EURO MEDIUM TERM NOTE PROGRAMME

Under this €90,000,000,000 euro medium term note programme (the "**Programme**"), BNP Paribas¹ ("**BNPP**", the "**Bank**" or the "**Issuer**") may from time to time issue Notes in bearer or registered form (respectively, "**Bearer Notes**" and "**Registered Notes**" and, together, the "**Notes**") denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined below). This Base Prospectus ("**Base Prospectus**" or "**this Document**") supersedes and replaces all previous offering circulars or prospectuses prepared in connection with the Programme. Any Notes (as defined below) issued under the Programme on or after the date of this Document are issued subject to the provisions described herein. This does not affect any Notes already in issue. This Base Prospectus constitutes a base prospectus for the purposes of Article 5.4 of Directive 2003/71/EC of 4 November 2003 (the "**Prospectus Directive**") as amended (which includes the amendments made by Directive 2010/73/EU (the "**2010 PD Amending Directive**") to the extent that such amendments have been implemented in a relevant Member State of the European Economic Area. Notes may be issued whose return (whether in respect of any interest payable on such Notes and/or their redemption amount) is linked to one or more indices including custom indices ("**Index Linked Notes**") or one or more Shares of any company(ies) (including global depository receipts and/or American depository receipts) ("**Share Linked Notes**") or one or more inflation indices ("**Inflation Linked Notes**") or one or more commodities or commodity indices ("**Commodity Linked Notes**") or one or more interests or units ("**Fund Linked Notes**") or the credit of a specified entity or entities ("**Credit Linked Notes**") or one or more fund shares or interests in exchange traded funds, exchange traded notes, exchange traded commodities or other exchange traded products (each an "**exchange traded instrument**") ("**ETI Linked Notes**") or one or more foreign exchange rates ("**Foreign Exchange (FX) Rate Linked Notes**") or one or more underlying interest rate ("**Underlying Interest Rate Linked Notes**") or any combination thereof ("**Hybrid Notes**") as more fully described herein. Notes may provide that settlement will be by way of cash settlement ("**Cash Settled Notes**") or physical delivery ("**Physical Delivery Notes**") as provided in the applicable Final Terms.

The Notes will be issued to one or more of the Dealers specified below (each a "**Dealer**" and together the "**Dealers**", which expression shall include any additional Dealer appointed under the Programme from time to time) on a continuing basis by way of private or syndicated placements.

The Notes may be governed by English law or French law, as specified in the applicable Final Terms, and the corresponding provisions in the terms and conditions will apply to such Notes.

Application has been made to the *Autorité des marchés financiers* (the "**AMF**") in France for approval of this Base Prospectus in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* which implements the Prospectus Directive on the prospectus to be published when securities are offered to the public or admitted to trading under French law. Upon such approval, application may be made for Notes issued under the Programme during a period of 12 months from the date of this Base Prospectus to be listed and/or admitted to trading on Euronext Paris and/or a Regulated Market (as defined below) in another Member State of the European Economic Area. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC (each such regulated market being a "**Regulated Market**"). References in this Base Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been listed and admitted to trading on Euronext Paris or, as the case may be, a Regulated Market (including the regulated market of the Luxembourg Stock Exchange) or the EuroMTF exchange regulated market of the Luxembourg Stock Exchange (the "**EuroMTF Market**") or on such other or further stock exchange(s) as may be agreed between the Issuer and the relevant Dealer(s). The Issuer may also issue unlisted Notes. The relevant final terms (the forms of each contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be admitted to trading, and, if so, the relevant Regulated Market. The specific terms of each Tranche will be set forth in a set of final terms to this Base Prospectus which is the final terms document (the "**Final Terms**") which will be completed at the time of the agreement to issue each Tranche of Notes and (other than in the case of Exempt Notes) which will constitute final terms for the purposes of Article 5.4 of the Prospectus Directive which will be filed with the AMF. This Base Prospectus and any supplement thereto will be available on the Issuer's website (www.invest.bnpparibas.com) and the AMF website (www.amf-france.org).

The requirement to publish a prospectus under the Prospectus Directive only applies to Notes which are to be admitted to trading on a regulated market in the European Economic Area and/or offered to the public in the European Economic Area other than in circumstances where an exemption is available under Article 3.2 of the Prospectus Directive (as implemented in the relevant Member State(s)). References in this Base Prospectus to "**Exempt Notes**" are to Notes for which no prospectus is required to be published under the Prospectus Directive. The AMF has neither approved nor reviewed information contained in this Base Prospectus in connection with Exempt Notes.

BNPP's long-term credit ratings are A+ with a negative outlook (Standard & Poor's Credit Market Services France SAS ("**Standard & Poor's**")), A2 with a stable outlook (Moody's Investors Service Ltd. ("**Moody's**")) and A+ with a stable outlook (Fitch France S.A.S. ("**Fitch France**")). Each of Standard & Poor's, Moody's and Fitch France is established in the European Union and is registered under the Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**"). As such each of Standard & Poor's, Moody's and Fitch France is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. Notes issued under the Programme may be rated or unrated. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. BNPP accepts responsibility for the information contained in this Base Prospectus and the Final Terms for each Tranche of Notes issued under the Programme. To the best of the knowledge of BNPP (who has taken all reasonable care to ensure that such is the case), the information contained herein is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Document is to be read in conjunction with all documents which are incorporated herein by reference as described in "Documents Incorporated by Reference" below. This Document shall be read and construed on the basis that such documents are so incorporated and form part of this Document.

Information contained in this Document which is sourced from a third party has been accurately reproduced and, as far as the Issuer is aware and is able to ascertain from information published by the relevant third party, no facts have been omitted which would render the reproduced information inaccurate or misleading. The Issuer has also identified the source(s) of such information. The applicable Final Terms will (if applicable) specify the nature of the responsibility taken by the Issuer for the information relating to the underlying asset, index or other item(s) to which the Notes relate.

This Document (together with supplements to this Document from time to time (each a "**Supplement**" and together the "**Supplements**") comprises a base prospectus in respect of all Notes other than Exempt Notes issued under the Programme for the purposes of (i) Article 5.4 of Directive 2003/71/EC as amended (including the amendments made by Directive 2010/73/EU to the extent that such amendments have been implemented in a Member State of the European Economic Area) (the "**Prospectus Directive**") and (ii) the relevant implementing measures in France and, in each case, for the purpose of giving information with regard to the Issuer. In relation to each separate issue of Notes, the final offer price and the amount of such Notes will be determined by the Issuer and the relevant Dealers in accordance with prevailing market conditions at the time of the issue of the Notes and will be set out in the relevant Final Terms.

In accordance with Article 16.2 of the Prospectus Directive, investors who have already agreed to purchase or subscribe for Notes before this Base Prospectus is published have the right, exercisable within two working days after the publication of this Base Prospectus, to withdraw their acceptances. Investors should be aware, however, that the law of the jurisdiction in which they have accepted an offer of Notes may provide for a longer time limit.

The Dealers have not separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by the Dealers as to the accuracy or completeness of the information contained in this Document or any other information provided by the Bank in connection with the Programme or the Notes. The Dealers accept no liability in relation to the information contained in this Document or any other information provided by the Bank in connection with the Programme or the Notes.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Document or any further information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by BNPP or any of the Dealers.

In connection with the issue and sale of Notes, neither BNPP nor its Affiliates will, unless agreed to the contrary in writing, act as a financial adviser to any Noteholder.

Neither this Document nor any other information supplied in connection with the Programme or the Notes is intended to provide the basis of any credit or other evaluation and should not be considered as recommendations by BNPP or any of the Dealers that any recipient of this Document or any other information supplied in connection with the Programme should purchase any of the Notes. Each investor contemplating purchasing any of the Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Document nor any other information supplied in connection with the Programme or the Notes constitutes an offer or invitation by or on behalf of BNPP or any of the Dealers to any person to subscribe for or to purchase any of the Notes.

The delivery of this Document does not at any time imply that the information contained herein concerning BNPP is correct at any time subsequent to the date of this Document or that any other

information supplied in connection with the Programme or the Notes is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of BNPP during the life of the Programme. Prospective investors should review, inter alia, the most recently published audited annual consolidated financial statements, unaudited semi-annual interim consolidated financial statements and quarterly financial results of BNPP, when deciding whether or not to purchase any of the Notes.

This Document does not constitute, and may not be used for or in connection with, an offer to any person to whom it is unlawful to make such offer or a solicitation by anyone not authorised so to act.

The distribution of this Document and the offer or sale of the Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Document or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Document and the offer or sale of the Notes in the European Economic Area ("**EEA**") (and certain member states thereof), Japan and the United States (see "Subscription and Sale" below).

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), or with any securities regulatory authority of any state or jurisdiction of the United States, and the Notes may include Bearer Notes that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or, in the case of Bearer Notes, delivered within the United States or to, or for the account or benefit of, U.S. persons, as defined in Regulation S under the Securities Act ("**Regulation S**") (see "Subscription and Sale" below).

This Document has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Document as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently has been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

IN CONNECTION WITH THE ISSUE OF ANY TRANCHE (AS DEFINED IN "TERMS AND CONDITIONS OF THE ENGLISH LAW NOTES" AND "TERMS AND CONDITIONS OF THE FRENCH LAW NOTES" BELOW) OF NOTES, THE DEALER OR DEALERS (IF ANY) NAMED AS THE STABILISING MANAGER(S) (THE "STABILISING MANAGER(S)") (OR PERSONS ACTING ON BEHALF OF ANY STABILISING MANAGER(S)) IN THE APPLICABLE FINAL TERMS MAY OVER-ALLOT NOTES OR EFFECT TRANSACTIONS WITH A VIEW TO SUPPORTING THE MARKET PRICE OF THE NOTES AT A LEVEL HIGHER THAN THAT WHICH MIGHT OTHERWISE PREVAIL. HOWEVER, THERE IS NO ASSURANCE THAT THE STABILISING MANAGER(S) (OR PERSONS ACTING ON BEHALF OF A STABILISING MANAGER) WILL UNDERTAKE STABILISATION ACTION. ANY STABILISATION ACTION MAY BEGIN ON OR AFTER THE DATE ON WHICH ADEQUATE PUBLIC DISCLOSURE OF THE FINAL TERMS OF THE OFFER OF THE RELEVANT TRANCHE OF NOTES IS MADE AND, IF BEGUN, MAY BE ENDED AT ANY TIME, BUT IT MUST END NO LATER THAN THE EARLIER OF 30 DAYS AFTER THE ISSUE DATE OF

THE RELEVANT TRANCHE AND 60 DAYS AFTER THE DATE OF THE ALLOTMENT OF THE RELEVANT TRANCHE. ANY STABILISATION ACTION OR OVER-ALLOTMENT SHALL BE CONDUCTED IN ACCORDANCE WITH ALL APPLICABLE LAWS AND RULES.

IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS OF NOTES

Restrictions on Non-exempt offers of Notes in Relevant Member States

Certain Tranches of Notes with a denomination of less than €100,000 (or its equivalent in any other currency) may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus. Any such offer is referred to as a "**Non-exempt Offer**". This Base Prospectus has been prepared on a basis that permits Non-exempt Offers of Notes. However, any person making or intending to make a Non-exempt Offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") may only do so if this Base Prospectus has been approved by the competent authority in that Relevant Member State (or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State) and published in accordance with the Prospectus Directive, provided that the Issuer has consented to the use of this Base Prospectus in connection with such offer as provided under "*Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)*" and the conditions attached to that consent are complied with by the person making the Non-exempt Offer of such Notes.

Save as provided above, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any Non-exempt Offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)

In the context of a Non-exempt Offer of such Notes, the Issuer accepts responsibility, in the jurisdictions to which the consent to use the Base Prospectus extends, for the content of this Base Prospectus under Article 6 of the Prospectus Directive in relation to any person (an "**Investor**") who acquires any Notes in a Non-exempt Offer made by any person to whom the Issuer has given consent to the use of this Base Prospectus (an "**Authorised Offeror**") in that connection, provided that the conditions attached to that consent are complied with by the Authorised Offeror. The consent and conditions attached to it are set out under "*Consent*" and "*Common Conditions to Consent*" below.

None of the Issuer or any Dealer makes any representation as to the compliance by an Authorised Offeror with any applicable conduct of business rules or other applicable regulatory or securities law requirements in relation to any Non-exempt Offer and none of the Issuer or any Dealer has any responsibility or liability for the actions of that Authorised Offeror.

Save as provided below, neither the Issuer nor any Dealer has authorised the making of any Non-exempt Offer by any offeror and the Issuer has not consented to the use of this Base Prospectus by any other person in connection with any Non-exempt Offer of Notes. Any Non-exempt Offer made without the consent of the Issuer is unauthorised and neither the Issuer nor any Dealer accepts any responsibility or liability for the actions of the persons making any such unauthorised offer. If, in the context of a Non-exempt Offer, an Investor is offered Notes by a person which is not an Authorised Offeror, the Investor should check with that person whether anyone is responsible for this Base Prospectus for the purposes of Article 6 of the Prospectus Directive in the context of the Non-Exempt Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on this Base Prospectus and/or who is responsible for its contents it should take legal advice.

Consent

In connection with each Tranche of Notes and subject to the conditions set out below under "*Common Conditions to Consent*":

- (a) *the Issuer consents to the use of this Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Non-exempt Offer of such Notes by the relevant Dealer and by:*
 - (i) any financial intermediary named as an Initial Authorised Offeror in the applicable Final Terms; and

- (ii) any financial intermediary appointed after the date of the applicable Final Terms and whose name is published on the Issuer website (<https://rates-globalmarkets.bnpparibas.com/gm/Public/LegalDocs.aspx>) and identified as an Authorised Offeror in respect of the relevant Non-exempt Offer;
- (b) if (and only if) Part A of the applicable Final Terms specifies "General Consent" as "Applicable", the Issuer hereby offers to grant its consent to the use of this Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Non-exempt Offer of Notes by any financial intermediary which satisfies the following conditions:
- (i) it is authorised to make such offers under applicable legislation implementing the Markets in Financial Instruments Directive (Directive 2004/39/EC); and
 - (ii) it accepts such offer by publishing on its website the following statement (with the information in square brackets completed with the relevant information):

*"We, [insert legal name of financial intermediary], refer to the [insert title of relevant Notes] (the "**Notes**") described in the Final Terms dated [insert date] (the "**Final Terms**") published by BNP Paribas (the "**Issuer**"). We hereby accept the offer by the Issuer of its consent to our use of the Base Prospectus (as defined in the Final Terms) in connection with the offer of the Notes in accordance with the Authorised Offeror Terms and subject to the conditions to such consent, each as specified in the Base Prospectus, and we are using the Base Prospectus accordingly."*

The "**Authorised Offeror Terms**" are that the relevant financial intermediary:

- (A) will, and it agrees, represents, warrants and undertakes for the benefit of the Issuer and the relevant Dealer that it will, at all times in connection with the relevant Non-exempt Offer:
 - (a) act in accordance with, and be solely responsible for complying with, all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the "**Rules**") from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential Investor, and will immediately inform the Issuer and the relevant Dealer if at any time such financial intermediary becomes aware or suspects that it is or may be in violation of any Rules and take all appropriate steps to remedy such violation and comply with such Rules in all respects;
 - (b) comply with the restrictions set out under "*Plan of Distribution*" in this Base Prospectus which would apply as if it were a Dealer;
 - (c) ensure that any fee (and any other commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes does not violate the Rules and, to the extent required by the Rules, is fully and clearly disclosed to Investors or potential Investors;
 - (d) hold all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules;
 - (e) comply with applicable anti-money laundering, anti-bribery, anti-corruption and "know your client" Rules (including, without limitation, taking appropriate steps, in compliance with such Rules, to establish and document the identity of each potential Investor prior to initial investment in any Notes by the Investor), and will not permit any application for Notes in circumstances where the financial intermediary has any suspicions as to the source of the application monies;
 - (f) retain Investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer, the Issuer directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer in order to enable the Issuer and/or the relevant Dealer to comply with anti-money

laundering, anti-bribery, anti-corruption and "know your client" Rules applying to the Issuer and/or the relevant Dealer;

- (g) ensure that no holder of Notes or potential Investor in Notes shall become an indirect or direct client of the Issuer or the relevant Dealer for the purposes of any applicable Rules from time to time, and to the extent that any client obligations are created by the relevant financial intermediary under any applicable Rules, then such financial intermediary shall perform any such obligations so arising;
- (h) co-operate with the Issuer and the relevant Dealer in providing such information (including, without limitation, documents and records maintained pursuant to paragraph (f) above) upon written request from the Issuer or the relevant Dealer as is available to such financial intermediary or which is within its power and control from time to time, together with such further assistance as is reasonably requested by the Issuer or the relevant Dealer:
 - (i) in connection with any request or investigation by any regulator in relation to the Notes, the Issuer or the relevant Dealer; and/or
 - (ii) in connection with any complaints received by the Issuer and/or the relevant Dealer relating to the Issuer and/or the relevant Dealer or another Authorised Offeror including, without limitation, complaints as defined in rules published by any regulator of competent jurisdiction from time to time; and/or
 - (iii) which the Issuer or the relevant Dealer may reasonably require from time to time in relation to the Notes and/or as to allow the Issuer or the relevant Dealer fully to comply with its own legal, tax and regulatory requirements,

in each case, as soon as is reasonably practicable and, in any event, within any time frame set by any such regulator or regulatory process;

- (i) during the primary distribution period of the Notes: (i) only sell the Notes at the Issue Price specified in the applicable Final Terms (unless otherwise agreed with the relevant Dealer); (ii) only sell the Notes for settlement on the Issue Date specified in the relevant Final Terms; (iii) not appoint any sub-distributors (unless otherwise agreed with the relevant Dealer); (iv) not pay any fee or remuneration or commissions or benefits to any third parties in relation to the offering or sale of the Notes (unless otherwise agreed with the relevant Dealer); and (v) comply with such other rules of conduct as may be reasonably required and specified by the relevant Dealer;
- (j) either (i) obtain from each potential Investor an executed application for the Notes, or (ii) keep a record of all requests such financial intermediary (x) makes for its discretionary management clients, (y) receives from its advisory clients and (z) receives from its execution-only clients, in each case prior to making any order for the Notes on their behalf, and in each case maintain the same on its files for so long as is required by any applicable Rules;
- (k) ensure that it does not, directly or indirectly, cause the Issuer or the relevant Dealer to breach any Rule or subject the Issuer or the relevant Dealer to any requirement to obtain or make any filing, authorisation or consent in any jurisdiction;
- (l) ensure that Investors understand the risks associated with an investment in the Notes;
- (m) comply with the conditions to the consent referred to under "*Common conditions to consent*" below and any further requirements relevant to the Non-exempt Offer as specified in the applicable Final Terms;

- (n) make available to each potential Investor in the Notes the Base Prospectus (as supplemented as at the relevant time, if applicable), the applicable Final Terms and any applicable information booklet provided by the Issuer for such purpose, and not convey or publish any information that is not contained in or entirely consistent with the Base Prospectus; and
 - (o) if it conveys or publishes any communication (other than the Base Prospectus or any other materials provided to such financial intermediary by or on behalf of the Issuer for the purposes of the relevant Non-exempt Offer) in connection with the relevant Non-exempt Offer, it will ensure that such communication (A) is fair, clear and not misleading and complies with the Rules, (B) states that such financial intermediary has provided such communication independently of the Issuer, that such financial intermediary is solely responsible for such communication and that none of the Issuer and the relevant Dealer accepts any responsibility for such communication and (C) does not, without the prior written consent of the Issuer or the relevant Dealer (as applicable), use the legal or publicity names of the Issuer or the relevant Dealer or any other name, brand or logo registered by an entity within their respective groups or any material over which any such entity retains a proprietary interest, except to describe the Issuer as issuer of the relevant Notes on the basis set out in the Base Prospectus;
- (B) agrees and undertakes to indemnify each of the Issuer and the relevant Dealer (in each case on behalf of such entity and its respective directors, officers, employees, agents, affiliates and controlling persons) against any losses, liabilities, costs, claims, charges, expenses, actions or demands (including reasonable costs of investigation and any defence raised thereto and counsel's fees and disbursements associated with any such investigation or defence) which any of them may incur or which may be made against any of them arising out of or in relation to, or in connection with, any breach of any of the foregoing agreements, representations, warranties or undertakings by such financial intermediary, including (without limitation) any unauthorised action by such financial intermediary or failure by such financial intermediary to observe any of the above restrictions or requirements or the making by such financial intermediary of any unauthorised representation or the giving or use by it of any information which has not been authorised for such purposes by the Issuer or the relevant Dealer; and
- (C) agrees and accepts that:
- (a) the contract between the Issuer and the financial intermediary formed upon acceptance by the financial intermediary of the Issuer's offer to use the Base Prospectus with its consent in connection with the relevant Non-exempt Offer (the "**Authorised Offeror Contract**"), and any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract, shall be governed by, and construed in accordance with, English law;
 - (b) where the offer relates to English Law Notes, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Authorised Offeror Contract (including any dispute relating to any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract) (a "**Dispute**") and the Issuer and the financial intermediary submit to the exclusive jurisdiction of the English courts;
 - (c) where the offer relates to French Law Securities, the courts within the jurisdiction of the Paris Court of Appeal (*Cour d'Appel de Paris*) have jurisdiction to settle any dispute arising out of or in connection with the Authorised Offeror Contract (including any dispute relating to any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract) (a "**Dispute**") and the Issuer and the financial intermediary submit to the jurisdiction of such French courts;

- (d) for the purposes of (C)(b) and (c), the Issuer and the financial intermediary waive any objection to the relevant courts on the grounds that they are an inconvenient or inappropriate forum to settle any dispute;
- (e) this paragraph (e) is for the benefit of the Issuer and each relevant Dealer. To the extent allowed by law, the Issuer and each relevant Dealer may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions; and
- (f) each of the Issuer and the relevant financial intermediary will, pursuant to the Contracts (Rights of Third Parties) Act 1999, be entitled to enforce those provisions of the Authorised Offeror Contract which are, or are expressed to be, for their benefit, including the agreements, representations, warranties, undertakings and indemnity given by the financial intermediary pursuant to the Authorised Offeror Terms.

Section D - Risks

Element	Title	
D.2	Key risks regarding the Issuer	<p>There are certain factors that may affect the Issuer's ability to fulfil its obligations under the Notes issued under the Programme.</p> <p>Twelve main categories of risk are inherent in BNPP's activities:</p> <ol style="list-style-type: none"> 1. Credit Risk; 2. Counterparty Risk; 3. Securitisation; 4. Market Risk; 5. Operational Risk; 6. Compliance and Reputation Risk; 7. Concentration Risk; 8. Asset-liability management Risk; 9. Breakeven Risk; 10. Strategy Risk; 11. Liquidity and refinancing Risk; 12. Insurance subscription Risk. <p>Difficult market and economic conditions could have a material adverse effect on the operating environment for financial institutions and hence on BNPP's financial condition, results of operations and cost of risk.</p> <p>Legislative action and regulatory measures taken in response to the global financial crisis may materially impact BNPP and the financial and economic environment in which it operates.</p> <p>BNPP's access to and cost of funding could be adversely affected by a resurgence of the Euro-zone sovereign debt crisis, worsening economic conditions, further rating downgrades or other factors.</p> <p>A substantial increase in new provisions or a shortfall in the level of previously recorded provisions could adversely affect BNPP's results of operations and financial condition.</p> <p>BNPP may incur significant losses on its trading and investment activities due to market fluctuations and volatility.</p> <p>BNPP may generate lower revenues from brokerage and other</p>

		<p>commission and fee-based businesses during market downturns.</p> <p>Protracted market declines can reduce liquidity in the markets, making it harder to sell assets and possibly leading to material losses.</p> <p>Significant interest rate changes could adversely affect BNPP's revenues or profitability.</p> <p>The soundness and conduct of other financial institutions and market participants could adversely affect BNPP.</p> <p>BNPP's competitive position could be harmed if its reputation is damaged.</p> <p>An interruption in or a breach of BNPP's information systems may result in lost business and other losses.</p> <p>Unforeseen external events can interrupt BNPP's operations and cause substantial losses and additional costs.</p> <p>BNPP is subject to extensive and evolving regulatory regimes in the countries and regions in which it operates.</p> <p>Notwithstanding BNPP's risk management policies, procedures and methods, it could still be exposed to unidentified or unanticipated risks, which could lead to material losses.</p> <p>BNPP's hedging strategies may not prevent losses.</p> <p>BNPP may experience difficulties integrating acquired companies and may be unable to realise the benefits expected from its acquisitions.</p> <p>Intense competition, especially in France where it has the largest single concentration of its businesses, could adversely affect BNPP's revenues and profitability.</p>
<p>D.3</p>	<p>Key risks regarding the Notes</p>	<p>In addition to the risks relating to the Issuer (including the default risk) that may affect the Issuer's ability to fulfil its obligations under the Notes, there are certain factors which are material for the purposes of assessing the market risks associated with Notes issued under the Programme, including that (i) the Notes are unsecured obligations, (ii) the trading market for Notes may be volatile and may be adversely impacted by many events, (iii) an active secondary market may never be established or may be illiquid and that this may adversely affect the value at which an investor may sell its Notes (investors may suffer a partial or total loss of the amount of their investment), (iv) Notes may be redeemed prior to maturity at the option of the Issuer which may limit their market value, (v) holders of Subordinated Notes generally face an enhanced performance risk and enhanced risk of loss in the event of the Issuer's insolvency than holders of Senior Notes and that future capital adequacy requirements will impact the issue and terms of Subordinated Notes, (vi) there are risks relating to Notes denominated in CNY as CNY is currently not freely convertible</p>

and there are risks involved in relation to Notes cleared through CMU, (vii) Notes including leverage involve a higher level of risk and whenever there are losses on such Notes those losses may be higher than those of a similar security which is not leveraged, (viii) the trading price of the Notes is affected by a number of factors including, but not limited to, (in respect of Notes linked to an Underlying Reference) the price of the relevant Underlying Reference(s) and volatility and such factors mean that the trading price of the Notes may be below the Final Redemption Amount or value of the Entitlement, (ix) exposure to the Underlying Reference in many cases will be achieved by the Issuer entering into hedging arrangements and, in respect of Notes linked to an Underlying Reference, potential investors are exposed to the performance of these hedging arrangements and events that may affect the hedging arrangements and consequently the occurrence of any of these events may affect the value of the Notes, (x) the Notes may have a minimum trading amount and if, following the transfer of any Notes, a Noteholder holds fewer Notes than the specified minimum trading amount, such Noteholder will not be permitted to transfer their remaining Notes prior to redemption without first purchasing enough additional Notes in order to hold the minimum trading amount, (xi) if so indicated in the Final Terms the Issuer may, in its sole and absolute discretion, elect to vary the settlement of the Notes, (xii) settlement may be postponed following the occurrence or existence of a Settlement Disruption Event and, in these circumstances, the Issuer may pay a Disruption Cash Settlement Price (which may be less than the fair market value of the Entitlement) in lieu of delivering the Entitlement, (xiii) the occurrence of an additional disruption event or optional additional disruption event may lead to an adjustment to the Notes, or early redemption or may result in the amount payable on scheduled redemption being different from the amount expected to be paid at scheduled redemption and consequently the occurrence of an additional disruption event and/or optional additional disruption event may have an adverse effect on the value or liquidity of the Notes, (xiv) the Notes may be redeemed in the case of illegality or impracticability and such cancellation or redemption may result in an investor not realising a return on an investment in the Notes, (xv) the meetings of Noteholders provisions permit defined majorities to bind all Noteholders, (xvi) any judicial decision or change to an administrative practice or change to English law or French law, as applicable, after the date of the Base Prospectus could materially adversely impact the value of any Notes affected by it, (xvii) a reduction in the rating, if any, accorded to outstanding debt securities of the Issuer by a credit rating agency could result in a reduction in the trading value of the Notes, (xviii) certain conflicts of interest may arise (see Element E.4 below).

In addition, there are specific risks in relation to Notes which are linked to an Underlying Reference (including Hybrid Notes) and an investment in such Notes will entail significant risks not associated with an investment in a conventional debt security. Risk factors in

relation to Underlying Reference linked Notes include: (i) in the case of Index Linked Notes, exposure to one or more index, adjustment events and market disruption or failure to open of an exchange which may have an adverse effect on the value and liquidity of the Notes, (ii) in the case of Share Linked Notes, exposure to one or more share, similar market risks to a direct equity investment, global depositary receipt ("**GDR**") or American depositary receipt ("**ADR**"), potential adjustment events or extraordinary events affecting shares and market disruption or failure to open of an exchange which may have an adverse effect on the value and liquidity of the Notes, (iii) in the case of Commodity Linked Notes, exposure to one or more commodity and/or commodity index, similar market risks to a direct commodity investment, market disruption and adjustment events which may have an adverse effect on the value or liquidity of the Notes, delays to the determination of the final level of a commodity index resulting in delays to the payment of the Final Redemption Amount, (iv) in the case of ETI Linked Notes, exposure to one or more interests in an exchange traded fund, exchange traded note, exchange traded commodity or other exchange traded product (each an "**exchange traded instrument**"), similar market risks to a direct exchange traded instrument investment, that the amount payable on ETI Linked Notes may be less and in certain circumstances may be significantly less than the return from a direct investment in the relevant ETI(s), potential adjustment events or extraordinary events affecting exchange traded instruments and market disruption or failure to open of an exchange which may have an adverse effect on the value and liquidity of the Notes, (v) in the case of Inflation Linked Notes, exposure to an inflation index and adjustments, (vi) in the case of Fund Linked Notes, exposure to a fund share or unit, similar risks to a direct fund investment, that the amount payable on Fund Linked Notes may be less than the amount payable from a direct investment in the relevant Fund(s), extraordinary fund events which may have an adverse effect on the value or liquidity of the Notes, (vii) in the case of Credit Linked Notes, exposure to the credit of one or more reference entities, (viii) in the case of Underlying Interest Rate Linked Notes, exposure to an underlying interest, (ix) in the case of Foreign Exchange (FX) Rate Linked Notes, exposure to a currency, similar market risks to a direct currency investment and market disruption, (x) that unless otherwise specified in the applicable Final Terms the Issuer will not provide post-issuance information in relation to the Underlying Reference.

Furthermore there are specific risks in relation to Notes linked to an Underlying Reference from an emerging or developing market (including, without limitation, risks associated with political and economic uncertainty, adverse governmental policies, restrictions on foreign investment and currency convertibility, currency exchange rate fluctuations, possible lower levels of disclosure and regulation and uncertainties as to status, interpretation and applicable of laws, increased custodian costs and administrative difficulties and higher

		<p>probability of the occurrence of a disruption or adjustment event). Notes traded in emerging or developing countries tend to be less liquid and the prices of such securities more volatile. There are also specific risks in relation to Dynamic Notes which are intrinsically more complex making their evaluation difficult in terms of risk at the time of the purchase as well as thereafter.</p> <p>In certain circumstances Noteholders may lose the entire value of their investment.</p> <p>In respect of an issue of Notes, further risks relevant to such Notes which are set out in the "Risk Factors" section of the Base Prospectus may be summarised in the relevant issue specific summary annexed to the applicable Final Terms.</p>
D.6	Risk warning	<p>See Element D.3 above.</p> <p>In the event of the insolvency of an Issuer or if it is otherwise unable or unwilling to repay the Notes when repayment falls due, an investor may lose all or part of his investment in the Notes. In addition, in the case of Notes linked to an Underlying Reference, investors may lose all or part of their investment in the Notes as a result of the terms and conditions of those Notes.</p>

Section E - Offer

Element	Title	
E.2b	Reasons for the offer and use of proceeds	The net proceeds from the issue of the Notes will be applied for the general financing purposes of the Issuer. Such proceeds may be used to maintain positions in options or futures contracts or other hedging instruments.
E.3	Terms and conditions of the offer	<p>Under the programme, the Notes may be offered to the public in a Non-Exempt Offer in France, Belgium, Luxembourg, United Kingdom, Italy, Germany, Spain, the Netherlands and Portugal.</p> <p>The terms and conditions of each offer of Notes will be determined by agreement between the Issuer and the relevant Dealers at the time of issue and specified in the applicable Final Terms. An Investor intending to acquire or acquiring any Notes in a Non-exempt Offer from an Authorised Offeror will do so, and offers and sales of such Notes to an Investor by such Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to price, allocations and settlement arrangements.</p>
E.4	Interest of natural and legal persons involved in the issue/offer	The relevant Dealers may be paid fees in relation to any issue of Notes under the Programme. Any such Dealer and its affiliates may also have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may

		<p>perform other services for, the Issuer and their Affiliates in the ordinary course of business.</p> <p>Various entities within the BNPP Group (including the Issuer) and Affiliates may undertake different roles in connection with the Notes, including Issuer of the Notes, Calculation Agent of the Notes, issuer, sponsor or calculation agent of the Underlying Reference(s) and may also engage in trading activities (including hedging activities) relating to the Underlying Reference and other instruments or derivative products based on or relating to the Underlying Reference which may give rise to potential conflicts of interest.</p> <p>The Calculation Agent may be an Affiliate of the Issuer and potential conflicts of interest may exist between the Calculation Agent and holders of the Notes.</p> <p>The Issuer and its Affiliates may also issue other derivative instruments in respect of the Underlying Reference and may act as underwriter in connection with future offerings of shares or other securities relating to an issue of Notes or may act as financial adviser to certain companies or companies whose shares or other securities are included in a basket or in a commercial banking capacity for such companies.</p> <p>In respect of ETI Linked Notes and Fund Linked Notes, the Issuer or one or more of its Affiliates may from time to time engage in business with the relevant ETI or Fund, as the case may be, or companies in which an ETI or Fund, as the case may be, invests and may be paid for the provision of such services. This business could present certain conflicts of interest.</p>
E.7	Expenses charged to the investor by the Issuer or an offeror	It is not anticipated that the Issuer will charge any expenses to investors in connection with any issue of Notes under the Programme. Other Authorised Offerors (as defined above) may, however, charge expenses to investors. Such expenses (if any) will be determined on a case by case basis.

RISK FACTORS

In purchasing Notes, investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. The Issuer has identified in the Information Statement incorporated by reference herein a number of factors which could materially adversely affect its business and ability to make payments due under the Notes.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Terms used in this section and not otherwise defined have the meanings given to them in the relevant Conditions.

Risks Relating to the Bank and its Industry

See the section entitled Risk Factors contained on pages 4 to 9 of the Information Statement (as defined below) which is incorporated by reference in this document.

Risk Factors Relating to the Notes

General

In addition to the risks relating to the Issuer (including the default risk) that may affect the Issuer's ability to fulfil its obligations under the Notes there are certain factors which are material for the purpose of assessing the risks associated with an investment in Notes issued under the Programme.

Such factors will vary depending on the type of Notes issued, in particular in relation to Notes ("**Underlying Reference Linked Notes**"), the interest and/or redemption amount is linked to the value of one or more index, share, GDR or ADR, inflation index, commodity, commodity index, unit, interest or share in a fund, the credit of one or more reference entity, interest in an exchange traded funds, exchange traded notes, exchange traded commodities or other exchange traded products (each an "**exchange traded instrument**"), foreign exchange rate, underlying interest rate or the combination of any of the foregoing or such other underlying or basis of reference (each an "**Underlying Reference**").

Claims Against the Underlying Reference

The Notes do not represent a claim against any Underlying Reference (or any issuer, sponsor, manager or other connected person in respect of an Underlying Reference) and Noteholders will not have any right of recourse under the Notes to any such Underlying Reference (or any issuer, sponsor, manager or other connected person in respect of an Underlying Reference). The Notes are not in any way sponsored, endorsed or promoted by any issuer, sponsor, manager or other connected person in respect of an Underlying Reference and such entities have no obligation to take into account the consequences of their actions on any Noteholders.

Notes are Unsecured Obligations

Senior Notes are unsubordinated and unsecured obligations of the Issuer and will rank *pari passu* with themselves.

The trading market for the Notes may be volatile and may be adversely impacted by many events.

The market for debt securities is influenced by the economic and market conditions, interest rates, currency exchange rates and inflation rates in Europe and other industrialised countries and areas. There can be no assurance that events in France, the Netherlands, Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of Notes or that economic and market conditions will not have any other adverse effect.

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes

There can be no assurance that an active trading market for the Notes will develop, or, if one does develop, that it will be maintained. If an active trading market for the Notes does not develop or is not maintained, the market or trading price and liquidity of the Notes may be adversely affected. If additional and competing products are introduced in the markets, this may adversely affect the value of the Notes. It is not possible to predict the price at which Notes will trade in the secondary market. The Issuer may, but is not obliged to, list Notes on a stock exchange. Also, to the extent Notes of a particular issue are redeemed in part, the number of Notes of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Notes of such issue. A decrease in the liquidity of an issue of Notes may cause, in turn, an increase in the volatility associated with the price of such issue of Notes. A lack of liquidity for the Notes may mean that investors are not able to sell their Notes or may not be able to sell their Notes at a price equal to the price which they paid for them, and consequently investors may suffer a partial or total loss of the amount of their investment.

A credit rating reduction may result in a reduction in the trading value of the Notes.

The value of the Notes is expected to be affected, in part, by investors' general appraisal of the creditworthiness of the Issuer. Such perceptions are generally influenced by the ratings accorded to the outstanding securities of BNPP by standard statistical rating services, such as Moody's Moody's, Standard & Poor's and Fitch France. A reduction in the rating, if any, accorded to outstanding debt securities of BNPP by one of these or other rating agencies could result in a reduction in the trading value of the Notes.

Credit ratings assigned to the Issuer or any Notes may not reflect all the risks associated with an investment in those Notes.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**") from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended subject to transitional provisions that apply in certain circumstances whilst the registration application is pending). Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of registered and certified rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Certain information with respect to the credit rating agencies and ratings is set out in this Base Prospectus.

Notes which are structured to include a multiplier or other leverage factor are likely to have more volatile market values than more standard securities.

Leverage involves the use of a number of financial techniques to increase the exposure to an Underlying Reference, and can therefore magnify both returns and losses. While the use of leverage allows for potential multiples of a return (assuming a return is achieved) when the Underlying Reference moves in the anticipated direction, it will conversely magnify losses when the Underlying Reference moves against expectations. If the leverage is negative, the maximum loss for investors shall be the amount of their initial investment in the Notes. If the relevant Notes include leverage, potential holders of such Notes should note that these Notes will involve a higher level of risk, and that whenever there are losses such losses will be higher (other things being equal) than those of a similar Note which is not leveraged. Investors should therefore only invest in leveraged Notes if they fully understand the effect of leverage.

The Notes may be subject to withholding taxes in circumstances where the Issuer is not obliged to make gross up payments and this would result in holders receiving less interest than expected and could significantly adversely affect their return on the Notes.

Withholding under the EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "**Savings Directive**"), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories (including Switzerland) have adopted similar measures (a withholding system in the case of Switzerland).

The Luxembourg Government has announced its intention to introduce, as of 1 January 2015, automatic exchange of information with respect to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent (as defined in the Conditions) nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Savings Directive.

Foreign Account Tax Compliance withholding may affect payments on the Notes

The U.S. "Foreign Account Tax Compliance Act" (or "**FATCA**") imposes a new reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States, (ii) "foreign passthru payments" made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution. The Issuer is classified as a financial institution for these purposes. If an amount in respect of such withholding tax were to be deducted or withheld from interest, principal or other payments made in respect of the Notes, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected. Prospective investors should refer to the section "Taxation – Foreign Account Tax Compliance Act."

Hiring Incentives to Restore Employment Act withholding may affect payments on the Notes

The U.S. Hiring Incentives to Restore Employment Act (the "**HIRE Act**") imposes a 30% withholding tax on amounts attributable to U.S. source dividends that are paid or "deemed paid" under certain financial instruments if certain conditions are met. While significant aspects of the application of the relevant provisions of the HIRE Act to the Notes are uncertain, if the Issuer or any withholding agent determines that withholding is required, neither the Issuer nor any withholding agent will be required to pay any additional amounts with respect to amounts so withheld. Prospective investors should refer to the section "Taxation – Hiring Incentives to Restore Employment Act."

The value of the Notes could be adversely affected by a change in English law, French law or administrative practice.

The Conditions of the English law Notes are based on English law, or in the case of Condition 2(b) of the Terms and Conditions of the English Law Notes, French Law, in effect as at the date of this Base Prospectus. The Conditions of the French law Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to an administrative practice or change to English law or French law, as applicable, after the date of this Base Prospectus and as such change could materially adversely impact the value of any Notes affected by it.

Minimum Trading Amount

Investors should note that the Notes may have a minimum trading amount. The minimum trading amount (if any) will be specified in the applicable Final Terms. In such cases, if, following the transfer of any Notes, a holder holds fewer Notes than the specified minimum trading amount, such holder will not be permitted to transfer their remaining Notes prior to redemption without first purchasing enough additional Notes in order to hold the minimum trading amount.

Potential Conflicts of Interest

Certain entities within the Group or its Affiliates (including, if applicable, any Dealer) may also engage in trading activities (including hedging activities) relating to the Underlying Reference and other instruments or derivative products based on or relating to the Underlying Reference of any Notes for their proprietary accounts or for other accounts under their management. BNPP and its Affiliates (including, if applicable, any Dealer) may also issue other derivative instruments in respect of the Underlying Reference. BNPP and its Affiliates (including, if applicable, any Dealer) may also act as underwriter in connection with future offerings of shares or other securities relating to an issue of Notes or may act as financial adviser to certain companies or companies whose shares or other securities are included in a basket or in a commercial banking capacity for such companies. In addition BNPP and its Affiliates (including, if applicable, any Dealer) may act in a number of different capacities in relation to an underlying index, including, but not limited to, issuer of the constituents of the index, index sponsor or calculation agent. In respect of ETI Linked Notes and Fund Linked Notes, the Issuer or one or more of its Affiliates may from time to time engage in business with the relevant ETI or Fund, as the case may be, or companies in which an ETI or Fund, as the case may be, invests, including among other things, extending loans to, or making investments in, or providing advisory services to them, including merger and acquisition advisory services, engaging in activities that may include prime brokerage business, financing transactions or entry into derivative transactions. The ETI or Fund (each as defined below), as applicable, may pay a portion of its fees to the Issuer or any of its Affiliates for the provision of such services. In the course of this business, the Issuer the Calculation Agent and any of their respective Affiliates may acquire non-public information about an ETI or a Fund, as applicable, or any companies, funds or reference assets in which an ETI or a Fund invests and the Issuer the Calculation Agent or any of their respective Affiliates may publish research reports about them. This research may be modified from time to time without notice and may express opinions or provide recommendations that are inconsistent with purchasing or holding ETI Linked Notes or Fund Linked Notes, as applicable. Such activities could present certain conflicts of interest, could influence the prices of such shares, Fund Shares, ETI Interests or other securities and could adversely affect the value of such Notes.

The Calculation Agent may be an affiliate of the Issuer and consequently, potential conflicts of interest may exist between the Calculation Agent and Noteholders, including with respect to certain determinations and judgments that the Calculation Agent must make, including whether a Market Disruption Event, a Settlement Disruption Event or Credit Event (each, as defined below) has occurred. The Calculation Agent is obligated to carry out its duties and functions as Calculation Agent in good faith and using its reasonable judgment however, subject to always acting only within the parameters allowed by the terms and conditions of the Notes, it has no responsibility to take investors' interests into account.

Post-issuance Information

Save as set out in the applicable Final Terms, the Issuer will not provide post-issuance information in relation to the Underlying Reference. In such an event, investors will not be entitled to obtain such information from the Issuer.

The rate of interest or premium amount rate payable on the Notes or the amount payable or deliverable on redemption or exercise of the Notes may in certain circumstances be changed during the life of the Notes

If Coupon Switch Election or Automatic Coupon Switch is specified in the applicable Final Terms, the rate of interest or premium amount payable may be switched from one rate or amount to another in the Issuer's sole and absolute discretion (in the case of Coupon Switch Election) or following the occurrence of an Automatic Coupon Switch Event (in the case of an Automatic Coupon Switch). If Payout Switch Election or Automatic Payout Switch is specified in the applicable Final Terms, the

amount payable or deliverable on redemption or exercise may be switched from one amount payable or deliverable to another in the Issuer's sole and absolute discretion (in the case of Payout Switch Election) or following the occurrence of an Automatic Payout Switch Event (in the case of an Automatic Payout Switch). As a consequence of the exercise of a Coupon Switch Election or Payout Switch Election or the occurrence of an Automatic Coupon Switch Event or Automatic Payout Switch Event, the Underlying Reference may be changed. As the payout on such Notes may be switched during the life of the Notes investors may receive a return which differs from that which they expected to receive.

The Notes may be redeemed prior to maturity.

In the event that the Issuer would be required to pay additional amounts in respect of any Notes due to any withholding as provided in Condition 6 of the Terms and Conditions of the English Law Notes or Condition 6 of the Terms and Conditions of the French Law Notes, as the case may be, the Issuer may and, in certain circumstances, shall (subject, in the case of Subordinated Notes, to the prior written consent of the *Secrétariat général de l'Autorité de Contrôle Prudentiel* in France) redeem all of the Notes then outstanding in accordance with the terms and conditions of the Notes.

In the event that one or more Events of Default (as defined at General Condition 8 of the Terms and Conditions of the English Law Notes or General Condition 8 of the Terms and Conditions of the French Law Notes, as the case may be) occur, the Notes may become immediately due and repayable at their Early Redemption Amount. In addition, in the case of an Index Linked Note, Share Linked Note, Commodity Linked Note, Fund Linked Note, an ETI Linked Note or an Underlying Interest Rate Linked Note, if "Automatic Early Redemption Event" is specified as being applicable in the applicable Final Terms, on the occurrence of an Automatic Early Redemption Event the Notes will be automatically redeemed at their Automatic Early Redemption Amount. In the case of an Index Linked Note, Share Linked Note, Inflation Linked Note, Commodity Linked Note, an ETI Linked Note or an Underlying Interest Rate Linked Note, if an Additional Disruption Event and/or an Optional Additional Disruption Event occurs and "Delayed Redemption on the Occurrence of Additional Disruption Event and/or Optional Additional Disruption Event" is not specified in the applicable Final Terms, the Issuer may redeem the Notes early.

Redemption at the option of the Issuer

If the Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return.

The Final Terms for a particular issue of Notes may provide for early redemption at the option of the Issuer. Such right of termination is often provided for notes in periods of high interest rates. If the market interest rates decrease, the risk to Noteholders that the Issuer will exercise its right of termination increases. As a consequence, the yields received upon redemption may be lower than expected, and the redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a consequence, the Noteholder may not receive the total amount of the capital invested. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes.

A Note's purchase price may not reflect its inherent value

Prospective investors in the Notes should be aware that the purchase price of a Note does not necessarily reflect its inherent value. Any difference between a Note's purchase price and its inherent value may be due to a number of different factors including, without limitation, prevailing market conditions and fees, discounts or commissions paid or accorded to the various parties involved in structuring and/or distributing the Note. For further information prospective investors should refer to the party from whom they are purchasing the Notes. Prospective investors may also wish to seek an independent valuation of Notes prior to their purchase.

A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs.

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Notes. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or

pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any follow-up costs (such as custody fees). Prospective investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

A Noteholder's effective yield on the Notes may be diminished by the tax impact on that Noteholder of its investment in the Notes.

Payments of interest on the Notes, or profits realised by the Noteholder upon the sale or repayment of the Notes, may be subject to taxation in its home jurisdiction or in other jurisdictions in which it is required to pay taxes. The tax impact on an individual Noteholder in respect of any Notes may differ also in respect of Underlying Reference Linked Notes. BNPP advises all investors to contact their own tax advisors for advice on the tax impact of an investment in the Notes.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates.

Investors in Fixed Rate Notes are exposed to the risk that if interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Notes.

Noteholders will not be able to calculate in advance their rate of return on Floating Rate Notes.

A key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to issue both Fixed Rate Notes may affect the market value and secondary market (if any) of the Floating Rate Notes (and vice versa).

Zero Coupon Notes are subject to higher price fluctuations than non-discounted Notes.

Notes which are issued at a substantial discount or premium may experience price volatility in response to changes in market interest rates.

Changes in market interest rates generally have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other notes having the same maturity and credit rating.

If an investor holds Notes which are not denominated in the investor's home currency, they will be exposed to movements in exchange rates adversely affecting the value of their holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes.

Holders of Notes denominated in any currency other than their domestic currency are exposed to the risk of changing foreign exchange rates. This risk is in addition to any performance risk that relates to the Issuer or the type of Note being issued.

Holders of Subordinated Notes generally face an enhanced performance risk than holders of Senior Notes and an enhanced risk of loss in the event of the Issuer's insolvency.

In the event of any insolvency or liquidation of BNPP, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face an enhanced performance risk than holders of senior Notes.

Issue of Subordinated Notes by BNPP – Future capital adequacy requirement for "Tier 2" instruments

Any early redemption of Subordinated Notes (including through an Issuer Call) can only be made with the prior written consent of the *Secrétariat général de l'Autorité de Contrôle Prudentiel* in France. Further, the current draft of RRD (as defined below) provides that any redemption of Tier 1 or Tier 2 instruments, including Subordinated Notes, is subject to the prior consent of the relevant competent authority (i.e. the *Secrétariat général de l'Autorité de Contrôle Prudentiel*) which would be conditional on (i) the replacement of regulatory capital with own funds instruments of equal or higher quality, in the same amount and at terms that are sustainable for the income capacity of the Issuer, or (ii) without a replacement of regulatory capital, on the Issuer demonstrating that its own funds would, following the redemption in question, exceed the minimum regulatory capital requirements.

On 6 June 2012, the European Commission published a legislative proposal for a directive providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms known as the Recovery and Resolution Directive (the **RRD**). The stated aim of the draft RRD is to provide relevant authorities with tools and powers to address banking crises pre-emptively in order to safeguard financial stability and before any of the insolvency or liquidation procedure referred to above are initiated.

The powers provided to resolution authorities in the draft RRD include write down powers to ensure relevant capital instruments (including Tier 2 capital instruments such as the Subordinated Notes) fully absorb losses at the point of non-viability of the issuing institution, as well as a bail-in tool comprising a more general power for resolution authorities to write down the claims of unsecured creditors of a failing institution and to convert unsecured debt claims to equity. Accordingly, the draft RRD contemplates that resolution authorities may require the permanent write down in full of such capital instruments or the conversion of them into common equity tier 1 instruments at the point of non-viability (which common equity tier 1 instruments may also be subject to any application of the bail-in tool) and before any other resolution action is taken (the **RRD Loss Absorption Requirement**).

For the purposes of the RRD Loss Absorption Requirement, the point of non-viability under the draft RRD is the point at which the relevant authority determines that the institution meets the conditions for resolution or will no longer be viable unless the relevant capital instruments (such as the Subordinated Notes) are written down or extraordinary public support is to be provided and without such support the appropriate authority determines that the institution would no longer be viable. There is still scope for changes to be made to the draft RRD before any final legislation is adopted. On the basis of the current proposals, however, European Union member states will be expected to implement the proposed RRD Loss Absorption Requirement on or before 1st January, 2015.

The draft RRD represents the proposed implementation in the European Economic Area of the non-viability requirements set out in the press release dated 13 January, 2011 of the Basel Committee on Banking Supervision (the Basel Committee) entitled "Minimum requirements to ensure loss absorbency at the point of non-viability" (the **Basel III Non-Viability Requirements**). The Basel III Non-Viability Requirements represent part of the broader package of guidance issued by the Basel Committee on 16 December 2010 and 13 January 2011 in relation to new capital and liquidity requirements intended to reinforce capital standards and to establish minimum liquidity standards for credit institutions (Basel III).

The Basel Committee contemplated implementation of the Basel III reforms as of 1 January 2013. However, implementation of these reforms in the European Economic Area has been delayed but is intended to be by way of a European Council Directive known as the Capital Requirements Directive and the direct application of a European Parliament and Council regulation in each Member State of the European Economic Area (together, **CRD IV**). The most recent text of CRD IV was published on 16 April 2013 in the form approved by the European Parliament. The current schedule for the implementation of CRD IV is dependent on completion of the translation of the CRD IV text for publication in the European Official Journal before 1 July 2013, in which case implementation will be 1 January 2014. CRD IV contemplates that the Basel III Non-Viability Requirements will be implemented in the European Economic Area by way of the RRD and the RRD Loss Absorption Requirement. If such statutory loss absorption at the point of non-viability is not implemented by 31 December 2015 then the latest draft of CRD IV indicates that the European Commission shall review and report on whether provision for such a requirement should be contained in CRD IV and, in light of that review, come forward with appropriate legislative proposals.

It is currently unclear whether the RRD Loss Absorption Requirement will apply on implementation to capital instruments such as the Subordinated Notes that are already in issue or whether certain grandfathering rules will apply. If and to the extent that the draft RRD is implemented retrospectively so as to apply to the Subordinated Notes, the Subordinated Notes will be subject to the provisions of the RRD (including the RRD Loss Absorption Requirement).

Subject to such implementation, the Subordinated Notes may, therefore, be subject to write down or loss absorption at the point of non-viability or otherwise on any bail-in, which may result in Noteholders losing some or all of their investment. The exercise of any such power or any suggestion of such exercise could, therefore, materially adversely affect the value of the Subordinated Notes.

The draft RRD is not in final form and changes may be made to it in the course of the legislative process. Accordingly, it is not yet possible to assess the full impact of the draft RRD.

On 19 December 2012, the French Ministry of Economy and Finance submitted to the French Parliament a draft banking bill that, among other things, is designed to set up a resolution regime applicable to French banks. This proposed new banking bill would give resolution powers to a new Resolution Board of the French Banking Regulator which would become *the Autorité de contrôle prudentiel et de résolution*. These powers include the ability to write down or convert into ordinary shares subordinated instruments, including Tier 1 and Tier 2 securities. Such write down or conversion may be effected to the extent that: (i) ordinary shares and other classes of shares absorb losses first, then secondly deeply subordinated instruments featuring loss absorption mechanisms and *titres participatifs*, then thirdly any residual losses will be allocated to securities which are subordinated to secured obligations and to unsecured unsubordinated obligations (*chirographaires*), (ii) in all cases, as long as these holders do not suffer more losses than they would have suffered following a judicial liquidation of the bank in accordance with the provisions of the French commercial code. This draft law was discussed and pre-adopted by the French National Assembly on 19 February 2013, discussed and pre-adopted by the French Senate in March 2013 and sent back for a further discussion to the French National Assembly on 25 March 2013. The draft bill may be significantly amended before it is submitted to the final vote by the French Parliament. At this stage there is no guarantee that the final law will be substantially similar to the current project. Conversely, the bill may or may not ultimately be voted.

Accordingly, it is not yet possible to assess the full impact of the relevant laws and regulations at the European or French level on the Subordinated Notes. There can be no assurance that, once implemented, such provisions would not adversely affect the price or value of an investment in the Subordinated Notes and/or the ability of the Issuer to satisfy its obligations under the Subordinated Notes.

Investors who purchase Notes in denominations that are not integral multiples of the Specified Denomination may be adversely affected if definitive Notes are subsequently required to be issued.

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time (i) may not be able to transfer such Notes and (ii) may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and in each case would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If such Notes in definitive form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks relating to Notes denominated in CNY

Where the Notes are denominated in CNY, prospective investors in the Notes should be aware that CNY is not freely convertible at present. The government of the People's Republic of China ("PRC") continues to regulate conversion between CNY and foreign currencies despite the significant reduction over the years by the PRC government of control over routine foreign exchange

transactions under current accounts. As a result of the restrictions by the PRC government on cross-border CNY fund flows, the availability of CNY outside the PRC is limited.

As a part of its relaxation of control over foreign exchange transactions under current accounts, the PRC government introduced a pilot scheme in July 2009 whereby participating banks in the Hong Kong Special Administrative Region of the PRC are permitted to engage in the settlement of CNY trade transactions, which represents a current account activity. The pilot scheme was extended in July 2010 to cover 20 provinces and cities in the PRC and further extended in August 2011 to cover the whole nation.

The People's Bank of China ("**PBOC**") issued in October 2011 the Renminbi Foreign Direct Investment Settlement Rules (the "**Rules**") in order to expand cross-border use of CNY in trade and investment. Under the Rules, in relation to CNY settled foreign direct investment, special approval from the PBOC, which was previously required, is no longer necessary.

There is no assurance that the PRC government will continue to gradually liberalise the control over cross-border CNY remittances in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting the remittance of CNY into or outside the PRC.

The current size of CNY-denominated financial assets outside the PRC is limited. Although it is expected that the offshore CNY market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. The limited availability of CNY outside the PRC may affect the liquidity of the Notes. To the extent the Issuer is required to source CNY in the offshore market to service the Notes, there is no assurance that the Issuer will be able to source such CNY on satisfactory terms, if at all.

There can be no assurance that access to CNY funds for the purposes of making payments under the Notes or generally will remain available or will not become restricted. The value of CNY against foreign currencies fluctuates and is affected by changes in the PRC's and international political and economic conditions and by many other factors. As a result, foreign exchange fluctuations between an investor's home currency and CNY may affect investors who intend to convert gains or losses from the sale or redemption of the Notes into their home currency.

Where the Notes are denominated in CNY, all payments to investors in respect of the Notes will be made solely by transfer to a CNY bank account maintained in the CNY Settlement Centre (for this purpose, excluding the PRC) in accordance with prevailing rules and procedures. The Issuer cannot be required to make payment by any other means (including in any other currency or by transfer to a bank account in the PRC unless otherwise specified in the applicable Final Terms).

The PRC government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. With respect to any Notes which carry a fixed interest rate, the value of such Notes will vary with the fluctuations in the CNY interest rates. If a Noteholder tries to sell such Notes before their maturity, he may receive an offer that is less than the amount he has invested.

The occurrence of a CNY Payment Disruption Event may lead to postponement or payment in an alternative currency

If the applicable Final Terms specify that "CNY Payment Disruption Event" is applicable to the Notes, and the Calculation Agent determines that a CNY Payment Disruption Event has occurred and is continuing and such event is material in relation to the Issuer's payment obligations under the Notes, unless otherwise stated in the applicable Final Terms, the relevant Affected Payment Date may be postponed to a later date or the Issuer's payment obligations under the Notes may be replaced with the obligation to pay the Equivalent Amount of the relevant Interest Amount, Final Redemption Amount or other amount payable (if applicable) on the relevant Affected Payment Date or the relevant CNY Payment Disruption Cut-off Date, as the case may be.

If the relevant Affected Payment Date is postponed, and if the Calculation Agent determines that the CNY Payment Disruption Event is still continuing on the CNY Payment Disruption Cut-off Date, then the Issuer's payment obligations under the Notes will be replaced with the obligation to pay the relevant Equivalent Amount on the CNY Payment Disruption Cut-off Date.

If the Issuer's payment obligations under the Notes are replaced with the obligation to pay the relevant Equivalent Amount on the relevant Affected Payment Date or the relevant CNY Payment Disruption Cut-off Date, as the case may be, then the relevant Equivalent Amount payable will be dependent on the performance of the Equivalent Amount Settlement Price (which may be zero) on such Affected Payment Date or CNY Payment Disruption Cut-off Date, as the case may be.

Risks relating to Notes cleared through CMU

The Issuer will be discharged upon payment to the CMU Paying Agent, and no claims may be brought directly against the Issuer in respect of amounts so paid.

So long as any Note is represented by a Global Note held on behalf of the CMU, each person for whose account interest in the Global Note is credited as being held in the CMU, as notified by the CMU to the CMU Lodging Agent in a relevant CMU Instrument Position Report, will be the only person entitled to receive payments on the Notes represented by the Global Note. Such person(s) must look solely to the CMU Paying Agent for his share of each payment made by the Issuer in respect of the Global Note, and in relation to all other rights arising under the Global Note, subject to and in accordance with the respective rules and procedures of the CMU. The Issuer will be discharged by payment to the CMU Paying Agent, and such person(s) shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by the Global Note in respect of each amount so paid. Investors are exposed to the creditworthiness of the CMU Paying Agent and may suffer a loss in their investment if the CMU Paying Agent delays in making or fails to make the relevant payment to the aforesaid person(s) upon receiving the relevant payment from the Issuer.

Since the CMU operator can act only on behalf of the CMU participants, who in turn may act on behalf of persons who hold interests through them, the ability of persons having interests in the Global Note to pledge such interests to persons or entities that are not CMU participants, or otherwise take action in respect of such interests, may be affected by the lack of definitive Notes. Any payments by CMU participants to indirect participants will be governed by arrangements between the CMU participants and such indirect participants.

Payments, transfers, exchanges and other matters relating to interests in the Global Notes may be subject to various policies and procedures adopted by the CMU operator from time to time. None of the Issuer, the Dealer, the Principal Paying Agent, the Registrar, the CMU Paying Agent, the CMU Lodging Agent, the Exchange Agent, the Transfer Agent, the other Agents, nor any of their agents, will have any responsibility or liability for any aspect of the CMU operator's records relating to, or for payments made on account of, interests in the Global Note, or for maintaining, supervising or reviewing any records relating to such interests.

The CMU operator is under no obligation to maintain or continue to operate the CMU and/or to perform or continue to perform the procedures described above. Accordingly, the CMU and such procedures may be discontinued or modified at any time. None of the Issuer, the Dealer, the Principal Paying Agent, the Registrar, the CMU Paying Agent, the CMU Lodging Agent, the Transfer Agent, the other Agents nor any of their agents will have any responsibility for the performance by the CMU operator or the CMU participants of their respective obligations under the rules and procedures governing their operations.

Risks Relating to the Structure of a Particular Issue of Notes

Risks relating to Underlying Reference Linked Notes

Investments in Underlying Reference Linked Notes entail significant risks and may not be appropriate for investors lacking financial expertise. Prospective investors should consult their own financial, tax and legal advisors as to the risks entailed by an investment in such Notes and the suitability of such Notes in light of their particular circumstances and ensure that its acquisition is fully consistent with their financial needs and investment policies, is lawful under the laws of the jurisdiction of its incorporation and/or in which it operates, and is a suitable investment for it to make. The Issuer believes that such Notes should only be purchased by investors who are, or who are purchasing under the guidance of, financial institutions or other professional investors that are in a position to understand the special risks that an investment in these instruments involves, in particular relating to

options and derivatives and related transactions, and should be prepared to sustain a total loss of the purchase price of their Notes.

Underlying Reference Linked Notes are securities which do not provide for predetermined redemption amounts and/or interest payments but amounts payable (whether in respect of principal and/or interest) or deliverable will be dependent upon the performance of the Underlying Reference which themselves may contain substantial credit, interest rate, foreign exchange, correlation, time value, political and/or other risks. The exposure to the Underlying Reference in many cases will be achieved by the Issuer entering into hedging arrangements. Potential investors should be aware that under the terms of Underlying Reference Linked Notes they are exposed to the performance of these hedging arrangements and the events that may affect these hedging arrangements and consequently the occurrence of any of these events may affect the value of the Notes.

An investment in Underlying Reference Linked Notes therefore entails significant risks that are not associated with similar investments in a conventional fixed or floating rate debt security. These risks include, among other things, the possibility that:

- the Underlying Reference may be subject to significant changes, whether due to the composition of any such Underlying Reference itself, or because of fluctuations in value of the Underlying Reference;
- the resulting interest rate will be less (or may be more) than that payable on a conventional debt security issued by the Issuer at the same time;
- the holder of an Underlying Reference Linked Note could lose all or a substantial portion of the principal of such Note (whether payable at maturity or upon redemption or repayment), and, if the principal is lost, interest may cease to be payable on such Note;
- any Note that is linked to more than one type of Underlying Reference, or on formulae that encompass the risks associated with more than one type of Underlying Reference, may carry levels of risk that are greater than Notes that are indexed to one type of Underlying Reference only;
- it may not be possible for investors to hedge their exposure to these various risks relating to Underlying Reference Linked Notes; and
- a significant market disruption could mean that any Underlying Reference ceases to exist.

In addition, the value of Underlying Reference Linked Notes on the secondary market is subject to greater levels of risk than is the value of other Notes and the market price of such Notes may be very volatile or there may even be no (or very limited) secondary market at all. The secondary market, if any, for Underlying Reference Linked Notes will be affected by a number of factors, independent of the creditworthiness of the Issuer the creditworthiness of any reference entity, the value of the applicable Underlying Reference, including the volatility of the Underlying Reference, the time remaining to the maturity of such Notes, the amount outstanding of such Notes and market interest rates. The value of the applicable Underlying Reference, depends on a number of interrelated factors, including economic, financial and political events, over which the Issuer has no control.

Additionally, if the formula used to determine the amount of principal, premium and/or interest payable with respect to Underlying Reference Linked Notes contains a weighting or leverage factor, the effect of any change in the Underlying Reference will be increased. The historical experience of the Underlying Reference should not be taken as an indication of future performance of such Underlying Reference during the term of any such Note.

Additionally, there may be regulatory and other ramifications associated with the ownership by certain investors of certain Underlying Reference Linked Notes.

BNPP, and its respective Affiliates do not provide any advice with respect to any Underlying Reference nor make any representation as to its quality, credit or otherwise, and investors in the Notes must rely on their own sources of analysis or credit analysis with respect to any Underlying Reference.

The risks reflect the nature of such a Note as an asset which, other factors held constant, tends to decline in value over time and which may become worthless when it expires or is redeemed. The risk

of the loss of some or all of the purchase price of an Underlying Reference Linked Note upon redemption means that, in order to recover and realise a return upon his or her investment, a purchaser of such Note must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant Underlying Reference. Assuming all other factors are held constant, the lower the value of an Underlying Reference Linked Note and the shorter the remaining term of any such Note to redemption, the greater the risk that holders of such Notes will lose all or part of their investment.

Risks relating to Index Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the level of an index or indices ("**Index Linked Notes**").

Potential investors in any such Notes should be aware that depending on the terms of the Index Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the level of the index or indices may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level of the index or indices may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the level of an index or result of a formula, the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the level of the index or the indices on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may depend on the time remaining to the redemption date and the volatility of the level of the index or indices. The level of the index or indices may be affected by the economic, financial and political events in one or more jurisdictions, including the stock exchange(s) or quotation system(s) on which any securities comprising the index or indices may be traded. The index may reference equities, bonds or other securities, it may be a property index referencing certain property price data which will be subject to market price fluctuations or reference a number of different assets or indices. A property index may include valuations only and not actual transactions and the property data sources used to compile the index may be subject to change, which may adversely affect the return on the Notes.

Index Linked Notes linked to a custom index are linked to a proprietary index which may be sponsored and/or calculated by BNP Paribas or one of its Affiliates. Pursuant to the operational rules of the relevant custom index, the custom index is scheduled to be calculated on a periodic basis (for example on each weekday). In the event that one of the levels, values or prices of a component included in the custom index is not available for any reason on a relevant day of calculation (e.g. either because it is a non-scheduled trading day in respect of that index component or that index component is subject to market disruption or otherwise), then the Calculation Agent of the custom index may, but is not obliged to, calculate the level of the custom index on that day by taking a value for the affected index component from the first preceding day on which a level for such affected index component was available.

Various legal entities within the Group may undertake the role of issuer of the Notes, calculation agent of the Notes, sponsor of the underlying custom index and calculation agent of the underlying custom index. BNP Paribas has policies and procedures to identify, consider and manage potential conflicts of interest which this situation may potentially generate.

For the avoidance of doubt, the Issuer and/or its Affiliates may not be able to trade on and hedge its obligations in respect of the custom index under the Notes notwithstanding the calculation or publication of the level of the custom index. In the event that any relevant date for valuation is a Disrupted Day for the custom index, that valuation date will be the first succeeding day on which the Issuer or relevant affiliate is able to trade on and hedge its obligations in respect of the custom index, subject to a specified maximum days of disruption, as more fully set out in the terms and conditions of the Notes.

Risks relating to Share Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price of or changes in the price of shares, GDRs and/or ADRs or a basket of shares, GDRs and/or ADRs or, depending on the price of or change in the price of shares, GDRs or ADRs or the basket of shares, GDRs and/or ADRs, the Issuer's obligation on redemption is to deliver a specified number of shares, GDRs and/or ADRs ("**Share Linked Notes**"). Accordingly an investment in Share Linked Redemption Notes may bear similar market risks to a direct equity investment and potential investors should take advice accordingly.

Potential investors in any such Notes should be aware that depending on the terms of the Share Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified shares may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of the share, GDR and/or ADR or basket of shares, GDRs and/or ADRs may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the share(s), GDR(s) and/or ADR(s) may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price of the share(s), GDR(s) and/or ADR(s), the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the share(s), GDR(s) and/or ADR(s) on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may be affected by the time remaining to the redemption date, the volatility of the share or shares, the dividend rate (if any) and the financial results and prospects of the issuer or issuers of the relevant share or shares as well as economic, financial and political events in one or more jurisdictions, including factors affecting the stock exchange(s) or quotation system(s) on which any such shares may be traded.

Risks relating to Inflation Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the level of an inflation index or indices ("**Inflation Linked Notes**").

Potential investors in any such Notes should be aware that depending on the terms of the Inflation Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the level of the inflation index or indices may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level of the inflation index or indices may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the level of an inflation index or result of a formula, the greater the effect on yield.

In certain circumstances following cessation of publication of the inflation index, the Calculation Agent may determine that there is no appropriate alternative inflation index, in which case the Issuer may redeem the Notes. Such action may have an effect on the value of the Notes.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the level of the inflation index or the indices on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may depend on the time remaining to the redemption date and the volatility of the level of the inflation index or indices. The level of the inflation index or indices may be affected by the economic, financial and political events in one or more jurisdictions.

Risks Relating to Commodity Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price of or changes in the price of commodities and/or commodity indices or a basket of commodities and/or commodity indices or where, depending on the price of or change in the price of a commodity or the basket of commodities, the Issuer's obligation on redemption is to deliver a

specified commodity ("**Commodity Linked Notes**"). Accordingly an investment in Commodity Linked Redemption Notes may bear similar market risks to a direct commodity investment and potential investors should take advice accordingly.

Potential investors in any such Notes should be aware that depending on the terms of the Commodity Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified commodities or commodity indices may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of the commodity and/or commodity index or basket of commodities and/or commodity indices may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of a commodity and/or commodity index may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price of the commodity or commodity index, the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of a commodity and/or commodity index on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may be affected by the time remaining to the redemption date and the volatility of the price of the commodity and/or commodity index. The price of commodities or level of a commodity index may be affected by economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which the relevant commodities or components of the commodity indices may be traded.

Where the Notes are linked to a commodity index, such commodity index may be a well known and widely available commodity index or a commodity index which may not be well known or widely available. The commodity index may be comprised of futures contracts, mono-indices, or other commodity indices, which may be proprietary. Commodity Linked Notes may be linked to a commodity index which may be sponsored and/or calculated by BNP Paribas or one of its Affiliates. Pursuant to the operational rules of the relevant commodity index, the commodity index is scheduled to be calculated on a periodic basis (for example on each weekday). In the event that one of the levels, values or prices of a component included in the commodity index is not available for any reason on a relevant day of calculation including, without limitation, (a) where it is not a business day in respect of that commodity index component or (b) that commodity index component is subject to a market disruption event, then the calculation agent of the commodity index may, but is not obliged to, calculate the level of the commodity index for the relevant day by taking a value for the affected index component on the first day following the end of a specified maximum days of disruption based on the price at which it is able to sell or otherwise realise any hedge position.

The Issuer and/or its Affiliates may not be able to hedge its obligations in respect of the commodity index under the Notes notwithstanding the calculation and publication of the level of the commodity index. In the event that a Market Disruption Event is occurring on the any relevant date for valuation, that valuation date will be postponed until the first succeeding day that is not a Commodity Disrupted Day, subject to a specified maximum days of disruption, as more fully set out in the Conditions.

Risks relating to Fund Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price or changes in the price of units or shares in a fund or funds or, depending on the price or changes in the price of units or shares in such fund or funds, the Issuer's obligation on redemption is to deliver a specified amount of Fund Shares ("**Fund Linked Notes**"). Accordingly an investment in Fund Linked Redemption Notes may bear similar market risks to a direct fund investment and potential investors should take advice accordingly.

Prospective investors in any such Notes should be aware that depending on the terms of the Fund Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified Fund Shares may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of units, shares or interests in the fund or funds may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the units or shares in the fund or funds may affect the actual yield to investors, even

if the average level is consistent with their expectations. In general, the earlier the change in the price or prices of the units, shares or interests in the fund or funds, the greater the effect on yield.

In the event that redemption proceeds in respect of the underlying Fund Shares are not received by the Hedge Provider on or prior to the scheduled redemption date or termination date, such date may be postponed for a period of up to two calendar years (or such other period as may be specified in the applicable Final Terms) and no additional amount shall be payable as a result of such delay.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the units or shares of the fund or funds on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may depend on the time remaining to the redemption date and the volatility of the price of units or shares in the fund or funds. The price of units or shares in a fund may be affected by the economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any units in the fund or funds may be traded. In addition, the price of units or shares in a fund may be affected by the performance of the fund service providers, and in particular the investment adviser.

Prospective investors should review carefully the prospectus, information memorandum and/or offering circular (if any) issued by any relevant fund before purchasing any Notes. None of the Issuer, any affiliate of the Issuer or the Calculation Agent make any representation as to the creditworthiness of any relevant fund or any such fund's administrative, custodian, investment manager or adviser.

No Fund Service Provider will have participated in the preparation of the relevant Final Terms or in establishing the terms of the Fund Linked Notes, and none of the Issuer or any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such issuer of fund shares or units contained in such Final Terms or in the documents from which such information was extracted. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the accuracy or completeness of the publicly available information described in this paragraph or in any relevant Final Terms) that would affect the trading price of the fund shares or units will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such an issuer of fund shares or units could affect the trading price of the fund shares or units and therefore the trading price of the Notes. Fund Linked Notes do not provide Noteholders with any participation rights in the underlying Fund(s) and except in certain circumstances in the case of Physical Delivery Notes, do not entitle holders of Fund Linked Notes to any ownership interest or rights in such Fund(s).

Except as provided in the Conditions, Noteholders will not have voting rights or rights to receive dividends or distributions or any other rights with respect to the relevant fund shares or units to which such Notes relate.

Additional Risk Factors for Credit Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon whether certain events ("**Credit Events**") have occurred in respect of one or more Reference Entities and, if so, on the value of certain specified assets of such Reference Entity/Entities or where, if such events have occurred, on redemption the Issuer's obligation is to deliver certain specified assets.

Prospective investors in any such Notes should be aware that depending on the terms of the Credit Linked Notes ("**CLNs**") (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified assets may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment.

The market price of such Notes may be volatile and will be affected by, amongst other things, the time remaining to the redemption date and the creditworthiness of the Reference Entity which in turn may be affected by the economic, financial and political events in one or more jurisdictions.

Where the Notes provide for physical delivery, the Issuer may determine that the specified assets to be delivered are either (a) assets which for any reason (including, without limitation, failure of the relevant clearance system or due to any law, regulation, court order or market conditions or the non-

receipt of any requisite consents with respect to the delivery of assets which are loans) it is impossible or illegal to deliver on the specified settlement date or (b) assets which the Issuer and/or any affiliate has not received under the terms of any transaction entered into by the Issuer and/or such affiliate to hedge the Issuer's obligations in respect of the Notes. Any such determination may delay settlement in respect of the Notes and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Notes and, in the case of payment of a cash amount, will affect the timing of the valuation of such Notes and as a result, the amount of principal payable on redemption. Prospective Investors should review the terms and conditions of the Notes and the applicable Final Terms to ascertain whether and how such provisions should apply to the Notes.

The Issuer's obligations in respect of CLNs are irrespective of the existence or amount of the Issuer's and/or any Affiliates' credit exposure to a Reference Entity and the Issuer and/or any affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Noteholders are exposed to credit risk on Reference Entities

The holders of CLNs will be exposed to the credit of one or more Reference Entities, which exposure shall be all or a part of their investment in such Notes. Upon the occurrence of any of the default events comprising a Credit Event with respect to any Reference Entity, the Noteholders may suffer significant losses at a time when losses may be suffered by a direct investor in obligations of such Reference Entity. However, the holding of a Note is unlikely to lead to outcomes which exactly reflect the impact of investing in an obligation of a Reference Entity, and losses could be considerably greater than would be suffered by a direct investor in the obligations of a Reference Entity and/or could arise for reasons unrelated to such Reference Entity. Noteholders should also note that a Credit Event may occur even if the obligations of a Reference Entity are unenforceable or their performance is prohibited by any applicable law or exchange controls.

Where cash settlement or auction settlement applies, the occurrence of a Credit Event in relation to any Reference Entity from time to time may result in a redemption of the Notes in a reduced principal amount or at zero, and, (if applicable) in a reduction of the amount on which interest is calculated. Where physical settlement applies, the occurrence of a Credit Event may result in the redemption of the Notes based on the valuation (or by delivery) of certain direct or indirect obligations of the affected Reference Entity, which obligations are likely to have a market value which is substantially less than their par amount.

Investors in the Notes are accordingly exposed, as to both principal and (if applicable) interest, to the credit risk of the Reference Entity. The maximum loss to an investor in the Notes is 100 per cent. of their initial principal investment, together with (if applicable) any interest amounts.

A Credit Event may occur prior to the Trade Date

Holders of the Notes may suffer a loss of some or all of the principal amount of the Notes in respect of one or more Credit Events that occur prior to the Trade Date or the Issue Date. Neither the Calculation Agent or the Issuer nor any of their respective Affiliates has any responsibility to inform any Noteholder, or avoid or mitigate the effects of a Credit Event that has taken place prior to the Trade Date or the Issue Date.

Increased credit risk is associated with "Nth-to-default" credit-linked Notes

Where the Notes are Nth-to-Default CLNs, the Notes will be subject to redemption in full as described above upon the occurrence of a Credit Event in relation to the nth Reference Entity. The credit risk to Noteholders may therefore be increased as a result of the concentration of Reference Entities in a particular industry sector or geographic area or the exposure of the Reference Entities to similar financial or other risks.

Credit risk may be increased where the Reference Entities are concentrated in a particular sector or region

Where the Notes are Nth-to-Default CLNs or Linear Basket CLNs, the credit risk to investors in the Notes may be increased, amongst other things, as a result of the concentration of Reference Entities in a particular industry sector or geographic area, or the exposure of the Reference Entities to similar financial or other risks as other Reference Entities.

Issuer and Calculation Agent will act in their own interests

The Issuer will exercise its rights under the terms of the Notes, including in particular the right to designate a Credit Event and the right to select obligations of the affected Reference Entity for valuation or delivery, in its own interests and those of its Affiliates, and not in the interests of investors in the Notes. The exercise of such rights in such manner, for example by the selection of the eligible obligations of the Reference Entity having the lowest possible market value for valuation or delivery, as applicable, may result in an increased credit loss for holders of the Notes.

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent shall (in the absence of manifest error) be final and binding on the Noteholders. In performing its duties pursuant to the Notes and making any determinations expressed to be made by it, for example, as to substitute Reference Obligations or Successors, the Calculation Agent shall act in its sole and absolute discretion and is under no obligation to act in the interests of the Noteholders, nor will it be liable to account for any profit or other benefit which may accrue to it as a result of such determinations. The Calculation Agent is not bound to follow, or act in accordance with, any determination of the relevant Credit Derivatives Determinations Committee.

Actions of Reference Entities may affect the value of the Notes

Actions of Reference Entities (for example, merger or demerger or the repayment or transfer of indebtedness) may adversely affect the value of the Notes. Holders of the Notes should be aware that the Reference Entities to which the value of the Notes is exposed, and the terms of such exposure, may change over the terms of the Notes.

Payments under the Notes may be deferred or suspended

In certain circumstances, for example where (i) a Credit Event has occurred and the related credit loss has not been determined as at the relevant date for payment, (ii) where a potential Credit Event exists as at the scheduled maturity of the Notes, or (iii) pending a resolution of a Credit Derivatives Determinations Committee, payment of the redemption amount of the Notes and/or interest on the Notes may be deferred for a material period in whole or part without compensation to the holders of the Notes.

Suspension of Obligations will suspend payment of principal and interest

If the Calculation Agent determines that, under the terms of the Notes, the obligations of the parties would be suspended pending a resolution of a Credit Derivatives Determinations Committee all of the obligations of the Issuer under each CLN (including any obligation to deliver any notices, pay any interest, principal or settlement amount or to make any delivery) shall, be and remain suspended until the International Swaps and Derivatives Association, Inc. ("**ISDA**") publicly announces that the relevant Credit Derivatives Determinations Committee has resolved the matter in question or not to determine such matters. The Calculation Agent will provide notice of such suspension as soon as reasonably practicable; however, any failure or delay by the Calculation Agent in providing such notice will not affect the validity or effect of such suspension. No interest shall accrue on any payments which are suspended in accordance with the above.

Use of Auction Settlement may adversely affect returns to Noteholders

Where the Notes are redeemed following the occurrence of a Credit Event by reference to an auction sponsored by ISDA, the Issuer or its Affiliates may act as a participating bidder in any such auction and, in such capacity, may take certain actions which may influence the Auction Final Price including (without limitation) submitting bids, offers and physical settlement requests with respect to the obligations of the Reference Entity. If the Issuer or its Affiliates participate in an Auction, then they will do so without regard to the interests of Noteholders, and such participation may have a material adverse effect on the outcome of the relevant Auction and/or on the CLNs. Noteholders will have no right to submit bids and/or offers in an Auction.

The Auction Final Price determined pursuant to an auction may be less than the market value that would otherwise have been determined in respect of the specified Reference Entity or its obligations. In particular, the Auction process may be affected by technical factors or operational errors which

would not otherwise apply or may be the subject of actual or attempted manipulation. Auctions may be conducted by ISDA or by a relevant third party. Neither the Calculation Agent, the Issuer nor any of their respective Affiliates has any responsibility for verifying that any auction price is reflective of current market values, for establishing any auction methodology or for verifying that any auction has been conducted in accordance with its rules. The Issuer will have no responsibility to dispute any determination of an Auction Final Price or to verify that any Auction has been conducted in accordance with its rules.

Following a Restructuring Credit Event in relation to which ISDA sponsors multiple concurrent auctions, but where there is no auction relating to credit derivative transactions with a maturity of the Notes, if the Calculation Agent exercises the right of the buyer of credit risk protection under the Notes to elect that the Auction Final Price is determined by reference to an alternative Auction, the Auction Final Price so determined may be lower than the amount which would have been determined based on quotations sought from third party dealers.

Use of Cash Settlement may adversely affect returns to Noteholders

If the Notes are cash settled, then, following the occurrence of a Credit Event, the Calculation Agent will be required to seek quotations in respect of selected obligations of the affected Reference Entity. Quotations obtained will be "bid-side" - that is, they will be reduced to take account of a bid-offer spread charged by the relevant dealer. Such quotations may not be available, or the level of such quotations may be substantially reduced as a result of illiquidity in the relevant markets or as a result of factors other than the credit risk of the affected Reference Entity (for example, liquidity constraints affecting market dealers). Accordingly, any quotations so obtained may be significantly lower than the value of the relevant obligation which would be determined by reference to (for example) the present value of related cash flows. Quotations will be deemed to be zero in the event that no such quotations are available.

"Cheapest-to-Deliver" risk

Since the Issuer, as buyer of protection, has discretion to choose the portfolio of obligations to be valued or delivered following a Credit Event in respect of a Reference Entity where Cash or Physical Settlement apply, it is likely that the portfolio of obligations selected will be obligations of the Reference Entity with the lowest market value that are permitted to be selected pursuant to the Notes. This could result in a lower recovery value and hence greater losses for investors in the Notes.

The Issuer and Calculation Agent are not obliged to disclose information on Reference Entities

The Issuer and the Calculation Agent are not obliged to disclose to holders of the Notes any information which they may have at the Issue Date or receive thereafter in relation to any Reference Entity.

Risks may be compounded

Various risks relating to the Notes may be correlated or compounded and such correlation and/or compounding may result in increased volatility in the value of the Notes and/or in increased losses for holders of the Notes.

The Issuer is not obliged to suffer any loss as a result of a Credit Event

Where the Notes are Single Reference Entity CLNs, Nth-to-Default CLNs or Linear Basket CLNs, credit losses will be calculated for the purposes of the Notes irrespective of whether the Issuer or its Affiliates has suffered an actual loss in relation to the Reference Entity or any obligations thereof. The Issuer is not obliged to account for any recovery which it may subsequently make in relation to such Reference Entity or its obligations.

The Notes do not represent an interest in obligations of Reference Entities

The Notes do not constitute an acquisition by the holders of the Notes of any interest in any obligation of a Reference Entity, and the Noteholders will not have any voting or other rights in relation to such obligation. The Issuer does not grant any security interest over any such obligation.

The value of the Notes may be adversely affected by illiquidity or cessation of indices

In determining the value of the Notes, dealers may take into account the level of a related credit index in addition to or as an alternative to other sources of pricing data. If any relevant index ceases to be liquid, or ceases to be published in its entirety, then the value of the Notes may be adversely affected.

Historical performance may not predict future performance

Individual Reference Entities may not perform as indicated by the historical performance of similar entities and no assurance can be given with respect to the future performance of any Reference Entities. Historical default statistics may not capture events that would constitute Credit Events for the purposes of the Notes.

Limited provision of information about the Reference Entities

This Prospectus does not provide any information with respect to the Reference Entities. Investors should conduct their own investigation and analysis with respect to the creditworthiness of Reference Entities and the likelihood of the occurrence of a Succession Event or Credit Event.

Reference Entities may not be subject to regular reporting requirements under United Kingdom securities laws. The Reference Entities may report information in accordance with different disclosure and accounting standards. Consequently, the information available for such Reference Entities may be different from, and in some cases less than, the information available for entities that are subject to the reporting requirements under the United Kingdom securities laws. None of the Issuer or the Calculation Agent or any of their respective affiliates make any representation as to the accuracy or completeness of any information available with respect to the Reference Entities.

None of the Issuer or the Calculation Agent or any of their respective affiliates will have any obligation to keep investors informed as to any matters with respect to the Reference Entities or any of their obligations, including whether or not circumstances exist that give rise to the possibility of the occurrence of a Credit Event or a Succession Event with respect to the Reference Entities.

Cash settlement (whether by reference to an auction or a dealer poll) may be less advantageous than physical delivery of assets

Payments on the Notes following the occurrence of an Event Determination Date may be in cash and will reflect the value of relevant obligations of the affected Reference Entity at a given date. Such payments may be less than the recovery which would ultimately be realised by a holder of debt obligations of the affected Reference Entity, whether by means of enforcement of rights following a default or receipt of distributions following an insolvency or otherwise.

Conflicts of Interest – Credit Derivatives Determinations Committees

The Issuer or any of its Affiliates may act as a member of a Credit Derivatives Determinations Committee. In such case, the interests of the Issuer or its Affiliates may be opposed to the interests of Noteholders and they will be entitled to and will act without regard to the interests of Noteholders.

Rights associated with Credit Derivatives Determinations Committees

The institutions which are members of each Credit Derivatives Determinations Committee owe no duty to the Noteholders and have the ability to make determinations that may materially affect the Noteholders, such as the occurrence of a Credit Event or a Succession Event. A Credit Derivatives Determinations Committee may be able to make determinations without action or knowledge of the Noteholders.

Noteholders may have no role in the composition of any Credit Derivatives Determinations Committee. Separate criteria apply with respect to the selection of dealer and non-dealer institutions to serve on a Credit Derivatives Determinations Committee and the Noteholders may have no role in establishing such criteria. In addition, the composition of a Credit Derivatives Determinations Committee will change from time to time in accordance with the Rules, as the term of an institution may expire or an institution may be required to be replaced. The Noteholders may have no control over the process for selecting institutions to participate on a Credit Derivatives Determinations Committee and, to the extent provided for in the Notes, will be subject to the determinations made by such selected institutions in accordance with the Rules.

Noteholders may have no recourse against either the institutions serving on a Credit Derivatives Determinations Committee or the external reviewers. Institutions serving on a Credit Derivatives Determinations Committee and the external reviewers, among others, disclaim any duty of care or liability arising in connection with the performance of duties or the provision of advice under the Rules, except in the case of gross negligence, fraud or wilful misconduct. Furthermore, the institutions on the Credit Derivatives Determinations Committee do not owe any duty to the Noteholders and the Noteholders will be prevented from pursuing claims with respect to actions taken by such institutions under the Rules.

Noteholders should also be aware that institutions serving on a Credit Derivatives Determinations Committee have no duty to research or verify the veracity of information on which a specific determination is based. In addition, a Credit Derivatives Determinations Committee is not obligated to follow previous determinations and, therefore, could reach a conflicting determination on a similar set of facts. If the Issuer or the Calculation Agent or any of their respective affiliates serve as a member of a Credit Derivatives Determinations Committee at any time, then they will act without regard to the interests of the Noteholders.

Noteholders are responsible for obtaining information relating to deliberations of a Credit Derivatives Determinations Committee. Notices of questions referred to a Credit Derivatives Determinations Committee, meetings held to deliberate such questions and the results of binding votes will be published on the ISDA website and neither the Issuer, the Calculation Agent nor any of their respective affiliates shall be obliged to inform the Noteholders of such information (other than as expressly provided in respect of the Notes). Failure by the Noteholders to be aware of information relating to deliberations of a Credit Derivatives Determinations Committee will have no effect under the Notes and Noteholders are solely responsible for obtaining any such information.

Investors should read the Credit Derivatives Determinations Committees Rules as amended from time to time as set out on the ISDA website, <http://www.isda.org/credit/revisedcrules.html> and reach their own views prior to making any investment decisions. Investors should however note that the Rules may subsequently be amended from time to time without the consent or input of the Noteholders and the powers of the Credit Derivatives Determinations Committee may be expanded or modified as a result.

Multiple Auctions Following Restructuring Credit Event

Where multiple concurrent Auctions are held following a Restructuring Credit Event, the Issuer may be entitled to select a particular Auction for the purposes of settlement of the Notes. The Issuer will make such election acting in its own interests and not in the interests of the Noteholders.

The Auction Final Price or Weighted Average Final Price may be based on one or more obligations of the Reference Entity having a final maturity date different from that of the Restructured Bond or Loan or any specified Reference Obligation— which may affect the Auction Settlement Amount determined in respect of the Notes.

Non-delivery of Deliverable Obligations and Hedge Disruption Event will not constitute an Event of Default

Where Physical Settlement is the applicable Settlement Method, if as a result of a Hedge Disruption Event, the Issuer and/or any of its Affiliates have not received the Deliverable Obligations and/or cash under the terms of a Hedge Transaction, such event will not constitute an Event of Default for the purposes of the Notes. In such circumstances settlement of the Notes, may be substantially delayed and/or may be in cash (in whole or in part).

Calculation Agent may modify the terms of the Notes

The Calculation Agent may, following its determination that there has been a change in the prevailing market standard terms or market trading conventions that affects any hedging transaction, modify the terms of the Notes to the extent necessary to preserve any consistency between the Notes and the hedging transaction. If the Calculation Agent modifies the terms of the Notes, it will do so without regard to the interests of the holders of the Notes and any such modification may be prejudicial to the interests of the holder of the Notes.

Risks relating to ETI Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price of or changes in the price of interests in exchange traded instruments or a basket of interests in exchange traded instruments or, depending on the price of or change in the price of interests in exchange traded instruments or the basket of interests in exchange traded instruments, the Issuer's obligation on redemption is to deliver a specified number of interests in exchange traded instruments ("**ETI Linked Notes**"). Accordingly an investment in ETI Linked Redemption Notes may bear similar market risks to a direct exchange traded instrument investment and potential investors should take advice accordingly.

Potential investors in any such Notes should be aware that depending on the terms of the ETI Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified interests in exchange traded instruments may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of the interests in exchange traded instruments or basket of interests in exchange traded instruments may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the interests in exchange traded instruments or the basket of interests in exchange traded instruments may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price of the interests in exchange traded instruments or the basket of interests in exchange traded instruments, the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the exchange traded instruments on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may be affected by the time remaining to the redemption date, the volatility of the interests in the exchange traded instruments or the basket of interests in exchange traded instruments, the dividend or distribution rate (if any) and the financial results and prospects of the relevant interests in exchange traded instruments or the relevant basket of interests in exchange traded instruments as well as economic, financial and political events in one or more jurisdictions, including factors affecting the stock exchange(s) or quotation system(s) on which any such interests in exchange traded instruments may be traded.

Whilst interests in exchange traded instruments are traded on an exchange and are therefore valued in a similar manner as a share traded on an exchange, certain provisions related to ETI Linked Notes are similar to the provisions related to funds and Fund Linked Notes.

In the case of ETI Linked Notes, no exchange traded instrument will have participated in the preparation of the relevant Final Terms or in establishing the terms of the ETI Linked Notes, and none of the Issuer or any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such exchange traded instrument contained in such Final Terms or in the documents from which such information was extracted. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the accuracy or completeness of the publicly available information described in this paragraph or in any relevant Final Terms) that would affect the trading price of the interests in the exchange traded instruments will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such exchange traded instrument could affect the trading price of interests in the exchange traded instrument and therefore the trading price of the Notes. ETI Linked Notes do not provide Noteholders with any participation rights in the underlying ETI(s) and, except in certain circumstances in the case of Physical Delivery Notes, do not entitle holders of ETI Linked Notes to any ownership interest or rights in such ETI(s).

Except as provided in the Conditions, holders will not have voting rights or rights to receive dividends or distributions or any other rights with respect to the relevant exchange traded instruments to which such Notes relate.

Risks relating to Foreign Exchange (FX) Rate Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon movements in currency exchange rates or are payable in one or more currencies which may be

different from the currency in which the Notes are denominated ("**Foreign Exchange (FX) Rate Notes**"). Accordingly an investment in Foreign Exchange (FX) Rate Redemption Notes may bear similar market risks to a direct foreign exchange investment and potential investors should take advice accordingly.

Potential investors in any such Notes should be aware that, depending on the terms of the Foreign Exchange (FX) Rate Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest may occur at a different time or in a different currency than expected and (iii) they may lose a substantial portion of their investment. In addition, movements in currency exchange rates may be subject to significant fluctuations that may not correlate with changes in interest rates or other indices and the timing of changes in the exchange rates may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in currency exchange rates, the greater the effect on yield.

Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). In recent years, rates of exchange between some currencies have been volatile. This volatility may be expected in the future. Fluctuations that have occurred in any particular exchange rate in the past are not necessarily indicative, however, of fluctuation that may occur in the rate during the term of any Note. Fluctuations in exchange rates will affect the value of Foreign Exchange (FX) Rate Notes.

If the amount of principal and/or interest payable are dependent upon movements in currency exchange rates and are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the currency exchange rates on principal or interest payable will be magnified.

The market price of such Notes may be volatile and, if the amount of principal and/or interest payable is dependent upon movements in currency exchange rates, may depend upon the time remaining to the redemption date and the volatility of currency exchange rates. Movements in currency exchange rates may be dependent upon economic, financial and political events in one or more jurisdictions.

Risks relating to Underlying Interest Rate Linked Notes

The Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon movements in underlying interest rates ("**Underlying Interest Rate Linked Notes**"). Accordingly an investment in Underlying Interest Rate Redemption Notes may bear similar market risks to a direct interest rate investment and potential investors should take advice accordingly.

Potential investors in any such Notes should be aware that, depending on the terms of the Underlying Interest Rate Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest may occur at a different time than expected and (iii) they may lose a substantial portion of their investment. In addition, movements in interest rates may be subject to significant fluctuations that may not correlate with changes in other indices and the timing of changes in the interest rates may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in interest rates, the greater the effect on yield.

Interest rates are determined by various factors which are influenced by macro economic, political or financial factors, speculation and central bank and government intervention. In recent years, interest rates have been relatively low and stable, but this may not continue and interest rates may rise and/or become volatile. Fluctuations that have occurred in any interest rate in the past are not necessarily indicative, however, of fluctuation that may occur in the rate during the term of any Note. Fluctuations in interest rates will affect the value of Underlying Interest Rate Linked Notes.

If the amount of principal and/or interest payable are dependent upon movements in interest rates and are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the interest rates on principal or interest payable will be magnified.

The market price of such Notes may be volatile and, if the amount of principal and/or interest payable is dependent upon movements in interest rates, may depend upon the time remaining to the

redemption date and the volatility of interest rates. Movements in interest rates may be dependent upon economic, financial and political events in one or more jurisdictions.

Additional Factors relating to certain Underlying References:

Adjustment to indices

Where the Underlying Reference is an index (including a commodity index) if an index adjustment event (as described in the terms and conditions of the Notes) occurs the Issuer may require the Calculation Agent to make such adjustments as it determines appropriate to the terms of the Notes or redeem the Notes. Such action may have an adverse effect on the value and liquidity of the affected Underlying Reference Linked Notes.

Additional Factors relating to Share Linked Notes.

In the case of Share Linked Notes following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will make the corresponding adjustment, if any, to any terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share). Such adjustment may have an adverse effect on the value and liquidity of the affected Share Linked Notes.

If an Extraordinary Event occurs in relation to a Share it may lead to:

- (a) adjustments to any of the terms of the Notes (including, in the case of Share Linked Notes linked to a Basket of Shares, adjustments to and/or substitution of constituent shares of the Basket of Shares);
- (b) early redemption in whole or, in the case of Share Linked Notes relating to a Basket of Shares, in part or the amount payable on scheduled redemption being different from the amount expected to be paid at scheduled redemption; or
- (c) the Calculation Agent making an adjustment to any terms of the Notes which corresponds to any adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Option Exchange**") or, if options on the Shares are not traded on the Options Exchange, the Calculation Agent making such adjustment, if any, to the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the relevant Extraordinary Event, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

Market Disruption Events or Failure to Open of an Exchange

If an issue of Underlying Reference Linked Notes includes provisions dealing with the occurrence of a Market Disruption Event or failure to open of an exchange on a date for valuation of an Underlying Reference and the Calculation Agent determines that a Market Disruption Event or failure to open of an exchange has occurred or exists on such valuation date, any consequential postponement of the valuation date, or any alternative provisions for valuation provided in any such Notes may have an adverse effect on the value and liquidity of such Notes. The timing of such dates (as scheduled or as so postponed or adjusted) may affect the value of the relevant Notes such that the Noteholder may receive a lower cash redemption amount and/or interest amount or other payment under the relevant Notes than otherwise would have been the case. The occurrence of such a Market Disruption Event or failure to open of an exchange in relation to any Underlying Reference comprising a basket may also have such an adverse effect on Notes related to such basket. In addition, any such consequential postponement may result in the postponement of the date of redemption of the Notes.

Additional factors relating to ETI Linked Notes

ETI Linked Notes linked to one or more interests in exchange traded instruments reflect the performance of such interests in exchange traded instruments.

An exchange traded instrument may invest in and trade in a variety of investments and financial instruments using sophisticated investment techniques for hedging and non-hedging purposes. Such financial instruments and investment techniques may include, but are not limited to, the use of leverage, short sales of securities, derivative transactions, such as swaps, stock options, index options, futures contracts and options on futures, lending of securities to certain financial institutions, entry into repurchase and reverse repurchase agreements for securities and the investment in foreign securities and foreign currencies.

The amount payable on ETI Linked Notes will be dependent on the performance of the relevant ETI(s) underlying the ETI Linked Notes, which may be linked to the reported Net Asset Value per ETI Interest, the trading price available on an exchange for the relevant ETI Interest and/or the actual redemption proceeds the Hedge Provider or a hypothetical investor in the relevant ETI(s) would receive. The amount payable on the ETI Linked Notes may be less and in certain circumstances may be significantly less than the return from a direct investment in the relevant ETI(s) and may be zero.

Unlike Funds, exchange traded instruments are not actively managed. The value of an interest in an exchange traded instrument will decline, more or less, in line with the decline of any securities or the value of any index underlying or linked to the relevant exchange traded instrument. Exchange traded instruments involve risks similar to those of investing in equity securities traded on an exchange, such as market fluctuations caused by, amongst other things, economic and political developments, changes in interest rates and perceived trends in prices of securities. Where the relevant exchange traded instrument is linked to a particular index, the return on such exchange traded instrument may not match the return of the particular index.

Potential investors in ETI Linked Notes should be aware that neither the Issuer nor the Calculation Agent have any control over investments made by the relevant exchange traded instrument(s) and in no way guarantee the performance of an exchange traded instrument or the amount payable to holders of ETI Linked Notes.

In hedging the Issuer's obligations under the ETI Linked Notes, the Hedge Provider is not restricted to any particular hedging practice. Accordingly, the Hedge Provider may hedge its exposure using any method it, in its sole discretion, deems appropriate, including, but not limited to, investing in the relevant exchange traded instrument(s), replicating the performance of the relevant exchange traded instrument(s) or holding any of the assets underlying the relevant exchange traded instrument(s). The Hedge Provider may perform any number of different hedging practices with respect to ETI Linked Notes.

Investing directly or indirectly in interests in exchange traded instruments is generally considered to be risky. If the exchange traded instrument does not perform sufficiently well, the value of the Notes will fall, and may in certain circumstances be zero.

Prospective investors should review carefully the prospectus, information memorandum and/or offering circular (if any) issued by any relevant exchange traded instrument before purchasing any ETI Linked Notes. None of the Issuer, the Calculation Agent or any of their respective Affiliates make any representation as to the creditworthiness of any relevant exchange traded instrument or any such exchange traded instrument's administrative, custodian, investment manager or adviser.

Potential Adjustment Events relating to ETI Linked Notes

In the case of ETI Linked Notes, following the declaration by the relevant exchange traded instrument or any person appointed to provide services directly or indirectly in respect of such exchange traded instrument, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the ETI Interests and, if so, will make the corresponding adjustment, if any, to any of the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant ETI Interest).

Any such adjustment may have an adverse effect on the value and liquidity of such Notes.

Extraordinary Events relating to ETI Linked Notes

In the case of ETI Linked Notes if certain events ("**Extraordinary ETI Events**") including events relating to Global Events, Litigation/Fraudulent Activity Events, Change in Related Parties/Key Persons Events, Modification Events, Net Asset Value/Investment/AUM Level Events, Tax/Law/Accounting/Regulatory Events, Hedging/Impracticality/Increased Costs Events and Miscellaneous Events in the determination of the Calculation Agent (acting in good faith and in a commercially reasonable manner) occur, the Issuer may, in its sole and absolute discretion, take no action, adjust the terms of the Notes to reflect such event, substitute the relevant ETI Interests or redeem the Notes.

Consequently, the occurrence of an Extraordinary ETI Event may have an adverse effect on the value or liquidity of the ETI Linked Notes.

The Issuer will exercise its rights under the ETI Linked Conditions, including in particular the action it takes on the occurrence of an Extraordinary ETI Event, in its sole and absolute discretion. Subject to all regulatory obligations, neither the Issuer nor the Calculation Agent owes any duty or responsibility to any of the holders of the ETI Linked Notes. The exercise of such rights in such manner may result in an increased loss in performance of the ETI Linked Notes than if the Issuer had taken different action.

Market Disruption Events relating to Commodity Linked Notes

If a Market Disruption Event occurs or is continuing on a date for valuation then:

- (i) the Calculation Agent will determine if such event has a material effect on the Notes and, if so, will calculate the relevant Interest Amount and/or Redemption Amount and/or make another relevant calculation using, in lieu of a published price for the relevant Commodity or Commodity Index, the Commodity Fallback Value; or
- (ii) the Calculation Agent may substitute the relevant affected Commodity or Index Component with a Commodity or Index Component selected by it in accordance with the criteria set out in the Commodity Linked Notes Conditions and will make such adjustment, if any, to any terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate; or
- (iii) the Issuer will redeem the Notes.

Consequently the occurrence of a Market Disruption Event in relation to a Commodity, Commodity Index or Index Component may have an adverse effect on the value or liquidity of the Notes.

Adjustment Events relating to Notes linked to a Commodity Index

In the case of Notes linked to a Commodity Index, if a relevant Commodity Index is (i) not calculated and announced by the Index Sponsor in respect of the Commodity Index but is calculated and announced by a successor sponsor or successor entity, as the case may be, acceptable to the Calculation Agent, or (ii) replaced by a successor Commodity Index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Commodity Index, then, in each case, that Commodity Index will be deemed to be the Commodity Index. The occurrence of a Commodity Index Modification, Commodity Index Cancellation or Commodity Index Disruption (each being a "**Commodity Index Adjustment Event**") may lead to:

- (a) the Calculation Agent determining the Relevant Price using, in lieu of a published level, the Commodity Fallback Value (if the Calculation Agent determines such Commodity Index Adjustment Event has a material effect on the Notes); or
- (b) cancellation or early redemption of the Notes.

Any such adjustment may have an adverse effect on the value and liquidity of such Notes.

Certain Considerations Associated with Fund Linked Notes

Where the Issuer issues Fund Linked Notes linked to one or more Funds, including Hedge Funds, Mutual Funds or Private Equity Funds, the relevant Notes reflect the performance of such fund(s).

Funds may trade and invest in a broad range of investments and financial instruments using sophisticated investment techniques for hedging and non-hedging purposes such as debt and equity securities, commodities or commodity indices and foreign exchange and may enter into derivative transactions, including, without limitation, futures, swaps and options. Such financial instruments and investment techniques may also include, but are not limited to, the use of leverage, short sales of securities, transactions that involve the lending of securities to financial institutions, the entry into repurchase and reverse repurchase agreements for securities and the investment in foreign securities and foreign currencies. While these investment strategies and financial instruments provide the investment manager and/or adviser of a Fund the flexibility to implement a range of strategies in an attempt to generate positive returns for the Fund, they also create the risk of significant losses that may adversely affect the value of the Fund and therefore the return on the Fund Linked Notes. Potential investors should be aware that neither the Issuer nor the Calculation Agent have any control over investments made by a Fund and therefore in no way guarantee the performance of a Fund and therefore the amount due to Noteholders on redemption of the Fund Linked Notes. Funds may often be illiquid and may only be traded on a monthly, quarterly or even less frequent basis. The trading strategies of Funds are often opaque. Funds, as well as the markets and instruments in which they invest, are often not subject to review by governmental authorities, self-regulatory organisations or other supervisory authorities.

The amount payable on Fund Linked Notes will be dependent on the performance of the relevant Fund(s) underlying the Fund Linked Notes, which may be linked to the reported Net Asset Value per Fund Share and/or the actual redemption proceeds the Hedge Provider or a hypothetical investor in the relevant Fund(s) would receive. The amount payable on the Fund Linked Notes may be less than the amount payable from a direct investment in the relevant Fund(s). In certain circumstances, a Fund may continue reporting a Net Asset Value per Fund Share, but the Hedge Provider or a hypothetical investor may not be able to realise their investment in the relevant Fund(s) at such reported Net Asset Value per Fund Share. In such a case, the return on the Fund Linked Notes may be less and in certain circumstances may be significantly less than the reported performance of the relevant Fund(s) and may be zero.

A Fund may be established as part of a master-feeder fund structure. Generally, a master-feeder fund structure involves the incorporation of a "master" fund company into which separate and distinct "feeder" funds invest. Active management of any investment strategy is, generally, performed at the master fund level. In instances where the Fund(s) underlying the relevant Fund Linked Notes are "feeder" funds, the Extraordinary Fund Events (see below) extend to include the "master" fund and its service providers. In conducting their own due diligence of the relevant Fund(s), prospective investors should pay particular attention to whether the relevant Fund(s) are established as part of a master-feeder fund structure.

In hedging the Issuer's obligations under the Fund Linked Notes, the Hedge Provider is not restricted to any particular hedging practice. Accordingly, the Hedge Provider may hedge its exposure using any method it, in its sole discretion, deems appropriate, including, but not limited to, investing in the relevant Fund(s), replicating the performance of the relevant Fund(s) or holding any of the assets underlying the relevant Fund(s). The Hedge Provider may perform any number of different hedging practices in respect to Fund Linked Notes.

For all the above reasons, investing directly or indirectly in Funds is generally considered to be risky. If the underlying Fund does not perform sufficiently well, the value of the Notes will fall, and may in certain circumstances be zero.

Extraordinary Events relating to Fund Linked Notes

In the case of Fund Linked Notes if certain events ("**Extraordinary Fund Events**") including events relating to Global Events, Litigation/Fraudulent Activity Events, Fund Service Provider/Key Person Events, Modification Events, Net Asset Value per Fund Share/AUM Level Events, Reporting Events, Tax/Law/Accounting/Regulatory Events, Hedging/Impracticality/Increased Costs Events, Dealing Events and Miscellaneous Events in the determination of the Calculation Agent (acting in good faith and in a commercially reasonable manner) occur, the Issuer may, in its sole and absolute discretion, take no action, adjust the terms of the Notes to reflect such event, substitute the relevant Fund Shares or redeem the Notes.

Consequently the occurrence of an Extraordinary Fund Event may have an adverse effect on the value or liquidity of the Notes.

In addition, in the event that redemption proceeds in respect of the underlying Fund Shares are not received by the Hedge Provider on or prior to the scheduled date for redemption, such redemption date may be postponed for a period of up to two calendar years (or such other period as may be specified in the applicable Final Terms) and no additional amount shall be payable as a result of such delay.

The Issuer will exercise its rights under the Fund Linked Notes, including in particular the action it takes on the occurrence of an Extraordinary Fund Event, in its sole and absolute discretion. Subject to all regulatory obligations, neither the Issuer nor the Calculation Agent owes any duty or responsibility to any of the holders of the Fund Linked Notes. The exercise of such rights in such manner may result in an increased loss in performance of the Fund Linked Notes than if the Issuer had taken different action.

Certain Considerations Associated with Notes Linked to Emerging Markets

The Issuer may issue Notes where the amount payable on redemption or the interest payable is linked to Underlying References which consist of (i) securities, funds or indices comprising securities of issuers that are located in, or subject to regulation in, emerging or developing countries, or (ii) securities which are denominated in the currency of, or are traded in, emerging or developing countries or (iii) currencies of emerging or developing countries. Prospective investors should note that additional risks may be associated with investment in such Notes, including risks associated with political and economic uncertainty, adverse governmental policies, restrictions on foreign investment and currency convertibility, currency exchange rate fluctuations, possible lower levels of disclosure and regulation, and uncertainties as to the status, interpretation and application of laws including, but not limited to, those relating to expropriation, nationalisation and confiscation. Notes traded in emerging or developing countries tend to be less liquid and the prices of such securities more volatile. In addition, settlement of trades in some such markets may be slower and more subject to failure than in markets in developed countries.

Increased custodian costs as well as administrative difficulties (such as the applicability of the laws of the jurisdictions of emerging or developing countries to custodians in such jurisdictions in various circumstances, including bankruptcy, ability to recover lost assets, expropriation, nationalisation and record access) may also arise from the maintenance of assets in such emerging or developing countries.

Prospective purchasers of such Notes should also be aware that the probability of the occurrence of a disruption event and consequently loss of investment or profit by an investor may be higher for certain developing or emerging markets. Prospective purchasers are expected to conduct their own enquiries and be satisfied that there are additional risks associated with investments linked to the performance of underlying assets located in these markets.

Certain Considerations Associated with Dynamic Notes

The Issuer may issue dynamic Notes ("**Dynamic Notes**"). Dynamic Notes may be linked to a portfolio or strategy often comprising assets with a greater potential for return and consequently greater risk (e.g. a Hedge Fund) and assets with a lower return and consequently lesser risk (e.g. a zero coupon debt security issued by an issuer with a high credit rating). The portfolio or strategy may include leverage on certain specified terms. The portfolio or strategy is dynamic and may rebalance between the relevant assets based upon a specified allocation methodology. The value of Dynamic Notes is determined by reference to the underlying portfolio or strategy. This portfolio or strategy may change during the term of the Notes which may affect the value of, and any return on, the Notes.

Considering the above aspects, Dynamic Notes are by their nature intrinsically complex, which makes their evaluation difficult, in terms of risk at the time of the purchase as well as thereafter. Investors should therefore purchase Dynamic Notes only after having completely understood and evaluated either themselves or with a financial adviser the nature and the risk inherent in the Dynamic Notes.

Limited Exposure to Underlying Reference

If the applicable Final Terms provide that the exposure of any Underlying Reference Linked Notes to one or more Underlying References is limited or capped to a certain level or amount, such Notes will not benefit from any upside in the value of any such Underlying References beyond such limit or cap.

The Amount Payable on Redemption may be Significantly Less than the Value of an Investment in the Notes

Each Noteholder may receive an amount on redemption and/or physical delivery of securities together with cash for roundings in respect of any Underlying Reference Linked Notes. The amount payable on redemption and/or the aggregate value of securities physically delivered and cash may be significantly less than the value of the Noteholder's investment in such Notes. In particular, in the case of any such Notes exposed to the performance of a basket of Underlying References, the securities so delivered may relate to or, the cash redemption amount may be calculated by reference to, the worst performing Underlying Reference or any other formula specified in the applicable Final Terms.

Additional Disruption Events and Optional Additional Disruption Events

If an Additional Disruption Event or any Optional Additional Disruption Event specified in the applicable Final Terms occurs, the Notes may be subject to adjustment (including, in the case of Share Linked Notes linked to a Basket of Shares, adjustments to the Basket of Shares) or redemption or the amount payable on scheduled redemption may be different from the amount expected to be paid at scheduled redemption. In the case of Index Linked Securities linked to a Custom Index the occurrence of an Additional Disruption Event or Optional Redemption Event specified in the applicable Final Terms may lead to the selection of a successor Index. The Additional Disruption Events relate to changes in law (including changes in tax or regulatory capital requirements) and hedging disruption in respect of any hedging transactions relating to the Notes (both as more fully set out in the Conditions). Optional Additional Disruption Events relate to *force majeure*, increased cost of any hedging transactions or stock borrowings or loss of any stock borrowings in respect of the Notes, insolvency filing in respect of an equity issuer or stop-loss event in respect of an equity security (all as fully set out in the Conditions).

Consequently the occurrence of an Additional Disruption Event and/or an Optional Additional Disruption Event may have an adverse effect on the value or liquidity of the Notes.

Physical Delivery Notes

In the case of Notes which are redeemable by delivery of assets (other than Credit Linked Notes), if a Settlement Disruption Event occurs or exists on the due date for redemption of the Notes, settlement will be postponed until the next Settlement Business Day in respect of which there is no Settlement Disruption Event. The Issuer in these circumstances also has the right to pay the Disruption Cash Redemption Amount in lieu of delivering the Entitlement.

If a Failure to Deliver due to Illiquidity occurs the Issuer has the right in lieu of delivery of the assets affected by such event pay the Failure to Deliver Redemption Amount. The Disruption Cash Redemption Amount and/or the Failure to Deliver Redemption Amount may be less than the fair market value of the Entitlement.

Commodity Linked Notes may not be redeemed by delivery of assets.

2. Status of the Notes

(a) Status (Senior Notes)

If the Notes are "**Senior Notes**" the Notes and (if applicable) the relative Coupons are direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank and will rank *pari passu* among themselves and at least *pari passu* with all other direct, unconditional, unsecured and unsubordinated indebtedness of the Issuer (save for statutorily preferred exceptions).

(b) Status (Subordinated Notes)

(i) "**Subordinated Notes**" comprise Dated Subordinated Notes and Undated Subordinated Notes.

(A) Dated Subordinated Notes

If the Notes are "**Dated Subordinated Notes**", the Notes are direct, unconditional, unsecured and subordinated obligations of BNPP and rank *pari passu* among themselves and *pari passu* with all other present and future direct, unconditional, unsecured and ordinary subordinated indebtedness of BNPP and have a fixed maturity date. Subject to applicable law, in the event of the voluntary liquidation of BNPP, bankruptcy proceedings, or any other similar proceedings affecting BNPP, the rights of the Noteholders and (if so specified in the applicable Final Terms) the Couponholders to payment under the Dated Subordinated Notes and (if applicable) relative Coupons will be subordinated to the full payment of the unsubordinated creditors (including depositors) of BNPP and, subject to such payment in full, such Noteholders and (if so specified in the applicable Final Terms) Couponholders will be paid in priority to *prêts participatifs* granted to BNPP and *titres participatifs* issued by BNPP. The relative Coupons will not be subordinated (unless otherwise specified in the applicable Final Terms).

(B) Undated Subordinated Notes

Subject to applicable law, in the event of the voluntary liquidation of BNPP, bankruptcy proceedings, or any other similar proceedings affecting BNPP, the rights of Noteholders and Couponholders to payment under the Undated Subordinated Notes and relative Coupons will be subordinated to the full payment of the unsubordinated creditors (including depositors) of BNPP and, subject to such payment in full, such Noteholders and Couponholders will be paid in priority to *prêts participatifs* granted to BNPP and *titres participatifs* issued by BNPP.

The proceeds of issues of Undated Subordinated Notes may be used for off-setting losses of BNPP and, thereafter, to allow it to continue its activities in accordance with French banking regulations. The loss will be charged first against accumulated profits, then against reserves and capital, and finally, if needed, against the subordinated loans and unpaid interest thereon (including interest on the Notes) which include a clause providing for the absorption of the losses, in order to allow BNPP to fulfil the regulatory requirements applicable to banks prevailing in France, especially those relating to solvency ratios, and in order to allow BNPP to continue its activities. The proceeds of such issues will be classed amongst the funds of BNPP in accordance with Article 4(c) of *Règlement* No. 90-02 of the *Comité de la réglementation bancaire et financière*. This provision does not in any way affect any French law applicable to accounting principles relating to allocation of losses nor the duties of the shareholders and does not in any way affect the rights of the Noteholders and Couponholders to receive payments of principal and interest under Undated Subordinated Notes and relative Coupons in accordance with these Terms and Conditions.

3. Interest and AER Rate

(a) ***Interest on Fixed Rate Notes***

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will accrue in respect of each Interest Period (which expressions shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Period End Date (each such latter date the "***Interest Period End Final Date***" for the relevant Interest Period)). Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment date falls after the Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date. If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (i) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (ii) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be shall be brought forward to the immediately preceding Business Day; or
- (iii) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

If no Business Day Convention is specified as applicable to an Interest Period End Date in the applicable Final Terms and the Notes are in definitive form except as provided in the applicable Final Terms:

- (A) The amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) the Interest Period End Final Date in respect of such Interest Period, will amount to the Fixed Coupon Amount; and
- (B) The amount of interest payable on any other Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Interest shall be calculated by applying the Rate of Interest to: (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of Interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) ***Interest on Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References***

(i) Interest Period End Dates and Interest Payment Dates

Each Floating Rate Note, each Index Linked Interest Note, Share Linked Interest Note, Inflation Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note, ETI Linked Interest Note, Foreign Exchange (FX) Rate Linked Interest Note, Underlying Interest Rate Linked Note, Hybrid Linked Interest Note and Notes with interest linked to other Underlying References bears interest on its nominal amount (or, if it is a Partly Paid Note, in accordance with Condition 3(e)) or pays interest in respect of each Interest Period (which expression shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Interest Period End Date (each such latter date the "**Interest Period End Final Date**" for the relevant Interest Period)). For the purposes of this Condition 3(b) "**Interest Period End Date**" shall mean either:

- (1) the specified Interest Period End Date(s) in each year specified in the applicable Final Terms; or
- (2) if no Interest Period End Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Period End Date or, in the case of the first Interest Period End Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment Date falls after an Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) In any case where Specified Periods are specified in accordance with Condition 3(b)(i)(2) above, the Floating Rate Convention, such Interest Period End Date or Interest Payment Date, as the case may be, (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Period End Date or Interest Payment Date, as the case may be, shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Period End Date or Interest Payment Date, as the case may be, occurred; or
- (B) The Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (C) The Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or
- (D) The Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

In these Conditions, "**Business Day**" means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro or CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (any such centre, an "**Additional Business Centre**" and which, if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively), or (B) in relation to any sum payable in euro, a day (a

"**TARGET2 Settlement Day**") on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the "**TARGET2 System**") is open or (C) in relation to any sum payable in CNY, unless otherwise specified in the applicable Final Terms, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the CNY Settlement Centre(s).

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References will be determined in the manner specified in the applicable Final Terms.

(iii) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest or the Rate, as applicable, is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (iii), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone inter-bank offered rate ("**EURIBOR**") for a currency, the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (iii), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(iv) FBF Determination

Where so specified in the applicable Final Terms, interest will be payable on such dates, at such a rate (the "**FBF Rate**") and in such amounts, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), as would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to transactions on forward financial instruments (an "**FBF Agreement**"), as in effect on the date of issue of the Notes, published by the *Fédération Bancaire Française* and evidenced by a Confirmation (as defined in the FBF Agreement) with the holder of the relevant Note under which:

- (A) the Issuer was the Floating Amount Payer;
- (B) the Principal Paying Agent (as defined herein) was the Agent (as defined in the FBF Agreement) or as otherwise specified in the applicable Final Terms;
- (C) the Interest Commencement Date was the Transaction Date;
- (D) the lowest Specified Denomination was the Notional Amount;
- (E) the Interest Payment Dates were the Floating Amount Payment Dates; and
- (F) all other terms were as specified in the applicable Final Terms.

When the preceding sentence applies, in respect of each relevant Interest Payment Date:

- (1) the amount of interest determined for such Interest Payment Date will be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though determined under sub-paragraph (vi) below;
- (2) the Rate of Interest for such Interest Period will be the Floating Rate (as defined in the FBF Agreement) determined by the Principal Paying Agent in accordance with the preceding sentence; and
- (3) the Principal Paying Agent will be deemed to have discharged its obligations under subparagraph (vi) below if it has determined the Rate of Interest and the Interest Amount payable on such Interest Payment Date in the manner provided in the preceding sentence.

(v) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest or Rate in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the Specified Time indicated above or in the applicable Final Terms.

(vi) Determination of Rate of Interest and Calculation of Interest Amount

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References, will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "**Interest Determination Date**"), determine the Rate of Interest (subject to any Minimum Interest Rate or Maximum Interest Rate specified in the applicable Final Terms) for the relevant Interest Period. In the case of Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent or Calculation Agent, as applicable, will calculate the amount of interest (the "**Interest Amount**") payable on the Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the Day Count Fraction specified in the applicable Final Terms and rounding the resultant figure to the nearest sub-unit (defined above) of the relevant Specified Currency, one half of such a sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, Inflation Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note, ETI Linked Interest Note, Foreign Exchange (FX) Rate Linked Interest Note, Underlying Interest Rate Linked Note, Hybrid Interest Note or a Note with interest linked to another Underlying Reference in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

"Calculation Period" means each Interest Period, AER Calculation Period, FR Calculation Period, SPS Call Valuation Period or SPS Put Valuation Period, as applicable.

"Day Count Fraction" means, in respect of the calculation of an amount of interest for any Interest Period:

- (a) if **"Actual/Actual (ICMA)"** is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Period End Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **"Accrual Period"**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (x) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (a) the number of days in such Determination Period and (b) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (a) the number of days in such Determination Period and (b) the number of Determination Dates that would occur in one calendar year;

"Determination Date(s)" means the date(s) specified in the applicable Final Terms;

"Determination Period" means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the Interest Period End Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

- (b) if **"Actual/Actual (ISDA)"** or **"Actual/Actual"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (c) if **"Actual/365 (Fixed)"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365;
- (d) if **"Actual/365 (Sterling)"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 or, in the case of a Calculation Period ending in a leap year, 366;
- (e) if **"Actual/360"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 360;

(vii) Minimum and/or Maximum Interest Rate

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of subparagraph (ii), (iii), (iv) or (v) above (as appropriate) is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of subparagraph (ii), (iii), (iv) or (v) above (as appropriate) is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(viii) Notification of Rate of Interest and Interest Amount

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer (such notifications to occur no later than the Business Day following such determination), (in the case of Notes which are listed on Euronext Paris or on the Official List of the Luxembourg Stock Exchange and the rules of such stock exchange so require) Euronext Paris or the Luxembourg Stock Exchange, as applicable and, if applicable, to any other stock exchange on which the relevant Notes are for the time being listed. In addition, the Principal Paying Agent (except where the relevant Notes are unlisted and are in global form and held in their entirety on behalf of Euroclear, Clearstream, Luxembourg or the CMU, as the case may be in which event there may be substituted for such publication the delivery of such notice to Euroclear, Clearstream, Luxembourg or the CMU Lodging Agent, as the case may be for communication to the holders of the Notes) shall publish or cause to be published such Rate of Interest, Interest Amount and Interest Payment Date in accordance with Condition 12 as soon as possible after their determination but in no event later than the fourth Luxembourg Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Notes are for the time being listed and to the

Noteholders in accordance with Condition 12. For the purposes of these Conditions, the expression "**Luxembourg Business Day**" means a day (other than a Saturday or a Sunday) on which commercial banks are open for business in Luxembourg.

(ix) **Certificates to be Final**

All certificates, communications, determinations, calculations and decisions made for the purposes of the provisions of this paragraph (b), by the Principal Paying Agent or, if applicable, Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the other Paying Agents, or, if applicable, the Calculation Agent and all Noteholders, and (in the absence as aforesaid) no liability to the Noteholders shall attach to the Principal Paying Agent or, if applicable, the Calculation Agent, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 5(e) at its Amortised Face Amount. As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Accrual Yield specified in the applicable Final Terms. Such interest shall continue to accrue (as well after as before any judgment) until the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note. Such interest will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and in the case of an incomplete month the actual number of days elapsed in such incomplete month or on such other basis as may be specified in the applicable Final Terms.

(d) **Coupon Switch**

If Coupon Switch is specified as applicable in the applicable Final Terms (i) if Coupon Switch Election is specified as applicable in the applicable Final Terms, the Issuer may in its sole and absolute discretion elect that or (ii) if Automatic Coupon Switch is specified as applicable in the applicable Final Terms and an Automatic Switch Event occurs, the Interest Basis for the Notes will be amended (a "**Coupon Switch**") from the Interest Basis specified in the Final Terms to the Switched Coupon specified in the applicable Final Terms on and after the Coupon Switch Date specified in the applicable Final Terms. Notice of any Coupon Switch will be given to Noteholders in accordance with Condition 12.

"**Automatic Coupon Switch Event**" means that the SPS ACS Value is (a) "greater than", (b) "equal to or greater than", (c) "less than" or (d) "less than or equal to", as specified in the applicable Final Terms, the Automatic Coupon Switch Level, (x) on a SPS ACS Valuation Date or (y) in respect of a SPS ACS Valuation Period, as specified in the applicable Final Terms;

"**SPS ACS Valuation Period**" means each period specific as such in the applicable Final Terms.

(e) **Interest on Partly Paid Notes**

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes) interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(f) **Interest Payments**

Interest will be paid subject to and in accordance with the provisions of Condition 4. Interest will cease to accrue on each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless such Note is redeemed early. If such Note is redeemed early (i) if the applicable Final Terms specify that Accrual to Redemption is applicable, interest will cease to accrue on the due date for redemption or (ii) if the applicable Final Terms specify that Accrual to Redemption is not applicable, no interest shall accrue or be payable in respect of which the relevant Interest Payment Date has not occurred on or prior to the due date for redemption of such Note. If the payment of principal or the payment, and/or delivery of the Entitlement (if applicable), is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) at the Fixed Rate or, as the case may be, the Rate of Interest or as otherwise provided in the applicable Final Terms until whichever is the earlier of (i) the day on which all sums due and/or assets deliverable in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Principal Paying Agent or any agent appointed by the Issuer to deliver such assets to Noteholders has notified the holder thereof (either in accordance with Condition 12 or individually) of receipt of all sums due and/or assets deliverable in respect thereof up to that date.

Provided that in the case of Credit Linked Notes, these provisions shall be subject to the provisions contained in Annex 7 – “Additional Terms and Conditions for Credit Linked Notes”.

(g) **Deferral of Interest – Undated Subordinated Notes**

In the case of Undated Subordinated Notes, and when so specified in the applicable Final Terms, the Board of Directors of BNPP may decide, prior to any date for the payment of interest, to suspend payment of the interest accrued during any interest period if at the most recent Annual General Meeting of the shareholders of BNPP which preceded the corresponding date for the payment of interest no dividend was declared, paid or set apart for payment on or with respect to any class of share capital of BNPP provided that notice of such decision is given to the relevant Noteholders in accordance with Condition 12 as soon as reasonably practicable following the taking of such decision and in any event not later than seven days prior to any date for the payment of interest. In such a case, any interest so suspended shall constitute "**Arrears of Interest**" (which term shall include interest on such unpaid interest) the payment of which shall be deferred until the date for the payment of interest immediately following the date upon which any dividend has been declared, paid, or set aside for payment on or with respect to any class of share capital of BNPP at the most recent Annual General Meeting of the shareholders of BNPP. Arrears of Interest shall bear interest (which shall accrue on a daily basis) at the same rate of interest as the Notes to which they relate.

Arrears of Interest may at the option of BNPP be paid in whole or in part at any time upon the expiry of not less than seven days' notice to such effect given to the Noteholders in accordance with these Conditions, but all Arrears of Interest shall (subject to applicable laws and regulations) become due in full on whichever is the earliest of (i) the date for the payment of interest immediately following the date upon which a dividend is next declared, paid or set aside as aforesaid, or (ii) the date set for any redemption or purchase pursuant to Condition 5(b) or (c) (in the case of redemption) or 5(f) (in the case of purchase), provided all the Notes are so purchased, or (iii) the commencement of "*liquidation judiciaire*" or "*liquidation amiable*" procedures as contemplated by Condition 8(b).

If notice is given by BNPP of its intention to pay the whole or part of Arrears of Interest, BNPP shall be obliged (subject to applicable laws and regulations) to do so upon the expiry of such notice.

Where Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full.

(h) **AER Rate Determination**

Where the applicable Final Terms specify that the AER Rate is determined by reference to a Screen Rate the AER Rate will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the AER Reference Rate(s) which appears or appear, as the case may be, on the AER Screen Page as at the AER Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the AER Reference Rate Determination Date in question plus or minus (as indicated in the applicable Final Terms) the AER Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the AER Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the AER Screen Page is not available or if, in the case of subparagraph (i), no offered quotation appears or, in the case of subparagraph (ii), fewer than three offered quotations appear, in each case as at the AER Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the AER Reference Rate at approximately the AER Specified Time on the AER Reference Rate Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the AER Rate shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the AER Margin (if any), all as determined by the Calculation Agent.

If on any AER Reference Rate Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the AER Rate shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the AER Specified Time on the relevant AER Reference Rate Determination Date, deposits in the Settlement Currency for a period equal to that which would have been used for the AER Reference Rate by leading banks in the inter-bank market applicable to the AER Reference Rate (which will be the London inter-bank market, if the AER Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the AER Reference Rate is EURIBOR) plus or minus (as appropriate) the AER Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Settlement Currency for a period equal to that which would have been used for the AER Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Settlement Currency for a period equal to that which would

have been used for the AER Reference Rate, at which, at approximately the AER Specified Time on the relevant AER Reference Rate Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the inter-bank market applicable to the AER Reference Rate (which will be the London inter-bank market, if the AER Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the AER Reference Rate is EURIBOR) plus or minus (as appropriate) the AER Margin (if any).

If the applicable Final Terms specifies a Minimum AER Reference Rate then, in the event that the AER Reference Rate determined in accordance with the above provisions is less than such Minimum AER Reference Rate, the AER Rate shall be such Minimum AER Reference Rate.

If the applicable Final Terms specifies a Maximum AER Reference Rate then, in the event that the AER Reference Rate determined in accordance with the above provisions is greater than such Maximum AER Reference Rate, the AER Rate shall be such Maximum AER Reference Rate.

4. Payments, Physical Delivery and Exchange of Talons

For the purposes of this Condition 4, references to payment or repayment (as the case may be) of principal and/or interest and other similar expressions shall, where the context so admits, be deemed also to refer to delivery of any Entitlement(s).

(a) *Method of Payment*

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear, Clearstream, Luxembourg, the CMU and/or any other relevant Clearing System are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the "**Record Date**"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or integral multiples of U.S.\$1,000 in excess thereof) (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (i) (in the case of payment in a Specified Currency other than euro or CNY) a bank in the principal financial centre of the country of such Specified Currency; (ii) (in the case of a payment in euro) any bank which processes payments in euro; and (iii) (in the case of a payment in CNY in the CNY Settlement Centre(s).

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear, Clearstream, Luxembourg, the CMU and/or any other relevant Clearing System are open for business) before the relevant due date, and (ii) where

in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the Record Date at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note. Notwithstanding anything to the contrary in this paragraph, payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note denominated in CNY (whether or not in global form) will be made solely by transfer to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear, Clearstream, Luxembourg or the CMU and/or any other relevant Clearing System are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the Record Date.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

Neither the Issuer nor any of the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal and interest (if any) in respect of the definitive Bearer Notes will (subject as provided below) be made against presentation or surrender of such Bearer Notes or Coupons, as the case may be, at any specified office of any Paying Agent. Payments of principal in respect of instalments (if any), other than the last instalment, will (subject as provided below) be made against surrender of the relevant Receipt. Payment of the last instalment will be made against surrender of the relevant Bearer Note. Each Receipt must be presented for payment of such instalment together with the relevant definitive Bearer Note against which the amount will be payable in respect of that instalment. If any definitive Bearer Notes are redeemed or become repayable prior to the Maturity Date in respect thereof, principal will be payable on surrender of each such Note together with all unmatured Receipts appertaining thereto. Unmatured Receipts and Receipts presented without the definitive Bearer Notes to which they appertain do not constitute obligations of the Issuer. All payments of interest and principal with respect to Bearer Notes will be made only against presentation and surrender of the relevant Bearer Notes, Coupons or Receipts outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)) except as otherwise provided in the succeeding paragraph indicated by an asterisk. No payments with respect to the Bearer Notes will be made by mail to an address in the United States or by transfer to an account maintained by the holder in the United States.

Subject as provided below and subject also as provided in the applicable Final Terms, payments in respect of definitive Notes (other than Foreign Exchange (FX) Rate Notes) denominated in a Specified Currency (other than euro or CNY) or, in the case of Foreign Exchange (FX) Rate Notes, payable in a Specified Currency (other than euro or CNY) will (subject as provided below) be made by a cheque in the Specified Currency drawn on, or, at the option of the holder and upon 15 days' prior notice to the Principal Paying Agent, by transfer to an account in the Specified Currency maintained by the payee with, a bank in the principal financial centre of the country of the Specified Currency. Payments in euro will be made by credit or transfer to a euro account or any other account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by euro-cheque. Payments in CNY will be made by credit or transfer to a CNY account within the CNY Settlement Centre(s) unless otherwise specified in the applicable Final Terms.

The applicable Final Terms may also contain provisions for variation of settlement where, for reasons beyond the control of the Issuer or any Noteholder (including, without limitation, unlawfulness, illegality, impossibility, *force majeure*, non-transferability or the like, each a "**Payment Disruption Event**"), the Issuer is not able to make, or any Noteholder is not able to receive, as the case may be, payment on the due date and in the Specified Currency of any amount of principal or interest due under the Notes.

If the applicable Final Terms specify "CNY Payment Disruption Event" to be applicable, in the event that the Calculation Agent determines, in its sole and absolute discretion, that a CNY Payment Disruption Event has occurred or is likely to occur and that such CNY Payment Disruption Event is material in relation to the Issuer's payment obligations under the Notes in respect of any forthcoming Interest Payment Date, Maturity Date or other date on which any amount in respect of the Notes shall be due and payable (each such date, an "**Affected Payment Date**"), then the Calculation Agent shall notify Noteholders as soon as practicable of the occurrence of such CNY Payment Disruption Event in accordance with Condition 12.

If the applicable Final Terms specify that "CNY Payment Disruption Event" is applicable to the Notes, upon the occurrence of a CNY Payment Disruption Event:

(i) *Postponement*

If the applicable Final Terms specify "Postponement" to be applicable in respect of the Notes, then the Affected Payment Date shall be postponed until the earlier of (A) the second Business Day following the day on which such CNY Payment Disruption Event ceases to exist, and (B) the date falling 14 calendar days following the original date on which the Affected Payment Date was scheduled to fall (the "**CNY Payment Disruption Cut-off Date**") and notice thereof shall be given to the relevant Noteholders in accordance with Condition 12. For the avoidance of doubt, no amount of interest shall be payable in respect of any delay in payment of any amount(s) due to the adjustment of any Affected Payment Date.

In the event that, pursuant to the preceding paragraph, the Affected Payment Date is adjusted to fall on the CNY Payment Disruption Cut-off Date and the Calculation Agent determines that a CNY Payment Disruption Event still exists on such day, then the Issuer shall make payment of the Equivalent Amount of the relevant Interest Amount, Final Redemption Amount or such other amount payable (if applicable) on the CNY Payment Disruption Cut-off Date and notice thereof shall be given to the relevant Noteholders in accordance with Condition 12. Any such payment made by the Issuer on the CNY Payment Disruption Cut-off Date shall be in full and final settlement of its obligations to pay such amount in respect of the Notes.

(ii) *Payment of Equivalent Amount*

If the applicable Final Terms specify "Payment of Equivalent Amount" to be applicable in respect of the Notes, the Issuer shall, upon giving notice prior to the relevant Affected Payment Date to the Noteholders in accordance with Condition 12, make payment of the Equivalent Amount of the relevant Interest Amount, Final Redemption Amount or such other amount payable (if applicable) on the relevant Affected Payment Date. Any such payment made by the Issuer on an Affected Payment Date shall be in full and final settlement of its obligations to pay such amount in respect of the Notes.

For these purposes:

"**CNY**" means Chinese Yuan or Renminbi, the lawful currency of the People's Republic of China (including any lawful successor currency to the CNY).

"**CNY Governmental Authority**" means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) in the People's Republic of China, Hong Kong and any other CNY Settlement Centre(s).

"**CNY Payment Disruption Event**" means the occurrence of any of the following events:

- (A) an event which makes it impossible (where it had previously been possible) or impractical for the Issuer to convert any amounts due and payable in CNY under the Notes into or from the Equivalent Amount Settlement Currency in the general CNY foreign exchange market in the relevant CNY Settlement Centre(s), except where such impossibility or impracticality is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any CNY Governmental Authority (unless such law, rule or regulation is enacted after the relevant Trade Date, and it is impossible or impractical for the Issuer, due to events beyond its control, to comply with such law, rule or regulation) (a "**CNY Inconvertibility Event**"). For the avoidance of doubt, the inability of the Issuer to convert CNY solely due to issues relating to its creditworthiness shall not constitute a CNY Inconvertibility Event;
- (B) an event that makes it impossible (where it had previously been possible) or impractical for the Issuer to deliver (i) CNY between accounts inside the relevant CNY Settlement Centre(s), or (ii) from an account inside the relevant CNY Settlement Centre(s) to an account outside the relevant CNY Settlement Centre(s) (including, if applicable, to another CNY Settlement Centre) and outside Mainland China, or (iii) from an account outside the relevant CNY Settlement Centre(s) (including, if applicable, from an account inside another CNY Settlement Centre) and outside Mainland China to an account inside the relevant CNY Settlement Centre(s), except where such impossibility or impracticality is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any CNY Governmental Authority (unless such law, rule or regulation is enacted after the relevant Trade Date, and it is impossible or impractical for the Issuer, due to events beyond its control, to comply with such law, rule or regulation) (a "**CNY Non-Transferability Event**"). For the purposes of determining whether a CNY Non- Transferability Event has occurred only, a segregated CNY fiduciary cash account with the People's Bank of China and operated by Bank of China (Hong Kong) Limited shall be deemed to be an account inside Hong Kong; and
- (C) an event that makes it impossible (where it had previously been possible) or impractical for the Issuer to obtain a firm quote of an offer price in respect of any amounts due and payable in CNY under the Notes (either in one transaction or a commercially reasonable number of transactions that, when

taken together, is no less than such amount) in the general CNY foreign exchange market in the relevant CNY Settlement Centre(s) in order to perform its obligations under the Notes (a "**CNY Illiquidity Event**"). For the avoidance of doubt, the inability of the Issuer to obtain such firm quote solely due to issues relating to its creditworthiness shall not constitute a CNY Illiquidity Event.

"CNY Settlement Centre" means the financial centre(s) specified as such in the applicable Final Terms in accordance with applicable laws and regulations. If no CNY Settlement Centre is specified in the relevant Final Terms, the CNY Settlement Centre shall be deemed to be Hong Kong.

"Equivalent Amount" means, following the occurrence of a CNY Payment Disruption Event and in respect of the relevant Interest Amount, Final Redemption Amount or such other amount payable (if applicable) on the relevant Affected Payment Date or the relevant CNY Payment Disruption Cut-off Date, as the case may be (for these purposes, the "**Relevant CNY Amount**"), an amount in the Equivalent Amount Settlement Currency determined by the Calculation Agent (in its sole and absolute discretion), by converting the Relevant CNY Amount into the Equivalent Amount Settlement Currency using the Equivalent Amount Settlement Price for the relevant Affected Payment Date or the relevant CNY Payment Disruption Cut-off Date, as the case may be.

"Equivalent Amount Settlement Currency" means the currency specified as such in the applicable Final Terms.

"Equivalent Amount Settlement Price" means, unless otherwise specified in the applicable Final Terms, in respect of any relevant day, the spot rate of exchange between CNY and the Equivalent Amount Settlement Currency on such day, appearing on the Equivalent Amount Settlement Price Source at the Equivalent Amount Settlement Valuation Time on such day (expressed as a number of units (or part units) of CNY for which one unit of the Equivalent Amount Settlement Currency can be exchanged), or if such rate is not available, the arithmetic mean (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer CNY/Equivalent Amount Settlement Currency exchange rates provided by two or more leading dealers on a foreign exchange market (as selected by the Calculation Agent) at the Equivalent Amount Settlement Valuation Time on such day. If less than two leading dealers provide the Calculation Agent with bid and offer CNY/Equivalent Amount Settlement Currency exchange rates on such day, the Calculation Agent shall determine the Equivalent Amount Settlement Price in its discretion.

"Equivalent Amount Settlement Price Source" means the price source specified in the applicable Final Terms.

"Equivalent Amount Settlement Valuation Time" means the time at which the Equivalent Amount Settlement Price Source publishes the Equivalent Amount Settlement Price.

"impossible" or **"impossibility"** in relation to a CNY Payment Disruption Event, shall include (but shall not be limited to) any act which, if done or performed by the Issuer (or any affiliate of the Issuer) would be or result in the breach of any applicable law, rule, or regulation.

"impractical" or **"impracticality"** means, in relation to a CNY Payment Disruption Event and in respect of any action to be taken by the Issuer, that the Issuer (or any of its Affiliates) would incur a materially increased amount of taxes, duties, expenses or fees (as compared with circumstances existing on the Trade Date) to perform such action.

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will be made in the manner specified above and otherwise in the manner

specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside of the United States. A record of each payment made on such Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which such Global Note is presented for the purpose of making such payment, and such record shall be *prima facie* evidence that the payment in question has been made.

*Notwithstanding the foregoing, payments in respect of Bearer Notes denominated and payable in U.S. dollars will be made at the specified office of any Paying Agent in the United States if (a) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount due on the Bearer Notes in the manner provided above when due, (b) payment of the full amount due at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts, and (c) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequences to the Issuer.

Notwithstanding the foregoing, payments in respect of Notes denominated and payable in CNY will be made solely by transfer to a CNY bank account maintained in the CNY Settlement Centre(s) in accordance with prevailing rules and regulations.

The holder of the relevant Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the payment obligations of the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg or the CMU as the holder of a particular nominal amount of Notes must look solely to Euroclear and/or Clearstream, Luxembourg or the CMU, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant Global Note. No person other than the holder of the relevant Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Fixed Rate Bearer Notes in definitive form should be presented for payment with all unmatured Coupons appertaining thereto (which expression shall include Coupons to be issued on exchange of Talons which will have matured on or before the relevant redemption date), failing which the full amount of any missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the full amount of such missing unmatured Coupon which the sum so paid bears to the total amount due) will be deducted from the sum due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon within a period of 10 years from the Relevant Date (as defined in Condition 6) for the payment of such sum due for payment, whether or not such Coupon has become void pursuant to Condition 9 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Bearer Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Note, Index Linked Note, Share Linked Note, Inflation Linked Note, Commodity Linked Note, Fund Linked Note, Credit Linked Note, ETI Linked Note, Foreign Exchange (FX) Rate Linked Note, Underlying Interest Rate Linked Note or Hybrid Note in definitive bearer form all unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them. Where any Floating Rate Note, Index Linked Note, Share Linked Note, Inflation Linked Note, Commodity Linked Note, Fund Linked Note, Credit Linked Note, ETI Linked Note, Foreign Exchange (FX) Rate Linked Note, Underlying Interest Rate Linked Note or Hybrid Note is presented for redemption without all unmatured Coupons appertaining

thereto, payment of all amounts due in relation to such Note shall be made only against the provision of such indemnity of the Issuer.

If any date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, then the holder thereof shall not be entitled to payment of the amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay.

For these purposes, "**Payment Day**" means any day which (subject to Condition 9) is: a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:

- (A) the relevant place of presentation;
- (B) each Financial Centre specified in the applicable Final Terms;
- (C) in relation to any sum payable in euro, a day on which the TARGET2 System is open. If the due date for redemption of any interest bearing Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such Note from (and including) the last preceding due date for the payment of interest (or from the Interest Commencement Date) will be paid against surrender of such Note; and
- (D) in relation to any sum payable in CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the CNY Settlement Centre(s).

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

If the determination of any amount (whether in respect of principal, interest or otherwise) due in respect of the Notes on an Interest Payment Date, Instalment Date, early redemption date or the Maturity Date (such date a "**Scheduled Payment Date**") is calculated by reference to the valuation of one or more Underlying Reference(s) and the date (or final date, as the case may be) for such valuation is postponed or delayed as provided in the Terms and Conditions or in the applicable Final Terms to a date (such date the "**Delayed Date**") falling after the day that is two Business Days preceding such Scheduled Payment Date, notwithstanding any provision to the contrary in the Terms and Conditions or in the applicable Final Terms, such Interest Payment Date, Instalment Date, early redemption date or the Maturity Date, as the case may be, shall be postponed to the day falling two Business Days following such Delayed Date and no interest or other amount shall be payable on the Notes in respect of such delay.

The names of the initial Principal Paying Agent and the other initial Paying Agents and their initial specified offices are set out in the applicable Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents and/or to approve any change in the specified office of any Paying Agent, provided that:

- (i) so long as any Notes are listed on any stock exchange, there will at all times be a Paying Agent, which may be the Principal Paying Agent (in the case of Bearer Notes) and a Transfer Agent, which may be the Registrar (in the case

of Registered Notes) with a specified office in the place required by the rules and regulations of the relevant stock exchange; and

- (ii) there will at all times be a Principal Paying Agent and a Registrar; and
- (iii) there will at all times be a Paying Agent in a jurisdiction within continental Europe other than the jurisdiction of the Issuer;
- (iv) the Issuer undertakes that it will ensure that it maintains a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (v) so long as any Notes are cleared through CMU, there will at all times be appointed a CMU lodging agent or paying agent with a specified office in such place as required by the CMU.

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 4(a) in the paragraph indicated by an asterisk. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice shall have been given to the Noteholders in accordance with Condition 12.

Payments in respect of the Notes will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to Condition 6, (ii) any withholding or deduction required pursuant to Section 871(m) of the U.S. Internal Revenue Code of 1986 (the "**Code**"), and (iii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 6) any law implementing an intergovernmental approach thereto.

(b) *Physical Delivery*

(A) Physical Delivery

(1) Asset Transfer Notices

In relation to Notes to be redeemed by delivery or (in the case of Credit Linked Notes) Delivery of the Entitlement(s), in order to obtain delivery or Delivery of the Entitlement in respect of any Note, the relevant Noteholder must:

- (X) if such Note is represented by a Global Note, the relevant Noteholder must deliver to Euroclear or Clearstream, Luxembourg (as applicable), with a copy to the Principal Paying Agent and any entity appointed by the Issuer to deliver or Deliver, as the case may be, the Entitlement on its behalf (the "**Delivery Agent**") not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice in the form set out in the Agency Agreement; and
- (Y) if such Note is in definitive form, the relevant Noteholder must deliver (i) if this Note is a Bearer Note, to any Paying Agent or (ii) if this Note is a Registered Note, to the Registrar or any Paying Agent, in each case, with a copy to the Principal Paying Agent and the Delivery Agent (as defined above) not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice in the form set out in the Agency Agreement.

For the purposes hereof, "**Cut-off Date**" means the date specified as such in the applicable Final Terms or if not so specified (a) in respect of a Note that is not a Credit Linked Note, the third Business Day immediately preceding the Maturity Date or (b) in respect of a Credit Linked Note, the first Business Day immediately preceding the Settlement Date.

Copies of the Asset Transfer Notice may be obtained during normal business hours from the specified office of the Registrar or any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear or Clearstream, Luxembourg, as the case may be, or (ii) if such Note is in definitive form, in writing.

If this Note is in definitive form, this Note must be delivered together with the duly completed Asset Transfer Notice.

The Asset Transfer Notice shall:

- (i) specify the name, address and contact telephone number of the relevant Noteholder and the person from whom the Issuer or Delivery Agent may obtain details for the delivery or Delivery of the Entitlement;
- (ii) specify the series number of the Notes and the number of Notes which are the subject of such notice;
- (iii) in the case of Notes represented by a Global Note, specify the nominal amount of Notes which are the subject of such notice and the number of the Noteholder's account at the relevant Clearing System to be debited with such Notes and irrevocably instruct and authorise the relevant Clearing System to debit the relevant Noteholder's account with such Notes on or before the Delivery Date or (in the case of Credit Linked Notes) the Settlement Date;
- (iv) include an undertaking to pay all Expenses and, in the case of Notes represented by a Global Note, an authority to the relevant Clearing System to debit a specified account of the Noteholder with the relevant Clearing System in respect thereof and to pay such Expenses;
- (v) include such details as are required for delivery or Delivery of the Entitlement which may include account details and/or the name and address of any person(s) into whose name evidence of the Entitlement is to be registered and/or any bank, broker or agent to whom documents evidencing the Entitlement are to be delivered or Delivered and specify the name and number of the Noteholder's account to be credited with any cash payable by the Issuer, including pursuant to Credit Condition 7, in respect of any cash amount constituting the Entitlement or any dividends relating to the Entitlement or as a result of the occurrence of a Settlement Disruption Event or a Failure to Deliver and the Issuer electing to pay the Disruption Cash Redemption Amount or Failure to Deliver Redemption Amount, as applicable, or as a result of the Issuer electing to pay the Alternate Cash Redemption Amount;
- (vi) certify that the beneficial owner of each Note is not a U.S. person (as defined in the Asset Transfer Notice), the Note is

not being redeemed within the United States or on behalf of a U.S. person and no cash, securities or other property have been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person in connection with any redemption thereof;

- (vii) authorise the production of such certification in any applicable administrative or legal proceedings,

all as provided in the Agency Agreement.

If Condition 4(b)(B) applies, the form of Asset Transfer Notice required to be delivered will be different from that set out above. Copies of such Asset Transfer Notice may be obtained from the Registrar or any Paying Agent.

(2) Verification of the Noteholder

In the case of Notes represented by a Global Note, upon receipt of an Asset Transfer Notice, the relevant Clearing System shall verify that the person delivering the Asset Transfer Notice is the holder of the Notes described therein according to its records. Subject thereto, the relevant Clearing System will confirm to the Principal Paying Agent the series number and number of Notes the subject of such notice, the relevant account details and the details for the delivery of the Entitlement of each Note. Upon receipt of such confirmation, the Principal Paying Agent will inform the Issuer and any Delivery Agent thereof. The relevant Clearing System will on or before the Delivery Date or Settlement Date, as the case may be, debit the securities account of the relevant Noteholder with the relevant Notes.

(3) Determinations and Delivery

Any determination as to whether an Asset Transfer Notice is duly completed and in proper form shall be made, in the case of Notes represented by a Global Note, by the relevant Clearing System or, in the case of Notes in definitive form, by the relevant Paying Agent or the Registrar, as the case may be, or in each case in consultation with the Principal Paying Agent, and shall be conclusive and binding on the Issuer, the Principal Paying Agent(s), any Delivery Agent and the relevant Noteholder. Subject as set out below, any Asset Transfer Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Paying Agent and any Delivery Agent immediately after being delivered or sent as provided in paragraph (1) above, shall be null and void.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of, in the case of Notes represented by a Global Note, the relevant Clearing System, or, in the case of Notes in definitive form, by the relevant Paying Agent or the Registrar, as the case may be, or in each case in consultation with the Principal Paying Agent, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered as provided above.

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System, the Registrar or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

The Entitlement will be delivered at the risk of the relevant Noteholder, in the manner provided below on the date fixed for redemption (such date, subject to adjustment in accordance with this

Condition, the "**Delivery Date**") or in the case of Credit Linked Notes Delivered at the risk of the relevant Noteholder, in the manner provided below on the Settlement Date, provided that the Asset Transfer Notice is duly delivered as provided above on or prior to the Cut-Off Date.

If a Noteholder fails to give an Asset Transfer Notice as provided herein with a copy to the Principal Paying Agent and the Delivery Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered or, as the case may be, Delivered as soon as practicable after the date fixed for redemption (in which case, such date of delivery shall be the Delivery Date) or (in the case of Credit Linked Notes) the Settlement Date at the risk of such Noteholder in the manner provided below. For the avoidance of doubt, in such circumstances such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the date fixed for redemption or the originally designated Settlement Date, as applicable and no liability in respect thereof shall attach to the Issuer.

The Issuer (or any Delivery Agent on its behalf) shall at the risk of the relevant Noteholder, deliver or procure the delivery of the Entitlement for each Note or (in the case of Credit Linked Notes) Deliver the Deliverable Obligations comprising the Entitlement, in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Noteholder in the relevant Asset Transfer Notice or in such manner as is specified in the applicable Final Terms. All costs, taxes, duties and/or expenses including stamp duty, stamp duty reserve tax and/or other costs, duties or taxes ("**Expenses**") arising from the delivery of the Entitlement or the Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, in respect of such Notes shall be for the account of the relevant Noteholder and no delivery of the Entitlement or the Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

(4) General

If Aggregation is specified as applicable in the applicable Final Terms, Notes held by the same Noteholder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Notes. The Entitlement or the aggregate Entitlements in respect of the same Noteholder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Noteholder.

Following the Delivery Date of a Share or ETI Interest all dividends on the relevant Shares or ETI Interest to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares or ETI Interests executed on the Delivery Date and to be delivered in the same manner as such relevant Shares or ETI Interests. Any such dividends to be paid to a Noteholder will be paid to the account specified by the Noteholder in

the relevant Asset Transfer Notice as referred to in Condition 4(b)(A)(1).

For such period of time after delivery or Delivery of the Entitlement as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, the Paying Agents, the Registrar, any Delivery Agent or any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Noteholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities, obligations or Deliverable Obligations or (iii) be under any liability to a Noteholder in respect of any loss or damage which such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities, obligations or Deliverable Obligations.

(5) Settlement Disruption

The provisions of this Condition 4(b)(A)(5) apply to Notes other than Credit Linked Notes.

If, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on the Delivery Date, then the Delivery Date shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Delivery Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Redemption Amount (as defined below) on the fifth Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 12. Payment of the Disruption Cash Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 12. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 12 that a Settlement Disruption Event has occurred. No Noteholder shall be entitled to any payment in respect of the relevant Note in the event of any delay in the delivery of the Entitlement due to the occurrence of a

Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

For the purposes hereof:

"Disruption Cash Redemption Amount", in respect of any relevant Note, shall be the fair market value of such Note (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets) less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion;

"Settlement Business Day" has the meaning specified in the applicable Final Terms; and

"Settlement Disruption Event" means, in the opinion of the Calculation Agent, an event beyond the control of the Issuer as a result of which the Issuer cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(6) Failure to Deliver due to Illiquidity

The provisions of this Condition 4(b)(A)(6) apply to the Notes other than Credit Linked Notes.

If "Failure to Deliver due to Illiquidity" is specified as applying in the applicable Final Terms and in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the **"Affected Relevant Assets"**) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a **"Failure to Deliver due to Illiquidity"**), then:

- (i) subject as provided elsewhere in the Terms and Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated date of redemption in accordance with this Condition 4(b); and
- (ii) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Failure to Deliver Redemption Amount (as defined below) on the fifth Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 12. Payment of the Failure to Deliver Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 12. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 12 that the provisions of this Condition 4(b)(A)(6) apply.

For the purposes hereof, **"Failure to Deliver Redemption Amount"** in respect of any relevant Note shall be the fair market value of such Note (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion.

(7) Additional Provisions for Credit Linked Notes

In the case of Credit Linked Notes, the provisions contained in Annex 7 – “Additional Terms and Conditions for Credit Linked Notes” shall apply.

(B) Variation of Settlement

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Notes, the Issuer may at its sole and absolute discretion in respect of each such Note, elect not to pay the relevant Noteholders the Final Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Noteholders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Final Redemption Amount on the Maturity Date to the relevant Noteholders, as the case may be. Notification of such election will be given to Noteholders in accordance with Condition 12.
- (ii) If specified in the applicable Final Terms, the Issuer shall, in respect of each Note, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Noteholders, make payment of the Final Redemption Amount on the Maturity Date to the relevant Noteholders.

(C) Issuer's Option to Substitute Assets or to pay the Alternate Cash Redemption Amount

Notwithstanding any provision of these Conditions to the contrary, the Issuer may, in its sole and absolute discretion in respect of such Notes, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprises shares or ETI Interests which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares or ETI Interests which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Noteholders, but in lieu thereof to make payment to the relevant Noteholder on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Redemption Amount**"). Notification of any such election will be given to Noteholders in accordance with Condition 12 and in the event that the Issuer elects to pay the Alternate Cash Redemption Amount such notice shall give details of the manner in which such amount shall be paid.

For purposes hereof, a "**freely tradable**" share or an ETI Interest shall mean (i) with respect to the United States, a share or an ETI Interest, as the case may be, which is registered under the Securities Act or is not a restricted security under the Securities Act and which is not purchased from the issuer of such share or an ETI Interest, as the case may be, and not purchased from an affiliate of the issuer of such share or an ETI Interest, as the case may be, or which otherwise meets the requirements of a freely tradable share or an ETI Interest, as the case may be, for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share or an ETI

Interest, as the case may be, not subject to any legal restrictions on transfer in such jurisdiction.

(D) Rights of Noteholders and Calculations

None of the Issuer, the Calculation Agent, any Delivery Agent and the Agents shall have any responsibility for any errors or omissions in any calculation or determination in respect of the Notes.

The purchase of Notes does not confer on any holder of such Notes any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

(E) Commodity Linked Notes

Commodity Linked Notes shall not be redeemed by physical delivery and the provisions of this Condition 4(b) shall not apply to Commodity Linked Notes.

5. Redemption and Purchase

(a) *Final Redemption*

Unless previously redeemed or purchased and cancelled as provided below, each Note (other than a Credit Linked Note) will be redeemed by the Issuer at its relevant Final Redemption Amount on the Maturity Date specified in the applicable Final Terms or, if Physical Settlement is specified as applicable in the applicable Final Terms (each such Note a "**Physical Delivery Note**") by delivery of the Entitlement (as provided in Condition 4(b) above). This Note may not be redeemed other than in accordance with these Conditions.

The "Final Redemption Amount" in respect of each nominal amount of Notes equal to the Calculation Amount shall be an amount equal to:

(i) Calculation Amount x the percentage or (ii) the Final Payout, as specified in the applicable Final Terms,

Provided That if the product of the Final Payout is zero, no amount shall be payable on final redemption of the Note.

The "Entitlement" shall be a quantity of the Relevant Asset(s) equal to the Entitlement Amount specified in the applicable Final Terms.

(b) *Redemption for Taxation Reasons*

(i) If the Issuer would, as a result of any change in, or in the official interpretation or administration of, any laws or regulations of France or any other authority thereof or therein be required to pay additional amounts as provided in Condition 6, the Issuer may at its option at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) but subject, in the case of Subordinated Notes, to the prior approval of the *Secrétariat général de l'Autorité de Contrôle Prudentiel* in France, on giving not more than 45 nor less than 30 days' notice to the Noteholders (in accordance with Condition 12) which notice shall be irrevocable, redeem all, but not some only, of the Notes at their Early Redemption Amount (as defined below) together with interest accrued to the date fixed for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date upon which the Issuer could make payment without withholding for such taxes.

(ii) If the Issuer would, on the next due date for payment of any amount in respect of the Notes, be prevented by French law from making such payment notwithstanding the undertaking to pay additional amounts as provided in Condition 6, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent and shall, subject in the case of Subordinated Notes,

to the prior approval of the *Secrétariat général de l'Autorité de Contrôle Prudentiel* in France, at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount (as defined below) together with interest accrued to the date fixed for redemption, upon giving not less than 7 nor more than 45 days' prior notice to the Noteholders (in accordance with Condition 12), provided that the due date for redemption of which notice hereunder shall be given shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of interest payable in respect of the Notes or, if such date is already past, as soon as practicable thereafter.

(c) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, subject in the case of Subordinated Notes, to the prior approval of the *Secrétariat général de l'Autorité de Contrôle Prudentiel* in France, having given not less than the minimum notice period nor more than the maximum notice period specified in the applicable Final Terms (the "**Notice Period**") notice to the Noteholders in accordance with Condition 12 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding at the Optional Redemption Amount on any Optional Redemption Date specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

The "Optional Redemption Amount" in respect of each nominal amount of Notes equal to the Calculation Amount shall be an amount equal to:

(i) Calculation Amount x the percentage or (ii) the Call Payout, as specified in the applicable Final Terms,

Provided That if the product of the Call Payout is zero, no amount shall be payable on redemption of such Note.

Any partial redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 12 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 12 at least five days prior to the Selection Date.

If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg or the CMU, to exercise the right to require redemption of this Note the relevant Noteholder must, within the Notice Period, give notice to the Registrar or Paying Agent or the CMU Lodging Agent concerned of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg or the CMU (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or the CMU Lodging Agent or any common depository or common safekeeper, as the case may be, for them to the Registrar or Paying Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg or the CMU from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice given by a Noteholder pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 8.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed in such incomplete month or such other calculation basis as may be specified in the applicable Final Terms.

2. Status of the Notes

(a) Status (Senior Notes)

If the Notes are "**Senior Notes**", the Notes and any interest relating thereto are direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank and will rank pari passu among themselves and at least pari passu with all other direct, unconditional, unsecured and unsubordinated indebtedness of the Issuer (save for statutorily preferred exceptions).

(b) Status (Subordinated Notes)

"**Subordinated Notes**" comprise Dated Subordinated Notes and Undated Subordinated Notes.

(A) Dated Subordinated Notes

If the Notes are "**Dated Subordinated Notes**", the Notes are direct, unconditional, unsecured and subordinated obligations of the Issuer and rank pari passu among themselves and pari passu with all other present and future direct, unconditional, unsecured and ordinary subordinated indebtedness of the Issuer and have a fixed maturity date. Subject to applicable law, in the event of the voluntary liquidation of the Issuer, bankruptcy proceedings, or any other similar proceedings affecting the Issuer, the rights of the Noteholders to payment in respect of principal and (if so specified in the applicable Final Terms) interest under the Dated Subordinated Notes will be subordinated to the full payment of the unsubordinated creditors (including depositors) of the Issuer and, subject to such payment in full, such Noteholders will be paid in respect of principal and (if so specified in the applicable Final Terms) interest in priority to prêts participatifs granted to the Issuer and titres participatifs issued by the Issuer. Interest on Dated Subordinated Notes will not be subordinated (unless otherwise specified in the applicable Final Terms).

(B) Undated Subordinated Notes

If the Notes are "**Undated Subordinated Notes**", the Notes are direct, unconditional, unsecured and subordinated obligations of the Issuer and rank pari passu among themselves and pari passu with all other present and future direct, unconditional, unsecured and ordinary subordinated indebtedness of the Issuer and have no fixed maturity date. Payment of interest in respect of Undated Subordinated Notes may be deferred in accordance with the provisions of Condition 3(f).

Subject to applicable law, in the event of the voluntary liquidation of the Issuer, bankruptcy proceedings, or any other similar proceedings affecting the Issuer, the rights of Noteholders in respect of principal and interest to payment under the Undated Subordinated Notes will be subordinated to the full payment of the unsubordinated creditors (including depositors) of the Issuer and, subject to such payment in full, such Noteholders will be paid in priority to prêts participatifs granted to the Issuer and titres participatifs issued by the Issuer.

The proceeds of issues of Undated Subordinated Notes may be used for off-setting losses of the Issuer and, thereafter, to allow it to continue its activities in accordance with French banking regulations. The loss will be charged first against accumulated profits, then against reserves and capital, and finally, if needed, against the subordinated loans and unpaid interest thereon (including interest on the Notes) which include a clause providing for the absorption of the losses, in order to allow the Issuer to fulfil the regulatory requirements applicable to banks prevailing in France, especially those relating to solvency ratios, and in order to allow the Issuer to continue its activities. The proceeds of such issues will be classed amongst the funds of the Issuer in accordance with Article 4(c) of Règlement No. 90-02 as amended of the Comité de la réglementation bancaire et financière. This provision does not in any way affect any French law applicable to accounting principles relating to allocation of losses nor the duties of the shareholders and does not in any way affect the rights of the Noteholders to receive payments of principal and interest under Undated Subordinated Notes in accordance with these Terms and Conditions.

3. Interest and AER Rate

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will accrue in respect of each Interest Period (which expressions shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Period End Date (each such latter date the “**Interest Period End Final Date**” for the relevant Interest Period)). Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment date falls after the Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date. If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (i) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (ii) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be shall be brought forward to the immediately preceding Business Day; or
- (iii) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

If no Business Day Convention is specified as applicable to an Interest Period End Date in the applicable Final Terms:

- (A) The amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) the Interest Period End Final Date in respect of such Interest Period, will amount to the Fixed Coupon Amount; and
- (B) The amount of interest payable on any other Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Interest shall be calculated by applying the Rate of Interest to the aggregate outstanding nominal amount of the Fixed Rate Notes (or, if they are Partly Paid Notes, the aggregate amount paid up) and multiplying such sum by the applicable Day Count Fraction, and

rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) ***Interest on Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References***

(i) Interest Period End Dates and Interest Payment Dates

Each Floating Rate Note, each Index Linked Interest Note, Share Linked Interest Note, Inflation Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note, ETI Linked Interest Note, Foreign Exchange (FX) Rate Linked Interest Note, Underlying Interest Rate Linked Notes, Hybrid Linked Interest Note and Notes with interest linked to other Underlying References bears interest on its nominal amount (or, if it is a Partly Paid Note, in accordance with Condition 3(d)) or pays interest in respect of each Interest Period (which expression shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Interest Period End Date (each such latter date the “**Interest Period End Final Date**” for the relevant Interest Period)). For the purposes of this Condition 3(b) “**Interest Period End Date**” shall mean either:

- (1) the specified Interest Period End Date(s) in each year specified in the applicable Final Terms; or
- (2) if no Interest Period End Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Period End Date or, in the case of the first Interest Period End Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment Date falls after an Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) In any case where Specified Periods are specified in accordance with Condition 3(b)(i)(2) above, the Floating Rate Convention, such Interest Period End Date or Interest Payment Date, as the case may be, (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Period End Date or Interest Payment Date, as

the case may be, shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Period End Date or Interest Payment Date, as the case may be, occurred; or

- (B) The Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (C) The Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or
- (D) The Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

In these Conditions, "**Business Day**" means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro or CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (any such centre, an "**Additional Business Centre**" and which, if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively), or (B) in relation to any sum payable in euro, a day (a "**TARGET2 Settlement Day**") on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the "**TARGET2 System**").

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References will be determined in the manner specified in the applicable Final Terms.

(iii) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest or the Rate, as applicable, for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (iii), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;

- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone inter-bank offered rate ("**EURIBOR**") for a currency, the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (iii), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(iv) FBF Determination

Where so specified in the applicable Final Terms, interest will be payable on such dates, at such a rate (the "**FBF Rate**") and in such amounts, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), as would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to transactions on forward financial instruments (an "**FBF Agreement**"), as in effect on the date of issue of the Notes, published by the Fédération Bancaire Française and evidenced by a Confirmation (as defined in the FBF Agreement) with the holder of the relevant Note under which:

- (A) the Issuer was the Floating Amount Payer;
- (B) the Principal Paying Agent (as defined herein) was the Agent (as defined in the FBF Agreement) or as otherwise specified in the applicable Final Terms;
- (C) the Interest Commencement Date was the Transaction Date;
- (D) the lowest Specified Denomination was the Notional Amount;
- (E) the Interest Payment Dates were the Floating Amount Payment Dates; and
- (F) all other terms were as specified in the applicable Final Terms.

When the preceding sentence applies, in respect of each relevant Interest Payment Date:

- (1) the amount of interest determined for such Interest Payment Date will be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though determined under sub-paragraph (vi) below;
- (2) the Rate of Interest for such Interest Period will be the Floating Rate (as defined in the FBF Agreement) determined by the Principal Paying Agent in accordance with the preceding sentence; and
- (3) the Principal Paying Agent will be deemed to have discharged its obligations under subparagraph (vi) below if it has determined the Rate of Interest and the Interest Amount payable on such Interest Payment Date in the manner provided in the preceding sentence.

(v) Screen Rate Determination

- (A) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:
 - (1) the offered quotation; or
 - (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (B) If the Relevant Screen Page is not available or if, in the case of Sub-Clause (A)(i), no offered quotation appears or, in the case of Sub-Clause (A)(2), fewer than three offered quotations appear, in each case as at the Specified Time, the Principal Paying Agent shall request each of the Reference Banks to provide the Principal Paying Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent.
- (C) If on any Interest Determination Date one only or none of the Reference Banks provides the Principal Paying Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Principal Paying Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Principal Paying Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Principal Paying Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent it is quoting to leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter-bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest

Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(vi) Determination of Rate of Interest and Calculation of Interest Amount

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References, will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "**Interest Determination Date**"), determine the Rate of Interest (subject to any Minimum Interest Rate or Maximum Interest Rate specified in the applicable Final Terms) for the relevant Interest Period. In the case of Index Linked Interest Notes, Share Linked Interest Notes, Inflation Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, ETI Linked Interest Notes, Foreign Exchange (FX) Rate Linked Interest Notes, Underlying Interest Rate Linked Notes, Hybrid Interest Notes and Notes with interest linked to other Underlying References, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent or Calculation Agent, as applicable, will calculate the amount of interest (the "**Interest Amount**") payable on the Notes for the relevant Interest Period by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes (or, if they are Partly Paid Notes, the aggregate amount paid up)

and multiplying such sum by the Day Count Fraction specified in the applicable Final Terms and rounding the resultant figure to the nearest sub-unit (defined above) of the relevant Specified Currency, one half of such a sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**Calculation Period**" means each Interest Period, AER Calculation Period, FR Calculation Period, SPS Call Valuation Period or SPS Put Valuation Period, as applicable.

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest for any Interest Period:

- (a) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Period End Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the "**Accrual Period**") is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (x) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (a) the number of days in such Determination Period and (b) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and

- (y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (a) the number of days in such Determination Period and (b) the number of Determination Dates that would occur in one calendar year;

"Determination Date(s)" means the date(s) specified in the applicable Final Terms;

"Determination Period" means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the Interest Period End Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

- (a) if **"Actual/Actual (ISDA)"** or **"Actual/Actual"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (b) if **"Actual/365 (Fixed)"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365;
- (c) if **"Actual/365 (Sterling)"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 or, in the case of a Calculation Period ending in a leap year, 366;
- (d) if **"Actual/360"** is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 360;
- (e) if **"30/360"**, **"360/360"** or **"Bond Basis"** is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

where:

"Y1" is the year expressed as a number, in which the first day of the Calculation Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless such number is 31 in which case D1, will be 30; and

"b" is the calendar day expressed as a number immediately following the last day included in the Calculation Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (f) if **"30E/360"** or **"Eurobond Basis"** is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31 in which case D1, will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D2 will be 30;

- (g) if "**30E/360 (ISDA)**" is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31 in which case D2 will be 30.

- (vii) Minimum and/or Maximum Interest Rate

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of subparagraph (ii), (iii), (iv) or (v) above (as appropriate) is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of subparagraph (ii), (iii), (iv) or (v) above (as appropriate) is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

- (viii) Notification of Rate of Interest and Interest Amount

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer (such notifications to occur no later than the Business Day following such determination), (in the case of Notes which are listed on Euronext Paris and the rules of such stock exchange so require) Euronext Paris, as applicable and, if applicable, to any other stock exchange on which the relevant Notes are for the time being listed. In addition, the Principal Paying Agent (except where the relevant Notes are unlisted) shall publish or cause to be published such Rate of Interest, Interest Amount and Interest Payment Date in accordance with Condition 11 as soon as possible after their determination but in no event later than the fourth Luxembourg Business Day

thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Notes are for the time being listed and to the Noteholders in accordance with Condition 11. For the purposes of these Conditions, the expression "Luxembourg Business Day" means a day (other than a Saturday or a Sunday) on which commercial banks are open for business in Luxembourg.

(ix) **Certificates to be Final**

All certificates, communications, determinations, calculations and decisions made for the purposes of the provisions of this paragraph (b), by the Principal Paying Agent or, if applicable, Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the other Paying Agents, or, if applicable, the Calculation Agent and all Noteholders, and (in the absence as aforesaid) no liability to the Noteholders shall attach to the Principal Paying Agent or, if applicable, the Calculation Agent, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 5(e) at its Amortised Face Amount. As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Accrual Yield specified in the applicable Final Terms. Such interest shall continue to accrue (as well after as before any judgment) until the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note. Such interest will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and in the case of an incomplete month the actual number of days elapsed in such incomplete month or on such other basis as may be specified in the applicable Final Terms.

(d) **Interest on Partly Paid Notes**

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes) interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) **Interest Payments**

Interest will be paid subject to and in accordance with the provisions of Condition 4. Interest will cease to accrue on each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless such Note is redeemed early. If such Note is redeemed early (i) if the applicable Final Terms specify that Accrual to Redemption is applicable, interest will cease to accrue on the due date for redemption or (ii) if the applicable Final Terms specify that Accrual to Redemption is not applicable, no interest shall accrue or be payable in respect of which the relevant Interest Payment Date has not occurred on or prior to the due date for redemption of such Note. If the payment of principal or the payment, and/or delivery of the Entitlement (if applicable), is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) at the Fixed Rate or, as the case may be, the Rate of Interest or as otherwise provided in the applicable Final Terms until whichever is the earlier of (i) the day on which all sums due and/or assets deliverable in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Principal Paying Agent or any agent appointed by the Issuer to deliver such assets to Noteholders has notified the holder thereof (either in accordance with Condition 11 or individually) of receipt of all sums due and/or assets deliverable in respect thereof up to that date.

Provided that in the case of Credit Linked Notes, these provisions shall be subject to the provisions contained in Annex 7 – "Additional Terms and Conditions for Credit Linked Notes".

(f) Deferral of Interest – Undated Subordinated Notes

In the case of Undated Subordinated Notes, and when so specified in the applicable Final Terms, the Board of Directors of the Issuer may decide, prior to any date for the payment of interest, to suspend payment of the interest accrued during any interest period if at the most recent Annual General Meeting of the shareholders of the Issuer which preceded the corresponding date for the payment of interest no dividend was declared, paid or set apart for payment on or with respect to any class of share capital of the Issuer provided that notice of such decision is given to the relevant Noteholders in accordance with Condition 11 as soon as reasonably practicable following the taking of such decision and in any event not later than seven days prior to any date for the payment of interest. In such a case, any interest so suspended shall constitute "**Arrears of Interest**" (which term shall include interest on such unpaid interest) the payment of which shall be deferred until the date for the payment of interest immediately following the date upon which any dividend has been declared, paid, or set aside for payment on or with respect to any class of share capital of the Issuer at the most recent Annual General Meeting of the shareholders of the Issuer. Arrears of Interest shall bear interest, in accordance with Article 1154 of the French Code civil.

Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time upon the expiry of not less than seven days' notice to such effect given to the Noteholders in accordance with these Conditions, but all Arrears of Interest shall (subject to applicable laws and regulations) become due in full on whichever is the earliest of (i) the date for the payment of interest immediately following the date upon which a dividend is next declared, paid or set aside as aforesaid, or (ii) the date set for any redemption or purchase pursuant to Condition 5(b) or (c) (in the case of redemption) or 5(f) (in the case of purchase), provided all the Notes are so purchased, or (iii) the commencement of "**liquidation judiciaire**" or "**liquidation amiable**" procedures as contemplated by Condition 8(b).

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged (subject to applicable laws and regulations) to do so upon the expiry of such notice.

(g) AER Rate Determination

Where the applicable Final Terms specify that the AER Rate is determined by reference to a Screen Rate the AER Rate will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the AER Reference Rate(s) which appears or appear, as the case may be, on the AER Screen Page as at the AER Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the AER Reference Rate Determination Date in question plus or minus (as indicated in the applicable Final Terms) the AER Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the AER Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the AER Screen Page is not available or if, in the case of subparagraph (i), no offered quotation appears or, in the case of subparagraph (ii), fewer than three offered quotations appear, in each case as at the AER Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the AER Reference Rate at approximately the AER Specified Time on the AER Reference Rate Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the AER Rate shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005

being rounded upwards) of the offered quotations plus or minus (as appropriate) the AER Margin (if any), all as determined by the Calculation Agent.

If on any AER Reference Rate Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the AER Rate shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the AER Specified Time on the relevant AER Reference Rate Determination Date, deposits in the Settlement Currency for a period equal to that which would have been used for the AER Reference Rate by leading banks in the inter-bank market applicable to the AER Reference Rate (which will be the London inter-bank market, if the AER Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the AER Reference Rate is EURIBOR) plus or minus (as appropriate) the AER Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Settlement Currency for a period equal to that which would have been used for the AER Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Settlement Currency for a period equal to that which would have been used for the AER Reference Rate, at which, at approximately the AER Specified Time on the relevant AER Reference Rate Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the inter-bank market applicable to the AER Reference Rate (which will be the London inter-bank market, if the AER Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the AER Reference Rate is EURIBOR) plus or minus (as appropriate) the AER Margin (if any).

If the applicable Final Terms specifies a Minimum AER Reference Rate then, in the event that the AER Reference Rate determined in accordance with the above provisions is less than such Minimum AER Reference Rate, the AER Rate shall be such Minimum AER Reference Rate.

If the applicable Final Terms specifies a Maximum AER Reference Rate then, in the event that the AER Reference Rate determined in accordance with the above provisions is greater than such Maximum AER Reference Rate, the AER Rate shall be such Maximum AER Reference Rate.

Where Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full.

4. Payments and Physical Delivery

For the purposes of this Condition 4, references to payment or repayment (as the case may be) of principal and/or interest and other similar expressions shall, where the context so admits, be deemed also to refer to delivery of any Entitlement(s).

(a) *Method of Payment*

Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of the Notes shall (in the case of Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (in the case of Notes in fully registered form), to an account denominated in the relevant currency with a bank designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.

If any date for payment of any amount in respect of any Note or interest is not a Payment Day, then the holder thereof shall not be entitled to payment of the amount due until the next

following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay.

For these purposes, "**Payment Day**" means any day which (subject to Condition 9) is a day on which:

- (x) Euroclear France is open for business (where the Notes are cleared through Euroclear France),
- (y) commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) each Financial Centre specified in the applicable Final Terms; and
 - (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open

If the determination of any amount (whether in respect of principal, interest or otherwise) due in respect of the Notes on an Interest Payment Date, Instalment Date, early redemption date or the Maturity Date (such date a "**Scheduled Payment Date**") is calculated by reference to the valuation of one or more Underlying Reference(s) and the date (or final date, as the case may be) for such valuation is postponed or delayed as provided in the Terms and Conditions or in the applicable Final Terms to a date (such date the "**Delayed Date**") falling after the day that is two Business Days preceding such Scheduled Payment Date, notwithstanding any provision to the contrary in the Terms and Conditions or in the applicable Final Terms, such Interest Payment Date, Instalment Date, early redemption date or the Maturity Date, as the case may be, shall be postponed to the day falling two Business Days following such Delayed Date and no interest or other amount shall be payable on the Notes in respect of such delay.

The names of the initial Principal Paying Agent and the other initial Paying Agents and their initial specified offices are set out in the applicable Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents and/or to approve any change in the specified office of any Paying Agent, provided that:

- (A) so long as any Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in the place required by the rules and regulations of the relevant stock exchange; and
- (B) there will at all times be a Principal Paying Agent; and
- (C) there will at all times at which any Note in registered form is outstanding, a Registration Agent (which may be the Issuer) in relation thereto; and
- (D) the Issuer undertakes that it will ensure that it maintains a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice shall have been given to the Noteholders in accordance with Condition 11.

Payments in respect of the Notes will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to Condition 6 and (ii) any withholding or deduction required pursuant to Section 871(m) of the U.S. Internal Revenue Code of 1986 (the "**Code**"), or pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements

thereunder, any official interpretations thereof, or without prejudice to the provisions of Condition 6 any law implementing an intergovernmental approach thereto.

(b) Physical Delivery

(A) Physical Delivery

(1) Asset Transfer Notices

In relation to Notes to be redeemed by delivery or (in the case of Credit Linked Notes) Delivery of the Entitlement(s), in order to obtain delivery or Delivery of the Entitlement in respect of any Note, the relevant Noteholder must arrange for the Euroclear France Account Holder through which its Notes are held to (i) deliver on its behalf to the Principal Paying Agent with a copy to any entity appointed by the Issuer to deliver or Deliver, as the case may be, the Entitlement on its behalf (the "**Delivery Agent**") not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice in the form set out in the French Law Agency Agreement and (ii) simultaneously transfer the relevant Notes to the Euroclear France account of the Principal Paying Agent.

For the purposes hereof, "**Cut-off Date**" means the date specified as such in the applicable Final Terms or if not so specified (a) in respect of a Note that is not a Credit Linked Note, the third Business Day immediately preceding the Maturity Date or (b) in respect of a Credit Linked Note, the first Business Day immediately preceding the Settlement Date.

Copies of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

The Asset Transfer Notice shall:

- (i) specify the name, address and contact telephone number of the relevant Noteholder and the person from whom the Issuer or Delivery Agent may obtain details for the delivery or Delivery of the Entitlement;
- (ii) specify the series number of the Notes and the number of Notes which are the subject of such notice;
- (iii) confirm the irrevocable instruction given to the Euroclear France Account Holder through which the relevant Notes are held to immediately transfer such Notes to the Euroclear France account of the Principal Paying Agent;
- (iv) include an undertaking to pay all Expenses and an authority to the relevant Clearing System or bank to debit a specified account of the Noteholder with the relevant Clearing System or bank in respect thereof and to pay such Expenses;
- (v) include such details as are required for delivery or Delivery of the Entitlement which may include account details and/or the name and address of any person(s) into whose name evidence of the Entitlement is to be registered and/or any bank, broker or agent to whom documents evidencing the Entitlement are to be delivered or Delivered and specify the name and number of the Noteholder's account to be credited with any cash payable by the Issuer, including pursuant to Credit Condition 7, in respect of any cash amount constituting the Entitlement or any dividends relating to the Entitlement or as a result of the occurrence of a Settlement Disruption Event or a Failure to Deliver and the Issuer electing to pay the Disruption Cash Redemption Amount or Failure to Deliver Redemption Amount, as applicable, or as a result of the Issuer electing to pay the Alternate Cash Redemption Amount;

- (vi) certify that the beneficial owner of each Note is not a U.S. person (as defined in the Asset Transfer Notice), the Note is not being redeemed within the United States or on behalf of a U.S. person and no cash, securities or other property have been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person in connection with any redemption thereof;
- (vii) authorise the production of such certification in any applicable administrative or legal proceedings,

all as provided in the French Law Agency Agreement.

If Condition 4(b)(B) applies, the form of Asset Transfer Notice required to be delivered will be different from that set out above. Copies of such Asset Transfer Notice may be obtained from any Paying Agent.

(2) Information of the Issuer and the Delivery Agent

Upon receipt of an Asset Transfer Notice, and the relevant Notes into its Euroclear France account, the Principal Paying Agent will inform the Issuer and any Delivery Agent thereof.

(3) Determinations and Delivery

Any determination as to whether an Asset Transfer Notice is duly completed and in proper form shall be made by the Principal Paying Agent, and shall be conclusive and binding on the Issuer, the Principal Paying Agent(s), any Delivery Agent and the relevant Noteholder. Subject as set out below, any Asset Transfer Notice so determined to be incomplete or not in proper form, or which is not copied to any Delivery Agent immediately after being delivered or sent as provided in paragraph (1) above, shall be null and void.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of the Principal Paying Agent, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered as provided above.

No Asset Transfer Notice may be withdrawn after receipt thereof by the Principal Paying Agent as provided above.

The Entitlement will be delivered at the risk of the relevant Noteholder, in the manner provided below on the date fixed for redemption (such date, subject to adjustment in accordance with this Condition, the "**Delivery Date**") or in the case of Credit Linked Notes Delivered at the risk of the relevant Noteholder, in the manner provided below on the Settlement Date, provided that the Asset Transfer Notice is duly delivered as provided above on or prior to the Cut-Off Date.

If a Noteholder fails to have an Asset Transfer Notice given on its behalf as provided herein with a copy to the Principal Paying Agent with copy to the Delivery Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered or, as the case may be, Delivered as soon as practicable after the date fixed for redemption (in which case, such date of delivery shall be the Delivery Date) or (in the case of Credit Linked Notes) the Settlement Date at the risk of such Noteholder in the manner provided below. For the avoidance of doubt, in such circumstances such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the date fixed for redemption or the originally designated Settlement Date, as applicable and no liability in respect thereof shall attach to the Issuer.

The Issuer (or any Delivery Agent on its behalf) shall at the risk of the relevant Noteholder, deliver or procure the delivery of the Entitlement for each Note or (in the case of Credit Linked Notes) Deliver the Deliverable

Obligations comprising the Entitlement, in such commercially reasonable manner as the Calculation Agent shall determine and notify to the person designated by the Noteholder in the relevant Asset Transfer Notice or in such manner as is specified in the applicable Final Terms. All costs, taxes, duties and/or expenses including stamp duty, stamp duty reserve tax and/or other costs, duties or taxes ("**Expenses**") arising from the delivery of the Entitlement or the Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, in respect of such Notes shall be for the account of the relevant Noteholder and no delivery of the Entitlement or the Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

(4) General

If Aggregation is specified as applicable in the applicable Final Terms, Notes held by the same Noteholder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Notes. The Entitlement or the aggregate Entitlements in respect of the same Noteholder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent shall be paid to the Noteholder.

Following the Delivery Date of a Share or ETI Interest all dividends on the relevant Shares or ETI Interest to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares or ETI Interests executed on the Delivery Date and to be delivered in the same manner as such relevant Shares or ETI Interests. Any such dividends to be paid to a Noteholder will be paid to the account specified by the Noteholder in the relevant Asset Transfer Notice as referred to in Condition 4(b)(A)(1).

For such period of time after delivery or Delivery of the Entitlement as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, the Paying Agents, any Delivery Agent and any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Noteholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities, obligations or Deliverable Obligations or (iii) be under any liability to a Noteholder in respect of any loss or damage which such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities, obligations or Deliverable Obligations.

(5) Settlement Disruption

The provisions of this Condition 4(b)(A)(5) apply to Notes other than Credit Linked Notes.

If, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on the Delivery Date, then the Delivery Date

shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect to satisfy its obligations in respect of the relevant Note by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Delivery Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Redemption Amount (as defined below) on the fifth Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 11. Payment of the Disruption Cash Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Noteholder shall be entitled to any payment in respect of the relevant Note in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

For the purposes hereof:

"Disruption Cash Redemption Amount", in respect of any relevant Note, shall be the fair market value of such Note (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets) less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer;

"Settlement Business Day" has the meaning specified in the applicable Final Terms; and

"Settlement Disruption Event" means, in the opinion of the Calculation Agent, an event beyond the control of the Issuer as a result of which the Issuer cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(6) Failure to Deliver due to Illiquidity

The provisions of this Condition 4(b)(A)(6) apply to the Notes other than Credit Linked Notes.

If **"Failure to Deliver due to Illiquidity"** is specified as applying in the applicable Final Terms and in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the **"Affected Relevant Assets"**) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a **"Failure to Deliver due to Illiquidity"**), then:

- (i) subject as provided elsewhere in the Terms and Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated date of redemption in accordance with this Condition 4(b); and

- (ii) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Failure to Deliver Redemption Amount (as defined below) on the fifth Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 11. Payment of the Failure to Deliver Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 11 that the provisions of this Condition 4(b)(A)(6) apply.

For the purposes hereof, "Failure to Deliver Redemption Amount" in respect of any relevant Note shall be the fair market value of such Note (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer.

(7) Additional Provisions for Credit Linked Notes

In the case of Credit Linked Notes, the provisions contained in Annex 7 – "Additional Terms and Conditions for Credit Linked Notes" shall apply.

(B) Variation of Settlement

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Notes, the Issuer may in respect of each such Note, elect not to pay the relevant Noteholders the Final Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Noteholders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Final Redemption Amount on the Maturity Date to the relevant Noteholders, as the case may be. Notification of such election will be given to Noteholders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, the Issuer shall, in respect of each Note, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Noteholders, make payment of the Final Redemption Amount on the Maturity Date to the relevant Noteholders.

(C) Issuer's Option to Substitute Assets or to pay the Alternate Cash Redemption Amount

Notwithstanding any provision of these Conditions to the contrary, the Issuer may, in respect of such Notes, if the Calculation Agent determines that the Relevant Asset or Relevant Assets, as the case may be, comprises shares or ETI Interests which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent) of such other shares or ETI Interests which the Calculation Agent determines are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Noteholders, but in lieu thereof to make payment to the relevant Noteholder on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent by reference to such sources as it considers appropriate (the "**Alternate Cash Redemption Amount**"). Notification of any such election will be given to Noteholders in accordance with Condition 11 and in the event that the Issuer elects to pay the Alternate Cash Redemption Amount such notice shall give details of the manner in which such amount shall be paid.

For purposes hereof, a "**freely tradable**" share or an ETI Interest shall mean (i) with respect to the United States, a share or an ETI Interest, as the case may be, which is registered under the Securities Act or is not a restricted security under the Securities Act and which is not purchased from the issuer of such share or an ETI Interest, as the case may be, and not purchased from an affiliate of the issuer of such share or an ETI Interest, as the case may be, or which otherwise meets the requirements of a freely tradable share or an ETI Interest, as the case may be, for purposes of the Securities Act, in each case, as determined by the Calculation Agent or (ii) with respect to any other jurisdiction, a share or an ETI Interest, as the case may be, not subject to any legal restrictions on transfer in such jurisdiction.

(D) Rights of Noteholders and Calculations

None of the Issuer, the Calculation Agent, any Delivery Agent and the Agents shall have any responsibility for any errors or omissions in any calculation or determination in respect of the Notes.

The purchase of Notes does not confer on any holder of such Notes any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

(E) Commodity Linked Notes

Commodity Linked Notes shall not be redeemed by physical delivery and the provisions of this Condition 4(b) shall not apply to Commodity Linked Notes.

5. Redemption and Purchase

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below, each Note (other than a Credit Linked Note) will be redeemed by the Issuer at its relevant Final Redemption Amount on the Maturity Date specified in the applicable Final Terms or, if Physical Settlement is specified as applicable in the applicable Final Terms (each such Note a "**Physical Delivery Note**") by delivery of the Entitlement (as provided in Condition 4(b) above). This Note may not be redeemed other than in accordance with these Conditions.

The "**Final Redemption Amount**" in respect of each nominal amount of Notes equal to the Calculation Amount shall be an amount equal to:

(i) Calculation Amount x the percentage or (ii) the Final Payout, in each case specified in the applicable Final Terms,

Provided That if the product of the Final Payout is zero, no amount shall be payable on final redemption of the Note.

The "**Entitlement**" shall be a quantity of the Relevant Asset(s) equal to the Entitlement Amount specified in the applicable Final Terms.

(b) Redemption for Taxation Reasons

(i) If the Issuer would, as a result of any change in, or in the official interpretation or administration of, any laws or regulations of France or any other authority thereof or therein be required to pay additional amounts as provided in Condition 6, the Issuer may at its option at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) but subject, in the case of Subordinated Notes, to the prior approval of the Secrétariat général de l'Autorité de Contrôle Prudentiel in France, on giving not more than 45 nor less than 30 days' notice to the Noteholders (in accordance with Condition 11) which notice shall be irrevocable, redeem all, but not some only, of the Notes at their Early Redemption Amount (as defined below) together with interest accrued to the date fixed for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date upon which the Issuer could make payment without withholding for such taxes.

(ii) If the Issuer would, on the next due date for payment of any amount in respect of the Notes, be prevented by French law from making such payment notwithstanding the undertaking to pay additional amounts as provided in Condition 6, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent and shall, subject in the case of Subordinated Notes, to the prior approval of the Secrétariat général de l'Autorité de Contrôle Prudentiel in France, at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes) redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount (as defined below) together with interest accrued to the date fixed for redemption, upon giving not less than 7 nor more than 45 days' prior notice to the Noteholders (in accordance with Condition 11), provided that the due date for redemption of which notice hereunder shall be given shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of interest payable in respect of the Notes or, if such date is already past, as soon as practicable thereafter.

(c) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, subject in the case of Subordinated Notes, to the prior approval of the Secrétariat général de l'Autorité de Contrôle Prudentiel in France, having given:

(i) not less than the minimum notice period nor more than the maximum notice period specified in the applicable Final Terms (the "**Notice Period**") notice to the Noteholders in accordance with Condition 11 (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding at the Optional Redemption Amount on any Optional Redemption Date) specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

The "**Optional Redemption Amount**" in respect of each nominal amount of Notes equal to the Calculation Amount shall be an amount equal to:

(i) Calculation Amount x the percentage or (ii) the Call Payout, as specified in the applicable Final Terms,

Provided That if the product of the Call Payout is zero, no amount shall be payable on redemption of such Note.

Any partial redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of the Notes the redemption shall be effected by reducing the nominal amount of all the Notes in proportion to the aggregate nominal amount redeemed by application of a pool factor.

In the case of Subordinated Notes, no redemption at the option of the Issuer will be permitted prior to five years from the date of issue thereof.

(d) Redemption at the Option of the Noteholders (Noteholder Put)

In the case of Subordinated Notes, no redemption of the Notes at the option of the Noteholder is permitted. If Noteholder Put is specified in the applicable Final Terms and provided that this Note is not a Subordinated Note, upon a Noteholder giving to the Issuer in accordance with Condition 11 not less than the minimum notice period nor more than the maximum notice period specified in the applicable Final Terms (the "**Notice Period**") notice the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part), such Note at the Optional Redemption Amount on the Optional Redemption Date specified in the applicable Final Terms, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

The "**Optional Redemption Amount**" in respect of each nominal amount of Notes equal to the Calculation Amount shall be an amount equal to:

(i) Calculation Amount x the percentage or (ii) the Put Payout, as specified in the applicable Final Terms.

To exercise the right to require redemption of a Note the relevant Noteholder must (i) deliver at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the Notice Period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the Noteholder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition, and (ii) transfer, or cause to be transferred, the Notes to be redeemed to the account of the Paying Agent specified in the Put Notice.

Notwithstanding the foregoing, the right to require redemption of such Notes must be exercised in accordance with the rules and procedures of the Relevant Clearing System and if there is any inconsistency between the above and the rules and procedures of the Relevant Clearing System, then the rules and procedures of the Relevant Clearing System shall prevail.

"Relevant Clearing System" means, as appropriate, Euroclear France, Euroclear, Clearstream, Luxembourg and/or such other relevant clearing system, as the case may be, through which interests in Notes are to be held and through an account at which the Notes are to be cleared, as specified in the applicable Final Terms.

Any Put Notice given by a Noteholder pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 8.

(e) Early Redemption

For the purposes of paragraph (b) above, Condition 8 and any circumstances where the Notes are to be redeemed prior to their Maturity Date at their Early Redemption Amount (as defined below), each Note will be redeemed at an amount (the "**Early Redemption Amount**") calculated as follows, together, if appropriate, with interest accrued to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable:

- (i) in the case of a Note (other than a Zero Coupon Note or a Note whose Early Redemption Amount is linked to an index, a formula or other Underlying Reference) with a Final Redemption Amount equal to its nominal amount, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than a Zero Coupon Note) with a Final Redemption Amount which is or may be lesser or greater than its nominal amount or which is payable in a Specified Currency other than that in which the Note is denominated or a Note whose interest, coupon, premium or other interim payment is linked to an index, a formula or other Underlying Reference, at the percentage of the Calculation Amount specified in the applicable Final Terms or, if "Market Value" less Costs is specified in the applicable Final Terms at the fair market value less associated costs; or
- (iii) in the case of a Zero Coupon Note the Early Redemption Amount of which is not linked to an index, a formula or other Underlying Reference at an amount (the "**Amortised Face Amount**") equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or

(as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed in such incomplete month or such other calculation basis as may be specified in the applicable Final Terms.

(f) Purchases

The Issuer may, but is not obliged to, at any time purchase Notes at any price in the open market or otherwise.

The Notes so purchased by the Issuer may be held and resold in accordance with Article L.213-1-A and D.213-1-A of the French Code monétaire et financier for the purpose of enhancing the liquidity of the Notes, or cancelled.

In the case of Subordinated Notes, where (i) the aggregate nominal amount of Notes remaining outstanding after such purchase is less than 90 per cent. of the total nominal amount of such Notes originally issued or (ii) in the case of an Offre Publique d'Achat ("**Public Repurchase Offer**") or an Offre Publique d'Echange ("**Public Exchange Offer**"), such purchase can only be made with the prior written consent of the Secrétariat général de l'Autorité de Contrôle Prudentiel in France.

(g) Cancellation

All Notes which are redeemed or purchased by the Issuer may (or, if so required by French law, must) be cancelled, together with all Notes redeemed by the Issuer. In the case of Notes cleared through Euroclear France, the cancellation shall be made by transfer to an account in accordance with the rules and procedures of Euroclear France. Any Notes so cancelled or, where applicable, transferred for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(h) Instalments

Each Note which is redeemable in instalments will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms.

(i) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (b), (c) or (d) above is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iv) above as though the references therein to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 11.

(j) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise in accordance with the provisions of this Condition 5 as amended or varied by the information specified in the applicable Final Terms.

6. Taxation

- (a) All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied,

collected, withheld or assessed by or on behalf of any Tax Jurisdiction, unless such withholding or deduction is required by law.

- (b) Additional Amounts: In the event that any amounts are required to be deducted or withheld for, or on behalf of, any Tax Jurisdiction, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note:
- (i) Other Connection: to a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some connection with the a Tax Jurisdiction other than the mere holding of the Note; or
 - (ii) Payment to individuals: where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (iii) Payment by another paying agent: to a Noteholder who would be able to avoid such withholding or deduction by requesting payment under the relevant Note to another Paying Agent in a Member State of the EU.

As used in these Conditions, "Relevant Date" in respect of any Note means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made.

References in these Conditions to (i) "principal" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Credit Event Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "interest" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

- (c) Certification of Non-Residency in France: Each Noteholder shall be responsible for supplying certification of non-French residency (a form of which shall be available at the specified offices of any of the Paying Agents or in such other form as may be required by the French tax authorities from time to time) in accordance with the relevant French tax provisions.
- (d) Supply of Information: Each Noteholder shall be responsible for supplying, in a timely manner, any information as may be required in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to such Directive.
- (e) In these Terms and Conditions:
- (i) Tax Jurisdiction means France or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal and interest on the Notes; and
 - (ii) the Relevant Date means the date on which the relevant payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent on or prior to such due date, it means the date on which the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 11.

7. Redenomination

(a) *Redenomination*

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders on giving prior notice to the Principal

Paying Agent and Euroclear France and at least 30 days' prior notice to the Noteholders in accordance with Condition 11, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

(b) The election will have effect as follows:

- (i) the Notes shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a principal amount for each Note equal to the principal amount of that Note in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate principal amount of Notes of each Noteholder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (iii) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Notes are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes will be issued in exchange for Notes denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (iv) after the Redenomination Date, all payments in respect of the Notes other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (v) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on a Fixed Interest Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined above) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention;
- (vi) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (vii) such other changes shall be made to these Conditions as the Issuer may decide, after consultation with the Principal Paying Agent, and as may be specified in the notice, to conform them to conventions then applicable to instruments denominated in euro.

(c) Definitions

In these Conditions, the following expressions have the following meanings:

"Established Rate" means the rate for the conversion of the Specified Currency (including compliance with rules relating to rounding in accordance with applicable European Union regulations) into euro established by the Council of the European Union pursuant to Article 140 of the Treaty;

"Redenomination Date" means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

"Treaty" means the Treaty on the Functioning of the European Union, as amended.

8. Events of Default and Enforcement

(a) *Events of Default*

In the case of Senior Notes, any Noteholder may give written notice to the Issuer, the Representative (as defined in Condition 12) and the Principal Paying Agent that all the Notes held by such Noteholder are, and they shall accordingly forthwith become, immediately due and repayable at their Early Redemption Amount, together, if appropriate, with interest accrued to the date of repayment, in any of the following events ("**Events of Default**"):

- (i) the Issuer fails to pay any amount payable in respect of the Senior Notes or any of them when due and payable and such default is not remedied within 30 days after the relevant due date; or
- (ii) the Issuer fails to perform or observe any of its other obligations under the Notes and such default is not remedied within 45 days after notice of such default has been given to the Principal Paying Agent by any Noteholder; or
- (iii) the Issuer applies for the appointment of an ad hoc representative (mandataire ad hoc) under French bankruptcy law, or enters into an amicable procedure (procédure de conciliation) with creditors or ceases its payments, or a judgment is issued for the judicial liquidation (liquidation judiciaire) of the Issuer or for a transfer of the whole of its business (cession totale de l'entreprise), or the Issuer is subject to similar proceedings, or, in the absence of legal proceedings, the Issuer makes a conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors, or a resolution is passed by the Issuer for its winding-up or dissolution, except in connection with a merger or other reorganisation in which all of the Issuer's assets are transferred to, and all of the Issuer's debts and liabilities (including the Notes) are assumed by, another entity which continues the Issuer's activities.

(b) Enforcement (Subordinated Notes – General)

In the case of Subordinated Notes, the Noteholder may, upon written notice to the Issuer, the Representative and the Principal Paying Agent given before all defaults have been cured, cause such Subordinated Note to become due and payable, together with accrued interest (and Arrears of Interest, if applicable) thereon, if any, as of the date on which said notice is received by the Principal Paying Agent, in the event that an order is made or an effective resolution is passed for the liquidation (liquidation judiciaire or liquidation amiable) of the Issuer.

9. Prescription

Claims for payment of principal in respect of the Notes shall be prescribed upon the expiry of 10 years from the due date thereof and claims for payment of interest (if any) in respect of the Notes shall be prescribed upon the expiry of five years, from the due date thereof.

10. Further Issues

The Issuer shall be at liberty from time to time without the consent of the holder of any Note to issue further notes, such further notes forming a single series with the Notes so that such further notes and the Notes carry rights identical in all respects (or in all respects save for their Issue Date, Interest Commencement Date, Issue Price and/or the amount and date of the first payment of interest thereon). Such further notes shall be assimilated (assimilables) to the Notes as regards their financial service provided that the terms of such further notes provide for such assimilation.

11. Notices

- (a) Notices to the holders of Notes in registered form (au nominatif) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the mailing, or, (ii) at the option of the Issuer, they are published (a) as long as such Notes are listed and admitted to trading on Euronext Paris, in a leading daily newspaper of general circulation in France (which is expected to be Les Echos), or (b) they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the Financial Times) or (c) they are published in accordance with Articles 221-3 and 221-4 of the General Regulations (Règlement Général) of the Autorité des marchés financiers and so long as such Notes are listed and admitted to trading on any Regulated Market in a leading daily newspaper with general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located and on the website of any other competent authority or Regulated Market of the EEA Member State where the Notes are listed and admitted to trading.
- (b) Notices to the holders of Notes in bearer form (au porteur) shall be valid if published (a) so long as such Notes are listed and admitted to trading on Euronext Paris, in a leading daily newspaper of general circulation in France (which is expected to be Les Echos), or (b) they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the Financial Times) or (c) they are published in accordance with Articles 221-3 and 221-4 of the General Regulations (Règlement Général) of the Autorité des marchés financiers and so long as such Notes are listed and admitted to trading on any Regulated Market in a leading daily newspaper with general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located and on the website of any other competent authority or Regulated Market of the EEA Member State where the Notes are listed and admitted to trading.
- (c) If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first such publication.
- (d) Notices required to be given to the holders of Notes (whether in registered or in bearer form) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream, Luxembourg and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication of a notice required by Conditions 11(a), (b) and (c) above; except that (i) so long as the Notes are listed and admitted to trading on a Regulated Market or other stock exchange and the rules of such Regulated Market or other stock exchange so require, notices shall also be published in a leading daily newspaper of general circulation in the city where the Regulated Market or other stock exchange on which such Note(s) is/are listed and admitted to trading is located, and (ii) notices relating to the convocation and decision(s) of the General Meetings pursuant to Condition 12 shall also be published in a leading daily newspaper of general circulation in Europe.
- (e) For the avoidance of doubt, notices of the date, hour, place and agenda of any General Meeting in case of Full Masse (as defined in Condition 12), will be published in accordance of the provisions of the French *Code de commerce*.

12. Representation of Noteholders

In respect of the representation of the Noteholders, the following shall apply:

- (a) If the relevant Final Terms specifies “**Full Masse**”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse and the provisions of the French Code de commerce relating to the Masse shall apply subject to the below provisions of this Condition 12(a).

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the general meeting of the Noteholders (the “**General Meeting**”).

In accordance with Article R.228-71 of the French Code de commerce, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

The place where of a General Meeting shall be held will be set out in the notice convening such General Meeting; or

- (b) If the relevant Final Terms specifies “**Contractual Masse**”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the “**Masse**”) which will be subject to the below provisions of this Condition 12(b).

The Masse will be governed by the provisions of the French Code de commerce with the exception of Articles L.228-48, L.228-59, Article L.228-65 II, L.228-71, R.228-63, R.228-67 and R.228-69 subject to the following provisions:

- (i) Legal Personality

The *Masse* will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a General Meeting.

The *Masse* alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

- (ii) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- the Issuer, the members of its Board of Directors (*Conseil d'Administration*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouses; or
- companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors, Executive Board (*Directoire*), or Supervisory Board (*Conseil de Surveillance*), their statutory auditors, or employees as well as their ascendants, descendants and spouses; or

- companies holding 10 per cent. or more of the share capital of the Issuer or companies having 10 per cent. or more of their share capital held by the Issuer; or
- persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(iii) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(iv) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (mandataire) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 11 not less than 15 days prior to the date of such General Meeting.

Each Noteholder has the right to participate in a General Meeting in person, by proxy, by correspondence or, if the status of the Issuer so specify, by videoconference or by any other means of telecommunication allowing the identification of participating Noteholders.

In the event of any inconsistency between the General Conditions and the Index Linked Conditions, the Index Linked Conditions set out below shall prevail.

1. Market Disruption

"**Market Disruption Event**" means:-

- (a) in respect of a Composite Index either:
 - (i) (A) the occurrence or existence, in respect of any Component Security, of:
 - (1) a Trading Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded;
 - (2) an Exchange Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded; or
 - (3) an Early Closure in respect of such Component Security; and
 - (B) the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists comprises 20 per cent. or more of the level of such Index; or
- (ii) the occurrence or existence, in respect of futures or options contracts relating to such Index, of: (a) a Trading Disruption; (b) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange; or (c) an Early Closure, in each case in respect of such futures or options contracts.

For the purposes of determining whether a Market Disruption Event exists in respect of a Component Security at any time, if a Market Disruption Event occurs in respect of such Component Security at that time, then the relevant percentage contribution of that Component Security to the level of such Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that Component Security to (y) the overall level of such Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data"; and

For the purposes of determining whether a Market Disruption Event in respect of such Index exists at any time, if a Market Disruption Event occurs in respect of a security included in such Index at any time, then the relevant percentage contribution of that security to the level of such Index shall be

based on a comparison of (x) the portion of the level of such Index attributable to that security and (y) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been the Strike Date, an Averaging Date, an Observation Date, the Automatic Early Redemption Valuation Date or a Valuation Date, as the case may be.

2.2 Modification and Cessation of Calculation of an Index

If (i) on or prior to the last Averaging Date, last Observation Date, last Valuation Date, the last Knock-in Determination Day or the last Knock-out Determination Day, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on an Averaging Date, an Observation Date, a Valuation Date, a Knock-in Determination Day or Knock-out Determination Day, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an "**Index Disruption**" and, together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"), then,

- (a) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the relevant value, level or price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, Observation Date, Averaging Date, Knock-in Determination Day or Knock-out Determination Day, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event; or
- (b) unless Delayed Redemption on the Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, on giving notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be; or
- (c) if Delayed Redemption on the Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate

the fair market value of each Note taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Index Adjustment Amount**") as soon as practicable following the occurrence of the Index Adjustment Event (the "**Calculated Index Adjustment Amount Determination Date**") and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Index Adjustment Amount plus interest accrued from and including the Calculated Index Adjustment Amount Determination Date to but excluding the Maturity Date at a rate equal to the Issuer's funding cost at such time or (y) if Principal Protected Termination Amount is specified as being applicable in the applicable Final Terms and if greater, at its nominal amount.

If a relevant Custom Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor custom index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Custom Index, then in each case that custom index (the "**Successor Custom Index**") will be deemed to be the Custom Index.

9.2 Modification and Cessation of Calculation of a Custom Index and Custom Index Disruption

If (i) on or prior to the last Valuation Date, the last Observation Date or the last Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Custom Index or in any other way materially modifies that Custom Index (other than a modification prescribed in that formula or method to maintain that Custom Index in the event of changes in constituent components and capitalisation, contracts or commodities and other routine events) (a "**Custom Index Modification**"), or permanently cancels a relevant Custom Index and no Successor Custom Index exists (a "**Custom Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Custom Index Sponsor fails to calculate and announce a relevant Custom Index or it is not a Custom Index Business Day (a "**Custom Index Disruption**" and, together with a Custom Index Modification and a Custom Index Cancellation, each a "**Custom Index Adjustment Event**"), then:

- (a) in the case of Custom Index Linked Notes relating to a single Custom Index where Scheduled Custom Index Business Days (Single Custom Index Basis) is specified as applicable in the applicable Final Terms, then:
 - (i) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring on the last Valuation Date, last Averaging Date or last Observation Date, then such Valuation Date, Averaging Date or Observation Date, as the case may be, shall be the first succeeding Scheduled Custom Index Business Day on which a Custom Index Disruption is not occurring, unless there is a Custom Index Disruption on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Valuation Date, Averaging Date or Observation Date, as the case may be, in which case the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Valuation Date, Averaging Date or Observation Date, as the case may be, notwithstanding the Custom Index Disruption and the Calculation Agent shall determine the relevant level, value or price by using commercially reasonable efforts to determine the level of the Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Custom Index;
 - (ii) following a Custom Index Modification or Custom Index Cancellation at any time or a Custom Index Disruption (which in the latter case occurs or is occurring on the Strike Date, an Averaging Date (other than the last Averaging Date), an Observation Date (other than the last Observation Date) or a Valuation Date (other than the last Valuation Date), the Calculation Agent shall determine if such Custom Index Adjustment Event has a material effect on the Notes and, if so:
 - (A) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring on the Strike Date, an Averaging Date or Observation Date, the Calculation Agent may determine that the Strike Date, relevant Averaging Date or Observation Date, as the case may be, shall be the first succeeding Scheduled Custom Index Business Day (in the case of the Strike Date) or Valid Date (in the case of an Averaging Date or Observation Date, as the case may be) unless there is a Custom Index Disruption on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Strike Date, Averaging Date or Observation Date, as the case may be, in which case the Calculation Agent may determine that the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Strike Date, Averaging Date or Observation Date, as the case may be (irrespective, in the case of an

Averaging Date or Observation Date, of whether that last consecutive Scheduled Custom Index Business Day is already an Averaging Date or Observation Date, as the case may be) and may determine the relevant level, value or price by using commercially reasonable efforts to determine a level of the Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Custom Index; or

- (B) the Calculation Agent may use commercially reasonable efforts to select a successor index with a substantially similar strategy as the original Custom Index and, upon selection of such index, the Calculation Agent shall promptly notify the Noteholders and such index shall become the Successor Custom Index and shall be deemed to be the "Custom Index" for the purpose of the Notes and the Calculation Agent will make such adjustment, if any, to one or more of the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate; or
- (C) the Calculation Agent may determine in its sole and absolute discretion such other appropriate adjustments, if any, to be made to the terms of the Notes to account for the Custom Index Adjustment Event and determine the effective date of those adjustments; or
- (D) unless Delayed Redemption on the Occurrence of Custom Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent may require the Issuer to redeem the Notes in which case it will so notify the Issuer and the Issuer will give notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each redeemed Note being redeemed at an amount equal to the fair market value of each Note, taking into account the Custom Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be; or
- (E) if Delayed Redemption on the Occurrence of Custom Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Note taking into account the Custom Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Custom Index Adjustment Event Amount**") as soon as practicable following the occurrence of the Custom Index Adjustment Event (the "**Calculated Custom Index Adjustment Event Amount Determination Date**") and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to the Calculated Custom Index Adjustment Event Amount plus interest accrued from and including the Calculated Custom Index Adjustment Event Amount Determination Date to but excluding the Maturity Date at a rate equal to the Issuer's funding cost at such time; or

- (F) in the case of a Custom Index Modification which occurs on the last Valuation Date, last Averaging Date or last Observation Date only, the Calculation Agent may elect to calculate the level of the Custom Index, using in lieu of the published level for the Custom Index as of the Valuation Date, Averaging Date or Observation Date, as the case may be, the level of the Custom Index as of that date determined by the Calculation Agent in accordance with the formula for and method of calculating the Custom Index last in effect prior to the Custom Index Modification but using only those components that comprised the Custom Index prior to the Custom Index Modification.
- (b) in the case of Custom Index Linked Notes relating to a Basket of Custom Indices where Scheduled Custom Index Business Days (All Custom Indices Basis) is specified as applicable in the applicable Final Terms, then:
 - (i) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring in respect of any Custom Index (each an “**Affected Custom Index**”) on the last Valuation Date, last Averaging Date or last Observation Date, then such Valuation Date, Averaging Date or Observation Date, as the case may be, for all Custom Indices in the Basket shall be the first succeeding Scheduled Custom Index Business Day on which a Custom Index Disruption is not occurring in respect of any of the Custom Indices in the Basket, unless there is a Custom Index Disruption in respect of any one of the Custom Indices in the Basket on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Valuation Date, Averaging Date or Observation Date, as the case may be, in which case the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Valuation Date, Averaging Date or Observation Date, as the case may be, for all Custom Indices in the Basket, notwithstanding the Custom Index Disruption in respect of an Affected Custom Index and the Calculation Agent shall determine the relevant level, value or price by using (X) in respect of any Custom Index which is not an Affected Custom Index, the method provided for in part (a) of the definition of “Settlement Price” contained in Index Linked Condition 14 and (Y) in respect of any Custom Index in the Basket which is an Affected Custom Index, commercially reasonable efforts to determine the level of the relevant Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the relevant Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Custom Index;
 - (ii) following a Custom Index Modification or Custom Index Cancellation at any time or a Custom Index Disruption (which in the latter case occurs or is occurring on the Strike Date, an Averaging Date (other than the last Averaging Date), an Observation Date (other than the last Observation Date) or a Valuation Date (other than the last Valuation Date) the Calculation Agent shall determine if such Custom Index Adjustment Event has a material effect on the Notes and, if so:
 - (A) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring on the Strike Date, an Averaging Date or Observation Date, the Calculation Agent may determine that the Strike Date, relevant Averaging Date or Observation Date, as the case may be, for all Custom Indices in the Basket shall be the first succeeding Scheduled Custom Index Business Day (in the case of the Strike Date) or Valid Date (in the case of an Averaging Date or Observation Date, as the case may be) on which a Custom Index Disruption is not occurring in respect of any Custom Index (each an

“Affected Custom Index”) comprised in the Basket unless there is a Custom Index Disruption on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Strike Date, Averaging Date or Observation Date, as the case may be, in which case the Calculation Agent may determine that the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Strike Date, Averaging Date or Observation Date, as the case may be (irrespective, in the case of an Averaging Date or Observation Date, of whether that last consecutive Scheduled Custom Index Business Day is already an Averaging Date or Observation Date, as the case may be) for all Custom Indices in the Basket and may determine the Settlement Price by using (X) in respect of any Custom Index in the Basket which is not an Affected Custom Index, the method provided for in part (a) of the definition of “Settlement Price” contained in Index Linked Condition 14 (Definitions) below and (Y) in respect of any Custom Index in the Basket which is an Affected Custom Index, commercially reasonable efforts to determine a level of the relevant Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the relevant Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Custom Index; or

- (B) the Calculation Agent may use commercially reasonable efforts to select a successor index with a substantially similar strategy as the original Custom Index and, upon selection of such index, the Calculation Agent shall promptly notify the Noteholders and such index shall become the Successor Custom Index and shall be deemed to be a "Custom Index" for the purpose of the Notes and the Calculation Agent will make such adjustment, if any, to one or more of the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate; or
- (C) the Calculation Agent may determine in its sole and absolute discretion such other appropriate adjustments, if any, to be made to the terms of the Notes to account for the Custom Index Adjustment Event and determine the effective date of those adjustments; or
- (D) unless Delayed Redemption on the Occurrence of Custom Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent may require the Issuer to redeem the Notes in which case it will so notify the Issuer and the Issuer will give notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each redeemed Note being redeemed at an amount equal to the fair market value of each Note, taking into account the Custom Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be; or

- (E) if Delayed Redemption on the Occurrence of Custom Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Note taking into account the Custom Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Custom Index Adjustment Event Amount**") as soon as practicable following the occurrence of the Custom Index Adjustment Event (the "**Calculated Custom Index Adjustment Event Amount Determination Date**") and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to the Calculated Custom Index Adjustment Event Amount plus interest accrued from and including the Calculated Custom Index Adjustment Event Amount Determination Date to but excluding the Maturity Date at a rate equal to the Issuer's funding cost at such time; or
 - (F) in the case of a Custom Index Modification which occurs in respect of a Custom Index in the Basket which occurs on the last Valuation Date, last Averaging Date or last Observation Date only, the Calculation Agent may elect to calculate the level of such Custom Index, using in lieu of the published level for the Custom Index as of the Valuation Date, Averaging Date or Observation Date, as the case may be, the level of the Custom Index as of that date determined by the Calculation Agent in accordance with the formula for and method of calculating the Custom Index last in effect prior to the Custom Index Modification but using only those components that comprised the Custom Index prior to the Custom Index Modification.
- (c) in the case of Custom Index Linked Notes relating to a Basket of Custom Indices where Scheduled Custom Index Business Days (Per Custom Index Basis) is specified as applicable in the applicable Final Terms, then:
 - (i) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring on the last Valuation Date, last Averaging Date or last Observation Date, then the Valuation Date, Averaging Date or Observation Date, as the case may be, for each Custom Index not affected by the occurrence of the Custom Index Disruption shall be the scheduled last Valuation Date, last Averaging Date or last Observation Date, as the case may be, and the Valuation Date, Averaging Date or Observation Date, as the case may be, for each Custom Index in the Basket affected by the Custom Index Disruption (each an "**Affected Custom Index**") shall be the first succeeding Scheduled Custom Index Business Day on which a Custom Index Disruption is not occurring in respect of such Affected Custom Index, unless there is a Custom Index Disruption on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Valuation Date, Averaging Date or Observation Date, as the case may be, in which case the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Valuation Date, Averaging Date or Observation Date, as the case may be, for the relevant Affected Custom Index and the Calculation Agent shall determine the relevant level, value or price by using commercially reasonable efforts to determine the level of the relevant Affected Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the relevant Affected Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Affected Custom Index;
 - (ii) following a Custom Index Modification or Custom Index Cancellation at any time or a Custom Index Disruption (which in the latter case occurs or is

occurring on the Strike Date, an Averaging Date (other than the last Averaging Date), an Observation Date (other than the last Observation Date) or a Valuation Date (other than the last Valuation Date), the Calculation Agent shall determine if such Custom Index Adjustment Event has a material effect on the Notes and, if so:

- (A) if the Custom Index Adjustment Event is a Custom Index Disruption which occurs or is occurring on the Strike Date, an Averaging Date or Observation Date, the Calculation Agent may determine that the Strike Date, relevant Averaging Date or Observation Date, as the case may be, for each Custom Index in the Basket not affected by the occurrence of the Custom Index Disruption shall be the scheduled Strike Date, Averaging Date or Observation Date, as the case may be, and the Strike Date, Averaging Date or Observation Date, as the case may be, for each Custom Index in the Basket affected by the Custom Index Disruption (each an "**Affected Custom Index**") shall be the first succeeding Scheduled Custom Index Business Day (in the case of the Strike Date) or Valid Date (in the case of an Averaging Date or Observation Date, as the case may be) on which a Custom Index Disruption is not occurring in respect of such Affected Custom Index unless there is a Custom Index Disruption on each of the number of consecutive Scheduled Custom Index Business Days equal to the Specified Maximum Days of Disruption immediately following the scheduled Strike Date, Averaging Date or Observation Date, as the case may be, in which case the Calculation Agent may determine that the last such consecutive Scheduled Custom Index Business Day shall be deemed to be the Strike Date, Averaging Date or Observation Date, as the case may be (irrespective, in the case of an Averaging Date or Observation Date, of whether that last consecutive Scheduled Custom Index Business Day is already an Averaging Date or Observation Date, as the case may be) for the relevant Affected Custom index and may determine the relevant level, value or price by using commercially reasonable efforts to determine a level of the relevant Affected Custom Index as of the Valuation Time on the last such consecutive Scheduled Custom Index Business Day in accordance with the formulae for and method of calculating the relevant Affected Custom Index last in effect prior to the occurrence of the Custom Index Disruption and using its good faith estimate of the value for the components of the Custom Index; or
- (B) the Calculation Agent may use commercially reasonable efforts to select a successor index with a substantially similar strategy as the original Custom Index and, upon selection of such index, the Calculation Agent shall promptly notify the Noteholders and such index shall become the Successor Custom Index and shall be deemed to be a "Custom Index" for the purpose of the Notes and the Calculation Agent will make such adjustment, if any, to one or more of the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate; or
- (C) the Calculation Agent may determine in its sole and absolute discretion such other appropriate adjustments, if any, to be made to the terms of the Notes to account for the Custom Index Adjustment Event and determine the effective date of those adjustments; or
- (D) unless Delayed Redemption on the Occurrence of Custom Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent may require the Issuer to redeem the Notes in which case it will so notify the Issuer and the Issuer will

give notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each redeemed Note being redeemed at an amount equal to the fair market value of a Note, taking into account the Custom Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion.  - (b) the Calculation Agent may use commercially reasonable efforts to select a successor index with a substantially similar strategy as the original Custom Index within twenty (20) Scheduled Custom Index Business Days (or such other number of Scheduled Custom Index Business Days specified in the applicable Final Terms) of the relevant Additional Disruption Event and/or Optional Additional Disruption Event, as the case may be, and, upon selection of such index, the Calculation Agent shall promptly notify the Issuer and the Issuer will give notice to the Noteholders in accordance with General Condition 12 of the Terms and Conditions for the English Law Notes or General Condition 11 of the Terms and Conditions for the French Law Notes, as the case may be, and such index shall become the Successor Index and deemed to be a "Custom Index" for the purposes of the Notes and the Calculation Agent will make such adjustment, if any to one or more of the terms of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate. Such substitution and the relevant adjustment to the terms of the Notes will be deemed to be effective as of the date selected by the Calculation Agent (the "**Substitution Date**") in its absolute discretion and specified in the notice referred to below which may, but need not be the date on which the Additional Disruption Event and/or Optional Additional Disruption Event, as the case may be, occurred; or

each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Maturity Date at the rate specified in the applicable Final Terms or (y) if Principal Protected Termination Amount is specified as being applicable in the applicable Final Terms and if greater, at its nominal amount.

In the event of any inconsistency between the General Conditions and the Inflation Linked Conditions set out below, the Inflation Linked Conditions shall prevail.

1. Delay in Publication

If the Calculation Agent determines that a Delayed Index Level Event in respect of an Index has occurred with respect to any Determination Date, then the Relevant Level with respect to any Reference Month which is to be utilised in any calculation or determination to be made by the Calculation Agent and/or the Issuer with respect to such Determination Date (the "**Substitute Inflation Index Level**") shall be determined by the Calculation Agent (subject to Inflation Linked Condition 3.2 below), as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine the Substitute Inflation Index Level by reference to the corresponding index level determined under the terms and conditions of the Related Bond; or
- (b) if (a) Related Bond is specified as not applicable in the relevant Final Terms, or (b) the Calculation Agent is not able to determine a Substitute Inflation Index Level under (a) above, the Calculation Agent shall determine the Substitute Inflation Index Level by reference to the following formula:
 - (i) $\text{Substitute Inflation Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level})$; or
 - (ii) otherwise in accordance with any formula specified in the relevant Final Terms,

where:

"Base Level" means the level of the Index (excluding any "flash" estimates) published or announced by the Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Inflation Index Level is being determined.

"Latest Level" means the level of the Index (excluding any "flash" estimates) published or announced by the Index Sponsor prior to the month in respect of which the Substitute Inflation Index Level is being determined.

"Reference Level" means the level of the Index (excluding any "flash" estimates) published or announced by the Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall promptly give notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, of any Substitute Inflation Index Level.

If the Relevant Level is published or announced at any time on or after the relevant Cut-Off Date specified in the applicable Final Terms, such Relevant Level will not be used in any calculations. The Substitute Inflation Index Level so determined pursuant to this Inflation Linked Condition 1 will be the definitive level for that Reference Month.

2. **Successor Index**

If the Calculation Agent determines that the level of an Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will not longer continue to publish or announce the Index and/or the Index Sponsor cancels the Index then the Calculation Agent shall determine a successor index (a "**Successor Index**") (in lieu of any previously applicable Index) for the purposes of the Notes as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine a "Successor Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;
- (b) if (x) Related Bond is specified as not applicable in the Final Terms or (y) a Related Bond Redemption Event has occurred and Fallback Bond is specified as not applicable in the applicable Final Terms, the Index Sponsor announces that it will no longer publish or announce the Index but that it will be superseded by a replacement Index specified by the Index Sponsor, and the Calculation Agent determines that such replacement Index is calculated using the same or a substantially similar formula or method of calculation as used in the calculation of the Index, such replacement index shall be designated a "Successor Index";
- (c) if no Successor Index has been deemed under (i) or (ii) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Index"; if fewer than three responses are received by the Cut-Off Date or if each of the responses state different indices the Calculation Agent will determine an appropriate alternative index for such affected payment date, and such index will be deemed a "Successor Index"; or
- (d) if the Calculation Agent determines that there is no appropriate alternative index, there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Index shall be deemed to replace the Index for the purposes of the Notes. Notice of the determination of a Successor Index, the effective date of the Successor Index or the occurrence of an Index Cancellation will be given to Noteholders by the Issuer in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

The Issuer shall give notice to the Noteholders of any such adjustment in accordance with General

The Issuer shall give notice to the Noteholders of any such adjustment and/or amount in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.
- (c) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of a Determination Date in respect of which a Substitute Inflation Index Level was determined, the Calculation Agent may either (A) determine that such Relevant Level shall not be used in any calculation or determination under the Notes and that the Substitute Inflation Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (B) request the Issuer to make any adjustment to any amount payable under the Notes and/or any other relevant term of the Notes as it deems appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the Noteholders of any determination in respect of (A) or (B), together with any adjustment or amount in respect thereof, in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

The Calculation Agent shall give notice to the Noteholders of any such adjustment in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

may make (A) if Related Bond is specified as applicable in the relevant Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (B) if Related Bond is specified as not applicable in the relevant Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Index before it was rebased and in each case the Issuer may make any adjustment(s) to any amount payable under the Notes and/or any other term of the Notes as the Calculation Agent may deem necessary. If the Calculation Agent determines that neither (A) nor (B) above would produce a commercially reasonable result, the Calculation Agent may redeem each Note on a date notified by the Issuer to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, at its fair market value as determined by the Calculation Agent as at the date of redemption taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. - (b) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Determination Date, the Calculation Agent may determine either (a) to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Determination Date, in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Determination Date such that the provisions of sub-paragraph 3.1 above will apply, or, (b) notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with sub-paragraph 3.1 above.

3.7 Consequences of an Additional Disruption Event or an Optional Additional Disruption Event

In the event of any inconsistency between the General Conditions and the Commodity Linked Conditions, the Commodity Linked Conditions shall prevail.

1. Market Disruption

"**Market Disruption Event**" means, in respect of a relevant Commodity or Commodity Index and as determined by the Calculation Agent, the occurrence or existence of:

- (a) in the case of all Commodities and each Commodity Index, a Price Source Disruption, Trading Disruption, Disappearance of Commodity Reference Price, Limit Price Event; and in addition
- (b) in the case of each Commodity Index and all Commodities other than Gold, Silver, Platinum or Palladium, Material Change in Formula, Material Change in Content and/or Tax Disruption; and in addition
- (c) in the case of a Commodity Index, an Index Component Disruption Event.

The Calculation Agent shall, as soon as practicable, notify the Issuer and the relevant Agent of if it has determined that a Market Disruption Event has occurred and the action proposed to be taken in relation thereto and such Agent shall make available for inspection by holders copies of any such determinations.

2. Consequences of a Market Disruption Event and Disruption Fallbacks

Upon a Market Disruption Event occurring or continuing on any Pricing Date (or, if different, the day on which prices for that Pricing Date would, in the ordinary course, be published by the Price Source), the Calculation Agent may, in its sole and absolute discretion, take the action described in (a), (b) or (c) below which it deems appropriate.

- (a) the Calculation Agent shall determine if such event has a material effect on the Notes and, if so shall calculate the relevant Interest Amount and/or Redemption Amount and/or make any other relevant calculation using, in lieu of a published price for that Commodity or Commodity Index, as the case may be, the price for that Commodity or Commodity Index as determined by the Calculation Agent using the Commodity Fallback Value; or
- (b) the Calculation Agent may substitute the relevant Commodity or Index Component with a Commodity or Index Component selected by it in accordance with the criteria set out below (each, a "**Substitute Commodity**" or a "**Substitute Index Component**"), as the case may be, for each Commodity or Index Component (each, an "**Affected Commodity**" or "**Affected Index Component**") which is affected by the Market Disruption Event and the Substitute Commodity or Substitute Index Component, as the case may be, will be deemed to be a "**Commodity**" or an "**Index Component**", as the case may be, for the purposes of the Notes, and the Calculation Agent will make such adjustment, if any, to any one or more of the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Notes was to be determined by reference to the initial price of the Commodity or the Index Component, as the case may be, the initial price of each Substitute Commodity or Substitute Index Component, as the case may be, will be determined by the Calculation Agent in its sole and absolute discretion. In order to be selected as a Substitute Commodity, the Substitute Commodity shall be valued on the basis of a

futures contract on similar terms to, with a delivery date corresponding with and relating to the same Commodity as the Affected Commodity.

In order to be selected as a Substitute Index Component, the Substitute Index Component shall be an alternative futures contract or commodity index relating to a futures contract on similar terms to the Affected Index Component.

Such substitution and the relevant adjustment(s) will be deemed to be effective as of the date selected by the Calculation Agent (the "**Substitution Date**") in its sole and absolute discretion which may, but need not, be the relevant date of the Market Disruption Event. Such substitution will be notified to the Noteholders as soon as practicable after the Substitution Date in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be; or

- (c) the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of such Note, less the cost to the Issuer of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payment shall be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

The relevant Final Terms may specify Additional Disruption Fallback(s) that will apply.

3.2 Modification and Cessation of Calculation of a Commodity Index

If (a) on or prior to the last Averaging Date, the last Observation Date, the Final Interest Pricing Date or the Final Pricing Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Commodity Index or in any other way materially modifies that Commodity Index (other than a modification prescribed in that formula or method to maintain the Commodity Index in the event of changes in constituent contracts or commodities and other routine events) (a "**Commodity Index Modification**"), or permanently cancels a relevant Commodity Index and no Successor Commodity Index exists (a "**Commodity Index Cancellation**"), or (b) on any Averaging Date, Observation Date, Interest Pricing Date or other Pricing Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Commodity Index (a "**Commodity Index Disruption**" and, together with a Commodity Index Modification and a Commodity Index Cancellation, each a "**Commodity Index Adjustment Event**"), then:

- (b) the Issuer may redeem the Notes by giving notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

4. Correction of Commodity Reference Price

3. Determination of Extraordinary Fund Events

The Calculation Agent will determine if an Extraordinary Fund Event has occurred acting in good faith and in a commercially reasonable manner. Where the occurrence of an event or set of circumstances is capable of triggering more than one Extraordinary Fund Event, the Issuer may determine which Extraordinary Fund Event is to be triggered, in its sole and absolute discretion.

In considering whether the occurrence of an event or set of circumstances triggers an Extraordinary Fund Event, the Calculation Agent may have regard to the combined effect, from the Trade Date, of any event or set of circumstances, as the case may be, if such event or set of circumstances occurs more than once.

4. Consequences of an Extraordinary Fund Event or an Additional Disruption Event

- 4.1 If the Calculation Agent determines that an Extraordinary Fund Event has occurred, the Calculation Agent shall, on or prior to the date on which such Extraordinary Fund Event is no longer continuing, give notice ("**Extraordinary Fund Event Notice**") to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, (which notice shall be irrevocable), of the occurrence of such Extraordinary Fund Event (the date on which an Extraordinary Fund Event Notice is given, an "**Extraordinary Fund Event Notification Date**") and set out, if determined at that time, the action that the Issuer has determined to take in respect of the Extraordinary Fund Event pursuant to Fund Linked Condition 4.2 below. Where the action that the Issuer has determined to take is not, for whatever reason, set out in the Extraordinary Fund Event Notice, the action that the Issuer has determined to take shall be set out in a subsequent notice given to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, as soon as reasonably practicable after the Extraordinary Fund Event Notification Date.

For such purposes, an Extraordinary Fund Event shall be considered to be "continuing" if it has not been remedied to the reasonable satisfaction of the Issuer.

The Calculation Agent shall provide Noteholders with an Extraordinary Fund Event Notice as soon as reasonably practicable following the determination of an Extraordinary Fund Event. However, neither the Issuer nor the Calculation Agent shall be responsible for any loss, underperformance or opportunity cost suffered or incurred by any Noteholder or any other person in connection with the Notes as a result of any delay, howsoever arising. If the Calculation Agent gives an Extraordinary Fund Event Notice, the Issuer shall have no obligation to make any payment or delivery in respect of the Notes until the Issuer has determined the action that it has determined to take pursuant to Fund Linked Condition 4.2 below.

- 4.2 Following the occurrence of an Extraordinary Fund Event, the Issuer, in its sole and absolute discretion, may take the action described below in (a), (b), (c) or (d):

(a) No Action

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary Fund Event is to be "**No Action**", then the Fund Linked Notes shall continue and there shall be no amendment to the Terms and Conditions and/or the applicable Final Terms.

(b) Adjustment

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary Fund Event is to be "**Adjustment**", then the Calculation Agent may determine, in its sole and absolute discretion, the appropriate adjustment(s), if any, to be made to any one or more Fund, Fund Share and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the

applicable Final Terms to take account of the Extraordinary Fund Event and determine the effective date of such adjustment.

(c) Substitution

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary Fund Event is to be "**Substitution**", the Calculation Agent shall:

- (i) determine the weighted average price at which a Hypothetical Investor can redeem the Fund Shares in the relevant Fund in such number as determined by the Calculation Agent in its sole and absolute discretion as soon as it is reasonably practicable following the Extraordinary Fund Event;
- (ii) for a period of not longer than 14 calendar days following the date on which a Hypothetical Investor would have received proceeds from a redemption order in full submitted by the Hedge Provider as soon as practicable following the occurrence of an Extraordinary Fund Event, use reasonable efforts to substitute the Fund Shares with shares, units or other similar interests in an alternative fund which, in the sole and absolute determination of the Calculation Agent, has similar characteristics to the relevant Fund, including but not limited to, comparable investment objectives, investment restrictions and investment processes and has service providers acceptable to the Calculation Agent;
- (iii) if no alternative fund can be determined pursuant to the preceding subparagraph (ii) above, use reasonable efforts to substitute the Fund with an index (or a fund tracking such index) selected by the Calculation Agent in its sole and absolute discretion; and
- (iv) following any substitution in accordance with sub-paragraph (ii) or (iii) above, the Issuer may, in its sole and absolute discretion, require the Calculation Agent make such determinations and/or adjustments to these Terms and Conditions and/or the Final Terms as it determines to be appropriate to take account of such Substitution.

(d) Termination

If the Issuer determines that the action to be taken in respect of the Extraordinary Fund Event is to be "**Termination**", on giving notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be (which such notice may be included in the Extraordinary Fund Event Notice in respect of the relevant Extraordinary Fund Event and will specify the Termination Date), all but not some only of the outstanding Fund Linked Notes shall be redeemed by payment of the Termination Amount on the Termination Date, subject to Fund Linked Condition 5. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

(e) General

In determining to take a particular action as a result of an Extraordinary Fund Event, the Issuer is under no duty to consider the interests of Noteholders or any other person. In making any determination as to which action to take following the occurrence of an Extraordinary Fund Event, neither the Issuer nor the Calculation Agent shall be responsible for any loss (including any liability in respect of interest), underperformance or opportunity cost suffered or incurred by Noteholders or any other person in connection with the Notes as a result thereof, howsoever arising including as a result of any delay in making any payment or delivery in respect of the Notes.

Upon determining the occurrence of an Extraordinary Fund Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, giving details of the Extraordinary Fund Event and the action to be taken in respect thereof.

5. Redemption/Termination Date Extension

In the case of Cash Settled Notes, if on the date falling two Business Days prior to the Scheduled Redemption Date, the Automatic Early Redemption Date or the Termination Date, as the case may be, the Hedge Provider has not, after having placed one or more redemption orders in respect of its holding of Fund Shares in accordance with the terms of the relevant Fund Documents, received redemption proceeds in full in respect of such Fund Shares (the "**Redemption Proceeds**"), the Calculation Agent may notify the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, that the Redemption Date, the Automatic Early Redemption Date or the Termination Date, as the case may be, has been postponed. As soon as practicable following receipt by the Hedge Provider of the Redemption Proceeds the Calculation Agent shall give notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be (such notice the "**Delayed Payment Notice**") and redeem the Notes on the date falling not more than five Business Days following the receipt of the Delayed Payment Notice (such date, the "**Postponed Redemption Date**") by payment to each Noteholder of the Redemption Amount, the Automatic Early Redemption Amount or the Termination Amount, as the case may be, provided that, if the Hedge Provider does not receive the Redemption Proceeds within the period ending on the Delayed Payment Cut-off Date, the Postponed Redemption Date shall be the Delayed Payment Cut-off Date.

In the case of interest bearing Notes, the Issuer shall be obliged to pay interest calculated as provided in General Condition 3 of the Terms and Conditions of the English Law Notes or General Condition 3 of the Terms and Conditions of the French Law Notes, as the case may be, accruing from (and including) the Interest Period End Date immediately preceding the Scheduled Redemption Date, the Automatic Early Redemption Date or the Termination Date, as the case may be, (or, if none, the Interest Commencement Date) to (but excluding) the Scheduled Redemption Date or the Termination Date, as the case may be, but shall only be obliged to make such payment of interest on the Postponed Redemption Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.

ANNEX 7

ADDITIONAL TERMS AND CONDITIONS FOR CREDIT LINKED NOTES

The terms and conditions applicable to Credit Linked Notes shall comprise the Terms and Conditions of the English Law Notes or the Terms and Conditions of the French Law Notes, as specified as applicable in the applicable Final Terms, (the "**General Conditions**") and the additional Terms and Conditions set out below (the "**Credit Linked Conditions**"), in each case subject to completion in the applicable Final Terms. In the event of any inconsistency between the General Conditions and the Credit Linked Conditions, the Credit Linked Conditions shall prevail.

1. General

1.1 Credit Terms

The Final Terms shall specify:

- (a) the type of Credit Linked Notes, being Single Reference Entity CLNs, Nth-to-Default CLNs, Linear Basket CLNs or such other type as may be specified in the Final Terms;
- (b) the Settlement Method (if not Auction Settlement) and, where Auction Settlement applies, the applicable Fallback Settlement Method;
- (c) the Reference Entity or Reference Entities in respect of which a Credit Event may occur;
- (d) the Reference Obligation(s) (if any) in respect of each Reference Entity;
- (e) the Trade Date and the Scheduled Maturity Date;
- (f) the Transaction Type applicable to each Reference Entity; and
- (g) the Reference Entity Notional Amount in respect of each Reference Entity.

1.2 Physical Settlement Matrix

Where a Transaction Type is specified in the Final Terms in respect of any Reference Entity, then the provisions of these Terms shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in the Final Terms.

1.3 Additional Provisions

If, in accordance with the specified Transaction Type or otherwise, any Additional Provisions are applicable, these Credit Linked Conditions shall take effect subject to the provisions thereof.

1.4 Linear Basket CLNs

If the Credit Linked Notes are Linear Basket CLNs, then the provisions of these Credit Linked Conditions relating to redemption of Credit Linked Notes following satisfaction of Conditions to Settlement, extension of maturity of Credit Linked Notes on delivery of an Extension Notice, cessation or suspension of accrual of interest or accrual and payment of interest following the Scheduled Maturity Date shall apply separately with respect to each Reference Entity and a principal amount of each Credit Linked Note corresponding to the Reference Entity Notional Amount divided by the number of Credit Linked Notes then in issue. The remaining provisions of these Credit Linked Conditions shall be construed accordingly.

2. Redemption

2.1 Redemption absent Satisfaction of Conditions to Settlement

The Issuer will redeem each Credit Linked Note on the related CLN Maturity Date (as such date may be extended in accordance with the definition thereof) by payment of an amount equal to the outstanding principal amount of such Note (or, in the case of Linear Basket CLNs, the relevant portion thereof) (together with interest, if any, payable thereon) unless:

- (a) the Credit Linked Notes have been previously redeemed or purchased and cancelled in full (including pursuant to Credit Linked Conditions 2.2, 2.3 or 2.4); or
- (b) the Conditions to Settlement have been satisfied, in which event the Issuer shall redeem the Credit Linked Notes in accordance with Credit Linked Condition 2.2.

2.2 Redemption following Satisfaction of Conditions to Settlement

Upon satisfaction of the Conditions to Settlement in relation to any Reference Entity, each Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof) will be subject to redemption:

- (a) if the applicable Settlement Method is Auction Settlement, by payment of its *pro rata* share of the Auction Settlement Amount on the Auction Settlement Date, unless a Fallback Settlement Event occurs, in which event the Issuer shall perform its respective payment and/or delivery obligations in accordance with the applicable Fallback Settlement Method. If the Conditions to Settlement with respect to a new Credit Event are satisfied following the occurrence of a Fallback Settlement Event with respect to a first Credit Event and no Fallback Settlement Event occurs with respect to such new Credit Event, the Issuer shall, if it so elects on or prior to a related Valuation Date or Delivery Date, redeem the Credit Linked Notes in accordance with this Credit Linked Condition 2.2(a) by Auction Settlement;
- (b) if the applicable Settlement Method is Physical Settlement, in accordance with Credit Linked Condition 4; and
- (c) if the applicable Settlement Method is Cash Settlement, by payment of its *pro rata* share of the Cash Settlement Amount on the Cash Settlement Date.

Where the Notes are Nth-to-Default CLNs, the Conditions to Settlement shall not be satisfied with respect to the Notes until the Conditions to Settlement are satisfied with respect to the Nth Reference Entity. Where the Notes are Nth-to-Default CLNs and the Conditions to Settlement are satisfied with respect to more than one Reference Entity on the same day, the Calculation Agent shall determine in its sole discretion the order in which such Conditions to Settlement were satisfied.

2.3 Redemption following a Merger Event

If this Credit Linked Condition 2.3 is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, and redeem all but not some only of the Credit Linked Notes at the Early Redemption Amount on the Merger Event Redemption Date.

2.4 Additional Credit Linked Note Disruption Events

If the Calculation Agent determines that an Additional Credit Linked Note Disruption Event has occurred, the Issuer may redeem the Notes by giving notice to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be. If the Notes are so redeemed, the Issuer will pay an amount to each Noteholder in respect of each Note equal to the fair market value of such Note taking into account the Additional Credit Linked Note Disruption Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be.

2.5 Suspension of Obligations

If a Credit Event Resolution Request Date occurs or if a notice is delivered to ISDA as contemplated in the definition of "Credit Event Resolution Request Date" in relation to any Reference Entity, then (unless the Issuer otherwise elects by notice to the Calculation Agent and the Noteholders) from the date delivery of such notice is effective (and notwithstanding that the relevant Credit Derivatives Determinations Committee has yet to determine whether Publicly Available Information is available or that a Credit Event has occurred), any obligation of the Issuer to redeem any Credit Linked Note (including pursuant to Credit Linked Condition 2.2) or pay any amount of interest which would otherwise be due thereon shall, insofar as it relates to the relevant Reference Entity, be and remain suspended until such time as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved with respect to such Reference Entity:

- (a) the matters described in sub-paragraphs (a) and (b) of the definition of "Credit Event Resolution Request Date"; or
- (b) not to determine such matters.

During such suspension period, the Issuer shall not be obliged to, nor entitled to, take any action in connection with the settlement of the Credit Linked Notes, in each case insofar as they relate to the relevant Reference Entity. Once ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved, the matters set out in paragraphs (i) and (ii) above, such suspension shall terminate and any obligations so suspended shall resume on the basis of such Resolution on the CLN Business Day following such public announcement by ISDA, with the Issuer having the benefit of the full day notwithstanding when the suspension began. Any amount of interest so suspended shall, subject always to Credit Linked Condition 3.1, become due on the date determined by the Calculation Agent, in its sole discretion but not later than fifteen Business Days following such public announcement by ISDA.

For the avoidance of doubt, no interest shall accrue on any payment of interest or principal which is deferred in accordance with this Credit Linked Condition 2.5.

2.6 Miscellaneous provisions relating to Redemption

If the Credit Linked Notes are partially redeemed, the relevant Credit Linked Notes or, if the Credit Linked Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such partial redemption. Upon such partial redemption, the outstanding principal amount of each Note shall be reduced for all purposes (including accrual of interest thereon) accordingly.

Redemption of any Credit Linked Note in accordance with Credit Linked Condition 2, together with payment of interest, if any, due thereon shall discharge all or the relevant portion of the obligations of the Issuer in relation thereto.

Any amount payable under Credit Linked Condition 2.2 shall be rounded downwards to the nearest sub-unit of the relevant currency.

3. Interest

3.1 Cessation of Interest Accrual

Upon the occurrence of an Event Determination Date in respect of any Reference Entity, interest on such Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof) shall cease to accrue with effect from and including either:

- (a) the Interest Payment Date immediately preceding such Event Determination Date (or, in the case of the first Interest Period, the Interest Commencement Date); or
- (b) if so specified in the Final Terms, such Event Determination Date.

3.2 Interest following Scheduled Maturity

Subject always to Credit Linked Condition 3.1, if an Extension Notice has been given (other than pursuant to paragraph (d) of the definition of "Extension Notice"), each Credit Linked

Note (or, in the case of Linear Basket CLNs, the relevant portion thereof) which is outstanding following the Scheduled Maturity Date shall continue to bear interest from (and including) the Scheduled Maturity Date to (but excluding) the related CLN Maturity Date at a rate of interest equal to either:

- (a) the rate that BNP Paribas would pay to an independent customer in respect of overnight deposits in the currency of the Credit Linked Notes; or
- (b) such other rate as shall be specified for such purpose in the Final Terms.

For the avoidance of doubt, if an Extension Notice has been given pursuant to paragraph (d) of the definition thereof, no interest shall accrue from (and including) the Scheduled Maturity Date to (but excluding) the related CLN Maturity Date.

3.3 Interest Payment Dates

If the Credit Linked Notes are redeemed pursuant to the General Conditions or these Credit Linked Conditions, the Scheduled Maturity Date, the CLN Maturity Date (if not the Scheduled Maturity Date), the Auction Settlement Date, the Cash Settlement Date or the last Delivery Date, as the case may be, shall be an Interest Payment Date in respect of each Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof) and the Issuer shall pay any interest that has accrued in respect of each Credit Linked Note (or, as applicable, the relevant portion thereof) on such Interest Payment Date.

4. Physical Settlement

4.1 Delivery and payment

If Physical Settlement applies to any Credit Linked Note, then, upon the satisfaction of the related Conditions to Settlement, the Issuer shall, on or prior to the related Physical Settlement Date and subject to Credit Linked Condition 4.2, 4.3 and 4.6, redeem such Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof), respectively, by:

- (a) Delivering a *pro rata* share of the Deliverable Obligations specified in the related Notice of Physical Settlement; and
- (b) paying such Note's *pro rata* portion of the related Physical Settlement Adjustment Rounding Amount.

4.2 Partial Cash Settlement Due to Impossibility or Illegality

If, due to an event beyond the control of the Issuer, it is impossible or illegal for the Issuer to Deliver or, due to an event beyond the control of the Issuer or any Noteholder, it is impossible or illegal for the Issuer or the relevant Noteholder to accept Delivery of any of the Deliverable Obligations specified in a Notice of Physical Settlement on the related Physical Settlement Date, then on such date the Issuer shall Deliver any of the Deliverable Obligations specified in the Notice of Physical Settlement for which it is possible and legal to take Delivery. If any Undeliverable Obligations have not been delivered on or prior to the Latest Permissible Physical Settlement Date, then Partial Cash Settlement shall apply with respect to such Undeliverable Obligations and, accordingly, the Issuer shall pay the relevant Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the relevant Noteholders on the Partial Cash Settlement Date.

4.3 Non-Delivery of Deliverable Obligations

If the Issuer does not Deliver any Deliverable Obligation specified in a Notice of Physical Settlement other than as a result of an event or circumstance contemplated in Credit Linked Condition 4.2 above (including following the occurrence of a Hedge Disruption Event), such failure shall not constitute an Event of Default for the purpose of the Notes and the Issuer may continue to attempt to Deliver the Deliverable Obligations that are Bonds or Loans until the Extended Physical Settlement Date.

If, as at the relevant Extended Physical Settlement Date, any such Deliverable Obligations have not been Delivered, then Partial Cash Settlement shall apply with respect to such

Deliverable Obligations and the Issuer shall pay to the Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the Noteholders on the Partial Cash Settlement Date.

4.4 Aggregation and Rounding

Where a Noteholder holds Credit Linked Notes in an aggregate nominal amount greater than the Specified Denomination, the Outstanding Principal Balance of the Deliverable Obligations to be Delivered in respect of the Credit Linked Notes shall be aggregated for the purposes of this Credit Linked Condition 4. If the nominal amount of the Deliverable Obligations to be Delivered in respect of each Credit Linked Note to be redeemed pursuant to this Credit Linked Condition 4.4 on any occasion is not equal to an authorised denomination (or integral multiple thereof) of such Deliverable Obligations then the nominal amount of Deliverable Obligations to be Delivered will be rounded down to the nearest authorised denomination or multiple thereof, or, if none, to zero. In such circumstances, the Deliverable Obligations that were not capable of being Delivered shall, if and to the extent practicable, be sold by the Issuer or such other agent as may be appointed by the Issuer for such purpose and, if they are so sold, the Issuer shall make payment in respect of each Credit Linked Note in an amount equal to its pro rata share of the related net sale proceeds as soon as reasonably practicable following receipt thereof.

4.5 Delivery and Fees

The Delivery of any of the Deliverable Obligations pursuant to the provisions of this Credit Linked Condition 4 shall be made in such commercially reasonable manner as the Issuer shall, in its sole discretion, determine to be appropriate for such Delivery. Subject as set out in the definition of "Deliver":

- (a) any recordation, processing or similar fee reasonably incurred by the Issuer and/or any of its Affiliates and payable to the agent under a Loan in connection with an assignment (where Deliverable Obligations include Assignable Loans or Consent Required Loans) shall be payable by the relevant Noteholders, and if any Stamp Tax is payable in connection with the Delivery of any Deliverable Obligations, payment thereof shall be made by the relevant Noteholders; and
- (b) any other expenses arising from the Delivery and/or transfer of the Deliverable Obligations shall be for the account of the Noteholders or the Issuer, as appropriate, determined in accordance with then current market conventions.

Delivery and/or transfer of the Deliverable Obligations shall be delayed until all expenses relating to such Delivery or transfer payable by the Noteholders have been paid to the satisfaction of the Issuer.

4.6 Asset Transfer Notice

A Noteholder will not be entitled to any of the amounts or assets specified as being due to it in this Credit Linked Condition 4.6 upon the satisfaction of the Conditions to Settlement unless it has presented or surrendered (as is appropriate) the relevant Credit Linked Note and delivered an Asset Transfer Notice in accordance with General Condition 4(b)(A) of the Terms and Conditions of the English Law Notes or General Condition 4(b)(A) of the Terms and Conditions of the French Law Notes, as the case may be. For so long as the Credit Linked Notes are held in any clearing system, any communication from such clearing system on behalf of the Noteholder containing the information required in an Asset Transfer Notice will be treated as an Asset Transfer Notice. For as long as Bearer Notes are represented by a Global Note, surrender of Credit Linked Notes for such purpose will be effected by presentation of the Global Note and its endorsement to note the principal amount of Credit Linked Notes to which the relevant Asset Transfer Notice relates.

5. Provisions relating to Obligation Category and Characteristics and Deliverable Obligation Category and Characteristics

5.1 Obligation Characteristics

If the Obligation Characteristic "Listed" is specified in the applicable Final Terms or is applicable in respect of the applicable Transaction Type, the Final Terms shall be construed as though Listed had been specified as an Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Obligation Category.

5.2 Deliverable Obligation Category and Characteristics

If:

- (a) either of the Deliverable Obligation Characteristics "Listed" or "Not Bearer" is specified in the applicable Final Terms or is applicable in respect of the applicable Transaction Type, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Deliverable Obligation Category;
- (b) the Deliverable Obligation Characteristic "Transferable" is specified in the applicable Final Terms or is applicable in respect of the applicable Transaction Type, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Deliverable Obligations that are not Loans (and shall only be relevant to the extent that obligations other than Loans are covered by the selected Deliverable Obligation Category);
- (c) any of the Deliverable Obligation Characteristics "Assignable Loan", "Consent Required Loan" or "Direct Loan Participation" is specified in the applicable Final Terms or is applicable in respect of the applicable Transaction Type, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Loans and shall only be relevant if Loans are covered by the selected Deliverable Obligation Category; and
- (d) any of Payment, Borrowed Money, Loan or Bond or Loan is specified as the Deliverable Obligation Category and more than one of Assignable Loan, Consent Required Loan and Direct Loan Participation are specified in the applicable Final Terms as Deliverable Obligation Characteristics or is applicable in respect of the applicable Transaction Type, the Deliverable Obligations may include any Loan that satisfies any one of such Deliverable Obligation Characteristics specified and need not satisfy all such Deliverable Obligation Characteristics.

5.3 Qualifying Guarantee

If an Obligation or a Deliverable Obligation is a Qualifying Guarantee, the following will apply:

- (a) For purposes of the application of the Obligation Category or the Deliverable Obligation Category, the Qualifying Guarantee shall be deemed to be described by the same category or categories as those that describe the Underlying Obligation.
- (b) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, both the Qualifying Guarantee and the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms or applicable in respect of the relevant Transaction Type from the following list: Specified Currency, Not Sovereign Lender, Not Domestic Currency and Not Domestic Law. For these purposes, unless otherwise specified in the applicable Final Terms, (A) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (B) the laws of England and the laws of the State of New York shall not be a Domestic Law.
- (c) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Qualifying Guarantee must satisfy on the relevant date the Obligation Characteristic or the Deliverable Obligation Characteristic of Not

Subordinated, if specified in the applicable Final Terms or if applicable in respect of the relevant Transaction Type.

- (d) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms or applicable in respect of the relevant Transaction Type from the following list: Listed, Not Contingent, Not Domestic Issuance, Assignable Loan, Consent Required Loan, Direct Loan Participation, Transferable, Maximum Maturity, Accelerated or Matured and Not Bearer.
- (e) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics to an Underlying Obligation, references to the Reference Entity shall be deemed to refer to the Underlying Obligor.

- (g) For the avoidance of doubt the provisions of this Credit Linked Condition 5 apply in respect of the definitions of "Obligation" and "Deliverable Obligation" as the context admits.

6. Succession Event

6.1 Single Reference Entity

Where the Notes are Single Reference Entity CLNs and a Succession Event has occurred and more than one Successor has been identified, each Credit Linked Note will be deemed for all purposes to have been divided into the same number of new Credit Linked Notes as there are Successors, with the following terms:

- (a) each Successor will be a Reference Entity for the purposes of one of the deemed new Credit Linked Notes;
- (b) in respect of each deemed new Credit Linked Note, the Reference Entity Notional Amount will be the Reference Entity Notional Amount applicable to the original Reference Entity divided by the number of Successors; and
- (c) all other terms and conditions of the original Credit Linked Notes will be replicated in each deemed new Credit Linked Note except to the extent that modification is required, as determined by the Calculation Agent in its sole discretion, to preserve the economic effects of the original Credit Linked Notes in the deemed new Credit Linked Notes (considered in the aggregate).

6.2 Nth-to-Default CLNs

Where the Notes are Nth-to-Default CLNs:

- (a) where a Succession Event has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which a Credit Event has occurred) and more than one Successor has been identified, each Credit Linked Note will be deemed for all purposes to have been divided into a number of new Credit Linked Notes equal to the number of Successors. Each such new Credit Linked Note shall include a Successor and each and every one of the Reference Entities unaffected by such Succession Event and the provisions of Credit Linked Condition 6.1(a) to (c) (inclusive) shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other

Reference Entity (the "**Legacy Reference Entity**") pursuant to a Succession Event, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and

- (c) if "Substitution" is specified as being applicable in the Final Terms, where the Surviving Reference Entity (other than a Reference Entity that is subject to the Succession Event) would be a Successor to a Legacy Reference Entity pursuant to a Succession Event:
 - (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
 - (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

6.3 Linear Basket CLNs

Where the Credit Linked Notes are Linear Basket CLNs, and one or more Successors have been identified in respect of a Reference Entity that has been the subject of a related Succession Event (the "**Affected Entity**"):

- (a) the Affected Entity will no longer be a Reference Entity (unless it is a Successor as described in (ii) below);
- (b) each Successor will be deemed a Reference Entity (in addition to each Reference Entity which is not an Affected Entity);
- (c) the Reference Entity Notional Amount for each such Successor will equal the Reference Entity Notional Amount of the Affected Entity divided by the number of Successors;
- (d) the Calculation Agent may, at its discretion, make any modifications to the terms of the Notes which may be required to preserve the economic effects of the Notes prior to the Succession Event (considered in the aggregate); and
- (e) for the avoidance of doubt, a Reference Entity may, as a result of a Succession Event, be represented in the Reference Portfolio with respect to multiple Reference Entity Notional Amounts.

6.4 Substitute Reference Obligations

Where:

- (a) a Reference Obligation is specified in the applicable Final Terms;
 - (b) one or more Successors to the Reference Entity have been identified; and
 - (c) any one or more such Successors have not assumed the Reference Obligation,
- a Substitute Reference Obligation will be determined in accordance with the definition of "Substitute Reference Obligation".

7. Provisions relating to LPN Reference Entities

The following provisions shall apply if the relevant Final Terms provide that "LPN Reference Entity" is applicable:

- (a) Multiple Holder Obligation will not be applicable with respect to any Reference Obligation and any Underlying Loan;
- (b) each Reference Obligation will be an Obligation notwithstanding anything to the contrary in these Credit Linked Conditions, and in particular, that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in these Credit Linked Conditions, and in particular, that the obligation is not an obligation of the Reference Entity;

- (d) for the avoidance of doubt, with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Financial Instrument, the outstanding principal balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation; and
- (e) the "Not Subordinated" Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity.

8. Restructuring Credit Event

8.1 Multiple Credit Event Notices

Upon the occurrence of a Restructuring Credit Event with respect to a Reference Entity for which Restructuring is an applicable Credit Event and either "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the relevant Transaction Type:

- (a) the Calculation Agent may deliver multiple Credit Event Notices with respect to such Restructuring Credit Event, each such notice setting forth the amount of the relevant Reference Entity Notional Amount to which such Restructuring Credit Event applies (the "**Exercise Amount**") provided that if the Credit Event Notice does not specify an Exercise Amount, the then outstanding Reference Entity Notional Amount (and not a portion thereof) will be deemed to have been specified as the Exercise Amount;
- (b) the provisions of these Credit Linked Conditions shall be deemed to apply to an aggregate outstanding principal amount equal to the Exercise Amount only and all the provisions shall be construed accordingly;
- (c) the Exercise Amount in connection with a Credit Event Notice describing a Credit Event other than a Restructuring must be equal to the relevant Reference Entity Notional Amount (and not a portion thereof); and
- (d) the Exercise Amount in connection with a Credit Event Notice describing a Restructuring must be an amount that is at least 1,000,000 units of the Specified Currency (or, if Japanese Yen, 100,000,000 units) in which the Reference Entity Notional Amount is denominated or any integral multiple thereof or the entire relevant Reference Entity Notional Amount.

In the case of an Nth-to-Default CLN, once the Conditions to Settlement have been satisfied in respect of the Nth Reference Entity where the Credit Event is a Restructuring Credit Event, no further Credit Event Notices may be delivered in respect of any other Reference Entity (save to the extent that the Credit Linked Notes are deemed to have been divided into new Credit Linked Notes pursuant to Credit Linked Condition 6).

If any Credit Linked Note is subject to partial redemption in accordance with this Credit Linked Condition 8, the relevant Credit Linked Note or, if the Credit Linked Notes are represented by a Global Note, such Global Note shall be endorsed to reflect such partial redemption.

For the avoidance of doubt, this Credit Linked Condition 8 shall not be applicable in respect of a Reference Entity for which Restructuring is an applicable Credit Event and neither "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" nor "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the relevant Transaction Type.

8.2 Restructuring Maturity Limitation and Fully Transferable Obligation

In respect of any Reference Entity for which Restructuring is an applicable Credit Event, if "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the Transaction Type, and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation or, as applicable, Valuation Obligation, may be specified in a Notice of Physical Settlement, any

NOPS Amendment Notice or, as applicable, selected by the Issuer to form part of the related Valuation Obligations Portfolio only if it:

- (a) is a Fully Transferable Obligation; and
- (b) has a final maturity date not later than the Restructuring Maturity Limitation Date.

8.3 Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable

In respect of any Reference Entity for which Restructuring is an applicable Credit Event, if "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the applicable Transaction Type, and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation or, as applicable, Valuation Obligation, may be specified in the Notice of Physical Settlement, any NOPS Amendment Notice or, as applicable, selected by the Issuer to form part of the related Valuation Obligations Portfolio, only if it:

- (a) is a Conditionally Transferable Obligation; and
- (b) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

In the event that the requisite consent in relation to a Deliverable Obligation which is a Conditionally Transferable Obligation is refused (whether or not a reason is given for such refusal and, where a reason is given for such refusal, regardless of that reason) or is not received by the Physical Settlement Date, the Issuer shall, as soon as reasonably practicable, notify the relevant Noteholders of such refusal (or deemed refusal) and:

- (x) each such Noteholder may designate a third party (which may or may not be an Affiliate of such Noteholder) to take Delivery of the Deliverable Obligation on its behalf; and
- (y) if a Noteholder does not designate a third party that takes Delivery on or prior to the date which is three CLN Business Days after the Physical Settlement Date, then the Issuer will redeem the Notes which have not been Delivered by payment of the relevant Partial Cash Settlement Amount to such Noteholder. For the avoidance of doubt, Credit Linked Condition 4.2 will not apply to this sub-paragraph.

8.4 Multiple Holder Obligations

Notwithstanding anything to the contrary in the definition of "Restructuring" and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs 8.1(a) to (d) (inclusive) thereof shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation, provided that any obligation that is a Bond shall be deemed to satisfy the requirements of sub-paragraph (b) of the definition of "Multiple Holder Obligation".

9. Miscellaneous Provisions relating to Credit Linked Notes

9.1 Determinations of the Calculation Agent

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Linked Conditions shall (in the absence of manifest error) be final and binding on the Issuer and the Noteholders. In performing its duties pursuant to the Credit Linked Notes, the Calculation Agent shall act in its sole and absolute discretion and, unless otherwise expressly stated, is not bound to follow or act in accordance with any determination of the relevant Credit Derivatives Determinations Committee. Whenever the Calculation Agent is required to make any determination it may, *inter alia*, decide issues of construction and legal interpretation. If the Calculation Agent chooses to rely on the determinations of the relevant Credit Derivatives Determinations Committee it may do so

without liability. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked Notes including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent or the Issuer shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

If, where the Calculation Agent has relied upon a DC Resolution for the purposes of making a calculation or determination with respect to the Notes, ISDA publicly announces that such DC Resolution has been reversed by a subsequent DC Resolution, such reversal will be taken into account for the purposes of any subsequent calculations excepting instances where any Notes which would otherwise have been affected by such a reversal have already been redeemed (where redeemed in part, to the extent of any such redemption). The Calculation Agent, acting in a commercially reasonable manner, will make any adjustment to any future payments as are required to take account of such reversal, including any payment of additional interest or any reduction in any interest or any other amount payable under the Notes. For the avoidance of doubt, no accruals of interest shall be taken into account when calculating any such adjustment payment.

9.2 Change in Standard Terms and Market Conventions

The Calculation Agent, acting reasonably, may (but shall not be obligated to) modify these Credit Linked Conditions from time to time with effect from a date designated by the Calculation Agent to the extent necessary to ensure consistency with prevailing market standards or market trading conventions, which are, pursuant to the agreement of the leading dealers in the credit derivatives market or any relevant committee established by ISDA, a market-wide protocol, any applicable law or regulation or the rules of any applicable exchange or clearing system, applicable to any Notional Credit Derivative Transaction or Hedge Transaction entered into prior to such date or terms thereof. The Calculation Agent shall notify the Issuer and the Noteholders as soon as reasonably practicable upon making any such determination. For the avoidance of doubt, the Calculation Agent may not, without the consent of the Issuer, amend pursuant to this Credit Linked Condition 9.2 any of the terms and conditions of the Credit Linked Notes other than the applicable Credit Linked Conditions.

In particular, the Calculation Agent may make such modifications as may be necessary to ensure consistency with any successor provisions which are published by ISDA and which supersede the 2003 ISDA Credit Derivatives Definitions ("**Successor Provisions**") for the purposes of credit derivatives transactions generally (including with respect to transactions which are entered into prior to the relevant date of publication and which are outstanding as of that date) and/or may apply and rely on determinations of the Credit Derivatives Determinations Committee made in respect of a relevant Reference Entity under any such Successor Provisions notwithstanding any discrepancy between the terms of such Successor Provisions and these Credit Linked Conditions.

9.3 Delivery of Notices

As soon as reasonably practicable after receiving a Credit Event Notice or Notice of Publicly Available Information from the Calculation Agent, the Issuer shall promptly inform, or shall procure that the Calculation Agent informs the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be. Resolutions of the Credit Derivatives Determinations Committee are, as of the date hereof, available on ISDA's website (www.isda.org/credit).

9.4 Effectiveness of Notices

Any notice referred to in Credit Linked Condition 9.3 above which is delivered on or prior to 5:00 p.m. (London time) on a London Business Day is effective on such date and if delivered after such time or on a day that is not a London Business Day, is deemed effective on the next following London Business Day.

9.5 Excess Amounts

If, on a Business Day, the Calculation Agent reasonably determines that an Excess Amount has been paid to Noteholders on or prior to such day, then following notification of the determination of an Excess Amount to the Issuer and Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, the Issuer may deduct any such Excess Amount from future payments in relation to the Notes (whether interest or principal) or may reduce the amount of any assets deliverable under the terms of the Notes to the extent that it determines, acting reasonably, to be necessary to compensate for such Excess Amount.

10. Definitions

In these Credit Linked Conditions, unless otherwise specified in the applicable Final Terms:

"Accelerated or Matured" means an obligation under which the total amount owed, whether at maturity, by reason of acceleration, upon termination or otherwise (other than amounts in respect of default interest, indemnities, tax gross-ups and other similar amounts), is, or on, or prior to the Delivery Date will be, due and payable in full in accordance with the terms of such obligation, or would have been but for, and without regard to, any limitation imposed under any applicable insolvency laws.

"Accreted Amount" means, with respect to an Accreting Obligation, an amount equal to:

Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent) only if "Include Accrued Interest" is specified as being applicable in the relevant Final Terms. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (x) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (y) the Delivery Date or applicable Valuation Date, as the case may be. The Accreted Amount shall exclude, in the case of a Convertible Obligation or an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities into which such obligation is convertible or exchangeable.

"Underlying Obligor" means, the party which is the actual obligor of an Underlying Obligation.

"Unwind Costs" means the amount specified in the applicable Final Terms or if **"Standard Unwind Costs"** are specified in the applicable Final Terms (or in the absence of any such specification), an amount, subject to a minimum of zero, determined by the Calculation Agent

equal to the sum of (without duplication) all costs, expenses (including loss of funding), tax and duties incurred by the Issuer in connection with the redemption of the Credit Linked Notes and the related termination, settlement or re-establishment of any Hedge Transaction, such amount to be apportioned *pro rata* amongst the nominal amount of each Credit Linked Note equal to the Calculation Amount set out in the applicable Final Terms.

"Valuation Date" means:

- (a) any CLN Business Day falling between the 55th and the 122nd CLN Business Day following the Event Determination Date, or, following any Auction Cancellation Date or No Auction Announcement Date, such later CLN Business Day, (in each case, as selected by the Calculation Agent in its sole and absolute discretion); or
- (b) if "Cash Settlement" is applicable as a Fallback Settlement Method, any CLN Business Day falling between the 55th and the 122nd CLN Business Day following the Event Determination Date, or, following any Auction Cancellation Date or No Auction Announcement Date, such later CLN Business Day, (in each case, as selected by the Calculation Agent in its sole and absolute discretion); or
- (c) if Partial Cash Settlement applies, the date which is up to fifteen CLN Business Days after the Latest Permissible Physical Settlement Date or, as applicable the Extended Physical Settlement Date (as selected by the Calculation Agent in its sole and absolute discretion).

"Valuation Obligation" means, in respect of a Reference Entity, notwithstanding anything to the contrary in the Credit Linked Conditions, one or more obligations of such Reference Entity (either directly or as provider of a Qualifying Guarantee or, as the case may be, Qualifying Affiliate Guarantee), which would constitute a "Deliverable Obligation" if Physical Settlement were the applicable Settlement Method as selected by the Issuer in its sole and absolute discretion on the applicable Valuation Date, provided that, for such purpose:

- (a) any reference to the words "Delivery Date" in the definitions of "Conditionally Transferable Obligation", "Deliverable Obligation", within any of the terms comprising "Deliverable Obligation Category" or "Deliverable Obligation Characteristic" and "Due and Payable Amount" shall be deemed to be a reference to the words "Relevant Valuation Date";
- (b) the deletion of the words "being Delivered" in the definition of "Deliverable Obligation"; and
- (c) the deletion of the whole of the second paragraph within the definition of "Not Contingent" and replacing it with the following:

"If an Obligation is a Convertible Obligation or an Exchangeable Obligation, then such Obligation may only be included in the Valuation Obligations Portfolio if the rights referred to in clauses (i) and (ii) above have not been exercised (or such exercise has been effectively rescinded) on or before the Relevant Valuation Date."

For the avoidance of doubt, the use of Deliverable Obligation terms in the definition of "Valuation Obligation" is for convenience only and is not intended to amend the selected settlement method.

"Valuation Obligations Portfolio" means one or more Valuation Obligations of a Reference Entity selected by the Calculation Agent in its discretion, each in an Outstanding Principal Balance selected by the Calculation Agent in its sole and absolute discretion provided that the aggregate of such Outstanding Principal Balances (or in each case the equivalent in the Specified Currency thereof (converted at the foreign exchange rate prevailing on any date from (and including) the Event Determination Date to (and including) the Valuation Date, as selected by the Calculation Agent in its sole and absolute discretion)), shall not exceed the relevant Reference Entity Notional Amount.

"Valuation Time" means the time specified in relation to a Reference Entity or, if no time is so specified, 11.00 a.m. in the principal trading market for the relevant Valuation Obligation or Undeliverable Obligation, as the case may be.

"Voting Shares" shall mean those shares or other interests that have the power to elect the board of directors or similar governing body of an entity.

"Weighted Average Final Price" means the weighted average of the Final Prices determined for each selected Valuation Obligation in the Valuation Obligations Portfolio, weighted by the Currency Amount of each such Valuation Obligation (or its equivalent in the Settlement Currency, converted by the Calculation Agent, in a commercially reasonable manner, by reference to exchange rates in effect at the time of such determination).

"Weighted Average Quotation" means, in accordance with the bid quotations provided by the CLN Dealers, the weighted average of firm quotations obtained from the CLN Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Reference Obligation, Deliverable Obligation or Undeliverable Obligation, as the case may be, with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount (in the case of Deliverable Obligations only, but of a size equal to the Minimum Quotation Amount or, if quotations of a size equal to the Minimum Quotation Amount are not available, quotations as near in size as practicable to the Minimum Quotation Amount) that in the aggregate are approximately equal to the Quotation Amount.

ANNEX TO THE ADDITIONAL TERMS AND CONDITIONS FOR CREDIT LINKED NOTES

AUCTION SETTLEMENT TERMS ANNEX

If an Event Determination Date occurs with respect to the Credit Linked Notes and Auction Settlement applies, the Settlement Amount with respect to the Credit Linked Notes may be calculated based on the Auction Final Price for the Reference Entity (if any). This Annex contains a summary of certain provisions of the Form of Credit Derivatives Auction Settlement Terms set forth at Annex B to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions, published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") on 12 March 2009 (the "**Form of Auction Settlement Terms**") and is qualified by reference to the detailed provisions thereof and is subject to amendment from time to time in accordance with the Rules, including any amendment following the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement dated 14 July 2009, as published by ISDA (the "**July 2009 Supplement**"). The July 2009 Supplement extended the auction hardwiring process to Restructuring credit events. Following a Restructuring credit event, more than one auction may be held and there may be more than one Auction Final Price and credit default swaps are grouped into buckets by maturity and depending on which party triggers the credit default swap. Deliverable obligations will be identified for each bucket (any deliverable obligations included in a shorter bucket will also be deliverable for all longer buckets). If the Credit Derivatives Determinations Committee determines to hold an auction for a particular bucket, then that auction will be held according to the existing auction methodology that has previously been used for Bankruptcy and Failure to Pay credit events as described in the summary below, except that the deliverable obligations will be limited to those falling within the relevant maturity bucket.

The following does not purport to be a complete summary and prospective investors must refer to the Form of Auction Settlement Terms for detailed information regarding the auction methodology set forth therein (the "**Auction Methodology**"). The Auction and the Auction Methodology apply to credit default swaps on the Reference Entity and do not apply specifically to the Credit Linked Notes. A copy of the Form of Auction Settlement Terms may be inspected at the offices of the Issuer and is also currently available at www.isda.org.

Noteholders should be aware that this summary of the Form of Auction Settlement Terms is accurate only as of the date hereof and the Form of Auction Settlement Terms may be amended from time to time without consultation with Noteholders. At any time after the date hereof, the latest Form of Auction Settlement Terms will be available on the ISDA website at www.isda.org (or any successor website thereto). Further, notwithstanding the fact that the Form of Auction Settlement Terms (as may be amended from time to time) appears on the ISDA website, Noteholders should note that the Credit Derivatives Determinations Committees have the power to amend the form of Credit Derivatives Auction Settlement Terms for a particular auction and that this summary may therefore not be accurate in all cases.

Capitalized terms used but not defined in this summary have the meaning specified in the Rules and the Form of Auction Settlement Terms. All times of day in this summary refer to such times in London.

Publication of Credit Derivatives Auction Settlement Terms

Pursuant to the Credit Derivatives Determinations Committees Rules set forth in Annex A to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions (published on March 12, 2009) (the "**Rules**"), a Credit Derivatives Determinations Committee may determine that a Credit Event has occurred in respect of a Reference Entity (such entity, an "**Affected Reference Entity**") and that one or more auctions will be held in order to settle affected transactions referencing such Affected Reference Entity based upon an Auction Final Price determined in accordance with an auction procedure as set forth in the Form of Auction Settlement Terms (each, an "**Auction**"). If an Auction is to be held, the Credit Derivatives Determinations Committee will publish Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, based upon the Form of Auction Settlement Terms. In doing so, the Credit Derivatives Determinations Committee will make several related determinations, including the date on which the Auction will be held (the "**Auction Date**"), the institutions that will act as

participating bidders in the Auction (the "**Participating Bidders**") and the supplemental terms that are detailed in Schedule 1 to the Form of Auction Settlement Terms. The Credit Derivatives Determinations Committee may also amend the Form of Auction Settlement Terms for a particular auction and may determine that a public comment period is necessary in order to effect such an amendment if such amendment is not contemplated by the Rules.

Auction Methodology

Determining the Auction Currency Rate

On the Auction Currency Fixing Date, the Administrators will determine the rate of conversion (each, an "**Auction Currency Rate**") as between the Relevant Currency and the currency of denomination of each Deliverable Obligation (each, a "**Relevant Pairing**") by reference to a Currency Rate Source or, if such Currency Rate Source is unavailable, by seeking mid-market rates of conversion from Participating Bidders (determined by each such Participating Bidder in a commercially reasonable manner) for each such Relevant Pairing. If rates of conversion are sought from Participating Bidders and more than three such rates are obtained by the Administrators, the Auction Currency Rate will be the arithmetic mean of such rates, without regard to the rates having the highest and lowest values. If exactly three rates are obtained, the Auction Currency Rate will be the rate remaining after disregarding the rates having the highest and lowest values. For this purpose, if more than one rate has the same highest or lowest value, then one of such rates shall be disregarded. If fewer than three rates are obtained, it will be deemed that the Auction Currency Rate cannot be determined for such Relevant Pairing.

Initial Bidding Period

During the Initial Bidding Period, Participating Bidders will submit to the Administrators: (a) Initial Market Bids; (b) Initial Market Offers; (c) Dealer Physical Settlement Requests; and (d) Customer Physical Settlement Requests (to the extent received from customers).

Initial Market Bids and Initial Market Offers are firm quotations, expressed as percentages, to enter into credit derivative transactions in respect of the Affected Reference Entity on terms equivalent to the Representative Auction-Settled Transaction.

The Initial Market Bid and Initial Market Offer submitted by each Participating Bidder must differ by no more than the designated Maximum Initial Market Bid-Offer Spread and must be an integral multiple of the Relevant Pricing Increment (each as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity). The Initial Market Bid must be less than the Initial Market Offer.

Dealer Physical Settlement Requests and Customer Physical Settlement Requests are firm commitments, submitted by a Participating Bidder, on its own behalf or on behalf of a customer, as applicable, to enter into a Representative Auction-Settled Transaction, in each case, as seller (in which case, such commitment will be a "**Physical Settlement Buy Request**") or as buyer (in which case, such commitment will be a "**Physical Settlement Sell Request**"). Each Dealer Physical Settlement Request must be, to the best of such Participating Bidder's knowledge and belief, in the same direction as, and not in excess of, its Market Position. Each Customer Physical Settlement Request must be, to the best of the relevant customer's knowledge and belief (aggregated with all Customer Physical Settlement Requests submitted by such customer), in the same direction as, and not in excess of, its Market Position.

If the Administrators do not receive valid Initial Market Bids and Initial Market Offers from at least a minimum number of Participating Bidders (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity), the timeline will be adjusted and the Initial Bidding Period extended, with the Auction recommencing at such time(s) specified by the Administrators, otherwise it will proceed as follows.

Determination of Open Interest, Initial Market Midpoint and Adjustment Amounts

The Administrators will calculate the Open Interest, the Initial Market Midpoint and any Adjustment Amounts in respect of the Auction.

The Open Interest is the difference between all Physical Settlement Sell Requests and all Physical Settlement Buy Requests.

To determine the Initial Market Midpoint, the Administrators will: (a) sort the Initial Market Bids in descending order and the Initial Market Offers in ascending order, identifying non-tradeable markets for which bids are lower than offers; (b) sort non-tradeable markets in terms of tightness of spread between Initial Market Bid and Initial Market Offer; and (c) identify that half of the non-tradeable markets with the tightest spreads. The Initial Market Midpoint is determined as the arithmetic mean of the Initial Market Bids and Initial Market Offers contained in the half of non-tradeable markets with the tightest spreads.

Any Participating Bidder whose Initial Market Bid or Initial Market Offer forms part of a tradeable market will be required to make a payment to ISDA on the third Business Day after the Auction Final Price Determination Date (an "**Adjustment Amount**"), calculated in accordance with the Auction Methodology. Any payments of Adjustment Amounts shall be used by ISDA to defray any costs related to any auction that ISDA has coordinated, or that ISDA will in the future coordinate, for purposes of settlement of credit derivative transactions.

If for any reason no single Initial Market Midpoint can be determined, the procedure set out above may be repeated.

At or prior to the Initial Bidding Information Publication Time on any day on which the Initial Bidding Period has successfully concluded, the Administrators publish the Open Interest, the Initial Market Midpoint and the details of any Adjustment Amounts in respect of the Auction.

If the Open Interest is zero, the Auction Final Price will be the Initial Market Midpoint.

Submission of Limit Order Submissions

In the event that the Open Interest does not equal zero, a subsequent bidding period will be commenced during the Initial Bidding Period which: (a) if the Open Interest is an offer to sell Deliverable Obligations, Participating Bidders submit Limit Bids; or (b) if the Open Interest is a bid to purchase Deliverable Obligations, Limit Offers, in each case, on behalf of customers and for their own account.

Matching bids and offers

If the Open Interest is a bid to purchase Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Offers and Limit Offers, as further described in the Auction Methodology. If the Open Interest is an offer to sell Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Bids and Limit Bids, as further described in the Auction Methodology.

(a) Auction Final Price when the Open Interest is Filled

The Auction Final Price will be the price associated with the matched Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, that is the highest offer or the lowest bid, as applicable, provided that: (a) if the Open Interest is an offer to sell and the price associated with the lowest matched bid exceeds the Initial Market Midpoint by more than the "Cap Amount" (being the percentage that is equal to one half of the Maximum Initial Market Bid-Offer Spread (rounded to the nearest Relevant Pricing Increment)), then the Auction Final Price will be the Initial Market Midpoint plus the Cap Amount; and (b) if the Open Interest is a bid to purchase and the Initial Market Midpoint exceeds the price associated with the highest offer by more than the Cap Amount, then the Auction Final Price will be the Initial Market Midpoint minus the Cap Amount.

(b) Auction Final Price when the Open Interest is Not Filled

If, once all the Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, have been matched to the Open Interest, part of the Open Interest remains, the Auction Final Price will be: (a) if the Open Interest is a bid to purchase Deliverable Obligations, the greater of (i) zero, and (ii) the highest Limit Offer or Initial Market Offer received; or (b) if the Open Interest is an offer to sell Deliverable Obligations, zero.

100 per cent. Cap to Auction Final Price

In all cases, if the Auction Final Price determined pursuant to the Auction Methodology is greater than 100 per cent., then the Auction Final Price will be deemed to be 100 per cent.

Publication of Auction Final Price

At or prior to the Subsequent Bidding Information Publication Time on any day on which the subsequent bidding period has successfully concluded, the Administrators will publish on their websites: (a) the Auction Final Price; (b) the names of the Participating Bidders who submitted bids, offers, valid Dealer Physical Settlement Requests and valid Customer Physical Settlement Requests, together with the details of all such bids and offers submitted by each; and (c) the details and size of all matched trades.

Execution of Trades Formed in the Auction

Each Participating Bidder whose Limit Bid or Initial Market Bid (or Limit Offer or Initial Market Offer if applicable) is matched against the Open Interest, and each Participating Bidder that submitted a Customer Physical Settlement Request or Dealer Physical Settlement Request, is deemed to have entered into a Representative Auction-Settled Transaction, and each customer that submitted such a Limit Bid, Limit Offer, or Physical Settlement Request is deemed to have entered into a Representative Auction-Settled Transaction with the dealer through whom the customer submitted such bid or offer. Accordingly, each such Participating Bidder or customer that is a seller of Deliverable Obligations pursuant to a trade formed in the auction must deliver to the buyer to whom such Participating Bidder or customer has been matched a Notice of Physical Settlement indicating the Deliverable Obligations that it will deliver, and such Deliverable Obligations will be sold to the buyer in exchange for payment of the Auction Final Price.

Timing of Auction Settlement Provisions

If an Auction is held in respect of an Affected Reference Entity, it is expected that the relevant Auction Date will occur on the third Business Day immediately prior to the 30th calendar day after which the relevant Credit Derivatives Determinations Committee received the request from an eligible market participant (endorsed by a member of the relevant Credit Derivatives Determinations Committee) to resolve whether a Credit Event has occurred with respect to such Reference Entity.

In respect of an Affected Reference Entity for which an Auction is held, the Auction Settlement Date will occur on a Business Day following the Auction Final Price Determination Date, as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity.

ANNEX 8

ADDITIONAL TERMS AND CONDITIONS FOR ETI LINKED NOTES

The terms and conditions applicable to ETI Linked Notes shall comprise the Terms and Conditions of the English Law Notes or the Terms and Conditions of the French Law Notes, as specified as applicable in the applicable Final Terms, (the "**General Conditions**") and the additional Terms and Conditions set out below (the "**ETI Linked Conditions**"), in each case subject to completion in the applicable Final Terms. In the event of any inconsistency between the General Conditions and the ETI Linked Conditions, the ETI Linked Conditions shall prevail.

1. Definitions

"**Additional Extraordinary ETI Event**" means any event specified as such in the applicable Final Terms.

"**Averaging Date**" means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent any such day is a Disrupted Day. If any such day is a Disrupted Day, then:

- (a) If "**Omission**" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price, level, value or amount provided that, if through the operation of this provision no Averaging Date would occur, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant level, price or amount on the final Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if "**Postponement**" is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant level, price, value or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if "**Modified Postponement**" is specified as applying in the applicable Final Terms then:
 - (i) where the Notes are ETI Linked Notes relating to a single ETI Interest, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred for a number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether such Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant value, amount, level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
 - (ii) where the Notes are ETI Linked Notes relating to an ETI Basket, the Averaging Date for each ETI Interest not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the "**Scheduled Averaging Date**") and the Averaging Date for each ETI Interest affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such ETI Interest. If the first succeeding Valid Date in relation to such ETI Interest has not occurred for a number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date,

then (A) that such Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that last such consecutive Scheduled Trading Day is already an Averaging Date) in respect of such ETI Interest, and (B) the Calculation Agent shall determine the relevant value, level, price or amount for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below; and

- (iii) for the purposes of these Terms and Conditions, "**Valid Date**" means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not occur.

The Hedge Provider will hold or be deemed to hold such number of ETI Interests, or enter or be deemed to enter into any agreement to purchase or deliver, or pay an amount linked to the performance of, such number of ETI Interests as it (or in the case of a Hypothetical Investor, the Calculation Agent) considers would be held by a prudent issuer as a hedge for its exposure under the relevant Notes.

5. Determination of Extraordinary ETI Events

The Calculation Agent will determine if an Extraordinary ETI Event has occurred acting in good faith and in a commercially reasonable manner. Where the occurrence of an event or set of circumstances is capable of triggering more than one Extraordinary ETI Event or both an Extraordinary ETI Event and a Market Disruption Event, the Issuer may determine which Extraordinary ETI Event is to be triggered or whether such event or set of circumstances shall be an Extraordinary ETI Event or Market Disruption Event, in its sole and absolute discretion.

In considering whether the occurrence of an event or set of circumstances triggers an Extraordinary ETI Event, the Calculation Agent may have regard to the combined effect, from the Trade Date, of any event or set of circumstances, as the case may be, if such event or set of circumstances occurs more than once.

6. Consequences of an Extraordinary ETI Event

- 6.1 If the Calculation Agent determines that an Extraordinary ETI Event has occurred, the Calculation Agent shall, on or prior to the date on which such Extraordinary ETI Event is no longer continuing give notice (an "**Extraordinary ETI Event Notice**") to the Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be (which notice shall be irrevocable), of the occurrence of such Extraordinary ETI Event (the date on which an Extraordinary ETI Event Notice is given, an "**Extraordinary ETI Event Notification Date**") and set out, if determined at that time, the action that it has determined to take in respect of an Extraordinary ETI Event pursuant to ETI Linked Condition 6.2. Where the action that the Issuer has determined to take is not, for whatever reason, set out in the Extraordinary ETI Event Notice, the action that the Issuer has determined to take shall be set out in a subsequent notice given to Noteholders in accordance with General Condition 12 of the Terms and Conditions of the English Law Notes or General Condition 11 of the Terms and Conditions of the French Law Notes, as the case may be, as soon as reasonably practicable after the Extraordinary ETI Event Notification Date.

For such purposes, an Extraordinary ETI Event shall be considered to be "continuing" if it has not been remedied to the reasonable satisfaction of the Issuer.

The Calculation Agent shall provide Noteholders with an Extraordinary ETI Event Notice as soon as reasonably practicable following the determination of an Extraordinary ETI Event. However, neither the Issuer nor the Calculation Agent shall be responsible for any loss, underperformance or opportunity cost suffered or incurred by any Noteholder or any other person in connection with the Notes as a result of any delay, howsoever arising. If the Calculation Agent gives an Extraordinary ETI Event Notice, the Issuer shall have no obligation to make any payment or delivery in respect of the Notes until the Issuer has determined the action to take pursuant to ETI Linked Condition 6.2 below.

6.2 Following an Extraordinary ETI Event, the Issuer, in its sole and absolute discretion, may take the action described below in (a), (b), (c) or (d).

(a) No Action

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary ETI Event is to be "**No Action**", then the Notes shall continue and there shall be no amendment to the Terms and Conditions and/or the applicable Final Terms.

(b) Adjustment

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary ETI Event is to be "**Adjustment**", then it may:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement (in each case where the Notes are Physical Delivery Notes) and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the relevant Extraordinary ETI Event and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the ETI Interests or to the Notes and a change in the Weighting of any remaining ETI Interest(s) not affected by an Extraordinary ETI Event. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the relevant Extraordinary ETI Event made by any options exchange to options on the ETI Interests traded on that options exchange; or
- (ii) following such adjustment to the settlement terms of options on the ETI Interests traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement (in each case where the Notes are Physical Delivery Notes) and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the ETI Interests are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement (in each case where the Notes are Physical Delivery Notes) and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the relevant Extraordinary ETI Event, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

(c) Substitution

If the Issuer, in its sole and absolute discretion, determines that the action to be taken in respect of the Extraordinary ETI Event is to be "**Substitution**", the Calculation Agent shall on or after the relevant Extraordinary ETI Event Effective Date, substitute each ETI Interest (each, an "**Affected ETI Interest**") of each ETI (each, an "**Affected ETI**") which is affected by such Extraordinary ETI Event with an ETI Interest selected by it in accordance with the criteria for ETI Interest selection set out below (each, a "**Substitute ETI Interest**") and the Substitute ETI Interests will be deemed to be an "**ETI Interest**" and the relevant issuer of such Substitute ETI Interest, an "**ETI**" for the purposes of the Notes, and the Calculation Agent will make such adjustment, if any,

to any one or more of any Relevant Asset and/or the Entitlement (in each case where the Notes are Physical Delivery Notes) and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Notes was to be determined by reference to the Initial Price of the Affected ETI Interest, the Initial Price of each Substitute ETI Interest will be determined by the Calculation Agent in accordance with the following formula:

$$\text{Initial Price} = A \times (B/C)$$

where:

"A" is the Settlement Price of the relevant Substitute ETI Interest on the relevant Exchange on the Substitution Date;

"B" is the Initial Price of the relevant Affected ETI Interest; and

"C" is the Settlement Price of the relevant Affected ETI Interest on the relevant Exchange on the Substitution Date.

Such substitution and the relevant adjustment to the ETI Basket will be deemed to be effective as of the date selected by the Calculation Agent (the "**Substitution Date**") in its sole and absolute discretion and specified in the notice referred to below which may, but need not, be the relevant Extraordinary ETI Event Effective Date.

The Weighting of each Substitute ETI Interest will be equal to the Weighting of the relevant Affected ETI Interest.

In order to be selected as a Substitute ETI Interest, the relevant share/unit/interest must satisfy the following criteria, as determined by the Calculation Agent in its sole and absolute discretion:

- (i) where the relevant Extraordinary ETI Event is a Merger Event or a Tender Offer (a) in the case of ETI Linked Notes related to a single ETI, and (b) in the case of ETI Linked Notes related to an ETI Basket, the relevant share/unit/interest shall be an ordinary share/unit/interest of the entity or person that in the case of a Merger Event is the continuing entity in respect of the Merger Event or in the case of a Tender Offer is the entity making the Tender Offer provided that (i) the relevant share/unit/interest is not already included in the ETI Basket and (ii) it is or as of the relevant Extraordinary ETI Event Effective Date is promptly scheduled to be, (x) publicly quoted, traded or listed on an exchange or quotation system located in the same country as the relevant Exchange (or, where the relevant Exchange is within the European Union, in any member state of the European Union) and (y) not subject to any currency exchange controls, trading restrictions or other trading limitations; or
- (ii) (a) where the relevant Extraordinary ETI Event is a Merger Event or a Tender Offer and a share/unit/interest would otherwise satisfy the criteria set out in paragraph (i) above, but such share/unit/interest is (in the case of ETI Linked Notes related to an ETI Basket), already included in the ETI Basket, or (b) where the Extraordinary ETI Event is not a Merger Event or a Tender Offer, an alternative exchange traded instrument which, in the determination of the Calculation Agent, has similar characteristics to the relevant ETI, including but not limited to, a comparable listing (which, for the avoidance of doubt, shall not be restricted to a listing on the exchange or quotation system in the same geographic region, investment objectives, investment restrictions and investment processes, underlying asset pools and whose related parties (such as, but not limited to, trustee, general partner, sponsor, advisor, manager, operating company, custodian, prime broker and depository) are acceptable to the Calculation Agent;

In making any determination as to which action to take following the occurrence of an Extraordinary ETI Event, neither the Issuer nor the Calculation Agent shall be responsible for any loss (including any liability in respect of interest), underperformance or opportunity cost suffered or incurred by Noteholders or any other person in connection with the Notes as a result thereof, howsoever arising including as a result of any delay in making any payment or delivery in respect of the Notes.

Corrections published after the day which is three Exchange Business Days prior to a due date for payment or delivery under the Notes will be disregarded by the Calculation Agent for the purposes of determining the relevant amount.

(g) Calculations and Determinations

The Calculation Agent and/or the Issuer, as applicable, will make the calculations and determinations as described in the ETI Linked Conditions in such a manner as the Calculation Agent and/or the Issuer, as the case may be, determines to be appropriate acting in good faith and in a commercially reasonable manner having regard in each case to the criteria stipulated in the ETI Linked Conditions, the hedging arrangements in respect of the Notes and the nature of the relevant ETI and related ETI Interests.

In the event of any inconsistency between the General Conditions and the Interest Rate Linked Conditions, the Underlying Interest Rate Linked Conditions shall prevail.

1. Underlying Interest Rate Determination

In respect of each Underlying Interest Determination Date specified in the applicable Final Terms, the Underlying Interest Rate will be determined in the manner specified in the applicable Final Terms.

2. ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Underlying Interest Rate is to be determined, the Underlying Reference Rate will be the relevant Underlying ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Underlying Margin (if any) specified in the applicable Final Terms. For the purposes of these Underlying Interest Rate Linked Conditions, "**Underlying ISDA Rate**" means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In the event that the Relevant Screen Page is not available or if, in the case of (a) above, no such offered quotation appears or, in the case of (b) above, fewer than three such offered quotations appear, in each case as at the Specified Time indicated above or in the applicable Final Terms, the Calculation Agent will determine the Underlying Reference Rate as the rate it determines would have prevailed but for such non-availability or other event acting in good faith and using its reasonable judgment.

4. **Determination of Underlying Interest Rate**

The Calculation Agent will, on or as soon as practicable after each date on which the Underlying Interest Rate is to be determined (the "**Underlying Interest Determination Date**"), determine the Underlying Reference Rate (subject to any Minimum Underlying Reference Rate or Maximum Underlying Reference Rate specified in the applicable Final Terms). The Calculation Agent will notify the Principal Paying Agent of the Underlying Reference Rate as soon as practicable after calculating the same.

USE OF PROCEEDS

DESCRIPTION OF BNPP INDICES

In any case and for all the indices the following part shall be included:

The objective of each Index comprised in a Family Index is to provide synthetic exposure to the performance as the case may be appropriate of a notional basket of Equity, Fund Shares, FX, Bond Rate, Money Market Rate, Index, Custom Index, Commodity, ETI or other Index component types (the "**Index Components Types**") in accordance with the objective of the Index comprised in the category of indices as described below.

The following indices shall be Excess Return/Total Return, Price Return or Cash Less ("**Cash Kind**"). As a consequence, if the Index is an "Excess Return" index, the level of the index will reflect the performance of the strategy of the index above an applicable money market rate. If the Index is a "Total Return" index, the level of the index will reflect a value assuming reinvestment of all or a part of dividends and distributions (as the case may be declared or/paid by underlying index components). If the Index is a "Price Return" index, the level of the index will reflect a value assuming no reinvestment of dividends or distributions (declared/paid by underlying index components). At last, if the Index is a "Cashless" index as it is constituted of components that require little or no cash to hedge in order to obtain the economic exposure and risk required by the index strategy, the level of the index will not take into account money market interest that would be ordinarily be payable when hedging the performance of an index which would require a cash investment equal to the value of the Index.

If any Index component (the "**Index Component**") of an Index ceases to exist or is, or would be, subject to an adjustment pursuant to the provisions of the Index rules in respect of that Index Component, the Index Calculation Agent may acting in good faith and in a commercially reasonable manner (a) effect no change to the Index, (b) adjust the Index as it deems appropriate including, but not limited to, replacing such Index Component with a replacement Index Component or the Index Calculation Agent and the Index Sponsor may continue to calculate and publish (as applicable) the Index without such Index Component or any replacement therefore, subject to the BNP Paribas Index proprietary methodology (the "**Index Methodology**"), or (c) terminate the Index. The aim of the Index Calculation Agent when making any such operational adjustments is to ensure that, so far as possible, the basic principles and economic effect of the Index are maintained.

Following the Index Start Date, the Index Calculation Agent shall review the composition of the Index and the Index weightings of the Index Components within the Index on an ongoing basis and in accordance with the Index Methodology comprised into the Index rules (the "**Rules**") governing the Index.

1. GURU Indices

The objective of each Index is to provide a positive exposure ("**Long**") or positive and negative exposure ("**Long /Short**") to the performance of a notional basket of 'Equity' Index Components, that track the price movements of shares of companies selected through a BNP Paribas proprietary methodology. Index Components are selected following a process based on a profitability of the business model, perspectives and valuation. In addition a scoring method allows for the concatenation of the results, so that each Index Component gets a final 'composite' grade. A final screening, based on the mentioned grade, is then performed to rank the Index Component in each Universe. In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the Target Volatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets. GURU indices are reviewed on a monthly basis, according to a 2-step process: a few days before or after the end of each calendar month, the Reference Share Universe is reviewed and the selection algorithm is run. This corresponds to step 1, at the end of which the Reference Shares selected for inclusion to the Index are identified. A few days later, as a second step, the reshuffle is implemented in the market.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

2. Thematic Mutual Fund Indices

The objective of each Index is to provide a long only exposure to the performance of a portfolio of 'Fund Shares' Index Component Types that are exposed to a given investment strategy ("**Thematic**"). The number of Index Components in the Index and the weight of each Index Component can be adjusted by the Index Calculation Agent acting in accordance with the Index Methodology. In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the Volatility Target, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "Index Calculation Agent") and sponsored by BNP Paribas (the "Index Sponsor").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

3. Thematic Equity Indices

The objective of each Index is to provide exposure to the performance of a notional basket of 'Equity' Index Components. The Index comprises a basket of a minimum of 5 and a maximum of 50 'Equity' Index Components whose revenues are predominantly linked to a specific thematic. The composition of the Index is reviewed twice a year by the Index Calculation Agent in accordance with the specific Index rules selection criteria. On the same date, the weight of each Index Component in the Index can be adjusted by the Index Calculation Agent acting in accordance with the Index Methodology and where applicable upon recommendation from an Index investment advisor (the "**Index Investment Advisor**").

In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the TargetVolatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

5. Risk Control Indices

The objective of each Index is to provide a synthetic exposure to the performance of a "Reference Index". The exposure to the underlying is dynamically adjusted in order to control the risks associated with the Index, with a volatility control mechanism. When the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Target Volatility**"), or falls below the Target Volatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

6. Millenium Indices

The objective of each Index is to provide synthetic exposure to the performance of a notional long/short basket of (i) BNP Paribas custom indices based on future contracts for equity indices, bond indices and FX forward indices; and (ii) third party commodity indices, third party equity indices on real estate, and ETIs referencing emerging markets, bonds, and gold miner equities, where each such component is rebalanced daily in accordance with a proprietary allocation algorithm aimed at maximizing return for a predetermined level of risk. The weights of the Index Components that comprise this basket are calculated taking into account their trends, volatility and/or correlation with the market and the other Components. In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the Target Volatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

7. Platinum Indices

The objective of each Index is to provide synthetic exposure to the performance of a notional basket of Index Components which are a diversified portfolio of BNP Paribas proprietary indices. Each Index Component implements an absolute return strategy, which is diversified and uncorrelated to the strategies implemented by other Index Components and each Index Component is chosen to represent a different asset class (Commodities, Volatility, Foreign Exchange and Equities, respectively). The Index Methodology is comprised of an equally weighted basket of the Index Components, with a daily adjustment. In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the Target Volatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

8. Harbour Indices

The objective of each Index is to provide synthetic exposure to the performance of a notional long only basket of (i) BNP Paribas custom indices based on future contracts for equity indices, bond indices and FX forward indices; and (ii) third party commodity indices, third party equity indices on real estate, and ETIs referencing emerging markets, bonds, and gold miner equities, where each such component is rebalanced daily in accordance with a proprietary allocation algorithm aimed at maximizing return for a predetermined level of risk. In order to control the risks associated with the Index, the Index may also include a volatility control mechanism. In this case, when the Index Calculation Agent determines that volatility of the Index exceeds the a target volatility ("**Volatility Target**"), or falls below the TargetVolatility, then the exposure of the Index to Index Components will be reduced up to a minimum exposure ("**Min Exposure**") or increased up to a maximum exposure ("**Maximum Exposure**"). The corresponding portion of the Index will reference money market assets.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

9. Flexinvest Indices

The objective of each Index is to provide a synthetic exposure to the performance of a long only dynamic basket composed of a risky asset ("**Risky Asset**"), a deleverage asset ("**Deleverage Asset**") and money market assets. The respective weights of the component are determined by the Index Calculation Agent using the relative value of the Risky Asset to a set of its moving averages, and the volatility of the Risky Asset and/or Deleverage Asset, with a daily adjustment.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

15. Alternative Synthetic Tracker Indices

The objective of the Index is to provide synthetic exposure to the performance of a notional basket of various Index Component Types which are rebalanced on a regular basis with the objective of replicating a long or short position in the global hedge fund industry. The index aims at tracking this exposure by using a dynamic allocation between liquid major market indices. The Hedge Funds industry performance will be represented by a benchmark and the objective of the index will be to minimize the expected tracking error versus this benchmark. To do so the index will be rebalanced on a monthly basis between liquid indices representative of the global markets. The rebalancing will be conducted based on a "tracking" algorithm which aims at optimizing the long replication of the benchmark on an "ex ante" basis.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

16. Daily Weekly Indices

The objective of each Index (Dynamic or Fixed) is to monetize the mean reversion of returns of equity futures (the BNPIFEU Index) on a specific index ("**Reference Index**"). This can be achieved by buying the volatility computed using daily returns while selling the volatility

computed using weekly returns. Indeed, when consecutive daily returns of the BNPIFEU Index are all positive (or negative), the daily volatility will be lower than weekly volatility. But when daily returns are mean reverting (some positive and some negative), the daily volatility will be greater than the weekly volatility.

The ER Index is synthetically systematically getting long realized volatility computed with daily returns and short realized volatility computed with weekly returns through delta replication. Delta is rescaled by a "Fixed" or "Dynamic" volatility. The exposure to the Reference Index will be subject to a maximum exposure of 200% and a minimum exposure of -200%.

Unless specifically described in the descriptions below, the Index is calculated, maintained, and published by BNP Paribas Arbitrage (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

The Index Methodology and the Rules governing each Index shall be available on <https://indices-globalmarkets.bnpparibas.com/@CodeCynergy@> as soon as such Index is the underlying of a product which is under the scope of the Prospectus Directive.

17. Commodity Indices

Each Index is calculated, maintained, and published by the entity specified in the tables below (the "**Index Calculation Agent**") and sponsored by BNP Paribas (the "**Index Sponsor**").

17.1 Oscillator Indices

The Oscillator indices are a family of commodity indices, each comprised of commodity mono-indices, whose objective is to provide exposure to a diversified basket of up to 19 commodities. A so-called 'momentum' strategy is employed, which means that the strength of the price of each commodity compared to the market as a whole is taken into account when determining the daily weight of each commodity mono-index of which the index is comprised. Exposure to the commodity mono-indices is achieved by holding hedge positions in the futures contracts of which the mono-indices are comprised. When each futures contract is due to expire, a dynamic roll-mechanism is used to determine the optimum futures contract to roll the hedge to, reducing the potentially negative effect on the value of the index of rolling futures contracts due to expire.

In order to ensure that no index becomes too highly concentrated in one commodity, the maximum weight of each commodity is 20%. In addition, the weighting of the indices in petroleum components (Brent and WTI crude oil, heating oil, unleaded gasoline and gasoil) is

limited to 35% in aggregate. Where indicated below, the index is protected from large rises and falls in value by the use of a volatility control mechanism, which reduces the effect of volatility by lowering the exposure of the index to the commodity mono-indices when volatility exceeds a predefined level and, conversely, increasing the exposure of the index to the commodity mono-indices when volatility falls below a predefined level.

17.2 BNP Paribas Alpha Curve DR Index

The objective of the BNP Paribas Alpha Curve DR Index is to capture the outperformance of an investment in various S&P GSCI Dynamic Roll Indices versus an investment in the Dow Jones-UBS ex Precious Metals Commodity index by providing (i) long exposure to an enhanced index, comprised of a basket of the Dow Jones-UBS Soybean Oil Index and various S&P GSCI Dynamic Roll Indices and (ii) short exposure to the Dow Jones – UBS ex-Precious Metals Commodity Index. The target weights of the index components of the enhanced index are derived from the weight of each commodity comprised in the Dow Jones-UBS Commodity ex-Precious Metals Index and are adjusted on a yearly basis to maintain the target weighting. If, on any day on which the index is calculated, the weight of any such commodity is observed to be greater than 20% of the enhanced index or the weighting of the enhanced index to the petroleum sector (Brent and WTI crude oil, heating oil, unleaded gasoline and gasoil) or soybean sector (soybeans and soybean oil) is greater than 35% each, an additional reweighting of the enhanced index will be performed. This mechanism is designed to ensure that the index does not become too highly concentrated in any single commodity, or in the petroleum or soybean sectors. The number of index components in the enhanced index may be adjusted on a yearly basis, following any adjustment of the composition of the Dow Jones-UBS ex-Precious Metals Commodity Index.

17.3 BNP Paribas Alpha Backwardation Index

The objective of the BNP Paribas Alpha Backwardation Index is to capture the outperformance of the commodities whose prices are the most backwardated by comparison to the commodity market as a whole. The index generates returns by taking long positions in the most backwardated commodities and short positions in the least backwardated commodities comprised in the Dow Jones-UBS Commodity Index, investing in various Dow Jones-UBS Mono Indices to do so. The index allocation is determined from (i) daily

monitoring of the forward curve shape of each commodity comprised in the Dow Jones-UBS Commodity Index and (ii) the weight of each such commodity. The target weights of the index components are calculated on a daily basis and are based on the relative degree of backwardation or contango of such index component. The maximum weight of any such commodity is 20% of the index (whether long or short) and the weighting of the index to the petroleum sector (Brent and WTI crude oil, heating oil, unleaded gasoline and gasoil) or soybean sector (soybeans and soybean oil) may not exceed 35% each. The number of index components may be adjusted on a yearly basis, following any adjustment of the composition of the Dow Jones-UBS Commodity Index.

17.4 BNP Paribas Alpha Momentum Index

The objective of the BNP Paribas Alpha Momentum Index is to capture the outperformance of the recent best-performing commodities comprised in the Dow Jones-UBS Commodity Index. Commodities which have underperformed the market are weighted negatively, while commodities which have outperformed the market are weighted positively, the weight of each commodity being proportional to its weight in the Dow Jones-UBS Commodity Index. The weights of each index component are calculated on a daily basis and the maximum weight of any such commodity is 20% of the index (whether long or short) and the weighting of the index to the petroleum sector (Brent and WTI crude oil, heating oil, unleaded gasoline and gasoil) or soybean sector (soybeans and soybean oil) may not exceed 35% each (whether long or short). The number of index components may be adjusted on a yearly basis, following any adjustment of the composition of the Dow Jones-UBS Commodity Index.

17.5 BNP Paribas Strategy B51 Index

The objective of the BNP Paribas Strategy B51 Index is to provide exposure to the commodity market enhanced by (i) optimised investment in futures contracts determined according to the forward curve of the relevant commodity and (ii) optimal allocation methodology based on price trends and forward curve shape observations. The index allocation is computed on a daily basis: weights of commodities that have recently outperformed the market or that present the most backwardated forward curves are increased, while weights of commodities that have recently underperformed the market or that present the least backwardated forward curves are decreased. The exposure is achieved through S&P GSCI Dynamic Roll indices, indices which are themselves invested in future contracts and which use a dynamic roll mechanism, taking into account the shape of the forward curve for the relevant commodity, to reduce the potentially negative effect of rolling futures contracts due to expire on the value of the index. The maximum weight of each commodity is 20% of the index and the weighting of the index to the petroleum sector (Brent and WTI crude oil, heating oil, unleaded gasoline and gasoil), soybean sector (soybeans, soybean meal and soybean oil) and wheat sector (wheat, Kansas wheat) may not exceed 35% each. The number of index components may be

adjusted on a yearly basis, following any adjustment of the composition of the Dow Jones-UBS Commodity Index.

FORM OF THE NOTES

Subject as provided below in relation to French Law Notes, the Notes of each Series will be in either bearer form, with or without interest Coupons attached, or registered form, without Coupons attached. Notes will be issued only outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act ("**Regulation S**").

Bearer Notes

Each Tranche of Bearer Notes will initially be issued in the form of a temporary bearer global note (a "**Temporary Bearer Global Note**") which will (i) if the Global Notes are not intended to be issued in NGN Form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common depository (the "**Common Depository**") for Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and Clearstream, Luxembourg) or to a sub-custodian nominated by the HKMA as operator of the CMU (in the case of Notes to be cleared through the CMU), and (ii) if the Global Notes are intended to be issued in NGN form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Where the Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg, as indicated in the applicable Final Terms.

Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Bearer Global Note if the Temporary Bearer Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or received by the CMU Lodging Agent (in the case of Notes cleared through the CMU).

On and after the date (the "**Exchange Date**") which is 40 days after a Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a permanent bearer global note (a "**Permanent Bearer Global Note**") of the same Series or (ii) for definitive Bearer Notes of the same Series with, where applicable, Receipts, Coupons and Talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain United States persons will not be able to receive definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for definitive Bearer Notes is improperly withheld or refused. Notwithstanding the foregoing, if the Temporary Bearer Global Note is held by or on behalf of the HKMA as operator of the CMU, the CMU may require that exchange for interests in the Permanent Bearer Global Note is made in whole but not in part and, in such event, no such exchange will be effected until all persons appearing in the records of the CMU as entitled to an interest in the Temporary Bearer Global Note have been so certified.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as

the case may be) of the Permanent Bearer Global Note if the Permanent Bearer Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, Receipts, Coupons and Talons attached upon either (i) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) to the Principal Paying Agent as described therein (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or not less than 60 days' written notice received from the holder of an interest in such Permanent Bearer Global Note by the CMU Lodging Agent (in the case of Notes cleared through the CMU), or (ii) only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default (as defined in Condition 8 of the Terms and Conditions of the English Law Notes) has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or the CMU (in the case of Notes cleared through the CMU) have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Bearer Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 12 of the Terms and Conditions of the English Law Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) may give notice to the Principal Paying Agent (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or any holder of an interest in such Permanent Bearer Global Note may give notice to the CMU Lodging Agent (in the case of Notes cleared through the CMU) requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Principal Paying Agent or the CMU Lodging Agent, as the case may be, requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent or the CMU Lodging Agent, as the case may be. If the Global Note is a NGN, the Issuer shall procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system.

In the event that the Permanent Bearer Global Note is exchanged for definitive Bearer Notes, such definitive Bearer Notes shall be issued in the minimum Specified Denomination only. Noteholders who hold Notes in the relevant clearing system in amounts that are not integral multiples of the Specified Denomination may need to purchase or sell, on or before the Exchange Date, a principal amount of Notes such that their holding is an integral multiple of the Specified Denomination.

The following legend will appear on all Bearer Notes which have an original maturity of more than 1 year and on all receipts and interest coupons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg or the CMU, as the case may be.

Pursuant to the Agency Agreement, the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes at a point after the Issue Date of the further Tranche, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until such time as the Tranches are consolidated and form a single Series, which shall not be prior to the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States only, will initially be represented by a global note in registered form, without Receipts or Coupons, (a "**Registered Global Note**") which will be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or deposited with a sub-custodian nominated by the HKMA as operator of the CMU and registered in the name of the HKMA in its capacity as operator of the CMU (in the case of Notes cleared through the CMU). Prior to expiry of the distribution compliance period (as defined in Regulation S) applicable to each Tranche of the Notes, beneficial interests in a Registered Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 1(b) of the Terms and Conditions of the English Law Notes and such Registered Global Note will bear a legend regarding such restrictions on transfer.

Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the persons shown on the Register (as defined in Condition 4 of the Terms and Conditions of the English Law Notes) as the registered holder of the Registered Global Notes. None of the Issuer any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 4 of the Terms and Conditions of the English Law Notes) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without Receipts, Coupons or Talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or the CMU (in the case of Notes cleared through the CMU) have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 12 of the Terms and Conditions of the English Law Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg or the CMU (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar.

No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of Euroclear and Clearstream, Luxembourg or the CMU, in each case to the extent applicable.

French Law Notes

Notwithstanding the foregoing, French Law Notes will be issued, at the option of the Issuer, in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*nominatif administré*) inscribed in the books of a Euroclear France Account Holder or in fully registered form (*nominatif pur*) inscribed in an account in

the books of Euroclear France maintained by the Issuer or by the Registration Agent designated in the relevant Final Terms, all as defined in the Terms and Conditions of the French Law Notes.

Applicable Final Terms

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the English Law Notes or by the Terms and Conditions of the French Law Notes, as the case may be, in which event, other than where such Notes are Exempt Notes, a supplement to the Base Prospectus or a new Base Prospectus will be made available which will describe the effect of the agreement reached in relation to such Notes.

TAXATION

The statements herein regarding taxation are based on the laws in force in Austria, Belgium, France, Germany, Hong Kong, Italy, the Grand Duchy of Luxembourg, the Netherlands, Portugal, Spain, the United Kingdom and the United States as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax adviser as to each of the EU Directive on the Taxation of Savings Income, the Austrian, the Belgian, the French, the German, the Hong Kong, the Italian, the Luxembourg, the Dutch, the Portuguese, the UK and the U.S. tax consequences as applicable of any investment in or ownership and disposal of the Notes.

EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "**Savings Directive**"), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The Luxembourg Government has announced its intention to introduce, as of 1 January 2015, automatic exchange of information with respect to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

THE PROPOSED FINANCIAL TRANSACTIONS TAX

In September 2011, the EU Commission attempted to introduce an EU-wide financial transactions tax. However not all the Member States were in favour of such a tax and so the tax could not be implemented in all Member States. Subsequently, 11 Member States of the EU requested that the Commission develop a proposal for the introduction of a common financial transactions tax ("**FTT**") for each of those Member States. The Commission developed such a proposal under the EU's enhanced cooperation procedure which allows 9 or more Member States to implement common legislation. In January 2013 the EU Council of Ministers authorised the Commission to proceed with enhanced cooperation for a common FTT and the Commission has now published a draft Directive containing proposals for the FTT. This FTT is intended to be introduced only in the 11 participating Member States (Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia).

The proposed FTT imposes a charge on financial transactions including purchases and sales of financial instruments; this charge will be levied at not less than 0.1 per cent. of the sale price. The FTT also imposes a charge on the conclusion of, and a purchase and sale of a derivative contract; this charge will be levied at not less than 0.01 per cent. of the nominal amount of the derivative. Physical settlement of a derivative contract is likely to trigger a further charge.

A charge to FTT will arise if at least one party to a financial transaction is established in a participating Member State and a financial institution established in (or is treated as established in) a participating Member State is a party to the transaction, for its own account, for the account of another person, or if the financial institution is acting in the name of a party to the transaction.

In the case of Notes, it is important to be aware that a financial institution, wherever located, will be treated as established in a participating Member State in respect of a financial transaction if it is a party (for its own account or for the account of another person) or is acting in the name of a party, to a financial transaction in respect of a financial instrument issued within that Member State. Given that the Issuer is incorporated in France, which is one of the 11 participating Member States, financial institutions and other persons which are party to financial transactions in respect of the Notes will be treated as established in France and the FTT could be payable in France if the conditions for a charge to arise are satisfied.

There are limited exemptions to the proposed FTT; one important exemption is the "primary market transactions" exemption which should cover the issuing, allotting, underwriting or subscribing for shares, bonds and securitised debt, but not derivative contracts. There is however some uncertainty in relation to the intended scope of this exemption for certain money market instruments and structured issues.

Even though the FTT is to be introduced only in the participating Member States, it can be seen from what is said above that it could impact financial institutions operating inside and outside the 11 participating Member States, and the FTT could be payable in relation to Notes issued under this Base Prospectus if the FTT is introduced and the conditions for a charge to arise are satisfied.

The proposed FTT is still under review and it may therefore change before it is implemented. In particular, in April 2013, the UK Government announced that it is to challenge the legality of the way in which the proposed FTT will apply to financial institutions located in non-participating Member States. This challenge may lead to changes in the scope of the FTT.

It is currently proposed that the FTT should be introduced in the participating Member States on 1 January 2014. Prospective holders of Notes are strongly advised to seek their own professional advice in relation to the FTT.

AUSTRIAN TAXATION

This section on taxation contains a brief summary of the Issuers' understanding with regard to certain important principles which are of significance in connection with the purchase, holding or sale of the Notes in the Republic of Austria. This summary does not purport to exhaustively describe all possible tax aspects and does not deal with specific situations which may be of relevance for certain potential investors. The following comments are rather of a general nature and included herein solely for information purposes. These comments are not intended to be, nor should they be construed to be, legal or tax advice. This summary furthermore only refers to investors which are subject to unlimited (corporate) income tax liability in Austria. It is based on the currently valid tax legislation, case law and regulations of the tax authorities, as well as their respective interpretation, all of which may be amended from time to time. Such amendments may possibly also be effected with retroactive effect and may negatively impact on the tax consequences described. It is recommended that potential purchasers of the Notes consult with their legal and tax advisors as to the tax consequences of the purchase, holding or sale of the Notes. Tax risks resulting from the Notes (in particular from a potential qualification as a foreign investment fund within the meaning of sec. 188 of the Austrian Investment Funds Act 2011 [*Investmentfondsgesetz 2011*]) shall in any case be borne by the purchaser. For the purposes of the following it is assumed that the Notes are legally and factually offered to an indefinite number of persons.

General remarks

Individuals having a permanent domicile (*Wohnsitz*) and/or their habitual abode (*gewöhnlicher Aufenthalt*) in Austria are subject to income tax (*Einkommensteuer*) in Austria on their worldwide income (unlimited income tax liability; *unbeschränkte Einkommensteuerpflicht*). Individuals having neither a permanent domicile nor their habitual abode in Austria are subject to income tax only on income from certain Austrian sources (limited income tax liability; *beschränkte Einkommensteuerpflicht*).

Corporations having their place of effective management (*Ort der Geschäftsleitung*) and/or their legal seat (*Sitz*) in Austria are subject to corporate income tax (*Körperschaftsteuer*) in Austria on their worldwide income (unlimited corporate income tax liability; *unbeschränkte Körperschaftsteuerpflicht*). Corporations having neither their place of effective management nor their legal seat in Austria are subject to corporate income tax only on income from certain Austrian sources (limited corporate income tax liability; *beschränkte Körperschaftsteuerpflicht*).

Both in case of unlimited and limited (corporate) income tax liability Austria's right to tax may be restricted by double taxation treaties.

Income taxation of the Notes

Pursuant to sec. 27(1) of the Austrian Income Tax Act (*Einkommensteuergesetz*), the term investment income (*Einkünfte aus Kapitalvermögen*) comprises:

- income from the letting of capital (*Einkünfte aus der Überlassung von Kapital*) pursuant to sec. 27(2) of the Austrian Income Tax Act, including dividends and interest;
- income from realised increases in value (*Einkünfte aus realisierten Wertsteigerungen*) pursuant to sec. 27(3) of the Austrian Income Tax Act, including gains from the sale, redemption and other realisation of assets that lead to income from the letting of capital, zero coupon bonds and also broken-period interest; and
- income from derivatives (*Einkünfte aus Derivaten*) pursuant to sec. 27(4) of the Austrian Income Tax Act, including cash settlements, option premiums received and income from the sale or other realisation of forward contracts like options, futures and swaps and other derivatives such as index certificates.

Also the withdrawal of the Notes from a bank deposit (*Depotentnahme*) and circumstances leading to a loss of Austria's taxation right regarding the Notes *vis-à-vis* other countries, e.g., a relocation from Austria (*Wegzug*), are in general deemed to constitute a sale (cf. sec. 27(6)(1) of the Austrian Income Tax Act).

Individuals subject to unlimited income tax liability in Austria holding the Notes as a non-business asset are subject to income tax on all resulting investment income pursuant to sec. 27(1) of the Austrian Income Tax Act. In case of investment income with an Austrian nexus (*inländische Einkünfte aus Kapitalvermögen*), basically meaning income that is paid by an Austrian paying agent (*auszahlende Stelle*) or an Austrian custodian agent (*depotführende Stelle*), the income is subject to a withholding tax of 25 per cent.; no additional income tax is levied over and above the amount of tax withheld (final taxation pursuant to sec. 97(1) of the Austrian Income Tax Act). In case of investment income without an Austrian nexus, the income must be included in the income tax return and is subject to a flat income tax rate of 25 per cent. In both cases upon application the option exists to tax all income subject to the tax rate of 25 per cent. at the lower progressive income tax rate (option to regular taxation pursuant to sec. 27a(5) of the Austrian Income Tax Act). Pursuant to sec. 27(8) of the Austrian Income Tax Act, losses from investment income may not be offset with other types of income. Negative income subject to the flat tax rate of 25 per cent. may not be offset with income subject to the progressive income tax rate (this equally applies in case of an exercise of the option to regular taxation). Further, an offsetting of losses from realised increases in value and from derivatives in the form of securities with (i) interest and other claims against credit institutions and (ii) income from Austrian or foreign private law foundations and comparable legal estates (*privatrechtliche Stiftungen und damit vergleichbare Vermögensmassen*) is not permissible.

Individuals subject to unlimited income tax liability in Austria holding the Notes as a business asset are subject to income tax on all resulting investment income pursuant to sec. 27(1) of the Austrian Income Tax Act. In case of investment income with an Austrian nexus (as described above) the income is subject to a withholding tax of 25 per cent. While this withholding tax has the effect of final taxation for income from the letting of capital, income from realised increases in value and income from derivatives must on the other hand be included in the income tax return (nevertheless flat income tax rate of 25 per cent.). In case of investment income without an Austrian nexus, the income must always be included in the income tax return (flat income tax rate of 25 per cent.). In both cases upon application the option exists to tax all income subject to the tax rate of 25 per cent. at the lower progressive income tax rate (option to regular taxation pursuant to sec. 27a(5) of the Austrian Income Tax Act). Pursuant to sec. 6(2)(c) of the Austrian Income Tax Act, depreciations to the lower fair market value and losses from the sale, redemption and other realisation of financial assets and derivatives in the sense of sec. 27(3) and (4) of the Austrian Income Tax Act, which are subject to the special tax rate of 25 per cent., are primarily to be offset against income from realised increases in value of such financial assets and derivatives and with appreciations in value of such assets; only half of the remaining negative difference may be offset against other types of income (and carried forward).

Corporations subject to unlimited corporate income tax liability in Austria are subject to corporate income tax on interest from the Notes at a rate of 25 per cent. In case of investment income with an Austrian nexus (as described above) the income is subject to a withholding tax of 25 per cent., which can be credited against the corporate income tax liability. However, under the conditions set forth in sec. 94(5) of the Austrian Income Tax Act no withholding tax is levied in the first place. Income from the sale of the Notes is subject to corporate income tax of 25 per cent. Losses from the sale of the Notes can be offset against other income (and carried forward).

Private foundations pursuant to the Austrian Private Foundations Act fulfilling the prerequisites contained in sec. 13(3) and (6) of the Austrian Corporate Income Tax Act and holding the Notes as a non-business asset are subject to interim taxation at a rate of 25 per cent. on interest income, income from realised increases in value and income from derivatives in the form of securities. Interim tax does not fall due insofar as distributions subject to withholding tax are made to beneficiaries in the tax period. In case of investment income with an Austrian nexus (as described above) the income is in general subject to a withholding tax of 25 per cent., which can be credited against the tax falling due. Under the conditions set forth in sec. 94(12) of the Austrian Income Tax Act no withholding tax is levied.

Pursuant to sec. 93(6) of the Austrian Income Tax Act, the Austrian custodian agent is obliged to automatically offset negative investment income against positive investment income, taking into account all of a taxpayer's bank deposits with the custodian agent. If negative and at the same time or later positive income is earned, then the negative income is to be offset against the positive income. If positive and later negative income is earned, then the withholding tax on the positive income is to be

refunded, with such refund being limited with 25 per cent. of the negative income. In certain cases, the offsetting is not permissible. The custodian agent has to issue a written confirmation on the offsetting of losses for each bank deposit.

Pursuant to sec. 188 of the Austrian Investment Funds Act 2011, a foreign investment fund is defined as any assets subject to a foreign jurisdiction which, irrespective of the legal form they are organized in, are invested according to the principle of risk-spreading on the basis either of a statute, of the entity's articles or of customary exercise. Certain collective investment vehicles investing in real estate are exempted. It should be noted that the Austrian tax authorities have commented upon the distinction between index certificates of foreign issuers on the one hand and foreign investment funds on the other hand in the Investment Fund Regulations (*Investmentfondsrichtlinien*). Pursuant to these, no foreign investment fund may be assumed if for the purposes of the issuance no predominant actual purchase of the underlying assets by the issuer or a trustee of the issuer, if any, is made and no actively managed assets exist. Directly held bonds shall not be considered as foreign investment funds if the performance of the bonds depends on an index, notwithstanding the fact of whether the index is a well-known one, an individually constructed "fixed" index or an index which is changeable at any time.

EU withholding tax

Sec. 1 of the Austrian EU Withholding Tax Act (*EU-Quellensteuergesetz*) – which transforms into national law the provisions of Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments – provides that interest payments paid or credited by an Austrian paying agent to a beneficial owner who is an individual resident in another EU member state (or in certain dependent or associated territories) are subject to a withholding tax of 35 per cent. if no exception from such withholding applies. Sec. 10 of the Austrian EU Withholding Tax Act provides for an exemption from withholding tax where the beneficial owner presents to the paying agent a certificate drawn up in his/her name by the competent authority of his/her member state of residence for tax purposes, indicating the name, address and tax or other identification number or, failing such, the date and place of birth of the beneficial owner, the name and address of the paying agent, and the account number of the beneficial owner or, where there is none, the identification of the security; such certificate shall be valid for a period not exceeding three years.

Regarding the issue of whether also index certificates are subject to the EU withholding tax, the Austrian tax authorities distinguish between index certificates with and without a capital guarantee, a capital guarantee being the promise of repayment of a minimum amount of the capital invested or the promise of the payment of interest. The exact tax treatment of index certificates furthermore depends on their underlying.

Tax treaty between Austria and Switzerland

On 1 January 2013 the Treaty between the Republic of Austria and the Swiss Confederation on Cooperation in the Areas of Taxation and Capital Markets entered into force. The treaty provides that a Swiss paying agent has to withhold a withholding tax with the effect of final taxation corresponding to the Austrian income tax, amounting to 25 per cent., on income and capital gains from assets booked with an account or deposit of such Swiss paying agent, if the relevant holder of such assets (*i.e.* in general individuals on their own behalf and as beneficial owners of domiciliary companies) is tax resident in Austria. The following income and capital gains are subject to the withholding tax: interest income, dividends and capital gains. The treaty, however, does not apply to interest covered by the Agreement between the European Community and the Swiss Confederation providing for measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments. The taxpayer can opt for voluntary disclosure instead of the withholding tax by expressly authorising the Swiss paying agent to disclose to the competent Austrian authority the income and capital gains; these subsequently have to be included in the income tax return.

Austrian inheritance and gift tax

Austria does not levy inheritance or gift tax.

However, it should be noted that certain gratuitous transfers of assets to (Austrian or foreign) private law foundations and comparable legal estates (*privatrechtliche Stiftungen und damit vergleichbare*

Vermögensmassen) are subject to foundation tax (*Stiftungseingangssteuer*) pursuant to the Austrian Foundation Tax Act (*Stiftungseingangssteuergesetz*). Such tax is triggered if the transferor and/or the transferee at the time of transfer have a domicile, their habitual abode, their legal seat or their place of effective management in Austria. Certain exemptions apply in case of a transfer *mortis causa* of financial assets within the meaning of sec. 27(3) and (4) of the Austrian Income Tax Act (except for participations in corporations) if income from such financial assets is subject to the special tax rate of 25 per cent. The tax basis is the fair market value of the assets transferred minus any debts, calculated at the time of transfer. The tax rate is in general 2.5 per cent., with a higher rate of 25 per cent. applying in special cases.

In addition, a special notification obligation exists for gifts of money, receivables, shares in corporations, participations in partnerships, businesses, movable tangible assets and intangibles. The notification obligation applies if the donor and/or the donee have a domicile, their habitual abode, their legal seat or their place of effective management in Austria. Not all gifts are covered by the notification obligation: In case of gifts to certain related parties, a threshold of EUR 50,000 per year applies; in all other cases, a notification is obligatory if the value of gifts made exceeds an amount of EUR 15,000 during a period of five years. Furthermore, gratuitous transfers to foundations falling under the Austrian Foundation Tax Act described above are also exempt from the notification obligation. Intentional violation of the notification obligation may lead to the levying of fines of up to 10 per cent. of the fair market value of the assets transferred.

Further, it should be noted that gratuitous transfers of the Notes may trigger income tax on the level of the transferor pursuant to sec. 27(6)(1) of the Austrian Income Tax Act (see above).

BELGIAN TAXATION

The following summary describes the principal Belgian withholding tax considerations with respect to the holding of the Notes obtained by a Noteholder following an offer in Belgium.

This information is of a general nature and does not purport to be a comprehensive description of all Belgian tax considerations that may be relevant to a decision to acquire, to hold and to dispose of the Notes. In some cases, different rules may be applicable. Furthermore, the tax rules may be amended in the future, possibly with retrospective effect, and the interpretation of the tax rules may change.

This summary is based on the Belgian tax legislation, treaties, rules, and administrative interpretations and similar documentation, in force as of the date of the publication of this offer in Belgium, without prejudice to any amendments introduced at a later date, even if implemented with retrospective effect.

This summary does not describe the tax consequences for Notes that are redeemable in exchange for, or convertible into, shares of the exercise, settlement or redemption of such Notes and/ or any tax consequences after the moment of exercise, settlement or redemption. Neither, does it cover the indirect taxes (including *inter alia* transfer taxes, stamp duties, stock exchange taxes) that may be due following the acquisition, transfer or disposal of the Notes.

Each prospective Noteholder should consult a professional adviser with respect to the tax consequences of an investment in the Notes, taking into account their own specific circumstances.

Belgian Income Tax

1. Structured Notes

On 25 January 2013, the Belgian tax authorities issued a circular letter on the Belgian tax treatment of income from structured securities characterised by an uncertain return on investment due to the variation of the coupons or the repayment terms at maturity, such as securities whose return is linked to the evolution of underlying products. According to the circular letter, the transfer of structured securities to a third party (other than the Issuer) results in taxation as interest income of the "pro rata interest", calculated on an unclear formulae. In addition, any amount paid in excess of the initial issue price upon redemption or repayment of the structured securities is considered as interest for Belgian tax purposes. It is highly debatable whether the circular letter is in line with Belgian tax legislation. Furthermore, it is unclear whether the Belgian tax authorities will seek to apply the principles set out in the circular letter to the structured Notes (the "**Structured Notes**").

It is assumed that any gains realised upon redemption or repayment by the Issuer will indeed be viewed as interest by the Belgian tax authorities (and any such gains are therefore referred to as "interest" for the purposes of the following paragraphs), but that the effective taxation of the "pro rata interest" in case of sale to a third party (ie other than the Issuer) would not be possible, on the basis that it is currently impossible to determine the amount of the "pro rata interest".

2. Repayment or redemption by the Issuer

Belgian resident individual investors

Individuals who are holders of Structured Notes and who are Belgian residents for tax purposes, i.e. who are subject to Belgian personal income tax ("*Personenbelasting/Impôt des personnes physiques*"), are subject to the following tax treatment with respect to the Structured Notes in Belgium. Other rules may be applicable in special situations, in particular when individuals resident in Belgium acquire the Structured Notes for professional purposes or when their transactions with respect to the Structured Notes fall outside the scope of the normal management of their own private estate.

Payments of interest on the Structured Notes made through a paying agent in Belgium will in principle be subject to a 25 per cent. withholding tax in Belgium (calculated on the interest received after deduction of any non Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for Belgian resident individuals. This means that they do not have to declare the interest obtained on the Structured Notes in their personal income tax return, provided Belgian withholding tax was levied on these interest payments.

Nevertheless, Belgian resident individuals may elect to declare interest on the Structured Notes in their personal income tax return. Also, if the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return. Interest income which is declared this way will in principle be taxed at a flat rate of 25 per cent. (or at the relevant progressive personal income tax rate(s), taking into account the taxpayer's other declared income, whichever is more beneficial) and no local surcharges will be due. The Belgian withholding tax levied may be credited against the income tax liability.

Belgian resident corporate investors

Corporations that are Belgian residents for tax purposes, i.e. that are subject to Belgian Corporate Income Tax ("*Vennootschapsbelasting/Impôt des sociétés*") are subject to the following tax treatment with respect to the Structured Notes in Belgium.

Interest received by Belgian corporate investors on the Structured Notes will be subject to Belgian corporate income tax at the applicable corporate income tax rates (the ordinary corporate income tax rate is 33.99 per cent, but lower rates apply to small income companies under certain conditions). If the income has been subject to a foreign withholding tax, a foreign tax credit will be applied on the Belgian tax due. For interest income, the foreign tax credit is generally equal to a fraction where the numerator is equal to the foreign tax and the denominator is equal to 100 minus the rate of the foreign tax, up to a maximum of 15/85 of the net amount received (subject to some further limitations). Capital losses are in principle tax deductible.

Interest payments on the Structured Notes made through a paying agent in Belgium are in principle be subject to a 25 per cent. withholding tax, but can under certain circumstances be exempt from Belgian withholding tax, provided that certain formalities are complied with. For zero or capitalisation bonds, an exemption will only apply if the Belgian company and the Issuer are associated companies within the meaning of article 105, 6° of the Royal Decree of 27 August 1993 implementing the Belgian Income Tax Code of 1992. The withholding tax that has been levied is creditable in accordance with the applicable legal provisions.

Other Belgian legal entities

Non-corporate legal entities that are Belgian residents for tax purposes, i.e. that are subject to Belgian tax on legal entities ("*Rechtspersonenbelasting/impôt des personnes morales*") are subject to the following tax treatment with respect to the Structured Notes in Belgium.

Payments of interest on the Structured Notes made through a paying agent in Belgium will in principle be subject to a 25 per cent. withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the legal entity itself is responsible for the deduction and payment of the 25 per cent. withholding tax.

3. Sale to a third party

No Belgian withholding tax should apply to the Structured Notes.

Belgian resident individual investors

Individuals who are holders of Structured Notes and who are Belgian residents for tax purposes, i.e. who are subject to Belgian personal income tax ("*Personenbelasting/Impôt des personnes physiques*"), are currently not liable to Belgian income tax on the capital gains (if any) realised upon disposal of the Structured Notes to a third party, provided that the Structured Notes have not been used for their professional activity and that the capital gain is realised within the framework of the normal management of their private estate. Capital losses realised upon disposal of the Structured Notes held as a non-professional investment are in principle not tax deductible.

However, Belgian resident individuals may be subject to a 33 per cent. Belgian income tax (plus local surcharges) if the capital gains on the Structured Notes are deemed to be

speculative or outside the scope of the normal management of the individuals' private estate. Capital losses arising from such transactions are not tax deductible.

Capital gains realised upon transfer of Structured Notes held for professional purposes are taxable at the ordinary progressive income tax rates (plus local surcharges), except for Structured Notes held for more than five years, which are taxable at a separate rate of 16.5 per cent. (plus local surcharges). Capital losses on the Structured Notes incurred by Belgian resident individuals holding the Structured Notes for professional purposes are in principle tax deductible.

Belgian resident corporate investors

Corporations that are Belgian residents for tax purposes, i.e. that are subject to Belgian Corporate Income Tax ("*Vennootschapsbelasting/Impôt des sociétés*"), are liable to Belgian corporate income tax on the capital gains (if any) realised upon disposal of the Structured Notes to a third party, irrespective of whether such Structured Notes relate to shares or other assets or indices. The current standard corporate income tax rate in Belgium is 33.99 per cent.

Capital losses realised upon disposal of the Structured Notes are in principle tax deductible.

Other Belgian legal entities

Non-corporate legal entities that are Belgian residents for tax purposes, i.e. that are subject to Belgian tax on legal entities ("*Rechtspersonenbelasting/impôt des personnes morales*"), are currently not liable to Belgian income tax on capital gains (if any) realised upon disposal of the Structured Notes to a third party.

Capital losses realised upon disposal of the Structured Notes are in principle not tax deductible.

4. Other Notes

The following summary describes the principal Belgian withholding tax considerations with respect to Notes other than Structured Notes.

For Belgian tax purposes, the following amounts are qualified and taxable as "interest": (i) periodic interest income, (ii) amounts paid by the Issuer in excess of the issue price (whether or not on the maturity date), and (iii) in case of a realisation of the Notes between two interest payment dates, the pro rata of accrued interest corresponding to the period during which the investor held the Notes in the period between the two interest payment dates. For the purposes of the following paragraphs, any such gains and accrued interest are therefore referred to as interest.

Belgian resident individual investors

Individuals who are Belgian residents for tax purposes, i.e. who are subject to Belgian personal income tax ("*Personenbelasting/Impôt des personnes physiques*") and who hold the Notes as a private investment, are in Belgium subject to the following tax treatment with respect to the Notes. Other tax rules apply to Belgian resident individuals who do not hold the Notes as a private investment.

Payments of interest on the Notes made through a paying agent in Belgium will in principle be subject to a 25 per cent. withholding tax in Belgium (calculated on the interest received after deduction of any non-Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for Belgian resident individuals. This means that they do not have to declare the interest obtained on the Notes in their personal income tax return, provided Belgian withholding tax was levied on these interest payments.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return and will be taxed at a flat rate of 25 per cent.

Capital gains realised on the sale of the Notes are in principle tax exempt, unless the capital gains are realised outside the scope of the normal management of one's private estate or

unless the capital gains qualify as interest (as defined above). Capital losses are in principle not tax deductible.

Belgian resident corporate investors

Corporations that are Belgian residents for tax purposes, i.e. that are subject to Belgian Corporate Income Tax ("*Vennootschapsbelasting/Impôt des sociétés*"), are in Belgium subject to the following tax treatment with respect to the Notes.

Interest derived by Belgian corporate investors on the Notes and capital gains realised on the Notes will be subject to Belgian corporate income tax at the applicable corporate income tax rates (the ordinary corporate income tax rate is 33.99 per cent, but lower rates apply to small income companies under certain conditions). If the income has been subject to a foreign withholding tax, a foreign tax credit will be applied on the Belgian tax due. For interest income, the foreign tax credit is generally equal to a fraction where the numerator is equal to the foreign tax and the denominator is equal to 100 minus the rate of the foreign tax, up to a maximum of 15/85 of the net amount received (subject to some further limitations). Capital losses are in principle tax deductible.

Interest payments on the Notes made through a paying agent in Belgium are in principle be subject to a 25 per cent. withholding tax, but can under certain circumstances be exempt from Belgian withholding tax, provided that certain formalities are complied with. For zero or capitalisation notes, an exemption will only apply if the Belgian company and the Issuer are associated companies within the meaning of article 105, 6° of the Royal Decree of 27 August 1993 implementing the Belgian Income Tax Code of 1992. The withholding tax that has been levied is creditable in accordance with the applicable legal provisions.

Other Belgian legal entities

Non-corporate legal entities that are Belgian residents for tax purposes, i.e. that are subject to Belgian tax on legal entities ("*Rechtspersonenbelasting/impôt des personnes morales*") are subject to the following tax treatment with respect to the Notes in Belgium.

Payments of interest on the Notes made through a paying agent in Belgium will in principle be subject to a 25 per cent. withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the legal entity itself is responsible for the declaration and payment of the 25 per cent. withholding tax.

Capital gains realised on the sale of the Notes are in principle tax exempt, unless the capital gain qualifies as interest (as defined). Capital losses are in principle not tax deductible.

Tax on stock exchange transactions

The sale and acquisition of the Notes on the secondary market is subject to a tax on stock exchange transactions ("*Taxe sur les opérations de bourse/Taks op de beursverrichtingen*") if executed in Belgium through a professional intermediary. The tax is generally due at a rate of currently 0.09 per cent. for the Notes on each sale and acquisition separately, with a maximum of EUR 650.00 per taxable transaction.

Exemptions apply for non-residents and certain Belgian institutional investors acting for their own account provided that certain formalities are respected. Transactions on the primary market are not subject to the tax on stock exchange transactions.

FRENCH TAXATION

The descriptions below are intended as a basic summary of certain French tax consequences in relation to the ownership of the Notes under French law. Potential purchasers of the Notes are advised to consult their own appropriate independent and professionally qualified tax advisors as to the tax consequences of any investment in, or ownership of, the Notes.

Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the "**Savings Directive**") was implemented into French law under Article 242 *ter* of the French *Code Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Withholding tax

The description below is relevant only for Noteholders who do not concurrently hold shares of BNPP.

Payments made by BNPP as Issuer

Notes which are not consolidated (assimilables for the purpose of French law) with Notes issued before 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009* n°3 (n° 2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to Notes (other than Notes (as described below) which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French *Code Général des Impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code Général des Impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code Général des Impôts* (a "**Non-Cooperative State**"). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty) by virtue of Article 125 A III of the French *Code Général des Impôts*.

Furthermore, according to Article 238 A of the French *Code Général des Impôts*, interest and other revenues on such Notes will no longer be deductible from the Issuer's taxable income if they are paid or accrued to persons established or domiciled in a Non-Cooperative State or paid in such a Non-Cooperative State (the "**Deductibility Exclusion**"). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code Général des Impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code Général des Impôts*, at a rate of 30 per cent. or 75 per cent. (subject to the more favourable provisions of an applicable tax treaty).

Notwithstanding the foregoing, the Law provides that neither the 75 per cent. withholding tax set out under Article 125 A III of the French *Code Général des Impôts* nor the Deductibility Exclusion will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the *Bulletin Officiel des Finances Publiques-Impôts* BOI-INT-DG-20-50-20120912 n°990, BOI-RPPM-RCM-30-10-20-50-20120912 n°70, BOI-INT-DG-20-50-20120912 n°550, BOI-ANNX-000364-20120912 n°20 and BOI-ANNX-000366-20120912 n°90, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes if such Notes are:

- (a) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code Monétaire et Financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the

registration or submission of an offer document by or with a foreign securities market authority; or

- (b) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (c) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code Monétaire et Financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes consolidated (assimilables for the purpose of French law) with Notes issued before 1 March 2010

Payments of interest and other revenues with respect to Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 with the benefit of Article 131 *quater* of the French *Code Général des Impôts*, will be exempt from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting obligations under French law, or *titres de créances négociables* within the meaning of the *Bulletin Officiel des Finances Publiques-Impôts* BOI-RPPM-RCM-30-10-30-30-20120912, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code Général des Impôts*, in accordance with the above mentioned regulations.

In addition, interest and other revenues paid by the Issuer on Notes issued from 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 will not be subject to the Deductibility Exclusion, and hence will not be subject to the withholding tax set out in Article 119 *bis* of the French *Code Général des Impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Notes held by French tax resident individuals

Pursuant to Article 9 of the 2013 Finance Law (*loi de finances pour 2013*, n° 2012-1509 du 29 décembre 2012) subject to certain limited exceptions, interest and other revenues paid as from 1 January 2013 by a paying agent located in France to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on interest and similar revenues paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

Transfer tax and other taxes

The treatment regarding transfer taxes and other taxes in relation to any Notes will depend on the features and characterisation of such Notes and should be analysed on a case by case basis. Potential purchasers of Notes are advised to consult their own appropriate independent and professionally qualified tax advisors as to the tax consequences of the acquisition, holding, redemption or sale of the Notes.

Pursuant to Article 235 *ter* ZD of the French *Code Général des Impôts*, a financial transaction tax (the "**Financial Transaction Tax**") is applied to any acquisition for consideration, resulting in a transfer of ownership, of an equity security (*titre de capital*) as defined by Article L.212-1 A of the French *Code Monétaire et Financier*, or of an assimilated equity security, as defined by Article L.211-41 of the French *Code Monétaire et Financier*, admitted to trading on a recognised stock exchange when the said security is issued by a French company with a market capitalisation of more than 1 billion Euros

(the "**French Shares**"). The Financial Transaction Tax could apply in certain circumstances to the acquisition of certain Notes and/or the acquisition of French Shares in connection with the redemption or settlement of any Notes.

The rate of the Financial Transaction Tax is 0.2 per cent. of the acquisition value of the securities.

If the Financial Transaction Tax applies to an acquisition of shares, this transaction is exempt from transfer taxes (*droits de mutation à titre onéreux*) which generally apply at a rate of 0.1 per cent. to the sale of French shares, provided that in case of shares listed on a recognised stock exchange, transfer taxes are due only if the transfer is evidenced by a written deed or agreement.

GERMAN TAXATION

The following is a general discussion of certain German tax consequences of the acquisition, holding and disposal of Notes. It does not purport to be a comprehensive description of all German tax considerations that may be relevant to a decision to purchase Notes, and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. This summary is based on the tax laws of Germany currently in force and as applied on the date of this Base Prospectus, which are subject to change, possibly with retroactive or retrospective effect.

As each type of Notes may be subject to a different tax treatment due to the specific terms of such types of Notes as set out in the respective Final Terms, the following section only provides some general information on the possible tax treatment.

Prospective purchasers of Notes are advised to consult their own tax advisors as to the tax consequences of the purchase, ownership and disposal of Notes, including the effect of any state, local or church taxes, under the tax laws of Germany and any country of which they are resident or whose tax laws apply to them for other reasons.

Tax Residents

The section "Tax Residents" refers to persons who are tax residents of Germany (*i.e.*, persons whose residence, habitual abode, statutory seat, or place of effective management and control is located in Germany).

Withholding tax on ongoing payments and capital gains

Ongoing payments received by an individual Noteholder will be subject to German withholding tax if the Notes are kept in a custodial account with a German branch of a German or non-German bank or financial services institution, a German securities trading company or a German securities trading bank (each, a "**Disbursing Agent**", *auszahlende Stelle*). The tax rate is 25 per cent. (plus solidarity surcharge at a rate of 5.5 per cent. thereon, the total withholding being 26.375 per cent.). Individuals subject to church tax may apply in writing for such church tax to also be levied by way of withholding. Absent such application, such individuals have to include their investment income in their income tax return and will then be assessed to church tax. For German banks, an electronic information system for church withholding tax purposes will apply in relation to investment income received after 31 December 2013, with the effect that church tax will be collected by the German Disbursing Agent by way of withholding unless the investor has filed a blocking notice (*Sperrvermerk*) with the German Federal Central Tax Office (*Bundeszentralamt für Steuern*) in which case the investor will be assessed to church tax.

The same treatment applies to capital gains (*i.e.* the difference between the proceeds from the disposal, redemption, repayment or assignment after deduction of expenses directly related to the disposal, redemption, repayment or assignment and the cost of acquisition) derived by an individual Noteholder provided the Notes have been held in a custodial account with the same Disbursing Agent since the time of their acquisition. Where Notes are issued in a currency other than Euro any currency gains or losses are part of the capital gains. If interest coupons or interest claims are disposed of separately (*i.e.* without the Notes), the proceeds from the disposition are subject to withholding tax. The same applies to proceeds from the payment of interest coupons or interest claims if the Notes have been disposed of separately.

In case of a physical settlement of certain Notes which grant the Issuer or the Noteholder the right to opt for a physical delivery of underlying securities instead of a cash payment, the acquisition costs of the Notes may be regarded as proceeds from the disposal, redemption, repayment or assignment of the Notes and hence as acquisition costs of the underlying securities received by the individual Noteholder upon physical settlement; any consideration received by the Noteholder in addition to the underlying securities may be subject to withholding tax. To the extent the provision mentioned above is applicable, generally no withholding tax has to be withheld by the Disbursing Agent upon physical settlement as such exchange of the Notes into the underlying securities does not result in a taxable gain for the individual Noteholder. However, withholding tax may then apply to any gain resulting from the disposal, redemption, repayment or assignment of the securities received in exchange for the Notes. In this case, the gain will be the difference between the proceeds from the disposal,

redemption, repayment or assignment of the underlying securities and the acquisition costs of the Notes (after deduction of expenses related directly to the disposal, if any).

To the extent the Notes have not been kept in a custodial account with the same Disbursing Agent since the time of their acquisition, upon the disposal, redemption, repayment or assignment withholding tax applies at a rate of 26.375 per cent. (including solidarity surcharge, plus church tax, if applicable) on 30 per cent. of the disposal proceeds (plus interest accrued on the Notes (**Accrued Interest**, *Stückzinsen*), if any), unless the current Disbursing Agent has been notified of the actual acquisition costs of the Notes by the previous Disbursing Agent or by a statement of a bank or financial services institution within the European Economic Area or certain other countries in accordance with art. 17 para. 2 of the Savings Directive (e.g. Switzerland or Andorra).

Pursuant to a tax decree issued by the German Federal Ministry of Finance dated 9 October 2012 a bad debt-loss (*Forderungsausfall*) and a waiver of a receivable (*Forderungsverzicht*), to the extent the waiver does not qualify as a hidden capital contribution, shall not be treated like a disposal. Accordingly, losses suffered upon such bad debt-loss or waiver shall not be tax-deductible. The same rules should be applicable according to the said tax decree, if the Notes expire worthless so that losses may not be tax-deductible at all. Where the Notes provide for instalment payments, such instalment payments shall always qualify as taxable savings income, unless the terms and conditions of the Notes provide explicit information regarding redemption or partial redemption during the term of the Notes and the contractual parties comply with these terms and conditions. It is further stated in the tax decree that, if, in the case of Notes providing for instalment payments, there is no final payment at maturity, the expiry of such Notes shall not be deemed as a sale, with the consequence that any remaining acquisition costs could not be deducted for tax purposes. Similarly, any remaining acquisition costs of Notes providing for instalment payments shall not be tax-deductible if the Notes do not provide for a final payment or are terminated early without a redemption payment because the respective underlying has left the defined corridor or has broken certain barriers (e.g. in knock-out structures). Although the tax decree only refers to instruments with instalment payments, it cannot be excluded that the German tax authorities apply the above principles also to other kinds of full-risk securities.

In computing any German tax to be withheld, the Disbursing Agent may generally deduct from the basis of the withholding tax negative investment income realised by the individual Noteholder via the Disbursing Agent (e.g. losses from sale of other securities with the exception of shares). The Disbursing Agent may also deduct Accrued Interest on the Notes, if any, or other securities paid separately upon the acquisition of the respective security via the Disbursing Agent. In addition, subject to certain requirements and restrictions the Disbursing Agent may credit foreign withholding taxes levied on investment income in a given year regarding securities held by the individual Noteholder in the custodial account with the Disbursing Agent.

Individual Noteholders may be entitled to an annual allowance (*Sparer-Pauschbetrag*) of EUR 801 (EUR 1,602 for married couples filing jointly) for all investment income received in a given year. Upon the individual Noteholder filing an exemption certificate (*Freistellungsauftrag*) with the Disbursing Agent, the Disbursing Agent will take the allowance into account when computing the amount of tax to be withheld. No withholding tax will be deducted if the Noteholder has submitted to the Disbursing Agent a certificate of non-assessment (*Nichtveranlagungsbescheinigung*) issued by the competent local tax office.

German withholding tax will not apply to gains from the disposal, redemption, repayment or assignment of Notes held by a corporation as Noteholders while ongoing payments, such as interest payments, are subject to withholding tax (irrespective of any deductions of foreign tax and capital losses incurred). The same may apply where the Notes form part of a trade or business or are related to income from letting and leasing of property, subject to further requirements being met.

Taxation of current income and capital gains

The personal income tax liability of an individual Noteholder deriving income from capital investments under the Notes is, in principle, settled by the tax withheld. To the extent withholding tax has not been levied, such as in the case of Notes kept in custody abroad or if no Disbursing Agent is involved in the payment process, the individual Noteholder must report his or her income and capital gains derived from the Notes on his or her tax return and then will also be taxed at a rate of 25 per cent.

(plus solidarity surcharge and church tax thereon, where applicable). If the withholding tax on a disposal, redemption, repayment or assignment has been calculated from 30 per cent. of the disposal proceeds (rather than from the actual gain), an individual Noteholder may and in case the actual gain is higher than 30 per cent. of the disposal proceeds must also apply for an assessment on the basis of his or her actual acquisition costs. Further, an individual Noteholder may request that all investment income of a given year is taxed at his or her lower individual tax rate based upon an assessment to tax with any amounts over-withheld being refunded. In each case, the deduction of expenses (other than transaction costs) on an itemised basis is not permitted.

Losses incurred with respect to the Notes can only be off-set against investment income of the individual Noteholder realised in the same or the following years. Any losses realised upon the disposal of shares in stock corporations received in exchange for the Notes can only be off-set against capital gains deriving from the disposal of shares.

Where Notes form part of a trade or business or the income from the Notes qualifies as income from the letting and leasing of property the withholding tax, if any, will not settle the personal or corporate income tax liability. Where Notes form part of a trade or business, interest accrued on the Notes must be taken into account as income. Where Notes qualify as zero bonds and form part of a trade or business, each year the part of the difference between the issue or purchase price and the redemption amount attributable to such year must be taken into account. The respective Noteholder will have to report income and related (business) expenses on their tax returns and the balance will be taxed at the holder's applicable tax rate. Withholding tax levied, if any, will be credited against the personal or corporate income tax of the holder of Notes. Where Notes form part of a German trade or business the current income and gains from the disposal, redemption, repayment or assignment of the Notes may also be subject to German trade tax. Generally the deductibility of capital losses from the Notes which qualify for tax purposes as forward/futures transaction (*Termingeschäft*) is limited. These losses may only be applied against profits from other forward/futures transactions derived in the same or, subject to certain restrictions, the previous year. Otherwise these losses can be carried forward indefinitely and applied against profits from forward/futures transactions in subsequent years. These limitations do, however, generally not apply to forward/futures transactions hedging the Noteholder's ordinary business. Further special rules apply to credit institutions, financial services companies and finance companies within the meaning of the German Banking Act.

In the case of physically settled Notes special limitations may apply to losses from the disposal of an Underlying which is a share in a corporation.

German Investment Tax Act

German tax consequences different from those discussed above would arise if the respective Notes or the underlying securities delivered upon physical delivery were to be regarded as investment fund units within the meaning of the German Investment Tax Act (*Investmentsteuergesetz*). In such case, the withholding tax requirements for the Disbursing Agent as well as the taxation of the Noteholder would depend on whether the disclosure and reporting requirements of the German Investment Tax Act were fulfilled. The Noteholders may be subject to tax on unrealised income or, in case the reporting and disclosure requirements are not fulfilled, on income deemed received on a lump-sum basis (so-called penalty taxation). Such income may be offset against any capital gains realised upon disposal of the Notes or the underlying securities received, respectively, subject to certain requirements. A foreign investment fund is defined as a pool of assets subject to foreign law, invested pursuant to the principle of risk diversification in one or more of certain asset classes listed in the German Investment Act (*Investmentgesetz*). A foreign investment fund unit exists if the investor has the right to request a redemption of its units against its *pro rata* portion of the net asset value of the foreign investment fund or, in the absence of such right of redemption, the foreign investment fund is subject to regulatory supervision of collective investments in the country where it has its registered seat.

In the context of the implementation of the directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on Alternative Investment Fund Managers into German law until 22 July 2013 also the German investment taxation rules are expected to be amended. Such future amendments might result in a taxation of purchase, ownership and disposal of the Notes in Germany, which might significantly deviate from the one summarised above.

Non-residents

Interest, including Accrued Interest, and capital gains are not subject to German taxation, unless (i) the Notes form part of the business property of a permanent establishment, including a permanent representative, or a fixed base maintained in Germany by the Noteholder; or (ii) the income otherwise constitutes German-source income. In cases (i) and (ii) a tax regime similar to that explained above under "*Tax Residents*" applies.

Non-residents of Germany are, in general, exempt from German withholding tax on interest and the solidarity surcharge thereon. However, where the interest is subject to German taxation as set forth in the preceding paragraph and the Notes are held in a custodial account with a Disbursing Agent, withholding tax may be levied under certain circumstances. Where Notes are not kept in a custodial account with a Disbursing Agent and interest or proceeds from the disposal, assignment or redemption of a Note or an interest coupon are paid by a Disbursing Agent to a non-resident upon delivery of the Notes or interest coupons, withholding tax generally will also apply. The withholding tax may be refunded based on an assessment to tax or under an applicable tax treaty.

Inheritance and Gift Tax

No inheritance or gift taxes with respect to any Notes will arise under the laws of Germany, if, in the case of inheritance tax, neither the deceased nor the beneficiary, or, in the case of gift tax, neither the donor nor the donee, is a resident of Germany and such Note is not attributable to a German trade or business for which a permanent establishment is maintained, or a permanent representative has been appointed, in Germany. Exceptions from this rule apply to certain German expatriates.

Other Taxes

No stamp, issue or registration taxes or such duties will be payable in Germany in connection with the issuance, delivery or execution of the Notes. Currently, net assets tax is not levied in Germany.

The EU Commission and certain EU Member States (including Germany) are currently intending to introduce a financial transaction tax (**FTT**) (presumably on secondary market transactions involving at least one financial intermediary). It is currently proposed that the FTT should be introduced in the participating Member States on 1 January 2014.

Savings Directive

By legislative regulations dated 26 January 2004 the German Federal Government enacted provisions implementing information exchange on the basis of the Savings Directive into German law. These provisions apply from 1 July 2005.

For further information, please refer to the section "EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME" on page 505.

HONG KONG TAXATION

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Notes or in respect of any capital gains arising from the sale of the Notes.

Profits Tax

Hong Kong profits tax is charged on every person carrying on a trade, profession or business in Hong Kong in respect of assessable profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Cap. 112 of Laws of Hong Kong) (the "**Inland Revenue Ordinance**") as it is currently applied by the Inland Revenue Department of Hong Kong, interest on the Notes will be subject to Hong Kong profits tax under the following circumstances:

- interest on the Notes is derived from Hong Kong and is received by or accrues to a corporation carrying on a trade, profession or business in Hong Kong; or
- interest on the Notes is derived from Hong Kong and is received by or accrues to a person, other than a corporation, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of the trade, profession or business; or
- interest on the Notes is received by or accrues to a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong.

Sums received by or accrued to a financial institution by way of gains or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal or redemption of the Notes may be subject to profits tax.

Sums derived from the sale, disposal or redemption of Notes in bearer form may be subject to Hong Kong profits tax where received by or accrued to a person, other than a financial institution, who carries on a trade, profession or business in Hong Kong and the sum has a Hong Kong source. Similarly, such sums in respect of Notes in registered form received by or accrued to either the aforementioned person and/or a financial institution will be subject to Hong Kong profits tax if such sums have a Hong Kong source. The source of such sums will generally be determined by having regard to the manner in which the Notes are acquired and disposed.

Stamp Duty

Stamp duty will not be payable on the issue of Notes in bearer form provided either:

- (i) such Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) such Notes constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117 of the Laws of Hong Kong) (the "**Stamp Duty Ordinance**")).

If stamp duty is payable, it is payable by the Issuer on the issue of Notes in bearer form at a rate of 3 per cent. of the market value of the Notes at the time of issue.

No stamp duty will be payable on any subsequent transfer of Notes in bearer form.

No stamp duty is payable on the issue of Notes in registered form. Stamp duty may be payable on any transfer of Notes in registered form if the relevant transfer is required to be registered in Hong Kong. Stamp duty will, however, not be payable on any transfer of Notes in registered form provided that either:

- (i) the Notes in registered form are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) the Notes in registered form constitute loan capital (as defined in the Stamp Duty Ordinance).

If stamp duty is payable in respect of the transfer of Notes in registered form, it will be payable at the rate of 0.2 per cent. (of which 0.1 per cent. is payable by each of the seller and the purchaser)

normally by reference to the value of the consideration. If, in the case of either the sale or purchase of such Notes in registered form, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay any unpaid stamp duty and also any penalties for late payment. If stamp duty is not paid on or before the due date (two days after the sale or purchase if effected in Hong Kong, or 30 days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the Notes in registered form if the relevant transfer is required to be registered in Hong Kong.

ITALIAN TAXATION

The statements herein regarding taxation summarise the principal Italian tax consequences of the purchase, the ownership and the disposal of the Notes. They apply to a Noteholder only if such holder purchases its Notes under the Programme. It is a general summary that does not apply to certain categories of investors and does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. It does not discuss every aspect of Italian taxation that may be relevant to a Noteholder if such holder is subject to special circumstances or if such holder is subject to special treatment under applicable law.

This summary assumes that BNPP is resident in France for tax purposes, is organised and that its business will be conducted in the manner outlined in this Base Prospectus. Changes in BNPP's tax residence, organisational structure or the manner in which it conducts its businesses may invalidate this summary. This summary also assumes that each transaction with respect to Notes is at arm's length.

Where in this summary English terms and expressions are used to refer to Italian concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Italian concepts under Italian tax law.

The statements herein regarding taxation are based on the laws in force in the Republic of Italy as of the date of this Base Prospectus and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The Issuer will not update this summary to reflect changes in laws and if such a change occurs the information in this summary could become invalid. With regard to certain innovative or structured financial instruments there is currently neither case law nor comments of the Italian tax authorities as to the tax treatment of such financial instruments. Accordingly, it cannot be excluded that the Italian tax authorities and courts or Italian paying agents may adopt a view different from that outlined below.

Prospective Noteholders are advised to consult their own tax advisers concerning the overall tax consequences under Italian tax law, under the tax laws of the country in which they are resident for tax purposes and of any other potentially relevant jurisdiction of acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes, including in particular the effect of any state, regional or local tax laws.

This summary does not describe the tax consequences for a Noteholder with respect to Notes that are redeemable in exchange for, or convertible into, shares, or of Physical Delivery Notes, of the exercise, settlement or redemption of such Notes and/or any tax consequences after the moment of exercise, settlement or redemption.

Interest and other proceeds

1. Notes qualifying as bonds or securities similar to bonds

Legislative Decree No. 239 of 1 April 1996, as amended (the "**Decree 239**"), regulates the tax treatment of interest, premium and other income (including the difference between the redemption amount and the issue price, hereinafter collectively referred to as "**Interest**") from notes issued, *inter alia*, by non-Italian resident entities, falling within the category of bonds (*obbligazioni*) or securities similar to bonds (*titoli similari alle obbligazioni*).

For this purpose, securities similar to bonds are securities that incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value and that do not allow any direct or indirect participation to the management of the issuer.

Resident Noteholders

Where an Italian resident Noteholder who is the beneficial owner of the Notes is (i) an individual not engaged in a business activity to which the Notes are effectively connected, (ii) a non-commercial partnership (with the exception of general partnership, limited partnership and similar entities), (iii) a non commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, Interest payments relating to the Notes are subject to a tax, referred to as *imposta sostitutiva*, levied at the rate of 20 per cent. (either when the Interest is paid by the Issuer, or when payment thereof is obtained by the

Noteholder on a sale of the relevant Notes). The *imposta sostitutiva* may not be recovered by the Noteholder as a deduction from the income tax due.

In case the Notes are held by a Noteholder engaged in a business activity and are effectively connected with same business activity, the Interest will be subject to the *imposta sostitutiva* and will be included in the relevant income tax return. As a consequence, the Interest will be subject to the ordinary income tax and the *imposta sostitutiva* may be recovered as a deduction from the income tax due.

Pursuant to Decree 239, *imposta sostitutiva* is applied by banks, *società di intermediazione mobiliare* ("**SIMs**"), fiduciary companies, *società di gestione del risparmio* ("**SGRs**") stock exchange agents and other entities identified by the relevant Decrees of the Ministry of Finance (the "**Intermediaries**").

An Intermediary must (i) be (a) resident in Italy, (b) a permanent establishment in Italy of a non-Italian resident financial intermediary or (c) an entity or a company not resident in Italy, acting through a system of centralised administration of securities and directly connected with the Department of Revenue of Italian Ministry of Finance having appointed an Italian representative for the purposes of Decree 239 and (ii) intervene, in any way, in the collection of Interest or in the transfer of the Notes. For the purpose of the application of the *imposta sostitutiva*, a transfer of Notes includes any assignment or other act, either with or without consideration, which results in a change of the ownership of the relevant Notes or in a change of the Intermediary with which the Notes are deposited.

Where the Notes are deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying Interest to a Noteholder. If the Interest is not collected through an Intermediary or any entity paying Interest and as such no *imposta sostitutiva* is levied, the Italian resident Noteholder listed above will be required to include Interest in their yearly income tax return and subject them to a final substitutive tax at the rate of 20 per cent.

The *imposta sostitutiva* does not apply, *inter alia*, to the following subjects, to the extent that the Notes and the relevant Coupons are deposited in a timely manner, directly or indirectly, with an Intermediary:

- (a) Corporate Noteholders – Where an Italian resident Noteholder is a corporation or a similar commercial entity (including a permanent establishment in Italy of a foreign entity to which the Notes are effectively connected), Interest accrued on the Notes must be included in: (I) the relevant Noteholder's yearly taxable income for corporate income tax purposes ("**IRES**"), generally applying at a rate equal to 27.5 per cent.; and (II) in certain circumstances, depending on the "status" of the Noteholder, also in its net value of production for the purposes of regional tax on productive activities ("**IRAP**") generally levied at the rate of 3.9 per cent., even though regional surcharges may apply. Such Interest is therefore subject to general Italian corporate taxation according to the ordinary rules;
- (b) Investment funds – If the Noteholder is resident in Italy and is an open-ended or closed-ended investment fund or a SICAV (an investment company with variable capital) established in Italy and either (i) the fund or SICAV or (ii) their manager is subject to the supervision of a regulatory authority (the **Fund**), and the relevant Notes are held by an authorised intermediary, interest, premium and other income accrued during the holding period on the Notes will not be subject to *imposta sostitutiva*, but must be included in the management results of the Fund. The Fund will not be subject to taxation on such results but a substitute tax of 20 per cent. will apply, in certain circumstances, to distributions made in favour of unitholders or shareholders (the **Collective Investment Fund Substitute Tax**);
- (c) Pension funds – Pension funds (subject to the tax regime set forth by article 17 of the Legislative Decree No. 252 of 5 December 2005, the "**Pension Funds**") are subject to an 11 per cent. substitutive tax on their annual net accrued result. Interest on the Notes is included in the calculation of said annual net accrued result; and

- (d) Real estate investment funds – Under the current regime provided by Law Decree No. 351 of 25 September 2001, converted into law with amendments by Law No. 410 of 23 November 2001, as clarified by the Italian Ministry of Economics and Finance through Circular No. 47/E of 8 August 2003, payments of Interest in respect of the Notes made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, (the "**Real Estate Investment Funds**") and Article 14-bis of Law No. 86 of 25 January 1994 are subject neither to *imposta sostitutiva* nor to any other income tax in the hands of the same Real Estate Investment Funds.
- (e) Non-Resident Noteholders
- (f) Interest payments relating to Notes received by non-resident beneficial owners (not having a permanent establishment in Italy to which the Notes are effectively connected) are generally not subject to tax in Italy.

2. Notes qualifying as atypical securities

Interest payments relating to Notes that are not deemed to fall within the category of bonds (*obbligazioni*) or securities similar to bonds (*titoli similari alle obbligazioni*) are subject to a withholding tax, levied at the rate of 20 per cent. For this purpose, debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value.

Interest payments on Notes made to Italian resident Noteholders which are (i) companies or similar commercial entities (including a permanent establishment in Italy of a foreign entity to which the Notes are effectively connected), and (ii) commercial partnerships, are not subject to the aforementioned withholding tax, but form part of their aggregate income subject to IRES. In certain cases, such Interest may also be included in the taxable net value of production for IRAP purpose.

Interest payments relating to Notes received by non-Italian resident beneficial owners (not having a permanent establishment in Italy to which the Notes are effectively connected) are generally not subject to tax in Italy provided that, if the Notes are held in Italy, the Non-Resident Noteholder declares itself to be non-Italian resident according to the Italian tax regulations.

The withholding is levied by the Italian intermediary appointed by the Issuer, intervening in the collection of the relevant income or in the negotiation or repurchasing of the Notes.

3. Capital Gains

Resident Noteholders

Pursuant to Legislative Decree No. 461 of 21 November 1997, as amended, a 20 per cent. capital gains tax (the "**CGT**") is applicable to capital gains realised on the sale or transfer of the Notes for consideration or on redemption thereof by Italian resident individuals (not engaged in a business activity to which the Notes are effectively connected), regardless of whether the Notes are held outside of Italy.

For the purposes of determining the taxable capital gain, any Interest on the Notes accrued and unpaid up to the time of the purchase and the sale of the Notes must be deducted from the purchase price and the sale price, respectively.

Should the Notes qualify as atypical securities, based on a very restrictive interpretation, the aforesaid capital gains would be subject to the 20 per cent. final withholding tax mentioned under paragraph "Notes qualifying as atypical securities", above.

Taxpayers can opt for certain alternative regimes in order to pay the CGT.

The aforementioned regime does not apply to the following subjects:

- (a) Corporate investors (including banks and insurance companies): capital gains on the Notes held by Italian resident corporate entities (including a permanent establishment in Italy of a foreign entity to which the Notes are effectively connected) form part of

their aggregate income subject to IRES. In certain cases, capital gains may also be included in the taxable net value of production of such entities for IRAP purposes. The capital gains are calculated as the difference between the sale price and the relevant tax basis of the Notes. Upon fulfilment of certain conditions, the gains may be taxed in equal instalments over up to five fiscal years for IRES purposes.

- (b) Funds – Capital gains realised by the Funds on the Notes contribute to determining the annual net accrued result of the same Funds (see under paragraph 1.1.A. "Italian resident Noteholders", above).
- (c) Pension Funds – Capital gains realised by Pension Funds on the Notes contribute to determining the annual net accrued result of the same Pension Funds, which is subject to an 11 per cent. substitutive tax (see under paragraph 1.1.A "Italian resident Noteholders", above).
- (d) Real Estate Investment Funds – Capital gains realised by Italian Real Estate Investment Funds on the Notes are generally not taxable at the level of the same Real Estate Investment Funds (see under paragraph 1.1.A "Italian resident Noteholders", above).

Non-Resident Noteholders

Capital gains realised by non-resident Noteholders (not having permanent establishment in Italy to which the Notes are effectively connected) on the Notes are not subject to tax in Italy, provided that the Notes (i) are traded on regulated markets, or (ii) if not traded on regulated markets, are held outside Italy.

The provisions of the applicable tax treaties against double taxation entered into by Italy apply if more favourable and all the relevant conditions are met.

4. Transfer Taxes

Following the repeal of the Italian transfer tax, as from 31 December 2007 contracts relating to the transfer of securities are subject to the registration tax as follows: (i) public deeds and notarised deeds are subject to fixed registration tax at rate of EUR 168; (ii) private deeds are subject to registration tax only in case of use or voluntary registration.

5. Inheritance and Gift Tax

Pursuant to Law Decree No. 262 of 3 October 2006, (Decree No. 262), converted into Law No. 286 of 24 November 2006, the transfers of any valuable asset (including shares, bonds or other securities) as a result of death or donation are taxed as follows:

- (a) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding for each beneficiary, EUR 1,000,000;
- (b) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree, are subject to an inheritance and gift tax applied at a rate of 6 per cent. on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding for each beneficiary, EUR 100,000; and
- (c) any other transfer is, in principle, subject to an inheritance and gift tax applied at a rate of 8 per cent. on the entire value of the inheritance or the gift.

6. Tax Monitoring

Pursuant to Law Decree No. 167 of 28 June 1990, converted by Law No. 227 of 4 August, 1990, as amended, individuals resident in Italy who, at the end of the fiscal year, hold investments abroad or have financial activities abroad must, in certain circumstances, disclose the aforesaid and related transactions to the Italian tax authorities in their income tax return (or, in case the income tax return is not due, in a proper form that must be filed within the same time as prescribed for the income tax return). Such obligation is not provided if, *inter alia*, each of the overall value of the foreign investments or financial activities held at the end

of the fiscal year, and the overall value of the related transfers carried out during the relevant fiscal year, does not exceed EUR 10,000.

7. Stamp duty

Pursuant to Article 19(1) of Decree No. 201 of 6 December 2011 ("Decree 201"), a proportional stamp duty applies on an annual basis to the periodic reporting communications sent by financial intermediaries to their clients for the securities deposited therewith. The stamp duty applies at a rate of 0.15 per cent.; this stamp duty is determined on the basis of the market value or – if no market value figure is available – the nominal value or redemption amount of the securities held. The stamp duty can neither be lower than EUR 34.20, nor (for taxpayers other than individuals) exceed EUR 4,500. In the absence of specific guidelines, the stamp duty may apply both to Italian resident and non-Italian resident Noteholders, to the extent that the Notes are held with an Italian-based financial intermediary.

8. Wealth Tax on securities deposited abroad

Pursuant to Article 19(18) of Decree 201, Italian resident individuals holding the Notes outside the Italian territory are required to pay an additional tax at a rate 0.15 per cent.

This tax is calculated on the market value of the Notes at the end of the relevant year or – if no market value figure is available – the nominal value or the redemption value of such financial assets held outside the Italian territory. Taxpayers are entitled to an Italian tax credit equivalent to the amount of wealth taxes paid in the State where the financial assets are held (up to an amount equal to the Italian wealth tax due).

9. EU Directive on the Taxation of Savings Income

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. Italy has implemented the EU Savings Directive through Legislative Decree No. 84 of 18 April, 2005 ("**Decree No. 84**"). Under Decree No. 84, subject to a number of important conditions being met, in the case of interest paid to individuals which qualify as beneficial owners of the interest payment and are resident for tax purposes in another Member State. Italian qualified paying agents shall not apply the withholding tax and shall report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner. Such information is transmitted by the Italian tax authorities to the competent foreign tax authorities of the State of residence of the beneficial owner.

LUXEMBOURG TAXATION

The following information is of a general nature and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective Noteholders should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

The residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. In addition, a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*) as well as personal income tax (*impôt sur le revenu*) generally. Investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

Taxation of the Noteholders

Withholding Tax

(a) Non-resident Noteholders

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005, as amended (the **Laws**), there is no withholding tax on payments of principal, premium or interest made to non-resident Noteholders, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident Noteholders.

Under the Laws implementing the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the **Savings Directive**) and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws will be subject to withholding tax of 35 per cent.

(b) Resident Noteholders

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the **Law**), there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident Noteholders, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident Noteholders.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the

tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law will be subject to a withholding tax of 10 per cent.

Income Taxation

(a) Non-resident Noteholders

A non-resident Noteholder, not having a permanent establishment or permanent representative in Luxembourg to which/whom such Notes are attributable, is not subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Notes. A gain realised by such non-resident Noteholder on the sale or disposal, in any form whatsoever, of the Notes is further not subject to Luxembourg income tax.

A non-resident corporate Noteholder or an individual Noteholder acting in the course of the management of a professional or business undertaking, who has a permanent establishment or permanent representative in Luxembourg to which such Notes are attributable, is subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Notes and on any gains realised upon the sale or disposal, in any form whatsoever, of the Notes.

(b) Resident Noteholders

Noteholders who are residents of Luxembourg will not be liable for any Luxembourg income tax on repayment of principal.

(i) Luxembourg resident corporate Noteholder

A corporate Noteholder must include any interest accrued or received, any redemption premium or issue discount, as well as any gain realised on the sale or disposal, in any form whatsoever, of the Notes, in its taxable income for Luxembourg income tax assessment purposes. The same inclusion applies to an individual Noteholder, acting in the course of the management of a professional or business undertaking.

A Noteholder that is governed by the law of 11 May 2007 on family estate management companies, as amended or by the law of 17 December 2010 on undertakings for collective investment, or by the law of 13 February 2007 on specialised investment funds, as amended, is neither subject to Luxembourg income tax in respect of interest accrued or received, any redemption premium or issue discount, nor on gains realised on the sale or disposal, in any form whatsoever, of the Notes.

(ii) Luxembourg resident individual Noteholder

An individual Noteholder, acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax at progressive rates in respect of interest received, redemption premiums or issue discounts, under the Notes, except if (i) withholding tax has been levied on such payments in accordance with the Law, or (ii) the individual Noteholder has opted for the application of a 10 per cent. tax in full discharge of income tax in accordance with the Law, which applies if a payment of interest has been made or ascribed by a paying agent established in an EU Member State (other than Luxembourg), or in a Member State of the European Economic Area (other than an EU Member State), or in a state that has entered into a treaty with Luxembourg relating to the Savings Directive. A gain realised by an individual Noteholder, acting in the course of the management of his/her private wealth, upon the sale or disposal, in any form whatsoever, of Notes is not subject to Luxembourg income tax, provided this sale or disposal took place more than six months after the Notes were acquired. However, any portion of such gain corresponding to accrued but unpaid interest income is subject to Luxembourg income tax, except if tax has been levied on such interest in accordance with the Law.

An individual Noteholder acting in the course of the management of a professional or business undertaking must include this interest in its taxable basis. If applicable, the tax levied in accordance with the Law will be credited against his/her final tax liability.

Net Wealth Taxation

A corporate Noteholder, whether it is resident of Luxembourg for tax purposes or, if not, it maintains a permanent establishment or a permanent representative in Luxembourg to which such Notes are attributable, is subject to Luxembourg wealth tax on such Notes except if the Noteholder is governed by the law of 11 May 2007 on family estate management companies, as amended, or by the law of 17 December 2010 on undertakings for collective investment, or the law of 13 February 2007 on specialised investment funds, as amended, or is a securitisation company governed by the law of 22 March 2004 on securitisation, as amended, or is a capital company governed by the law of 15 June 2004 on venture capital vehicles, as amended.

An individual Noteholder, whether he/she is resident of Luxembourg or not, is not subject to Luxembourg wealth tax on such Notes.

Other Taxes

Neither the issuance nor the transfer of Notes will give rise to any Luxembourg stamp duty, value added tax, issuance tax, registration tax, transfer tax or similar taxes or duties.

However, a nominal registration duty may be due upon the registration of the Notes in Luxembourg in the case of legal proceedings before Luxembourg courts or in case the Notes must be produced before an official Luxembourg authority, or in the case of a registration of the Notes on a voluntary basis.

Where a Noteholder is a resident of Luxembourg for tax purposes at the time of his/her death, the Notes are included in his/her taxable estate for inheritance tax assessment purposes.

Gift tax may be due on a gift or donation of Notes if embodied in a Luxembourg deed passed in front of a Luxembourg notary or recorded in Luxembourg.

NETHERLANDS TAXATION

General

The following summary outlines the principal Netherlands tax consequences of the acquisition, holding, settlement, redemption and disposal of the Notes, but does not purport to be a comprehensive description of all Netherlands tax considerations that may be relevant. For purposes of Netherlands tax law, a holder of Notes may include an individual or entity who does not have the legal title of these Notes, but to whom nevertheless the Notes or the income thereof is attributed based on specific statutory provisions or on the basis of such individual or entity having an interest in the Notes or the income thereof. This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of the acquisition, holding, settlement, redemption and disposal of the Notes.

This summary is based on tax legislation, published case law, treaties, regulations and published policy, in each case as in force as of the date of this Base Prospectus, and does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- (a) investment institutions (*fiscale beleggingsinstellingen*);
- (b) pension funds, exempt investment institutions (*vrijgestelde beleggingsinstellingen*) or other entities that are not subject to or exempt from Netherlands corporate income tax;
- (c) holders of Notes holding a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in the Issuer and holders of Notes of whom a certain related person holds a substantial interest in the Issuer. Generally speaking, a substantial interest in the Issuer arises if a person, alone or, where such person is an individual, together with his or her partner (statutory defined term), directly or indirectly, holds or is deemed to hold (i) an interest of 5% or more of the total issued capital of the Issuer or of 5% or more of the issued capital of a certain class of shares of the Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in the Issuer;
- (d) persons to whom the Notes and the income from the Notes are attributed based on the separated private assets (*afgezonderd particulier vermogen*) provisions of the Netherlands Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) and the Netherlands Gift and Inheritance Tax Act 1956 (*Successiewet 1956*).
- (e) entities which are a resident of Aruba, Curacao or Sint Maarten that have an enterprise which is carried on through a permanent establishment or a permanent representative on Bonaire, Sint Eustatius or Saba, to which permanent establishment or permanent representative the Notes are attributable; and
- (f) individuals to whom Notes or the income there from are attributable to employment activities which are taxed as employment income in the Netherlands.

Where this summary refers to the Netherlands, such reference is restricted to the part of the Kingdom of the Netherlands that is situated in Europe and the legislation applicable in that part of the Kingdom.

Withholding Tax

All payments made by the Issuer under the Notes may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein. With respect to Notes issued by an Issuer that is considered to be a resident of the Netherlands for Netherlands tax purposes (a "Netherlands Issuer"), all payments made by such Netherlands Issuer under the Notes may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein, provided that the Notes do not in fact function as equity of the Issuer within the meaning of article 10, paragraph 1, under d of the Netherlands Corporate Income Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*).

Corporate and Individual Income Tax

(a) Residents of the Netherlands

If a holder of Notes is a resident of the Netherlands or deemed to be a resident of the Netherlands for Netherlands corporate income tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of an enterprise to which the Notes are attributable, income derived from the Notes and gains realised upon the redemption, settlement or disposal of the Notes are generally taxable in the Netherlands (at up to a maximum rate of 25 per cent.).

If an individual is a resident of the Netherlands or deemed to be a resident of the Netherlands for Netherlands individual income tax purposes or has opted to be treated as a resident of the Netherlands for individual income tax purposes, income derived from the Notes and gains realised upon the redemption, settlement or disposal of the Notes are taxable at the progressive rates (at up to a maximum rate of 52 per cent.) under the Netherlands Income Tax Act 2001, if:

- (i) the individual is an entrepreneur (*ondernemer*) and has an enterprise to which the Notes are attributable or the individual has, other than as a shareholder, a co-entitlement to the net worth of an enterprise (*medegerechtigde*), to which enterprise the Notes are attributable; or
- (ii) such income or gains qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*), which includes activities with respect to the Notes that exceed regular, active portfolio management (*normaal, actief vermogensbeheer*).

If neither condition (i) nor condition (ii) above applies, an individual that holds the Notes must determine taxable income with regard to the Notes on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. This deemed return on income from savings and investments is fixed at a rate of 4 per cent. of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year (1 January), insofar as the individual's yield basis exceeds a certain threshold (*heffingvrij vermogen*). The individual's yield basis is determined as the fair market value of certain qualifying assets held by the individual less the fair market value of certain qualifying liabilities on 1 January. The fair market value of the Notes will be included as an asset in the individual's yield basis. The 4 per cent. deemed return on income from savings and investments is taxed at a rate of 30 per cent.

(b) Non-residents of the Netherlands

If a person is not a resident of the Netherlands nor is deemed to be a resident of the Netherlands for Netherlands corporate or individual income tax purposes, nor has opted to be treated as a resident of the Netherlands for individual income tax purposes, such person is not liable to Netherlands income tax in respect of income derived from the Notes and gains realised upon the settlement, redemption or disposal of the Notes, unless:

- (i) the person is not an individual and such person (1) has an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Notes are attributable, or (2) is (other than by way of securities) entitled to a share in the profits of an enterprise or a co-entitlement to the net worth of an enterprise, which is effectively managed in the Netherlands and to which enterprise the Notes are attributable.

This income is subject to Netherlands corporate income tax at up to a maximum rate of 25 per cent.

- (ii) the person is an individual and such individual (1) has an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Notes are attributable, or (2) realises

income or gains with respect to the Notes that qualify as income from miscellaneous activities in the Netherlands which includes activities with respect to the Notes that exceed regular, active portfolio management (*normaal, actief vermogensbeheer*), or (3) is other than by way of securities entitled to a share in the profits of an enterprise which is effectively managed in the Netherlands and to which enterprise the Notes are attributable.

Income derived from the Notes as specified under (1) and (2) is subject to individual income tax at progressive rates up to a maximum rate of 52 per cent. Income derived from a share in the profits of an enterprise as specified under (3) that is not already included under (1) or (2) will be taxed on the basis of a deemed return on income from savings and investments (as described above under "Residents of the Netherlands"). The fair market value of the share in the profits of the enterprise (which includes the Notes) will be part of the individual's Netherlands yield basis.

Gift and Inheritance Tax

(a) Residents of the Netherlands

Generally, gift tax (*schenkbelasting*) or inheritance tax (*erfbelasting*) will be due in the Netherlands in respect of the acquisition of the Notes by way of a gift by, or on behalf of, or on the death of, a holder of Notes that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands Gift and Inheritance Tax Act 1956 at the time of the gift or his or her death. A gift made under a condition precedent is for purposes of the Netherlands Gift and Inheritance Tax Act 1956 deemed to be made at the time the condition precedent is fulfilled and is subject to gift tax if the donor is, or is deemed to be, a resident of the Netherlands at that time.

A holder of Netherlands nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands Gift and Inheritance Tax Act 1956 if he or she has been resident in the Netherlands and dies or makes a gift within ten years after leaving the Netherlands. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands Gift and Inheritance Tax Act 1956 if he or she has been resident in the Netherlands and makes a gift within a twelve months period after leaving the Netherlands. The same twelve-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

(b) Non-residents of the Netherlands

No gift or inheritance tax will be due in the Netherlands in respect of the acquisition of the Notes by way of a gift by, or as a result of, the death of a holder that is neither a resident nor deemed to be a resident of the Netherlands for the purposes of the Netherlands Gift and Inheritance Tax Act 1956. However, inheritance tax will be due in the case of a gift of the Notes by, or on behalf of, a holder who at the date of the gift was neither a resident nor deemed to be a resident of the Netherlands for the purposes of the Netherlands Gift and Inheritance Act 1956, but such holder dies within 180 days after the date of the gift, and at the time of his or her death is a resident or deemed to be a resident of the Netherlands for the purposes of the Netherlands Gift and Inheritance Act 1956. A gift made under a condition precedent is deemed to be made at the time the condition precedent is fulfilled.

Value Added Tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Notes or in respect of a cash payment made under the Notes, or in respect of a transfer of Notes.

Other Taxes and Duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in the Netherlands by a holder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Notes.

PORTUGUESE TAXATION

The following is a general summary of certain income and capital gains tax consequences which may arise to Portuguese resident Noteholders. It is included herein solely for information purposes. It is based on the laws presently in force in Portugal, though it is not intended to be, nor should it be considered to be, legal or tax advice. Furthermore, the tax treatment applicable in Portugal to the income and capital gains derived by Portuguese resident Noteholders may vary depending on the final terms and conditions of the relevant Notes. Therefore, prospective Portuguese resident Noteholders should consult their own professional advisers as to the tax implications arising from the acquisition, holding or disposal of the Notes.

This summary does not describe the tax consequences for a Portuguese resident Noteholder of Notes that are redeemable in exchange for, or convertible into, shares, of the exercise, settlement or redemption of such Notes and/or any tax consequences after the moment of the exercise, settlement or redemption.

1. Individuals

(A) Interest or income arising from the refund or redemption of the Notes

Income derived by Portuguese resident individuals from the Notes will, as a general rule, be subject to a 28 per cent. withholding tax if the said income is paid by a Portuguese resident entity. The Noteholders may choose to treat the withholding tax as a final tax or to tax the interest deriving from the Notes at the general progressive Personal Income Tax ("PIT") rates varying between 14.5 per cent. and 48 per cent. (plus (i) an additional surcharge of 2.5 per cent. applicable on income exceeding € 80,000 and up to €250,000 and of 5 per cent. applicable on income exceeding € 250,000, and (ii) a surtax of 3.5 per cent. on income exceeding the annual national minimum wage), in which case the withholding will be treated as a payment on account of the final tax due.

In other cases, as a general rule, the Noteholders will have to include the income derived from the Notes in their PIT returns to be subject to taxation at an autonomous rate of 28 per cent., unless the Noteholders choose to tax the interest deriving from the Notes at the general progressive PIT rates as describe above.

Interest and other investment income paid or made available ("*colocado à disposição*") to accounts in the name of one or more resident accountholders acting on behalf of one or more unidentified third parties is subject to a final withholding tax rate of 35 per cent., unless the relevant beneficial owner(s) of the income is/are identified and as a consequence the tax rates applicable to such beneficial owner(s) will apply.

Should the relevant Notes be deemed to be certificates that do not guarantee more than 100 per cent. of the principal, income from operations related to it (either arising from its sale prior to the redemption, or from its redemption) will be qualified as a capital gain (in this regard it should be noted that under Portuguese legislation, certificates are securities that entitle the Noteholder to receive the value of a certain underlying asset, according to the conditions set out on the issue resolution. Certificates differ from debt securities in that they typically do not give the Noteholder the right to receive a fixed or variable interest). In this case, the individual Noteholder will be able to choose between the taxation of the positive difference between capital-gains and losses at an autonomous rate of 28 per cent. or to aggregate that income to the remaining income to be subject to the general PIT rates as described above.

Capital losses do not take part in the calculation of the balance referred in the previous paragraph when the counterpart in the operation is resident in a country or territory listed as a tax haven in order 150/2004 of February 13, as amended ("**Tax Haven**").

(B) Capital gains arising from the transfer of the Notes

The positive difference between capital gains and losses obtained on the transfer of the Notes by Portuguese resident individuals is subject to a 28 per cent. special tax rate.

The individual Noteholder will be able to choose to aggregate that income to the remaining income to be subject to the general PIT rates as described above. Capital losses do not take part in the calculation of the net capital gains when the counterpart in the operation is resident in a Tax Haven.

2. Corporate entities

As a general rule, interest or income derived by corporate entities resident in Portugal, or non-resident corporate entities with a permanent establishment in Portugal to which the income is attributable, from the refund or redemption of the Notes, as well as capital gains arising from their transfer, will be regarded as taxable income and therefore subject to Portuguese Corporate Income Tax ("**CIT**"), at a general rate of 25 per cent. The taxable income may also be subject to a municipal surcharge, of up to 1.5 per cent. A state surcharge is applicable to income obtained by CIT taxable entities as follows: (a) taxable income of more than EUR 1.500.000 will be subject to a State surcharge of 3 per cent., (b) taxable income of more than EUR 7,500,000 will be subject to a State surcharge of 5 per cent. Losses arising from the transfer or redemption of the Notes will be, as a general rule, tax deductible.

All prospective Noteholders should seek independent advice as to their tax positions.

Portugal has implemented the EC Council Directive 2003/48/EC of 3 June 2003 on taxation savings income into the Portuguese law through Decree-Law no 62/2005, of 11 March 2005, as further amended.

SPANISH TAXATION

The statements herein regarding the tax legislation in Spain are based on the laws in force in Spain as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax adviser as to the Spanish tax consequences of the ownership and disposition of the Notes.

1. Spanish resident individuals

Personal Income Tax

Personal Income Tax ("PIT") is levied on an annual basis on the worldwide income obtained by Spanish resident individuals, whatever its source and wherever the relevant payer is established. Therefore any income that a Spanish holder of the Notes may receive under the Notes will be subject to Spanish taxation.

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes obtained by individuals who are tax resident in Spain will be regarded as financial income for tax purposes (i.e. a return on investment derived from the transfer of own capital to third parties).

These amounts will be included in the savings part of the taxable income subject to PIT at the following tax rates: financial income will be taxed (i) at a rate of 21 per cent. on the first €6,000; (ii) at a rate of 25 per cent. on the amount exceeding €6,000 up to €24,000; and (iii) at a rate of 27 per cent. on the amount exceeding €24,000. According to the Spanish tax legislation currently in force, as from 1 January 2014, any amount included in the savings part of the PIT taxable income up to €6,000 will be taxed at a rate of 19 per cent. and the excess over such amount will be subject to a rate of 21 per cent. Please note that it has been unofficially announced that this reduction of tax rates may be postponed to 2015.

Spanish holders of the Notes shall compute the gross interest obtained in the savings part of the taxable base of the tax period in which it is due, including amounts withheld, if any.

Income arising on the disposal, redemption or reimbursement of the Notes will be calculated as the difference between (a) their disposal, redemption or reimbursement value and (b) their acquisition or subscription value. Costs and expenses effectively borne on the acquisition and transfer of the Notes may be taken into account for calculating the relevant taxable income, provided that they can be duly justified.

Likewise, expenses related to the management and deposit of the Notes, if any, will be tax-deductible, excluding those pertaining to discretionary or individual portfolio management.

Losses that may derive from the transfer of the Notes cannot be offset if the investor acquires homogeneous securities within the two-month period prior or subsequent to the transfer of the Notes, until he/she transfers such homogeneous securities.

Additionally, tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Notes, if any.

Spanish Inheritance and Gift Tax

Spanish Inheritance and Gift Tax is levied on transfers of Notes upon death or by gift to Spanish tax resident individuals, with the taxpayer being the transferee. General tax rates currently range from 7.65 to 81.60 per cent. although the tax situation may vary depending on any applicable regional tax laws.

Spanish Wealth Tax

Spanish tax resident individuals are subject to an annual Wealth Tax on the tax year 2013 on their total net wealth, regardless of the location of their assets or of where their rights may be exercised, to the extent that their net wealth exceeds €700,000 (note that a different minimum tax exempt amount may be approved by the corresponding regional authorities). Therefore, Spanish holders of the Notes should compute the value of the Notes as at 31 December 2013

when calculating their Wealth Tax liabilities. The applicable tax rates range between 0.2 per cent. and 2.5 per cent. although the final tax rates may vary depending on any applicable regional tax laws, and some reductions may apply.

2. Legal Entities with Tax Residence in Spain

Corporate Income Tax

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes obtained by entities which are tax resident in Spain shall be computed as taxable income of the tax period in which they accrue.

The general tax rate for Spanish Corporate Income Tax (“CIT”) taxpayers is currently 30 per cent. However, small sized companies (those companies whose net business income is lower than €10,000,000) could benefit from the reduced tax rate of 25 per cent. on the first €300,000 of their taxable profits. In addition to this, and for the tax years starting in 2013, companies with a net business income lower than €5,000,000 and an average staff of less than 25 employees could benefit from the reduced tax rate of 20 per cent. on the first €300,000 of their taxable profits, the rest of the taxable profits being subject to the tax rate of 25 per cent. Special rates apply in respect of certain types of entities (such as qualifying collective investment institutions).

Tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Notes, if any.

3. Individuals and Legal Entities with no Tax Residence in Spain

A non-resident holder of Notes who has a permanent establishment in Spain to which such Notes are attributable is subject to Spanish Non-Residents Income Tax on any income obtained under the Notes including both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes. In general terms, the tax rules applicable to individuals and legal entities with no tax residence in Spain but acting through a permanent establishment in Spain are the same as those applicable to Spanish tax resident corporate income taxpayers.

4. Spanish withholding tax

BNP Paribas has been advised that, under Spanish tax law currently in effect, the Issuer should not be obliged to deduct withholdings on account of Spanish income taxes since it is not a Spanish tax resident entity and does not have a permanent establishment in Spain to which the issue of the Notes is connected.

Where a financial institution (either resident in Spain or acting through a permanent establishment in Spain) acts as depositary of the Notes or intervenes as manager on the collection of any income under the Notes, such financial institution will be responsible for making the relevant withholding on account of Spanish tax on any income deriving from the Notes. To this effect income deriving from the Notes will include not only interest payments but also income arising from the disposal, redemption or reimbursement of the Notes, if any.

The current withholding tax in Spain is 21 per cent. According to the Spanish tax legislation currently in force, the general withholding tax rate applicable as from 1 January 2014 will be 19 per cent. (although it has been unofficially announced that this reduction of the withholding tax rates may be postponed to 2015). Amounts withheld in Spain, if any, can be credited against the final Spanish PIT liability, in the case of Spanish resident individuals, or against final Spanish CIT liability, in the case of Spanish CIT taxpayers, or against final Spanish Non-Residents Income Tax liability, in the case of Spanish permanent establishments of non-resident investors. However, holders of the Notes who are Corporate Income Taxpayers or Non-Residents Income Taxpayers can benefit from a withholding tax exemption when the Notes are (a) listed in an OECD official stock exchange; or (b) represented in book-entry form and admitted to trading on a Spanish secondary stock exchange.

Additionally, when the Notes (i) are represented in book-entry form; (ii) are admitted to trading on a Spanish secondary stock exchange; and (iii) generate explicit yield, holders who are

Personal Income Taxpayers can benefit from a withholding tax exemption in respect of the income arising from the transfer or repayment of the Notes. However, under certain circumstances, when a transfer of the Notes has occurred within the 30-day period immediately preceding any relevant interest payment date, such Personal Income Taxpayers may not be eligible for such withholding tax exemption.

Furthermore, such financial institution may become obliged to comply with the formalities set out in the regulations of the Spanish tax legislation when intervening in the transfer or reimbursement of the Notes.

UK TAXATION

The following comments are of a general nature, apply only to persons who are the beneficial owners of Notes and are a summary of the Issuer's understanding of current law and practice in the United Kingdom relating to certain aspects of United Kingdom taxation. Some aspects do not apply to certain classes of person (such as dealers) to whom special rules may apply. Prospective Noteholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.

Payments of interest on Notes issued by BNP Paribas (other than Notes issued via its London Branch)

Payments of interest by the Issuer on the Notes may be made without withholding on account of United Kingdom income tax where such payments are not regarded as having a United Kingdom source.

Payments of interest on Notes issued by BNP Paribas via its London Branch

The Issuer, provided that it continues to be a bank within the meaning of section 991 of the Income Tax Act 2007 (the "**Act**"), and provided that the interest on the Notes is paid in the ordinary course of its business within the meaning of section 878 of the Act, will be entitled to make payments of interest without withholding or deduction for or on account of United Kingdom income tax. Interest will not be regarded as being paid in the ordinary course of business where the borrowing relates to the capital structure of the Issuer. The borrowing will be regarded as relating to the capital structure of the Issuer if it conforms to any of the definitions of tier 1, 2 or 3 capital adopted by the Prudential Regulation Authority (PRA), whether or not the borrowing actually counts towards tier 1, 2 or 3 capital for regulatory purposes.

Payments of interest on the Notes may be made without deduction of or withholding on account of United Kingdom income tax provided that the Notes continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007. The Luxembourg Stock Exchange and Euronext Paris are recognised stock exchanges. The Notes will satisfy this requirement if they are officially listed in Luxembourg or France on those stock exchanges (as applicable) in accordance with provisions corresponding to those generally applicable in EEA states and are admitted to trading on the Luxembourg Stock Exchange or Euronext Paris (as applicable). Provided, therefore, that the Notes remain so listed, interest on the Notes will be payable without withholding or deduction on account of United Kingdom tax whether or not the Issuer carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.

Interest on the Notes may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Notes is paid by a company and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Notes is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HM Revenue and Customs ("**HMRC**") has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

Interest on the Notes may also be paid without withholding or deduction on account of United Kingdom tax where the maturity of the Notes is less than 365 days and those Notes do not form part of a scheme or arrangement of borrowing intended to be capable of remaining outstanding for more than 364 days.

In other cases, an amount must generally be withheld from payments of interest on the Notes on account of United Kingdom income tax at the basic rate (currently 20 per cent.). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Noteholder, HMRC can issue a notice to the Issuer to pay interest to the Noteholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

Provision of Information

HMRC has powers, in certain circumstances, to obtain information about: payments derived from securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a deeply discounted security); and securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from securities; a person who makes such a payment (received from, or paid on behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to securities transactions (which includes an issue of securities) on behalf of others; registrars or administrators in respect of securities transactions; and each registered or inscribed holder of securities.

The information HMRC can obtain includes: details of the beneficial owner of securities; details of the person for whom the securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the security under which interest is paid. HMRC is generally not able to obtain information (under its power relating solely to interest) about a payment of interest to (or a receipt for) a person that is not an individual. This limitation does not apply to HMRC's power to obtain information about payments derived from securities.

HMRC has indicated that it will not use its information-gathering power on interest to obtain information about amounts payable on the redemption of deeply discounted securities which are paid before 6 April 2014.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

FOREIGN ACCOUNT TAX COMPLIANCE ACT

Sections 1471 through 1474 of the U.S. Internal Revenue Code ("**FATCA**") impose a new reporting regime and potentially a 30 per cent. withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a "foreign financial institution", or "**FFI**" (as defined by FATCA)) that does not become a "**Participating FFI**" by entering into an agreement with the U.S. Internal Revenue Service ("**IRS**") to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a "United States Account" of the Issuer (a "**Recalcitrant Holder**"). The Issuer is classified as an FFI.

The new withholding regime will be phased in beginning 1 January 2014 for payments from sources within the United States and will apply to "**foreign passthru payments**" (a term not yet defined) no earlier than 1 January 2017. This withholding would potentially apply to payments in respect of (i) any Notes characterized as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the "**grandfathering date**", which is the later of (a) 1 January 2014 and (b) the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified on or after the grandfathering date and (ii) any Notes characterized as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Notes are issued before the grandfathering date, and additional Notes of the same series are issued on or after that date, the additional Notes may not be treated as grandfathered, which may have negative consequences for the existing Notes, including a negative impact on market price.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an "**IGA**"). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a "**Reporting FI**" not subject to withholding under FATCA on any payments it receives. Further, an FFI in a Model 1 IGA jurisdiction would not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being "**FATCA Withholding**") from payments it makes (unless it has agreed to do so under the U.S. "qualified intermediary," "withholding foreign partnership," or "withholding foreign trust" regimes). The

Model 2 IGA leaves open the possibility that a Reporting FI might in the future be required to withhold as a Participating FFI on foreign passthru payments and payments that it makes to Recalcitrant Holders. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and France have announced an intention to enter into an IGA.

If the Issuer becomes a Participating FFI under FATCA, the Issuer and financial institutions through which payments on the Notes are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

If an amount in respect of FATCA Withholding were to be deducted or withheld from interest, principal or other payments made in respect of the Notes, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.

HIRING INCENTIVES TO RESTORE EMPLOYMENT ACT

The U.S. Hiring Incentives to Restore Employment Act introduced Section 871(m) of the Code which treats a "dividend equivalent" payment as a dividend from sources within the United States. Under Section 871(m), such payments generally would be subject to a 30 per cent. U.S. withholding tax that may be reduced by an applicable tax treaty, eligible for credit against other U.S. tax liabilities or refunded, provided that the beneficial owner timely claims a credit or refund from the IRS. A "dividend equivalent" payment is (i) a substitute dividend payment made pursuant to a securities lending or a sale-repurchase transaction that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a dividend from sources within the United States, (ii) a payment made pursuant to a "specified notional principal contract" that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a dividend from sources within the United States, and (iii) any other payment determined by the IRS to be substantially similar to a payment described in (i) and (ii). Proposed U.S. Treasury regulations expand the definition of "specified notional principal contract" beginning 1 January 2014.

While significant aspects of the application of Section 871(m) to the Notes are uncertain, if the Issuer or any withholding agent determines that withholding is required, neither the Issuer nor any withholding agent will be required to pay any additional amounts with respect to amounts so withheld. Prospective investors should consult their tax advisers regarding the potential application of Section 871(m) to the Notes.

TO ENSURE COMPLIANCE WITH IRS CIRCULAR 230, EACH TAXPAYER IS HEREBY NOTIFIED THAT: (A) ANY TAX DISCUSSION HEREIN IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED BY THE TAXPAYER FOR THE PURPOSE OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THE TAXPAYER; (B) ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated programme agreement dated 3 June 2013 (the "**Programme Agreement**", which expression includes the same as it may be updated or supplemented from time to time) agreed with the Issuer a basis upon which they (or any one of them) may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Terms and Conditions of the English Law Notes*", "*Terms and Conditions of the French Law Notes*" and "*Form of the Notes*" above.

The following selling restrictions may be modified by the Issuer and the relevant Dealers following a change in the relevant law, regulation or directive and in certain other circumstances as may be agreed between the Issuer and the relevant Dealers. Any such modification will be set out in the Final Terms and (if applicable) the subscription agreement in respect of the Tranche to which it is related or in a supplement to this Document.

Public Offer Selling Restrictions under the Prospectus Directive

Please note that, in relation to EEA States, additional selling restrictions may apply in respect of any specific EEA State, including those set out below in relation to Austria, Belgium, France, the Republic of Italy, Luxembourg, The Netherlands, Portugal and the United Kingdom.

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which Directive 2003/71/EC (including any relevant implementing measure in each Relevant Member State, the "**Prospectus Directive**") is implemented in that Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non-exempt Offer**"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, all in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
 - (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
 - (c) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer;
 - (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,
- provided that no such offer of Notes referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision:

- (i) the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor

to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State;

- (ii) the expression **Prospectus Directive** means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State; and
- (iii) the expression **2010 PD Amending Directive** means Directive 2010/73/EU.

Australia

Each Dealer understands that no prospectus or other disclosure document (as defined in the Corporations Act 2001 (the "Corporations Act")) in relation to the Programme or Notes has been, or will be, lodged with the Australian Securities and Investments Commission or ASX Limited ("**ASIC**"). Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it:

- (a) has not made or invited, and will not make or invite, an offer of Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, the Base Prospectus or any other offering material or advertisement relating to Notes in Australia,

unless;

- (a) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternative currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer otherwise does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
- (b) the offer does not constitute an offer to a "retail client" as defined for the purposes of Section 761G of the Corporations Act;
- (c) such action complies with any other applicable laws, regulations or directives in Australia; and
- (d) such action does not require any document to be lodged with ASIC or any other regulatory authority in Australia.

Section 708(19) of the Corporations Act provides that an offer of debentures for issue or sale does not need disclosure to investors under Part 6D.2 of the Corporations Act if the Issuer is an Australian ADI (as defined for the purposes of the Corporation Act). As at the date of this Prospectus, the Issuer is an Australian ADI.

In addition, each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, in connection with any issue of Notes issued by the Issuer, it will not offer or sell Notes (or any interest in any Notes) to any person who is known or suspected, by the relevant officer(s) or employee(s) of the Dealer involved in the offer, invitation or sale to be an Offshore Associate of the Issuer or to any person who is notified in writing by the Issuer to it as being an Offshore Associate of the Issuer.

"Offshore Associate" means an associate (as defined in section 128F(9) of the Income Tax Assessment Act 1936 of Australia) that is either:

- (a) a non-resident of Australia which does not acquire the Notes in the course of carrying on a business at or through a permanent establishment in Australia; or
- (b) a resident of Australia that acquires the Notes in the course of carrying on a business at or through a permanent establishment outside Australia,

which is not acquiring the Notes, or receiving payment under the Notes, in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered managed investment scheme.

Austria

In addition to the cases described in the Public Offer Selling Restrictions under the Prospectus Directive in which the Notes may be offered to the public in an EEA Member State (including Austria), the Notes may be offered to the public in Austria only:

- (a) if the following conditions have been satisfied:
 - (i) the Base Prospectus, including any supplements but excluding any Final Terms, which has been approved by the Austrian Financial Market Authority (*Finanzmarktaufsichtsbehörde*) (the "**FMA**") or, where appropriate, approved in another Member State and notified to the FMA, all in accordance with the Prospectus Directive, has been published at least one Austrian bank working day prior to the commencement of the relevant offer of the Notes to the public;
 - (ii) the applicable Final Terms for the Notes have been published and filed with the FMA on or prior to the date of commencement of the relevant offer of the Notes to the public and filed with the FMA; and
 - (iii) a notification with the Oesterreichische Kontrollbank Aktiengesellschaft, all as prescribed by the Capital Market Act 1991 (*Kapitalmarktgesetz 1991*), as amended (the "**CMA**"), has been filed at least one Austrian bank working day prior to the commencement of the relevant offer of the Notes to the public; or
- (b) otherwise in compliance with the CMA.

For the purposes of this Austrian selling restriction, the expression "an offer of the Notes to the public" means the communication to the public in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

Belgium

With regard to Notes having a maturity of less than 12 months (and which therefore fall outside the scope of the Prospectus Directive), this Prospectus has not been, and it is not expected that it will be, submitted for approval to the Belgian Financial Services and Markets Authority (*Autoriteit voor Financiële Diensten en Markten / Autorité des services et marchés financiers*) (the "**FSMA**"). Accordingly, no action will be taken that would be characterised as or result in a public offering of such Notes in Belgium in accordance with the Prospectus Law of 16 June 2006 on public offerings of investment instruments and the admission of investment instruments to trading on regulated markets, as amended or replaced from time to time.

With regard to fund linked Notes, the funds to which the fund linked Notes are linked are not registered and will not be registered in Belgium with the FSMA under the Belgian law of 20 July 2004 on certain forms of collective investment portfolios. The shares and other securities issued by these funds cannot be offered publicly in Belgium.

The Notes shall not be physically delivered in Belgium, except to a clearing system, a depository or other institution for the purpose of their immobilisation in accordance with Article 4 of the Belgian Law of 14 December 2005.

- (b) it has not issued or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" as defined in the Securities and Futures Ordinance and any rules made under that Ordinance.

15. Dealer Conflicts

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and their Affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's Affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

16. Yield

In relation to any Tranche of Fixed Rate Notes, an indication of the yield in respect of such Notes will be specified in the applicable Final Terms. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield. An indication of the yield may only be calculated for Fixed Rate and may not be determined for Notes that bear or pay interest determined by reference to a floating rate and/or a rate calculated by reference to one or more Underlying Reference(s).

D.2	Principaux risques propres à l'Emetteur	<p>Il existe certains facteurs pouvant affecter la capacité de l'Emetteur à remplir ses engagements en vertu des Obligations émises dans le cadre du Programme.</p> <p>Douze principaux risques sont inhérents aux activités de BNPP :</p> <ol style="list-style-type: none"> 1. Risque de Crédit ; 2. Risque de Contrepartie ; 3. Titrisation ; 4. Risque de Marché ; 5. Risque Opérationnel ; 6. Risque de Non Conformité et de Réputation ; 7. Risque de Concentration ; 8. Risque de gestion Actif-Passif ;

Risque d'Assurance.</p> <p>Des conditions macro-économiques et de marché difficiles pourraient dans le futur avoir un effet défavorable significatif sur les conditions dans lesquelles évoluent les établissements financiers et en conséquence sur la situation financière, les résultats et le coût du risque de BNPP.</p> <p>Des mesures législatives et réglementaires prises en réponse à la crise financière mondiale pourraient affecter sensiblement BNPP ainsi que l'environnement financier et économique dans lequel elle opère.</p> <p>L'accès au financement de BNPP et les conditions de ce financement pourraient être affectés de manière significative en cas de résurgence de la crise de la dette souveraine, de détérioration des conditions économiques, de nouvelles dégradations de notation ou d'autres facteurs.</p> <p>Toute augmentation substantielle des provisions ou tout engagement insuffisamment provisionné peut peser sur les résultats et la situation financière de BNPP.</p> <p>Les fluctuations de marché et la volatilité exposent BNPP au risque de pertes substantielles dans le cadre de ses activités de marché et d'investissement.</p> <p>Les revenus tirés par BNPP des activités de courtage et des activités générant des commissions sont potentiellement vulnérables à une baisse des marchés.</p> <p>Une baisse prolongée des marchés peut réduire la liquidité et rendre plus difficile la cession d'actifs. Une telle situation pourrait engendrer des pertes significatives.</p> <p>Toute variation significative des taux d'intérêt est susceptible de peser sur les revenus ou la rentabilité de BNPP.</p> <p>La solidité financière et le comportement des autres institutions financières et acteurs du marché pourraient avoir un effet défavorable sur BNPP.</p> <p>Tout préjudice porté à la réputation de BNPP pourrait nuire à sa compétitivité.</p> <p>Toute interruption ou défaillance des systèmes informatiques de BNPP peut entraîner un manque à gagner et engendrer des pertes.</p>

Elément	Description de l'Elément	
		<p>Des événements externes imprévus peuvent provoquer une interruption des activités de BNPP et entraîner des pertes substantielles ainsi que des coûts supplémentaires.</p> <p>BNPP est soumise à une réglementation importante et fluctuante dans les pays et régions où elle exerce ses activités.</p> <p>Malgré les politiques, procédures et méthodes de gestion du risque mises en œuvre, BNPP peut être exposé à des risques non identifiés ou imprévus, susceptibles d'occasionner des pertes significatives.</p> <p>Les stratégies de couverture mises en place par BNPP n'écartent pas tout risque de perte.</p> <p>BNPP pourrait connaître des difficultés relatives à l'intégration des sociétés acquises et pourrait ne pas réaliser les bénéfices attendus de ses acquisitions.</p> <p>Une intensification de la concurrence, en particulier en France, premier marché de BNPP, pourrait peser sur les revenus et la rentabilité.</p>
D.3	Principaux risques propres aux Obligations	<p>En complément des risques propres à l'Emetteur (y compris le risque de défaut) qui pourraient affecter la capacité de l'Emetteur à remplir ses obligations en vertu des Obligations, certains facteurs importants permettent d'évaluer les risques de marché liés aux Obligations émises dans le cadre du Programme, y compris le fait que (i) les Obligations sont des obligations non assorties de sûretés, (ii) le marché des Obligations peut être volatile et peut être affecté par plusieurs événements, (iii) un marché secondaire actif peut ne jamais être établi ou être illiquide, ce qui peut affecter la valeur à laquelle un investisseur peut vendre ses Obligations (les investisseurs pourraient subir une perte partielle ou totale du montant de leur investissement), (iv) les Obligations peuvent être remboursées avant maturité au choix de l'Emetteur ce qui peut limiter leur valeur de marché, (v) les porteurs d'Obligations Subordonnées font généralement face à un risque de performance plus important et un risque de perte plus important en cas d'insolvabilité de l'Emetteur que les porteurs d'Obligations Senior et les futures exigences en matière d'adéquation des fonds propres vont affecter l'émission et les modalités des Obligations Subordonnées, (vi) il existe des risques relatifs aux Obligations libellées en CNY car le CNY n'est actuellement pas librement convertible et il existe des risques relatifs aux Obligations compensées par le biais de CMU, (vii) les Obligations incluant un effet de levier impliquent un niveau de risque plus élevé et, en cas de pertes sur ces Obligations, ces pertes peuvent être supérieures à celles d'un titre similaire qui n'inclut aucun effet de levier, (viii) le cours de négociation des Obligations est affecté par plusieurs facteurs, y compris, mais sans caractère limitatif, (pour les</p>

Les obligations négociées sur des marchés émergents ou en voie de développement tendent à être moins liquides et leurs cours plus volatils.
