovereign Reference Entity, any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assume(s) any of the obligations of such Reference Entity.

In the case of (a) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Holder(s) at the specified office of the Principal Certificate Agent.

Where pursuant to paragraph (a)(iii) or (a)(iv) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine

the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Certificates under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Holders in accordance with General Condition 11, stating the adjustment to the Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

For the purposes of this definition of "Successor", "**succeed**" means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to paragraph (a) of this definition of "Successor" shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

- (A) a Reference Obligation is specified in the applicable Final Terms; and

Unless otherwise specified in the applicable Final Terms, for the purposes of this Credit Certificate Condition 8 the following terms are deemed to have the following meanings:

"Indicative Quotation" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates;

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded); (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (ii) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day;

"Partial Cash Settlement Amount" is deemed to be, for each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (i) (A) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, less (C) Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Entitlement), and (ii) zero;

"Partial Cash Settlement Date" is deemed to be the date falling three Business Days after the calculation of the Final Price;

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the applicable Final Terms, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

- (i) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth

Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Final Terms, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.

- (ii) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Final Terms, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.
- (iii) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.
- (iv) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the Outstanding Principal Balance for the purposes of determining the Final Price;

"Quotation Amount" is deemed to be, with respect to each type or issue of Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, an amount equal to the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Hedge Disruption Obligations, as the case may be;

"Quotation Method" is deemed to be Bid;

"Reference Obligation" is deemed to be each Undeliverable Obligation or Hedge Disruption Obligations, as the case may be;

"Valuation Method" is deemed to be Highest unless fewer than two Full Quotations are obtained or a Weighted Average Quotation applies (or, if applicable, Indicative Quotations), in which case "Valuation Method" is deemed to be Market;

"Valuation Time" is the time specified as such in the applicable Final Terms, or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be;

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

9. Redemption following a Merger Event

If this Credit Certificate Condition 9 is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Holders in accordance with General Condition 11 and redeem all but not some only of the Certificates at the Merger Event Redemption Amount on the Merger Event Redemption Date.

10. Credit Event Notice after Restructuring Credit Event

If this Credit Certificate Condition 10 is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in these Terms and Conditions, upon the occurrence of a Restructuring Credit Event during the Notice Delivery Period:

- (a) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the "**Partial Redemption Amount**") that is less than the Notional Amount of each Certificate immediately prior to the delivery of such Credit Event Notice. In such circumstances the Credit Certificate Conditions and related provisions shall be deemed to apply to the Partial Redemption Amount only and each such Certificate shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount).
- (b) For the avoidance of doubt (i) the Notional Amount, part or other amount of each such Certificate not so redeemed in part shall remain outstanding and interest (if applicable) shall accrue on the Notional Amount outstanding of such Certificate as provided in General Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (ii) the provisions of the Credit Certificate Conditions and related provisions shall apply to such amount or part outstanding of such Certificate in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (iii) once a Credit Event Notice with respect to a Restructuring Credit Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the Restructuring Credit Event.
- (c) If the provisions of this Credit Certificate Condition 10 apply in respect of the Certificates, on redemption of part of each such Certificate the relevant Certificate or, if the Certificates are represented by a Global Certificate, such Global Certificate, shall be endorsed to reflect such part redemption.

11. Provisions relating to Multiple Holder Obligation

If this Credit Certificate Condition 11 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (i) to (v) of the definition of "Restructuring" in Credit Certificate Condition 1 shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

"**Multiple Holder Obligation**" means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

12. Provisions taken from the ISDA supplement titled "Additional Provisions - Monoline Insurer as Reference Entity (January 2005)"

If Credit Certificate Condition 12 is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of "Obligation" in the Credit Certificate Conditions and paragraph (a) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (b) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions will apply, with references to the "Qualifying Guarantee", the "Underlying Obligation" and the "Underlying Obligor" deemed to include the "Qualifying Policy", the "Insured Instrument" and the "Insured Obligor", respectively, except that:
 - (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in the Credit Certificate Conditions in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of "Assignable Loan" and "Consent Required Loan" to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

For the avoidance of doubt, if Credit Certificate Condition 13 is specified as applying in the applicable Final Terms, the amendments to paragraph (b) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions provided in Credit Certificate Condition 13 shall not be construed to apply to Qualifying Policies and Insured Instruments.

- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing

under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Credit Certificate Condition 12 is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

- (d) Deliver. For the purposes of the definition of "Deliver" in the Credit Certificate Conditions, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) Provisions for Determining a Successor. The paragraph commencing "For the purposes of this definition of "Successor" ... " in the definition of "Successor" in the Credit Certificate Conditions is hereby amended by adding "or insurer" after "or guarantor".
- (f) Substitute Reference Obligation. The first paragraph of the definition of "Substitute Reference Obligation" and paragraph (b) thereof in the Credit Certificate Conditions is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For the purposes of sub-paragraph (a)(ii)(B) of the definition of "Substitute Reference Obligation", references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument" respectively.
- (g) Restructuring
 - (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of "Restructuring" in Credit Certificate Condition 1 are hereby amended to read as follows:
 - (A) ""a reduction in the rate or amount or the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (B) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (C) a postponement or other deferral of a date or dates for either (x) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (y) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (D) a change in the ranking in priority of payment of (x) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (y) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include

any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or

- (E) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency.
- (ii) Paragraph (iii) of the definition of "Restructuring" in the Credit Certificate Conditions is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in the Credit Certificate Conditions is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in the Credit Certificate Conditions and if Credit Certificate Condition 11 is specified as applying in the applicable Final Terms, for the purposes the Credit Certificate Conditions the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in paragraphs (a) to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity. "

- (h) Fully Transferable Obligation and Conditionally Transferable Obligation. In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applying in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of "Conditionally Transferable Obligation" to the "guarantor" and "guaranteeing" shall be deemed to include "the "insurer" and "insuring" respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in Credit Certificate Condition 3 and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (i) Other Provisions. For purposes of paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in the Credit Certificate Conditions, references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor" respectively.
- (j) Additional Definitions.

"**Qualifying Policy**" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Credit Certificate Condition 12) (the "**Insured Instrument**") for which another party (including a special purpose entity or trust) is the obligor (the "**Insured Obligor**"). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced

as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments);

"Instrument Payments" means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in Credit Certificate Condition 12 (c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

13. Supplement to provisions relating to Qualifying Guarantee and Underlying Obligation

(a) If this Credit Certificate Condition 13 is specified as applicable in the applicable Final Terms, the Credit Certificate Conditions shall be amended by:

(i) the deletion of the definition of "Downstream Affiliate" and the substitution of the following therefor:

" **"Downstream Affiliate"** means an entity whose outstanding Voting Shares were, at the date of issuance of the Qualifying Guarantee, more than 50 per cent. owned, directly or indirectly, by the Reference Entity. ";

(ii) the deletion of paragraphs (B)(4)(b) and (B)(4)(c) of the definition of "Deliverable Obligation", the substitution of the following therefor and the re-numbering of the remaining paragraphs accordingly:

"(ii) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, both the Qualifying Guarantee and the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms from the following list: Not Subordinated, Specified Currency, Not Sovereign Lender, Not Domestic Currency and Not Domestic Law. For these purposes, unless otherwise specified in the applicable Final Terms, (A) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (B) the laws of England and the laws of the State of New York shall not be a Domestic Law.";

and

(iii) the deletion of the definition of "Qualifying Guarantee" and the substitution of the following therefor:

"Qualifying Guarantee" means an arrangement evidenced by a written instrument pursuant to which a Reference Entity irrevocably agrees (by guarantee of payment or equivalent legal arrangement) to pay all amounts due under an obligation (the **"Underlying Obligation"**) for which another party is the obligor (the **"Underlying Obligor"**). Qualifying Guarantees shall exclude any arrangement (i) structured as a surety bond, financial guarantee insurance policy, letter of credit or equivalent legal arrangement or (ii) pursuant to the terms of which the payment obligations of the Reference Entity can be discharged, reduced or otherwise altered or assigned (other than by operation law) as a result of the occurrence or non-occurrence of an event or circumstance (other than payment). The benefit of a Qualifying Guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation."

- (b) Credit Certificate Condition 11 shall be amended by the insertion of the following at the end of the first paragraph thereof:

"provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in (ii) of the definition of "Multiple Holder Obligation" below".

14. Calculation Agent

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Certificate Conditions and related provisions shall (in the absence of manifest error) be final and binding on the Issuer, the Guarantor and the Holders. In performing its duties pursuant to the Certificates, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Certificates including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

15. Adherence to ISDA Protocols in Relation to Alternative Settlement or Valuation Method

In the event that a protocol setting out an alternative settlement or valuation method is published by the International Swaps and Derivatives Association (a "**Protocol**") in relation to a Reference Entity, the Calculation Agent may in its sole discretion determine whether or not to follow some or all of the terms of such Protocol for purposes of the Credit Certificate Conditions and related provisions.

Notwithstanding any other provisions in the Credit Certificate Conditions and related provisions, in the event that the Calculation Agent decides to adhere to a Protocol, the Calculation Agent may adjust such terms of the Credit Certificate Conditions and related provisions as it deems appropriate to reflect some or all of the relevant settlement, valuation and other provisions of the Protocol. These may include, without limitation, Final Price or Entitlement or determining that Cash Settlement rather than Physical Settlement shall apply or vice versa. Nothing in this Credit Certificate Condition 15 should be taken as requiring the Calculation Agent to follow the terms of the Protocol.

16. Standard Terms

If Standard Terms are specified as applicable in the applicable Final Terms, the provisions set out below in respect of the Standard Terms specified in the applicable Final Terms in respect of the relevant Reference Entity(s) set out in this Credit Certificate Condition 16 shall apply.

[PART C – OTHER APPLICABLE TERMS

[specify]

TERMS AND CONDITIONS OF THE OPEN END TURBO CERTIFICATES

The following is the text of the Terms and Conditions (the "Terms and Conditions") of the Open End Turbo Certificates (the "OET Certificates"). The applicable Final Terms in relation to any issue of OET Certificates may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Terms and Conditions, replace or modify the Terms and Conditions for the purpose of such OET Certificates. The applicable Final Terms in relation to any issue of OET Certificates will be published on the website of the French Autorité des Marchés Financiers ("www.amf-france.org") and the "Certificate" website of the Issuer ("www.produitsdebourse.bnpparibas.fr").

The series of OET Certificates described in the applicable Final Terms (in so far as it relates to such series of Certificates) are issued by whichever of BNP Paribas Arbitrage Issuance B.V. ("**BNPP B.V.**") or BNP Paribas ("**BNPP**") is specified as the Issuer in the applicable Final Terms (as defined below) (the "**Issuer**") and references to the Issuer shall be construed accordingly. The Certificates are issued pursuant to a French Law Agency Agreement dated 30 May 2008 (as amended and/or supplemented from time to time, the "**Agency Agreement**") between BNPP B.V. as issuer, BNPP as issuer and, where the Issuer is BNPP B.V., as guarantor (in such capacity, the "**Guarantor**"), BNP Paribas Arbitrage SNC as agent (if specified in the applicable Final Terms as Agent in respect of the Certificates, the "**Certificate Agent**"). BNP Paribas or BNP Paribas Arbitrage SNC (as specified in the applicable Final Terms) shall undertake the duties of calculation agent (the "**Calculation Agent**") in respect of the OET Certificates as set out below and in the applicable Final Terms unless another entity is so specified as calculation agent in the applicable Final Terms. The expression Calculation Agent shall, in relation to the relevant OET Certificates, include such other specified calculation agent. The French Law Agency Agreement will be governed by French Law (the "**Agency Agreement**").

The applicable Final Terms supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of the OET Certificates.

References herein to the "applicable Final Terms" are to the Final Terms or two or more sets of Final Terms (in the case of any further certificates issued pursuant to Condition 19 and forming a single series with the OET Certificates) (which, for the avoidance of doubt, may be issued in respect of more than one series of OET Certificates) insofar as they relate to the OET Certificates.

Subject as provided in Condition 3 and in the French law Guarantee (as defined below), where the Issuer is BNPP B.V., the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP pursuant to the French Law Guarantee. The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

Copies of the French Law Agency Agreement and the French Law Guarantee and copies of the applicable Final Terms may be obtained from the specified office of the relevant Certificate Agent, save that if the OET Certificates are unlisted, the applicable Final Terms will only be obtainable by a Holder and such Holder must produce evidence satisfactory to the relevant Certificate Agent as to identity.

Words and expressions defined in the French Law Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

The Holders (as defined in Condition 1(C)) are entitled to the benefit of and are deemed to have notice of and are bound by all the provisions of the French Law Agency Agreement (insofar as they relate to the Certificates) and the applicable Final Terms, which are binding on them.

1. Type, Form, Title and Transfer

(A) Type

The OET Certificates relate to a specified Index ("**Index OET Certificates**"), a specified Share ("**Share OET Certificates**"), a specified Commodity ("**Commodity OET Certificates**"), a specified Currency ("**Currency OET Certificates**"), a specified Fund Unit ("**Fund OET Certificates**") or a specified Futures ("**Futures OET Certificates**").

The Final Terms shall specify (i) whether the OET Certificates are OET Calls or OET Puts and (ii) whether they are Index OET Certificates, Share OET Certificates, Commodity OET Certificates, Currency OET Certificates, Fund OET Certificates or Futures OET Certificates.

Some specific terms and conditions as set forth in Conditions 8, 9, 10, 11, 12 and 13 apply depending on whether the OET Certificates are Index OET Certificates, Share OET Certificates, Commodity OET Certificates, Currency OET Certificates, Fund OET Certificates or Futures OET Certificates.

(B) Form

OET Certificates are governed by French law and issued in dematerialised bearer form (*au porteur*). Title to the OET Certificates is established by account entry, in accordance with article L. 211-4 of the French Code Monétaire et Financier. No physical document or certificate (including representative certificates, in accordance with article R. 211-7 of the French *Code Monétaire et Financier*) will be issued in respect of OET Certificates.

Once issued, the OET Certificates shall be deposited with Euroclear France acting as central depository and registered in an account in the books of Euroclear France which shall credit the accounts of the Account Holders (including Euroclear and Clearstream, Luxembourg).

However, the Issuer reserves the right, if such option is provided in the Final Terms, to have the OET Certificates transferred at any time (in the case of OET Certificates already issued) to, or to deposit the OET Certificates of a particular issue (in the case of OET Certificates yet to be issued) with, another depository whose registered office is situated within a European Economic Area country. In the event of a change of depository, the Issuer shall comply with all laws, regulations and tax rules applicable to the functions of such depository.

(C) Title to OET Certificates

Each person whose name appears in the account of the relevant Account Holder as the holder of a particular amount of OET Certificates (in which regard any certificate or other document issued by the Account Holder as to the amount of OET Certificates standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall (except as otherwise required by law) be treated by the Issuer, the Guarantor, if any, and the Certificate Agent as the Holder of such amount of OET Certificates for all purposes (and the expressions "**Holder**" and "**Holder of OET Certificates**" and related expressions shall be construed accordingly).

(D) Transfer and de-listing of OET Certificates

All transfers of OET Certificates whether on the regulated market or otherwise, must be made through the relevant Account Holder. Title to OET Certificates is transferred to Holders when the transfer of the OET Certificates is registered in the books of the relevant Account Holder, all in accordance with the operating rules, regulations and procedures of the relevant Clearing System and/or (as applicable) the relevant Account Holder.

De-listing of the OET Certificates from the market on which such OET Certificates are listed shall occur on the Valuation Date or on the date specified in the Final Terms, subject to any changes to such timing by the relevant authorities. Neither the Issuer nor the Guarantor shall be liable with respect to any such changes.

2. Status of the OET Certificates and Guarantee

The OET Certificates are unsubordinated and unsecured obligations of the relevant Issuer and rank *pari passu* among themselves.

Where the Issuer is BNPP B.V., the Guarantee is an unsubordinated and unsecured obligation of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations subject to such exceptions as may from time to time be mandatory under French law.

3. Guarantee

Where the Issuer is BNPP B.V., subject as provided below and in the relevant Guarantee, BNPP has unconditionally and irrevocably (a) guaranteed to each Holder all obligations of the Issuer in respect of such Holder's OET Certificates as and when such obligations become due and (b) agreed that if and each time that the Issuer fails to satisfy any obligations under such OET Certificates as and when such obligations become due, BNPP will not later than five Paris Business Days (as defined in the relevant Guarantee) after a demand has been made on BNPP pursuant thereto (without requiring the relevant Holder first to take steps against the Issuer or any other person) make or cause to be made such payment or satisfy or cause to be satisfied such obligations as though BNPP were the principal obligor in respect of such obligations.

(A) Definition

For the purposes of determining whether a Market Disruption Event exists in respect of a component of the Index at any time, if a Market Disruption Event occurs in respect of such component at that time, then the relevant percentage contribution of that component to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that component to (y) the overall level of the Index, as calculated in each case immediately prior to the exceptional suspension or restriction on trading;

- (b) with respect to Share OET Certificates and Fund OET Certificates, the occurrence or existence, on any Exchange Business Day, of an exceptional suspension or restriction on trading (by reason of price movements exceeding the limits authorised by the relevant Exchange or Related Exchange or otherwise) affecting (i) the Share or Fund Unit on the Exchange or (ii) the futures or options contracts relating to the Share or Fund Unit on any relevant Related Exchange, which in either case the Calculation Agent determines is material, during the one hour period that ends at the relevant Valuation Time;

(B) Consequences of Market Disruption Events

If, on any Reset Date or Valuation Date, the Index, Share, Commodity, Fund Unit or Futures relating to an OET Certificate is affected by a Market Disruption Event, then such Reset Date or Valuation Date, as applicable, shall be postponed to the first succeeding Trading Business Day on which there is no Market Disruption Event affecting such Index, Share, Commodity, Fund Unit or Futures, subject as provided below.

The name of the new New Index Sponsor and/or the method of publication of the Index shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible.

If, with respect to an Index, the Index Calculation Agent is not also the Index Publisher and if:

- (i) such Index is no longer calculated by the initial Index Calculation Agent but by a calculation agent appointed by such initial Index Calculation Agent or any other competent authority (the "**New Index Calculation Agent**"), then the reference price of the Index shall be determined on the basis of the level of the Index as calculated by the New Index Calculation Agent; and/or
- (ii) such Index is no longer published by the initial Index Publisher but by a publisher appointed by the initial Index Publisher or any other competent authority (the "**New Index Publisher**"), then the reference price of the Index shall be determined on the basis of the level of the Index as published by the New Index Publisher.

The same principle shall apply if the New Index Calculation Agent and/or New Index Publisher ceases to calculate and/or publish an Index and is replaced by another New Index Calculation Agent and/or New Index Publisher in the manner referred to above.

- (i) use the Index as calculated or replace the Index with the new index, as applicable, using, if necessary, a multiplier to ensure the continuity of the Index serving as underlying element of the relevant Index OET Certificates. The Index thus calculated or the new index, as applicable, and the multiplier, if necessary, shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible; or
- (ii) apply the provisions of Condition 8(C) below.

(C) Non publication or cessation of calculation of an Index

If, on or prior to the Valuation Date relating to Index OET Certificates:

- (i) the Index Sponsor (or Index Publisher) or the Index New Sponsor (or New Index Publisher) does not publish an Index and does not provide a replacement Index; or
- (ii) the Index Sponsor (or the Index Calculation Agent) or the New Index Sponsor (or the New Index Calculation Agent) ceases definitively to calculate an Index and does not provide a replacement Index; or

provided, however, that (x) if the Calculation Agent determines that any adjustment referred to in sub-paragraph (ii) above is technically difficult to implement or inappropriate, it shall make such other adjustments as it considers necessary to preserve the rights of the Holders and (y) the methods set forth in Condition 9(B) may be adapted in relation to Shares issued by a Company which is not incorporated in France, in order to comply with local practices and/or regulations.

In relation to any Event whatsoever (including but not limited to the Events set forth in Condition 9(B) below), if the securities distributed or the amount paid exceeds twenty two per cent. of the Price per Share (as defined in Condition

- (i) either to replace as underlying element(s) of the Share OET Certificates, the shares of the company resulting from or surviving the merger. After the merger, the underlying element(s) of the Share OET Certificates will be the shares of the company resulting from or surviving the merger and, once such adjustment has been made, these provisions shall apply to such shares. Such substitution shall take effect as soon as possible after the Effective Date and the Issuer shall then make any adjustment necessary to preserve the economic balance of the relevant Share OET Certificates and the rights of the relevant Holders; or
- (ii) or to pay to each Holder, with respect to each Share OET Certificate, an amount denominated in the Settlement Currency (converted if necessary by applying the Conversion Rate) corresponding to the Fair Market Value of such Share OET Certificate, determined on the last day prior to the Effective Date of the merger or absorption. Such payment shall be made within five Business Days of publication of the notice of such adjustment in accordance with Condition 9(G).

(8) Spin-off

In the event of a spin-off of the Company, the Issuer may elect, if the Effective Date of such spin-off falls on or prior to the Valuation Date:

- (i) either to make such adjustment as may be necessary to preserve the economic balance of the relevant Share OET Certificates and the rights of the relevant Holders;
- (ii) or to pay to each Holder, with respect to each Share OET Certificate, an amount denominated in the Settlement Currency (converted if necessary by applying the Conversion Rate) corresponding to the Fair Market Value of such Share OET Certificate, determined on the last day prior to the Effective Date of the spin-off. Such payment shall be made within five Business Days of publication of the notice of such adjustment in accordance with Condition 9(G).

(9) Nationalisation, equivalent events and insolvency

If:

- (i) all of the Shares or all the assets or a substantial part of the assets of the Company are nationalised or expropriated or have to be transferred to any governmental agency, authority or entity; or

- (ii) due to the winding-up, voluntary or judicial liquidation of a Company, (a) all of the Shares must be transferred to a court appointed administrator, receiver, liquidator or other similar judicial agent or official, or (b) the holders of the Shares become legally prohibited from disposing of such Shares,

then, the Issuer may elect to pay each Holder, with respect to each Share OET Certificate, an amount equal to the Fair Market Value of such Share OET Certificate, upon the occurrence of such nationalisation or liquidation, in which case the obligations of the Issuer under the Share OET Certificates shall be fully discharged upon the payment in full of such amount. The amount of such payment shall be calculated as soon as reasonably and technically practicable and shall be made within five Business Days of publication of the notice of such adjustment in accordance with Condition 9(G).

(C) Change of listing compartment or Exchange

In the event of a change in the listing compartment or Exchange on which the Share is listed, the Issuer shall have the right, at its sole discretion either:

- (i) to continue to perform its obligations under the Share OET Certificates in accordance with these Terms and Conditions. The Issuer shall then make any adjustment necessary to preserve the economic balance of the Share OET Certificates and the rights of the relevant Holders. The Holders shall be informed of any change of listing compartment of the Share in accordance with Condition 17; or
- (ii) to terminate the relevant Share OET Certificates, by paying to each Holder, in respect of each relevant Share OET Certificate, the Fair Market Value of such Share OET Certificate. Such payment shall be made within five Business Days of publication of the notice of such termination in accordance with Condition 9(G).

(D) De-listing

If the Share ceases to be listed on the relevant Exchange (for any reason other than those referred to in Condition 9(B)(5) to Condition 9(B)(9) above), the Issuer shall terminate the relevant Share OET Certificates by paying to each Holder, in respect of each relevant Share OET Certificate, the Fair Market Value of such Share OET Certificate. Such payment shall be made within five Business Days of publication of the notice of such adjustment in accordance with Condition 9(G).

(E) Suspension from listing

If the Share is suspended from listing, the Issuer may either:

- (i) temporarily suspend the listing of the relevant Share OET Certificates; or
- (ii) maintain the listing of the relevant Share OET Certificates, on the basis of the Fair Market Value of the Share affected by such suspension from listing. If the listing of the relevant Share is still suspended after a period of twenty Exchange Business Days, the Issuer may terminate the relevant Share OET Certificates, by paying to each Holder, in respect of each relevant Share OET Certificate, the Fair Market Value of such Share OET Certificate. Such payment shall be made within five Business Days of publication of the notice of such termination in accordance with Condition 9(G).

(F) Other events

If an event other than those set forth in Condition 9(B) occurs but having an equivalent effect to such events occurs, the provisions of this Condition 9 shall apply mutatis mutandis.

(G) Notification of adjustments

The Certificat Agent shall notify the relevant Holders of any modification or adjustment of the Terms and Conditions of a Share OET Certificate made pursuant to this Condition 9, promptly and in accordance with Condition 17. Any payment pursuant to this Condition 9 shall be made as soon as possible, unless provided otherwise.

10. Adjustments to Commodity OET Certificates

(A) Trading, determination and publication of the Commodity by a New Exchange

If, on or prior to the Valuation Date relating to a Commodity OET Certificate:

- (i) the Commodity is no longer traded on the exchange (and the official price of the Commodity ceases to be determined and published by the exchange) but is traded on another exchange; and
- (ii) the official price of the Commodity is determined and published by such other exchange (the "**New Exchange**"),

then, the official price of the Commodity which, as the case may be, shall be used to determine the Final Price in respect of such Commodity OET Certificate shall be determined on the basis of the official price as determined and published by the New Exchange.

The same principle shall apply if the New Exchange ceases to trade the Commodity and to determine and publish the official price of the Commodity and is replaced by another New Exchange in the manner referred to above.

The name of the New Exchange and/or method of trading the Commodity and determining and publishing the official price shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible.

(B) Change to the terms, or replacement, of the Commodity

If, on or prior to the Valuation Date relating to a Commodity OET Certificate:

- (i) the Exchange or, as applicable, the New Exchange amends the terms of listing of the Commodity in a substantial manner; or
- (ii) the Exchange or, as applicable, the Exchange or any other competent authority replaces the Commodity with a new commodity, such new commodity to be used as the underlying element of such Commodity OET Certificates,

then the Issuer may:

- (a) use the new commodity as the underlying element of the Commodity OET Certificate using, if necessary, a multiplier to ensure the continuity of the Commodity. The Commodity and the multiplier, if necessary, shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible; or
- (b) terminate the relevant Commodity OET Certificates as provided in Condition 10(C) below.

(C) Commodity ceasing to be traded on the Exchange

If, on or prior to the Valuation Date, the Exchange or, as applicable, the New Exchange permanently ceases trading the Commodity and does not provide a replacement commodity, the Issuer may terminate the relevant Commodity OET Certificates by paying to each Holder, in respect of each relevant Commodity OET Certificate, the Fair Market Value of such Commodity OET Certificate.

The Fair Market Value of the Commodity OET Certificate so determined shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible after its determination.

The Fair Market Value of the Commodity OET Certificates so determined shall be paid to the relevant Holders within five Business Days of the determination referred to above.

11. Adjustments to Currency OET Certificates

If, on or prior to the Valuation Date:

- (i) cash trading of one (several) currency(ies) to which the Exchange Rate relates (the "**Relevant Currency(ies)**") is suspended or restricted to a material extent; or
- (ii) cash trading of options or futures contracts on a Relevant Currency(ies) on the Related Market (as specified in the applicable Final Terms) is suspended or restricted to a material extent,

then the Issuer may terminate such Currency OET Certificates by paying to each Holder, in respect of each relevant Currency OET Certificate, the Fair Market Value of such Currency OET Certificate.

The Fair Market Value of the Currency OET Certificate so determined and the method of calculation used to determine such Fair Market Value, shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible after its determination. The payment of the Fair Market Value of each Currency OET Certificate shall be made within five Business Days of the determination referred to above.

12. Adjustments to Fund OET Certificates

- (A)** Certain events affecting the Fund or Fund Unit

If certain events affecting the Fund itself or the value of the Fund Unit (including without limitation, a splitting, consolidation or reclassification of the Fund Unit) occur, the Issuer may elect either:

- (i) to terminate the relevant Fund OET Certificates by paying to the relevant Holder, in respect of each relevant Fund OET Certificate, the Fair Market Value of the such Fund OET Certificate; or
- (ii) to continue to perform its obligations under the relevant Fund OET Certificates, subject to any adjustments the Calculation Agent considers necessary to preserve the rights of the relevant Holders by reference to (a) the method used by any relevant Related Exchange or any other competent authority or (b) the relevant method set out in Condition 12(B) below,

provided, however, that (x) if the Calculation Agent determines that any adjustment referred to in sub-paragraph (ii) above is technically difficult to implement or inappropriate, it shall make such other adjustments as it considers necessary to preserve the rights of the Holders and (y) the methods set forth in Condition 12(B) below may be in relation to Fund Units issued by a Fund which is not established under French law, in order to comply with local practices and/or regulations.

- (B)** Methods of adjustment

If (a) the Fund Unit is converted into another class of unit or security, (b) the Fund is split, sold, consolidated or merged into or with another entity, (c) all or a substantial part of the assets of the Fund are disposed of to a third party or (d) an event other than those set out in (a) to (c) above occurs and is, in the opinion of the Calculation Agent, likely to affect the liquidity of the Fund Unit on the Exchange, including without limitation (i) the conversion of the Fund into a "closed fund", (ii) any change to the terms of subscription/repurchase applicable to the Fund Unit, (iii) any change in the structure or organisation of the Fund, (iv) any reduction of the Fund's net asset value, (v) any change of control of

the Management Company or any material degradation of the situation of the Management Company, (vi) the opening of any enquiry by the competent market authorities relating to the Fund, (vii) the existence of any current judicial, administrative or arbitral action or procedure relating to the Fund or (viii) the inability of the Issuer, at any time, to obtain sufficient information on the Fund's investments or organisation, then, the Issuer may either:

- (1) terminate the relevant Fund OET Certificates by paying to each Holder, in respect of each relevant Fund OET Certificate, the Fair Market Value of such Fund OET Certificate; or
- (2) solely following the occurrence of any event referred to in sub-paragraphs (a), (b) or (c) above, replace the relevant relevant Fund Unit, as underlying element of the Fund OET Certificate, with unit(s) or other security(ies), following the occurrence of such an event, admissible by a holder of such Fund Unit. The Issuer shall then make any adjustment necessary to preserve the economic balance of the relevant Fund OET Certificates and the rights of the relevant Holders.

(C) Change of listing compartment or Exchange

In the event of a change in the listing compartment or Exchange on which the Fund Unit is listed, the Issuer shall have the option, at its sole discretion either:

- (i) to continue to perform its obligations under the relevant Fund OET Certificates in accordance with these Terms and Conditions. The Issuer shall then make any adjustment necessary to preserve the economic balance of the OET Certificates and the rights of the relevant Holders. The Holders shall be informed of any change of listing compartment of the Fund Unit in accordance with Condition 17; or
- (ii) to terminate the relevant Fund OET Certificates, by paying to each Holder, in respect of each relevant Fund OET Certificate, the Fair Market Value of such Fund OET Certificate. Such payment shall be made within five Business Days of publication of the notice of such termination in accordance with Condition 12(E).

(D) De-listing

If the Fund Unit ceases to be listed on the relevant Exchange (for any reason other than those referred to in Condition 12(B) above), the Issuer shall terminate the relevant Fund OET Certificates by paying to each Holder, in respect of each relevant Fund OET Certificate, the Fair Market Value of such Fund OET Certificate. Such payment shall be made within five Business Days of publication of the notice of such adjustment in accordance with Condition 12(E).

(E) Notifications

The Certificate Agent shall notify the relevant Holders of any modification or adjustment of the Terms and Conditions of the Fund OET Certificates made pursuant to this Condition 12, promptly and in accordance with Condition 17. Any payment pursuant to this Condition 12 shall be made as soon as possible, unless provided otherwise.

13. Adjustments to Futures OET Certificates

(A) Trading, determination and publication of the Futures by a New Exchange

If, on or prior to the Valuation Date relating to a Futures OET Certificate:

- (i) the Futures is no longer traded on the Exchange (and the official price of such Futures ceases to be determined and published by the Exchange) but is traded on another exchange; and

- (ii) the official price of the Futures is determined and published by such other exchange (the "**New Exchange**"),

then, the official price of the Futures which, as the case may be, shall be used to determine the Final Price in respect of such Futures OET Certificate, shall be determined on the basis of the official price of the Futures as determined and published by the New Exchange.

The same principle shall apply if the New Exchange ceases to trade the Futures and is replaced by another New Exchange in the manner referred to above.

The name of the New Exchange and/or method of trading the Futures and determining and publishing the official price of the Futures shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible.

(B) Change to the terms, or replacement, of the Futures

If, on or prior to the Valuation Date relating to Futures OET Certificates:

- (i) the Exchange or, as applicable, the New Exchange amends the terms of the Futures in a substantial manner; or
- (ii) the Exchange or, as applicable, the New Exchange or any other competent authority replaces the Futures with a new futures contract, such new futures contract to be used as the underlying element of such Futures OET Certificates,

then the Issuer may:

- (a) use the new futures contract as the underlying element of the relevant Futures OET Certificates using, if necessary, a multiplier to ensure the continuity of the Futures. The Futures and the multiplier, if necessary, shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible; or
- (b) terminate the relevant Futures OET Certificates as provided in Condition 13(C) below.

(C) Futures ceasing to be traded on the Exchange

If, on or prior to the Valuation Date, the Exchange or, as applicable, the New Exchange permanently ceases trading the Futures and does not provide a replacement Futures, the Issuer shall terminate the relevant Futures OET Certificates by paying to each Holder, in respect of each relevant Futures OET Certificate, the Fair Market Value of such Futures OET Certificate.

The Fair Market Value of the Futures OET Certificate so determined shall be notified to the relevant Holders in accordance with Condition 17 as soon as possible after its determination.

The Fair Market Value of the Futures OET Certificates so determined shall be paid within five Business Days of the determination referred to above.

14. Illegality and Force Majeure

(A) Illegality

If the Issuer determines that the performance of its obligations under the OET Certificates has become illegal in whole or in part for any reason, the Issuer may, on giving notice to Holders in accordance with Condition 17, redeem all but not some only of the OET Certificates.

If the Issuer redeems the OET Certificates early then the Issuer will, if and to the extent permitted by applicable law pay to each Holder in respect of each OET Certificate held by such Holder an amount equal to the Fair Market Value of an OET Certificate, as determined by the Calculation Agent. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 17.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

(B) Force Majeure

If the Issuer determines that by reason of force majeure or act of state occurring after the Trade Date of the OET Certificates, as specified in the applicable Final Terms, it becomes impossible or impracticable to perform in whole or in part its obligations under the OET Certificates and/or any related hedging arrangements, the Issuer may redeem the OET Certificates by giving notice to Holders in accordance with Condition 17.

If the Issuer redeems the OET Certificates then the Issuer will, if and to the extent possible or practicable, pay to each Holder in respect of each OET Certificate held by such Holder, an amount equal to the Fair Market Value (if any) of an OET Certificate taking into account such force majeure or act of state, as determined by the Calculation Agent. Any payment will be made in such manner as shall be notified to the Holders in accordance with Condition 17.

15. Purchases

The Issuer may, but is not obliged to, at any time purchase OET Certificates at any price in the open market or by tender or private treaty. In the case of BNPP B.V., any OET Certificates so purchased may be held or resold or surrendered for cancellation; provided, however, that OET Certificates so purchased may only be resold pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 144A, Regulation S or otherwise thereunder. In the case of BNPP, any OET Certificates so purchased will forthwith be cancelled and accordingly may not be re-issued or resold.

16. Certificate Agent, Calculation Agent, Determinations, Meetings Provisions and Modifications

(A) Certificate Agent

The specified offices of the Certificate Agent are as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of the Certificate Agent and to appoint further or additional Certificate Agents, provided that no termination of appointment of the Certificate Agent shall become effective until a replacement Certificate Agent shall have been appointed and provided that, so long as any of the OET Certificates are listed on a stock exchange or are admitted to trading by another relevant authority, there shall be a Certificate Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange or other relevant authority. Notice of any termination of appointment and of any changes in the specified office of the Certificate Agent will be given to Holders in accordance with Condition 17. In acting under the French Law Agency Agreement, the Certificate Agent acts solely as agent of the Issuer and the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the OET Certificates by the Certificate Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the respective Holders.

(B) Calculation Agent

In relation to each issue of OET Certificates, the Calculation Agent (whether it be BNP Paribas, BNP Paribas Arbitrage SNC or another entity) acts solely as agent of the Issuer and the Guarantor, if any, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the OET Certificates by the Calculation Agent shall (save in the case of manifest error) be final, conclusive

and binding on the Issuer, the Guarantor, if any, and the Holders. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party, as it deems appropriate.

(C) Determinations by the Issuer and the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

(D) Meetings of Holders

(i) Representation

In respect of any series of OET Certificates, Holders shall not be grouped automatically for the defence of their common interests in a *masse* constituting a separate legal body and governed by the provisions of Articles L.228-46 *et seq* of the French *Code de commerce*. Consequently, the Holders shall not be represented by any representative of such body.

However, general meetings of Holders (a "**General Meeting**") may be convened to consider some matters relating to any series of OET Certificates as provided hereunder.

(ii) Powers of the General Meetings

The General Meeting is empowered to deliberate on any proposal relating to any matter affecting the interests of the Holders of the OET Certificates and their rights, actions and benefits which now or in the future may accrue with respect to the OET Certificates, including the:

- (a) power to agree to any modification of the OET Certificates, including but not limited to, a modification of the Cash Settlement Amount, Parity, Redemption Date, Valuation Date or more generally the modification of any term which can affect the amount to be paid under an OET Certificate or the scheduled payment date, which is proposed by the Issuer;
- (b) power to give any authority or approval which under the provisions of this Condition 16(D)(ii) is required to be given by a resolution of the General Meeting;
- (c) power to appoint any persons (whether Holders or not) on a committee or committees to confer upon any such committee or committees any powers or discretions which the Holders could themselves exercise by a resolution of the General Meeting; and
- (d) power to approve any contractual compromise or arrangement proposed to be made between the Issuer and the relevant Holders in respect of the rights of the Holders against the Issuer or against any of its property.

It is specified, however, that a General Meeting may not:

- (A) appoint any person as the representative of the Holders of any series for all actions intended to defend the common interests of the Holders, and particularly to bring any court or arbitration action or proceedings, against the Issuer or any Agent; and

- (B) agree on (1) any modification of the majority required to pass a resolution of the General Meeting, (2) any proposal relating to a change in the Issuer's corporate purpose or status, (3) any proposal for a settlement or a transaction concerning disputed rights or rights in respect of which court decisions have been handed down, or (4) proposals to merge or demerge the Issuer.

Any resolution passed at a General Meeting of the Holders of a series of OET Certificates, duly convened and held in accordance with the provisions of this Condition, shall be binding upon all the Holders of such series of OET Certificates whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing.

General Meetings may deliberate validly on first convocation only if Holders present or represented hold at least a fifth of the OET Certificates then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-thirds majority of votes cast by Holders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 17 by the Issuer within fourteen (14) calendar days of the result being known provided that non-publication shall not invalidate the resolution.

(iii) Convening and holding of the General Meeting

The General Meeting shall be convened by an authorised representative of the Issuer or by the liquidators or natural or physical persons performing equivalent functions during any possible winding-up or equivalent insolvency period and held, all with the same formal and deadline conditions as the shareholders' meetings of the Issuer including the provisions of Articles R. 225-66, R. 225-95, R. 225-101, R. 225-106 and R. 225-107 but excluding the provisions of Articles R. 225-72 to R. 225-74 of the French *Code de commerce*.

Any meeting unduly convened may be cancelled. However, the action to cancel this shall not be admissible when all the Holders of the relevant series are present or represented.

The day, time and place of the meeting and agenda of a meeting are determined at its discretion by the person convening it. However, one or more Holders holding at least one-thirtieth of the relevant series of OET Certificates then outstanding are entitled to require that draft resolutions be placed on the agenda. Such resolutions are placed on the agenda and put to the vote by the chairman of the meeting. The meeting shall not deliberate on an item which is not placed on the agenda. The agenda for the meeting may be amended on a second convening.

The meeting shall be chaired by a representative of the Issuer.

An attendance sheet is kept for each meeting. The decisions taken at each meeting are recorded in minutes signed by the members of the committee which are entered in a special register kept at the registered office of the Issuer. The elements that must be included in the attendance sheet and the minutes are the same as with respect to the shareholders' meetings of the Issuer.

All Holders of the relevant series of OET Certificates are entitled to participate in the meeting or to be represented at it by the representative of their choice. Any Holder may vote by correspondence with the same formal and deadline conditions as the shareholders' meetings of the Issuer. Any contrary provision in the articles of association is deemed not to exist. When the quorum is calculated, only voting forms received by the Issuer before the date of the meeting in the manner and within the time limits being the same as for the shareholders' meetings of the Issuer shall be included in such calculation. Forms which do not indicate a voting intention or which express an abstention are treated as negative votes. If the articles of association of the Issuer so provide, Holders who participate in the meeting via videoconferencing or via a telecommunications medium which permits their identification are deemed to be present for calculation of the quorum and the majority.

The rights of each Holder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Holder on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting at 0:00, Paris time. The voting right in General Meetings shall belong to the bare owner (*nu-propritaire*) of the relevant OET Certificates. Each OET Certificate shall confer the right to one vote.

Holders shall not be allowed individually to exercise control over the operations of the Issuer or to request notification of Issuer documents.

(iv) Information to Holders

Each Holder thereof will have the right, during the 15-day period preceding the holding of the relevant General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Holders at the registered office of the Issuer, at the specified offices of the Certificate Agent during usual business hours and at any other place specified in the notice of the General Meeting. The relevant Holders shall at all times have the same right with regard to the minutes and attendance sheets of the said General Meeting.

(v) Expenses

The Issuer will pay all expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the OET Certificates.

(E) Modifications

The Issuer may modify these Terms and Conditions and/or the French Law Agency Agreement without the consent of the Holders in any manner which the Issuer may deem necessary or desirable provided that such modification is not materially prejudicial to the interests of the Holders or such modification is of a formal, minor or technical nature or to correct a manifest or proven error or to cure, correct or supplement any defective provision contained herein and/or therein. Notice of any such modification will be given to the Holders in accordance with Condition 17 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

17. Notices

All notices to Holders shall be valid if (a) delivered to the relevant Account Holder or Clearing System for communication by them to the Holders, (b) so long as the OET Certificates are listed on a stock exchange, in accordance with the rules and regulations of the relevant stock exchange and (c) published on the "Certificate" website of the Issuer ("www.produitsdeourse.bnpparibas.fr"). Any such notice shall be deemed to have been given on the second Business Day following such delivery or, if earlier, the date of such publication or, if published more than once, on the date of the first such publication.

18. Expenses and Taxation

- (A)** A Holder must pay all taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising from the redemption of the OET Certificates pursuant to the terms of such OET Certificates ("**Certificate Expenses**") relating to such OET Certificates as provided above.
- (B)** The Issuer shall deduct from amounts payable to Holders all Related Expenses, not previously deducted from amounts paid to Holders, as the Calculation Agent shall determine are attributable to the OET Certificates.

For the avoidance of doubt, the Issuer shall not be liable for any Related Expenses and Holders shall be liable to pay the Related Expenses attributable to their OET Certificates.

"Expenses" means Certificate Expenses and any Related Expenses.

"Related Expenses" means (a) all present, future, prospective, contingent or anticipated Taxes which are (or may be) or were (or may have been) withheld or payable under the laws, regulations or administrative practices of any state (or any political sub-division or authority thereof or therein) and (b) any other present, future or contingent expenses (including without limitation, any applicable depositary charges, transaction charges, issue, registration, securities transfer or other expenses) which are (or may be) or were (or may have been) payable, in each case in respect of or in connection with:

- (i) the issue, transfer or enforcement of the OET Certificates;
- (ii) any payment (or delivery of assets) to Holders;
- (iii) a person or its agent's assets or any rights, distributions of dividends appertaining to such assets (had such an investor (or agent) purchased, owned, held, realised, sold or otherwise disposed of assets) in such a number as the Calculation Agent may determine to be appropriate as a hedge or related trading position in connection with the Certificates; or
- (iv) any of the Issuer's (or any Affiliates') other hedging arrangements in connection with the Certificates.

"Taxes" means taxes, levies, imposts, duties, deductions, withholdings, assessments or other charges (including any stamp, registration or transfer tax, duty or other charge or tax on income, payments (or delivery of assets), profits or capital gains) together with any interest, additions to tax or penalties.

19. Further Issues

The Issuer shall be at liberty from time to time without the consent of Holders to create and issue further OET Certificates so as to be consolidated with and form a single series with the outstanding OET Certificates, provided that (a) the OET Certificates so issued confer rights that are identical in all respects to such outstanding OET Certificates and (b) such consolidation of further OET Certificates in a single series of outstanding OET Certificates is specified in the applicable Final Terms.

20. Minimum Trading Size

The Minimum Trading Size of the OET Certificates is as specified in the applicable Final Terms.

21. Substitution of the Issuer or the Guarantor

- (A) The Issuer, or any previous substituted company may, at any time, without the consent of the Holders, substitute for itself as principal obligor under the OET Certificates any company (the "**Substitute**"), being the Issuer or any other company, subject to:
 - (i) where the Substitute is not BNPP, BNPP unconditionally and irrevocably guaranteeing in favour of each Holder the performance of all obligations by the Substitute under the OET Certificates;
 - (ii) all actions, conditions and things required to be taken, fulfilled and done to ensure that the OET Certificates represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and are in full force and effect;

- (iii) the Substitute becoming party to the French Law Agency Agreement (unless the Substitute is a party to the French Law Agency Agreement), with any appropriate consequential amendments, as if it had been an original party to it;
 - (iv) each stock exchange on which the OET Certificates are listed shall have confirmed that, following the proposed substitution of the Substitute, the Certificates will continue to be listed on such stock exchange;
 - (v) if appropriate, the Substitute shall have appointed a process agent as its agent in France to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the OET Certificates; and
 - (vi) the Issuer shall have given at least 30 days' prior notice of the date of such substitution to the Holders in accordance with Condition 17.
- (B)** Where the Issuer is BNPP B.V., BNPP or any previous substituted company may, at any time, without the consent of the Holders, substitute for itself as guarantor in respect of the OET Certificates any company (the "**Substitute Guarantor**"), being BNPP or any other company, subject to:
- (i) the creditworthiness of the Substitute Guarantor at such time being at least equal to the creditworthiness of BNPP (or of any previous substitute under this Condition), as determined by the Calculation Agent by reference to, *inter alia*, the long term senior debt ratings (if any) assigned by Standard & Poor's Ratings Services, a division of The McGraw Hill Companies, Inc. and/or Moody's Investors Service Limited and/or Fitch Ratings Limited, or any successor rating agency or agencies thereto, to the Substitute Guarantor or, as the case may be, to BNPP (or to any previous substitute under this Condition);
